To the Secretary to Government, Public Works Department.

No. 24.

ORDER—dated 3rd May 1882, No. 1111 W., Public Works.

The Government regret to observe that, notwithstanding the issue of Chief Engineer's Circular No. 2520, dated 1st November 1881, and the orders of Government therein quoted, no improvement has taken place in the due submission of divisional accounts.

2. The foregoing statement furnished by the Examiner of Public Works Accounts shows that only eight divisions out of thirty submitted their accounts for March by due date. This is extremely unsatisfactory, and the Government trust that Superintending Engineers will devote their serious attention to the matter.
