Order—No. 486 W., dated 25th February 1898.

Revenue.

The budget estimate of receipts for 1897–98 was fixed at Rs. 1,67,000. The revised estimate has been raised to Rs. 1,90,000 on consideration of the actuals during the last six months of the three years ending 31st March 1897. The same amount has been adopted as the budget estimate for 1898–99.

Expenditure.

2. The budget estimate of charges for 1897–98 amounted to Rs. 18,41,000. The revised estimate has been reduced to Rs. 16,70,000 by the following modifications of grants subsequently sanctioned:—

	Rs.
Surrender to the Financial Department of the under-mentioned grants:—	
(1) Repairs to the Tahsildar's office at Tangasseri	176
(2) Repairs to the Calicut-Vayitri road	10,000
(3) Savings under "Suspense" and Establishment"	1,60,824
Total decrease ...	1,71,000

3. The Financial Department has assigned a grant of Rs. 25,00,000 for expenditure during 1898–99, and the budget estimate has been prepared for that amount. The grant has been distributed as shown below:—

	Rs.
Original Works—	
Civil Buildings	7,14,478
Communications	2,22,030
Miscellaneous public improvements	45,853
Lump sum allotments for Minor works	50,000
Reserve with the Government for incomplete works	2,03,361
Total, Original works ...	12,35,722
Repairs—	
Civil Buildings	2,79,000
Communications	1,11,850
Miscellaneous public improvements	26,800
Total, Repairs ...	4,17,650
Total original works and repairs	16,53,372
Establishment	7,24,692
Tools and plant	1,21,936
Grand Total ...	25,00,000

4. In accordance with G.O., No. 525 W., dated 28th February 1893, heads of departments have submitted budget estimates for original works costing over Rs. 500, and Superintending Engineers and the Consulting Architect for original works costing Rs. 500 and less, and for repairs. The allotments for works have been fixed by the budget committee in accordance with the procedure approved in G.O., No. 2856 W., dated 11th October 1883. The works for which funds have been provided are shown under class *A*, while those for which no allotments have been made are detailed in schedule *B*.

5. Certain original works for which allotments have been provided to the full extent of the sanctioned estimates in the current official year, have been brought forward by heads of departments. These have been excluded from the budget. The repair works brought forward by these officers have also been omitted, as such works should be carried out from the lump sum grants placed at the disposal of Superintending Engineers and the Consulting Architect.

6. Funds have been provided for all works in progress and for sanctioned new works except the "extensions to the Huzur treasury room in the Collector's office at Madura." The Government has under contemplation a separate project for providing a new office for the Collector, which will obviate the need for extending the existing treasury room. Orders on this subject will issue shortly.

7. Allotments have been made for the undermentioned unsanctioned urgent works. These should not, however, be commenced until estimates have been duly sanctioned. The officers concerned will expedite the submission of the requisite plans and estimates to admit of the grants being fully utilized before the close of the official year.

(1) Constructing a Deputy Tahsildar's office at Jeypore.
(2) Quarters for European officers at Madura.
(3) Cart-road from Salem to Yercaud.
(4) Chinnar-Talliar road.

8. Sanction to the estimate for re-roofing the Police Head-quarter office at St. Thomas' Mount was withheld under the orders restricting expenditure. It will now be sanctioned separately.

9. The estimate for Havelock road at Ootacamund is under scrutiny in the Chief Engineer's office, and orders on it will issue shortly.

10. The Superintending Engineer, IV Circle, will adopt such measures as will ensure the early submission of further estimates for the undermentioned roads:—

(1) Anamalai ghât road, especially the estimate for the rail bridge across the Anliar river.
(2) Roads in Moplah tracts.

11. The amount required for incomplete works will be provided from the reserve on receipt of detailed proposals from Superintending Engineers and the Consulting Architect. These should be submitted as early as possible after the close of the current official year.

12. The Government having declined to make a larger grant than Rs. 7,000 for the church at Bezwada (*vide* G.O., No. 2923 W., dated 15th November 1894), the allotment for the work has been restricted to that amount.

13. Several works connected with the Lunatic Asylum at Madras have been provided with separate allotments. They should all be treated as a single work and accounted for accordingly.

14. A sum of Rs. 1,400 has been provided for the Police ward at Hosur, Salem district. No expenditure should be incurred on the work until further orders.

15. All sanctioned minor works with a few exceptions having been provided for in the budget, the lump sum allotments under this head have been restricted to Rs. 50,000 against the demand of Rs. 1,00,625. If additional grants are required, the officers concerned will submit the necessary applications supported by full reasons.

16. The demands under repairs have been fully complied with, but the officers concerned will be careful to see that no unnecessary expenditure is incurred under this head.

17. The distribution of grants for Minor works and repairs is shown in part II of the budget, and that for Tools and plant in part IV.

18. The Superintendent of the Archæological Survey has applied for a grant of Rs. 120 to meet the monthly allowance of Rs. 10 sanctioned for the Superintendent of the lighthouse at Seven Pagodas, in consideration of the extra duties devolving on him in connection with the conservancy of the ancient monuments at that station. The Superintending Engineer, II Circle, has also applied for an allotment of Rs. 180 for the conservancy of the ancient remains at Seven Pagodas. A sum of Rs. 300 has accordingly been allotted to the Chingleput division to meet the charges in question.

19. The allotments applied for by the Superintending Engineer, Military Works, Madras Command, for expenditure on Minor works and repairs at Wellington, Bangalore and Ramandrug have been provided in part II.

20. The cost of establishment for 1898–99 is estimated at Rs. 22,55,620 against Rs. 22,65,792 for 1897–98. The decrease is due chiefly to a reduction in the cost of the Accounts establishment.

21. The grant under Tools and plant for 1898–99 amounts to Rs. 1,47,310 against Rs. 1,43,550 for 1897–98. The excess is trifling and does not call for any special remark.

22. As the net result of the transactions under "Suspense" is not expected to show either increase or decrease in the accounts for 1898–99, part VI of the budget has been omitted.

23. With these remarks, the preliminary issue of the Provincial Civil Works budget for 1898–99 will be printed and circulated to the officers concerned for information and guidance, and four copies will be forwarded to the Government of India, Public Works Department.
