From the Superintending Engineer, 2nd Division. (Here enter 13th September 1867).

Report of the Examiner of Claims. (Do. 11th April 1868, No. 361).

ORDER THEREON, 28th May 1868, No. 162.

H. Janekeramiah, late 3rd Accountant in the Department Public Works in the Kistna District, is reported disqualified for further service by failure of his sight. His whole reported service is 22 years, and of this the first 10 years, 2 months, and 29 days was passed in posts as Maramut Maistry and Goomastah in an establishment paid for by the Court of Wards, as employed on estates under management. This service, as being his first service, cannot, under the orders of Government, count as service for pension, and hence the service qualifying for pension is reduced to 11 years, 2 months, and 5 days.

2. The applicant is eligible to a gratuity of 11 months' pay of Rupees 220, and this the Government will be prepared to grant him, on the confirmation of these Proceedings by the Government of India, to whom they must be referred, the Medical Certificate of the applicant being dated 22 days after his removal from the service. No direct explanation of the delay is given, but as the applicant had previous to his retirement been under medical treatment for 3 months ending on the day of his retirement, it is probable that it was the formal grant of the Certificate only which was delayed.

2. The applicant is eligible to a gratuity of 1 month's pay of Rs 220, & thus the Govt will be prepared to grant him, on the confirmation of these Proceedings by the Govt of India, to whom they must be referred, the medical Certificate of the applicant being dated 22 days after his removal from the service. No direct explanation of the delay is given, but as the applicant had previous to his retirement been under medical treatment for 3 months, ending on the day of his retirement, it is probable that it was the formal grant of the certificate only, which was delayed.
