Number of patients remaining at close of 1924 is 665.

Number of patients remaining from last year included in the return for 1925 is 629. The difference of 36 is due to the fact that some of the operations shown as really major during 1924 have now deleted with their remaining at the close of the year.

## STATEMENT G.

# STATEMENT G

*Showing the Income and Expenditure of State-public, Local Fund and Private-aided Dispensaries of the Madras Presidency in the year 1925.*
