REVENUE BOARD OFFICE MADRAS.

Proceedings of the Board of Revenue

(Separate Revenue).

Dated - 30th June — 1892

No. 2562 Mis.

C. S. Crole, Esqre C.S.

Read the following letter from H. M. Winterbotham Esqr. Acting Collector of Tanjore, to the Secretary to the Commissioner of Salt, Abk: and Separate Revenue, Madras, dt 27th June 1892, No 414.

I have the honor to reply to Board's Proceedings dated 11th May 1892, No 255.

2. Paragraph 11. In the quarterly statements of passengers, the figures for the various British Ports in the district are alone given, whereas in the annual reports the figures for the port of Karikal are also included (vide para 6 of my reports). Hence the difference.

3. Paragraph 16. The increase in the number of inward passengers is ascribed by the Port officer

Officer to the Kumbhábhishékam festival at Chidambaram in South Arcot district which is said to have attracted a large number of Tamil pilgrims from Burmah, and the Straits.

As regards the Straits, I should prefer the explanation offered in para 5 of my report dated 19th February 1892, No 112, in which it was observed that owing to the rivalry between the two Steam Navigation Companies, a passage from the Straits to Negapatam would be obtained for a dollar. This Explanation will not however apply to the increased immigration from Burmah, as the British India Steam Navigation Company had no rivals on that line.

For the 4 years ending 1891, over 60,000 adults Emigrated to Burmah, and during the same period, about 37,000 adults returned. The increase in 1891 may be an accidental fluctuation; at any rate after due enquiry I find myself unable to assign any plausible reason for it.
