PUBLIC DEPARTMENT.

Archæology.

Read the following paper :—

From R. F. CHISHOLM, Esq., Consulting Architect to Government, and R. SEWELL, Esq., Madras Civil Service, on Special Duty, to the Chief Secretary to Government, dated Madras, 6th December 1881, *No.* 872 [*Current No.* 2632].

We have the honor to request your attention to G.O., No. 967 W., Public Works Department, of 12th April 1881, in which we are directed (paragraph 5) jointly to supervise the work of completing the plates of plans and sections of the "Seven Pagodas" prepared by Mr. Pope.

2. As the season has now arrived when such open-air work can be undertaken, we should be prepared to carry out the instructions of Government.

3. But we think it right respectfully to suggest that, as Dr. Burgess has now arrived to take up the Archæological Survey of this Presidency, it would be as well to make over the work to him.

4. He has expressed his willingness to undertake it, and we would therefore request instructions from Government to hand over the papers to him, and that orders may be issued for the lithographic plates of the drawings being placed at his disposal.

ORDER THEREON, 13th December 1881, No. 1690.

Approved.

2. The papers will be handed over accordingly to Dr. Burgess, who will be requested to undertake the work.

3. Orders will be issued in the Public Works Department for the placing of the lithographic plates at his disposal.
