*** The Rig-Veda, the oldest book of Indian literature, has very properly been made one of the principal class-books for those who study Sanskrit in the schools and colleges in India, and though at present a scholar-like knowledge of the Vedic hymns is in the examinations required of the more advanced students only, yet, as soon as editions, translations, grammars, and dictionaries shall have rendered the study of these ancient documents more accessible, I doubt not that the time will come when no one in India will call himself a Sanskrit scholar who cannot construe the hymns of the ancient Rishis of his country.—*Extract from Preface.*

HIGH COURT—Original Side.

NOTIFICATION.

Calcutta, the 30th May 1879.

The following Rules passed by the High Court of Judicature at Fort William in Bengal are published for general information.

By Order,

R. BELCHAMBERS,

Registrar.

The following Rules are to come into effect as Rules of the High Court of Judicature at Fort William in Bengal in its Original Civil Jurisdiction from the 16th day of June 1879:—

1. Unless otherwise ordered, suits and proceedings shall be entered in the proper cause list as follows:—

Suits instituted in this Court in its Ordinary Original Civil Jurisdiction, in its Testamentary and Intestate Jurisdiction, and its Matrimonial Jurisdiction, or in which a claim has been stated under Section 527 of Act X of 1877, after service of the summons to appear and answer; suits instituted in this Court in its Admiralty or Vice-Admiralty Jurisdiction, if *in personam*, after service of the citation to appear and defend, or, if *in rem*, after execution of the warrant of arrest; suits transferred to this Court under Section 13 of the Letters Patent, on the arrival of the record; suits in which a case has been stated under Section 517 of Act X of 1877, or in which a claim has been made under Section 332 or Section 335, or which stands for judgment upon an award, after the usual notice has been issued; suits which stand for further directions upon the report of a Judge, or an Officer, or other referee, on the requisition in writing of the Attorney for any party, or of any party acting in person; applications under Section 403, or Section 523, or Section 525, of Act X of 1877, after the usual notice has been issued;

rules or alternative orders under Section 46 of the "Specific Relief Act, 1877," on the production of such rules or orders.

2 Two general cause lists shall be kept in the Registrar's Office, one headed "General list of causes," the other headed "General list of suits for liquidated claims."

3. Any suit in which the claim is only for a debt or liquidated demand in money may, on the requisition in writing of the Attorney of any party, or of any party acting in person, be entered in the list of suits for liquidated claims.

4. Any suit which has already been entered in the General list of causes, whether before or after these Rules come into operation, may, on like application, be transferred to the General list of suits for liquidated claims.

5. Suits entered in the General list of causes on or before the 23rd of June 1879, and on or before that day transferred to the General list of suits for liquidated claims, shall have priority over suits subsequently entered, and shall be entered in the order in which they stand in the General list of causes. In all other cases a suit entered in or transferred to the General list of suits for liquidated claims shall be placed at the bottom of the list.

6. If a suit not being a suit only for a debt or liquidated demand in money be entered in the General list of suits for liquidated claims, a Judge may, upon the application of any party by summons in Chambers, or the Judge at the trial may, whether applied to by any party for that purpose or not, order the suit to be transferred to the General list of causes, and in either case may make such order as to costs and otherwise as he shall think fit.

7. All suits and proceedings, other than those mentioned in Rules 3 and 4, shall be entered in the General list of causes.

8. Whenever two Courts shall sit concurrently in the exercise of Ordinary Original Civil Jurisdiction, two peremptory lists of defended causes shall be prepared for every working day; and, unless otherwise ordered, one of such lists shall be supplied with cases from the General list of causes; the other with cases from the General list of suits for liquidated claims, and also, when necessary, from the General list of causes.

9. When only one Court shall sit in the exercise of Ordinary Original Civil Jurisdiction, one peremptory list of defended causes shall be prepared for every working day, and shall, unless otherwise ordered by a Judge, be supplied, first with cases from the General list of suits for liquidated claims and next with cases from the General list of causes.

10. From the supply of cases to be obtained for each of the peremptory lists under the last two preceding Rules, shall, unless otherwise ordered by a Judge, be excluded every case required by the 20th or 21st of these Rules to be placed in other lists.

11. Unless otherwise ordered by a Judge, every peremptory list of defended causes shall contain for each day not less than six cases from the General list of causes, or not less than twelve cases from the General list of suits for liquidated claims, or, if supplied partly from one list and partly from the other, not less than twelve cases.

12. Every rule or alternative order granted or made under Section 64 of the Specific Relief Act, 1877, shall be placed on the peremptory list of defended causes for the day mentioned in such rule or order.

13. Unless otherwise ordered, a commission to examine witnesses issued in a suit or proceeding shall, until the return or expiration of the time for the return thereof, operate as a stay of such suit or proceeding.

14. No suit or proceeding, the hearing of which is stayed (*a*) by an injunction, or (*b*) until the performance of some act, or (*c*) by reason of a commission to examine witnesses having been issued, shall be placed on a peremptory list until after the dissolution of such injunction, or the performance of such act, or the return or expiration of the time for the return of such commission; unless in case (*b*) otherwise ordered by a Judge, or in case (*c*) otherwise ordered by a Judge or consented to by the parties.

15. Any suit or proceeding may, on the requisition in writing of the Attorneys for all the parties, or of the parties if acting in person, be omitted from the peremptory list: but in that case such suit or proceeding shall be transferred to the bottom of the general list on which it stands.

16. Except as provided in the last two preceding Rules, no suit or proceeding shall, unless otherwise ordered, be omitted from the peremptory list on which it ought to be placed.

17. When a case is ordered to be placed on a peremptory list out of its turn, it shall, unless otherwise ordered, be placed at the bottom of such peremptory list.

18. The 31st May 1879.

Hitherto it has been the practice to affix postage stamps to parcels which the sender desires to prepay, but serious inconvenience has been found to arise from the stamps so affixed adhering imperfectly to the cloth, wax-cloth, tin, or other materials commonly used by the public for covering parcels. Fraud has also been found to result from the re-use of stamps which have become detached from the parcels to which they were affixed.

With effect from the 1st July 1879, prepayment of parcel postage may be made only in cash tendered with the parcel at the Post Office window within the prescribed hours.

Receipts will be given to the senders for all parcels tendered at the window during the prescribed hours, whether prepaid in cash or unpaid, the amount of prepayment, if any, being specified on the receipt.

This order applies to all parcels (inland, overland, insured, or value-payable), except those sent on the public service, which, if prepaid, must as heretofore be prepaid with service stamps.

A. M. MONTEATH,
Dir. Genl. of the Post Office of India.

The 29th May 1879.

The public are informed that, with effect from the 1st July 1879, the rules appertaining to value-payable parcels (see Postal Guide of 1st April 1879, page 14), will be applicable to registered book packets: that is, the sender of a registered book packet may, at the time of posting it, declare the value of the contents for realization from the addressee and payment to him.

The 31st May 1879.

Hitherto it has been the practice to affix postage stamps to parcels which the sender desires to prepay, but serious inconvenience has been found to arise from the stamps so affixed adhering imperfectly to the cloth, wax-cloth, tin, or other materials commonly used by the public for covering parcels. Fraud has also been found to result from the re-use of stamps which have become detached from the parcels to which they were affixed.

With effect from the 1st July 1879, prepayment of parcel postage may be made only in cash tendered with the parcel at the Post Office window within the prescribed hours.

Receipts will be given to the senders for all parcels tendered at the window during the prescribed hours, whether prepaid in cash or unpaid, the amount of prepayment, if any, being specified on the receipt.

This order applies to all parcels (inland, overland, insured, or value-payable), except those sent on the public service, which, if prepaid, must as heretofore be prepaid with service stamps.

The 9th June 1879.

It is expected that Foreign Postcards bearing stamps of the value of 1½ anna each for correspondence with Great Britain and other countries of the Universal Postal Union, as well as Inland Postcards bearing stamps of the value of ¼ anna each for correspondence within the limits of British India, will be available for purchase on and after the 1st July 1879.

2. The Postcards will be purchasable by the public under the same conditions as embossed envelopes, those sold by the Post Office being sold either in bundles of sixteen or singly at the value of the stamps borne by them.

3. Particular attention is drawn to the rule printed on each Postcard to the effect that the address only is to be written on the front or stamp side of the Postcard.

4. Any Foreign Postcards intended for transmission *viâ* Brindisi to Great Britain, or a country served through it, must have a ½ anna adhesive postage label affixed to it near the embossed stamp, in payment of the additional postage prescribed for that route.

5. Inland Postcards may not be sent to foreign countries except under the ordinary conditions applicable to letters.

Via Southampton through the United Kingdom ...	3	4	1½	1	1	2	3	4	1	1

The 31st May 1879.

Hitherto it has been the practice to affix postage stamps to parcels which the sender desires to prepay, but serious inconvenience has been found to arise from the stamps so affixed adhering imperfectly to the cloth, wax-cloth, tin, or other materials commonly used by the public for covering parcels. Fraud has also been found to result from the re-use of stamps which have become detached from the parcels to which they were affixed.

With effect from the 1st July 1879, prepayment of parcel postage may be made only in cash tendered with the parcel at the Post Office window within the prescribed hours.

Receipts will be given to the senders for all parcels tendered at the window during the prescribed hours, whether prepaid in cash or unpaid, the amount of prepayment, if any, being specified on the receipt.

This order applies to all parcels (inland, overland, insured, or value-payable), except those sent on the public service, which, if prepaid, must as heretofore be prepaid with service stamps.

The 9th June 1879.

It is expected that Foreign Postcards bearing stamps of the value of 1½ anna each for correspondence with Great Britain and other countries of the Universal Postal Union, as well as Inland Postcards bearing stamps of the value of ¼ anna each for correspondence within the limits of British India, will be available for purchase on and after the 1st July 1879.

2. The Postcards will be purchasable by the public under the same conditions as embossed envelopes, those sold by the Post Office being sold either in bundles of sixteen or singly at the value of the stamps borne by them.

3. Particular attention is drawn to the rule printed on each Postcard to the effect that the address only is to be written on the front or stamp side of the Postcard.

4. Any Foreign Postcards intended for transmission *viâ* Brindisi to Great Britain, or a country served through it, must have a ½ anna adhesive postage label affixed to it near the embossed stamp, in payment of the additional postage prescribed for that route.

5. Inland Postcards may not be sent to foreign countries except under the ordinary conditions applicable to letters.

The Hymns of the Rig-Veda, in the Samhita and Pada Text, Deva-Nagri Character, by Professor F. Max Müller, M. A., in two Volumes. *Price, Rs. 24; packing and postage, Re. 1.*

*** The Rig-Veda, the oldest book of Indian literature, has very properly been made one of the principal class-books for those who study Sanskrit in the schools and colleges in India, and though at present a scholar-like knowledge of the Vedic hymns is in the examinations required of the more advanced students *only*, yet, as soon as editions, translations, grammars, and dictionaries shall have rendered the study of these ancient documents more accessible, I doubt not that the time will come when no one in India will call himself a Sanskrit scholar who cannot construe the hymns of the ancient Rishis of his country.—*Extract from Preface.*

BENGAL CIVIL FUND.

At a Half-yearly General Meeting of Subscribers to the Bengal Civil Fund, held at the Town Hall, Calcutta, on Wednesday, the 29th January 1879.

PRESENT :—The Hon'ble W. F. McDonell, V.C.; W. Waterfield, Esq.; the Hon'ble H. T. Prinsep; C. E. Bernard, Esq., C.S.I.; H. L. Harrison, Esq.; the Hon'ble J. O'Kinealy; R. H. Pawsey, Esq.; J. Westland, Esq.; T. W. Gribble, Esq.; W. H. Grimley, Esq.; J. G. Charles, Esq.; J. Scobell Armstrong, Esq.; Colman Macaulay, Esq.; C. E. Buckland, Esq.

R. H. Pawsey, Esq., *in the Chair.*

The following report was submitted by the Managers :—

REPORT.

1. The Managers submit their proceedings for the past half-year for the consideration and sanction of the Meeting.

2. Subject to the approval of the subscribers, they have admitted to the benefits of the Fund the following families :—

	£
Widow	300
4 Children	230
Total ...	530
Widow	300
2 Daughters	200
Total ...	500
Widow	300
Widow	300
2 Sons	60
	360
Less one-sixth under Rule 7 ...	60
Total ...	300

The widow and four children (two sons and two daughters) of the late Mr. V. T. Taylor, who died at Hazareebagh on the 9th March last.

The widow and two daughters of the late Mr. A. R. Young (annuitant of 1862), who died in England on the 23rd October last.

The widow of the late Mr. E. H. C. Monckton (annuitant of 1857), who died in England on the 24th July last.

The widow and two sons of the late Mr. E. S. Moseley, who died at Pubna on the 12th December last.

3. Mr. A. C. Tute has applied for remission of the fine of Rs. 50 incurred under article V of the rules for not reporting the birth of a son within one month of its occurrence. He explains that the cause of the delay of six weeks in reporting the birth was the severe illness of his wife, whose life was despaired of during that time. The Managers have informed Mr. Tute that they will submit his case for the decision of the Meeting.

4. Mr. J. Power, who retired on the 24th March last, has objected to pay the subscription due from the date of resignation up to 1st November 1878, the date on which the composition of £119 was paid. He asks for consideration of this matter on the following grounds :—

1st.—That he had not left India on the 17th April, the date of the Fund letter, and he could then have compounded had the letter been forwarded to Shajehanpore instead of to Messrs. Coutts & Co.

2nd.—That when he received the letter he referred to Messrs. Coutts & Co. to know what sum he ought to pay, but they could give no information.

The Managers have informed him that they had no means of knowing that he proposed to remain in India after his retirement, and that the payment of composition is a matter left open to the sub-

scriber, whereas that of subscription at half rates is imperative. It is for retiring subscribers who desire to compound to ascertain the amount of composition payable in each case. This is not a fixed sum, but has to be calculated in the Fund office from actuarial tables, and varies according to the age of the subscriber, and, if he is married and has a family, according to the ages of the different members of his family. Mr. Power, however, did not communicate in any way with the Fund office regarding his subscription. Under these circumstances the subscription, £7-11-2, is clearly due, and should be paid to the agents of the Fund.

5. Lord William Hay, who retired on an invalid annuity on the 27th September 1865, wishes to make up his balance to Rs. 12,500, and thus secure for his family the half benefits of the Fund. He says—

"I continued my subscriptions to the Fund under the impression that the deductions made up to my retirement with the accumulations of interest would entitle me to the scale of half benefits, with which scale I was satisfied. In the present year I have married and have given due notice and made the required payments on this event. But I have been informed that the amount standing to my credit with the Fund at the date of my retirement was £38 (more or less) short of the amount entitling me to the half scale of benefits. I have now to request permission to pay this amount with such back interest as the Managers may determine. I need scarcely assure the Managers that the omission to make this payment earlier has arisen from ignorance and inadvertence only; and I trust that they will not on account of an inadvertent delay in the payment of so small a sum hold me deprived of the half benefits to which the deductions made from my pay and allowances during my service would otherwise entitle me."

As Lord William Hay had been informed at the time of retirement of the sum payable, the Managers have told him that by article VIII of the rules, which permits retiring subscribers to make up their balances to the prescribed minima, that option can be exercised at the time of retirement only, and that they have no authority to carry the privilege further.

6. The facts of the case of Miss Amy Augusta Lawford, eldest daughter of the late Mr. H. B. Lawford, were submitted at the last general meeting. The Managers have recently received intimation that the decree annulling Miss Lawford's marriage with Captain Davies has been made absolute. They will therefore recommend to the subscribers Miss Lawford's admission to the benefits of the Fund, with effect from the date of her father's death, on payment of all arrears of subscription on her account then due, with interest. As the case is not distinctly provided for under the rules, two months' notice of this proposal must be given under article XVII, and this will accordingly be done.

7. Mr. H. F. Bartlett has reported that he has been divorced from his wife, and applied to subscribe at reduced rates as a widower subscriber from July last. He has intimated that the decree *nisi* has been made absolute, and the Managers have informed him that he may subscribe at widower rates from that date.

8. As requested at the last Meeting, the Managers have taken into consideration the effect on the revenue of the Fund of the despatch of the Right Hon'ble the Secretary of State, dated 17th January 1878, amending supplement A of the Civil Pension Code rules, whereby a Civil Servant resigning the service vacates any office under the Government which he may then hold, and excepting from the rule the office of Viceroy and Governor-General of India, Governor of Madras, Governor of Bombay, and Ordinary Members of the Council of the Governor-General. The Managers have thought it unnecessary to take any action on the despatch.

9. In accordance with articles XLII and XLIII of the Rules the Managers lay on the table the result of the quinquennial valuation of the assets and liabilities of the Fund for the period ending 31st March 1878. They have heard from Mr. E. F. Harrison that the actuary is actively engaged on the valuation, and will shortly submit his report.

10. The accounts of the year 1877-78 are submitted.

Proposed by *Mr. J. Scobell Armstrong*, seconded by *Mr. C. E. Buckland*, and carried—

"That the Managers' proceedings in admitting the families of the late Messrs. V. T. Taylor, A. R. Young, E. H. C. Monckton, and E. S. Moseley, to the benefits of the Fund be confirmed."

Proposed by *Mr. Westland*, second by *Mr. O'Kinealy*, and carried—

"That Mr. Tute be informed that the rule as to fine for failure to report birth being absolute, the meeting regret that the fine imposed upon him cannot be remitted."

Proposed by *Mr. H. L. Harrison*, seconded by *Mr. C. E. Buckland*, and carried—

"That the reply of the Managers to Mr. J. Power be approved."

Proposed by *Mr. C. E. Buckland*, seconded by *Mr. H. L. Harrison*, and carried—

"That the reply of the Managers to Lord William Hay be approved."

Proposed by *Mr. Grimley*, seconded by *Mr. Prinsep*, and carried—

"That the accounts of the past year 1877-78, be approved."

Proposed by *Mr. Gribble*, seconded by *Mr. Charles*, and carried—

"That the following gentlemen be elected Managers for the ensuing year:—The Hon'ble L. S. Jackson, C.I.E.; the Hon'ble C. T. Buckland; the Hon'ble W. F. McDonell, V.C.; the Hon'ble J. O'Kinealy; and W. M. Souttar, Esq."

A vote of thanks to the Chairman was proposed by *Mr. J. G. Charles*, seconded by *Mr. J. Scobell Armstrong*, and carried.
