III

The petitioner Fakaruebi is the grand uncle & grand son's widow of the deceased Gulamalli and has better right for the share of the deceased than any other and it was accordingly upheld by the Collector whose order supported by the statements of the Karnams before me and a petition from the inhabitants of the Karnams before me and a petition dated 20th May 1863 show that the claimant Abdul Khader is not in the enjoyment of the Inam although he says he performs the service in the Mosque and receives a portion of the Inam proceeds from the Gumastah in the management of the Inam employed upon the consent of the several parties interested in the institution.

So that Saiyed Nurulla marked fifteen recently his share already passed to his sons C & D which with the 1/8 a piece already in their possession according to the Collector's registry amount to 1/4 share that should be registered in their names. The remaining 3/4 share as per old Contention that needs not be questioned is not under dispute between the several Petitioners A & B and the registration of the Inams in the 3 Villages should be in accordance with the registry made in 1863 with the Consent Fakaruh marked A in the name of the Son in law Saiyed deceased and which should be entered in Inam Fasliname.

5. If the registration already made is according to my recent enquiries by the Collector's order of 1851 and by alleged existing possession, there needs no alteration in the Title deeds already issued.

6. The dissatisfied Petitioner is referred to Civil Courts.

2nd February 1866 (Sd) B. Gopalaiya
Deputy Collector

From the above report of Deputy Collector B. Gopalaiya to whom the petitions of the parties were referred it appears that the Collector in 1853 recognised and registered the claims of 1st Fakruebi's Son (original) (now added) to 3/4 original Inam
2nd Saiyed Nurulla —— 1/8 Do
3rd Karuniya —— 1/8 Do

IV

The 2nd was the father of the 3rd and his share died. The said Son in law No 1 has also since died, so that at present 3/4th is enjoyed by Fakir and 1/4 by Karuniya. The grounds on which the name of Saiyed Abdul K was registered by Deputy Collector Ramachandra Row are not stated in that officer and now Deputy Collector B Gopalaiya reports that he enjoyment of any portion of the Inam. In the Village of Sirukalatur widow of a former holder Gulamalli is entered with explanation from the petition of said Abdul Khader she appears to have since It is not the province of this Department to pronounce any decision on abstract right of Saiyed Abdul Khadar and he has not such strong prima facie title to a share. Under these circumstances the name Saiyed Abdul Khadar is struck out of the Register in the 3 Villages and he is referred to the civil courts for redress. The name of Fakir head is struck out of the Register of Sirukalatur.
