(A) Can hold 200 persons - Chultry large

I have personally tested the Madhuranthakam Chultry & find it to be somewhat pelted to suffocation. The Chultry is decidedly better & more popular of Madhuranthakam, as well as it is a double & great help to travellers - It cannot be denied however that the accommodation is not so well kept up. I have given the Chultry keeper to understand that unless the accommodation is doubled & enlarged he will be dismissed & an old Bazar will become [illegible] with Government [illegible]
