No. 130. ORDER THEREON, 10th March 1862, No. 516.

1. In compliance with an Official Memorandum from this Department, dated 10th February 1862, No. 33, the Board of Revenue forward a Statement showing the present and proposed Establishment of the Pearl Fishery in Tinnevelly.

2. The additional expenditure involved is Rupees 62-8 a month consisting of two items, viz., Rupees 50 increase to the salary of the Superintendent, and Rupees 12-8 the salary of the Cavilkar and Peon for the preservation of the Kottoos and other buildings. Both these items are shown as temporary; while this is the case only in respect to the item for Rupees 12-8. The increase of Rupees 50 to the salary of the Superintendent was sanctioned as a permanent arrangement, and should be so shown. The Statement, which it is observed has not been drawn up in the prescribed form, gives the total salary for the Cavilkar and Peon; while it is essential that the pay for each of these servants should be separately shown. The period for which they are to be employed should also be definitely stated.

3. With these remarks, the Government resolve to return the Statement to the Board, in view to an amended one being prepared and laid before them at an early date.
