G. O. BY GOVERNMENT.

Ordered that the following Extract from the Honorable Company's General Letter in the Military Department, dated the 16th June 1815, be republished in General Orders.

Para 139. In consequence of the numerous applications which have been preferred to us by our Servants, on leave of absence in this Country, for advances of money on loans, we think it proper to recal your attention to our Orders in the Military Department of the 26th February 1808, upon this subject. Those Orders declared our determination not to make any pecuniary advances to Officers at home, beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army; but as a resolution of this description, in order to be generally known to a body which is continually receiving an accession of new members, should be occasionally republished, and being fully persuaded that a strict observance of this resolution, will prevent much trouble and inconvenience, besides loss to the Company, we direct that our orders above adverted to, be in future circulated for the information of the Army in the month of January in every year, and we shall take the necessary steps for reminding Officers who may arrive in England upon furlough, of our determination upon the subject in question."

By order of the Honorable the Governor in Council.

G. O. By the Commander in Chief.

Lieutenant Colonel V. Blacker, C. B. Quarter Master General of the Army, having reported his intention to embark for Europe in the Ship Golconda in pursuance of the leave granted him in Government General Orders of the 9th Ultimo,

His Excellency the Commander in Chief avails himself of the occasion to record in this public manner the high opinion he entertains of that Officer's public and private character, and the esteem in which he holds his public services.

During an active and distinguished military career of twenty-two years, ten of which Lieutenant Colonel V. Blacker, C. B. has filled the important station of Quarter Master General of the Army, every record will be found to speak in terms of praise, the ability with which this distinguished Officer has conducted the duties, from time to time devolving on him, but His Excellency the Commander in Chief, can speak from personal knowledge both in peace and war of the devoted zeal and gallantry which his experience, science and general professional talents have been directed in the furtherance of the public service.—His Excellency Sir Thomas Hislop feels greatly indebted to Lieutenant Colonel Blacker for the assistance and support he has on all occasions received from him, and laments that he is now to be deprived of him, but the Lieutenant General cannot refrain in taking leave of an Officer so justly entitled to his best public and private feelings, to offer him the expression of his anxious hope, that the sacrifice he makes of returning to Europe at the present moment, will restore him to health, and at no distant period, enable Lieutenant Colonel Blacker to rejoin that gallant Army to which he belongs, and in which he has served with so much distinction and advantage to the public service.

BY ORDER OF THE COMMANDER IN CHIEF.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 16*th February* 1821.

G. O. By the Commander in Chief.

The Honorable the Governor in Council having directed the publication in General Orders of the annexed Extract from the Minutes of Consultation in the Military Department, dated 29th December last, His Excellency The Commander in Chief deems it important to the interests of the Army, to desire, that the order be read by Commanding Officers respectively to the Officers of their Corps—It is at all times painful to The Commander in Chief to address the Officers of the Army under his command in terms of censure, but it is a necessary feature in the subordination of an Army, that all ranks should patiently endure the viscissitudes of a Soldier's life, and the example of the Officers is so necessary in the practice of this virtue, that Commanding Officers must be sensible how weighty a responsibility they undertake if they suffer themselves, under any circumstances, to depart from a temperate and just practice of the obligations which every Soldier owes to the preservation of property, the protection of the country, and the safety of its inhabitants from oppression or ill-usage of any sort.

It is the duty of every Officer to be provided with Carriage of every description that he may require, and the failure of his resources is no argument why he should deprive the Inhabitants of the country of their's, or subject them even to a temporary inconvenience, by forcing them, or their Cattle into his service even for a remuneration which may be very inadequate to the inconvenience that such oppression produces.

It is also the duty of every Commanding Officer to provide for the contingencies, and difficulties of a march, and the experience of every Officer who attains command, ought to suggest the means.

The establishment of Regimental Bazars was made with this view, and the intelligence and information of Commanding Officers should suggest to them when it is necessary to have recourse to expedients to remedy the inconveniences which must frequently arise from Villages not being prepared with supplies, or inability to provide them—Enquiry should prepare a Commanding Officer for such occurrences, and under those circumstances the obvious remedy is to warn the Soldiers and followers of the necessity to provide, and carry supplies to meet their wants on such occasions.

The application of military force to destrain from the Inhabitants supplies is as unwarrantable, as inflicting punishment on any public functionaries, whatever their station or conduct may have been—representation is always open, and is the only legitimate means by which an Officer or Soldier has a right to expect redress in any case where the servants of the Civil authorities may be guilty of neglect, or impropriety of conduct of any description; and The Commander in Chief trusts, that the censure passed on Major Kelly's conduct on these subjects will have due weight in restraining Officers in future from incurring the responsibility which must attach to any Officer who may be guilty of such oppression on any future occasion.

Extract from the Minutes of The Honorable The Governor in Council, 29th December 1820.

"Resolved to acquaint The Commander in Chief, that the answers which Captain Ogilvie and Major Kelly "were required by His Excellency to make to the charges preferred against them by the Collector of "Bellary, of ill-treating the inhabitants of his District, have been attentively examined; and that after "making full allowance for the probable exaggerations of the sufferers, the Board find but little in them to "vindicate the conduct of those Officers.

"It does not appear that the inhabitants suffered any personal injury from Captain Ogilvie, but they "suffered in their property by their Cattle being taken from them and carried to Hyderabad—Captain "Ogilvie's own statement that the Bullocks and Buffaloes were brought on, because the owners did not "appear, is a plain enough indication of their having been taken by force; Buffaloes are certainly no part "of the equipment of a Corps, nor has Captain Ogilvie explained how they came to be so in his—It was "his duty to have had a proper supply of Carriage when he marched; and, if it had been lessened by "casualties, to have replaced the deficiency by voluntary purchase and paying on the spot—The forcible "carrying away of Cattle without payment, however it may be softened under the name of hire, can be "regarded in no other light than that of marrauding."

"But the conduct of Major Kelly, The Governor in Council observes, is much more reprehensible than "that of Captain Ogilvie—for the outrages committed by him were upon the persons of the inhabitants for "not furnishing supplies which they had received no instructions to provide—He had received no communication "from the Collector, and he had no cause to believe that supplies would have been ready for him at every "stage on his route. It was his duty to have had one or two days supply of grain with him in order to have "guarded against any accidental failure—He had been authorized by the G. O. to establish a Regimental "Bazar, and if he had not made so much progress in it as to have been able to carry two days subsistence, "he ought to have directed the Sepoys to provide it themselves—He seems after his twenty-two years "service to have acquired no knowledge of the most common means of obviating the occurrence of distress, "and to have thought that his own want of precaution might always be remedied by beating the inhabitants "—He ought to have known that many small villages can furnish no supplies, and that when supplies are "furnished by the Collector, they are generally drawn from several villages at some miles distance—His "beating the Potails, and his ordering the Zillahdar to be rattaned, to be marched as a prisoner for two days, "and to be dismounted from the Tattoo which had been lent to him, are such wanton acts of oppression as "to call for the severest censure."

"Ordered that Copy of the foregoing resolutions be transmitted to The Commander in Chief from the "Military Department, and that His Excellency be requested, in conformity with the view therein taken "of the cases under consideration as explained in the papers which accompanied the Adjutant General's

" letter of the 18th Instant, recorded above,—to notify in G. O. to the Officers concerned, the sense which " is entertained of their conduct on the occasions in question."

By order of His Excellency The Commander in Chief,

Adjutant General's Office, Presidency of Fort William, *the 13th October* 1820. } (Signed) J. NICOL, Adjutant General of the Army.

SENTENCE.—The Court are of opinion, that the Prisoner Captain Alexander Brown, is guilty of scandalous and infamous conduct in the following instances.

First, of having violently entered Captain J. Ferris' private sleeping apartments at Chowringhee, although the doors were locked and bolted, for security against intrusion, (Captain Ferris having retired to his family being an invalid) and thereby alarming Captain Ferris' family, by forcibly breaking open bolts and locks, on the afternoon of the 9th October 1820.

(A true Extract.)

Remarks by His Excellency The Most Noble The Commander in Chief.

The Court has solicited lenity towards Captain Alexander Brown on account of his length of Service and his wounds, as well as from the circumstance that he committed the outrage under feelings violently irritated through false representations.—The Commander in Chief gives full weight to the recommendations of the Court, which is strengthened by his own considerations of the gallantry shown by Captain Brown on Service: But he could not reconcile it to himself to remit the penalty of the sentence (which he hereby does) without pointedly censuring the vindication attempted by Captain Brown. Instead of resting on the natural and true extenuation of his conduct, that Officer has made his defence the vehicle for gross imputations on the Reverend Gentleman whom he is pronounced by the Court to have brutally ill-treated. Those charges, extravagant in themselves, were supported by the testimony of witnesses, the two principal of whom deposed positively to their having been present at the transaction, and who were proved satisfactorily to the Court not to have been near the place. The adduction of such witnesses to maintain an incorrect endeavour is a substantive transgression, established on the Proceedings of the Court, which the Commander in Chief thus marks with strong reprehension.

By Command.

Adjutant General of the Army.

Upon which charge the Court came to the following decision.

FINDING AND SENTENCE.—The Court having maturely and deliberately weighed and considered all that has been adduced in support of the Prosecution as well as what has been brought forward on the defence, are of opinion, that the Prisoner Lieutenant Colonel Henry William Sealy of the Bombay Regiment of Artillery, is not Guilty of the charge preferred against him, and they do therefore acquit him of the same.

(Signed) V. KENNEDY,
Judge Advocate General.

(Signed) R. LEWIS, Lieut. Col.
and President.

Of this the Commander in Chief did not approve, and ordering the Court to re-assemble for revision they on the 12th Instant met, and after having laid before them a letter from the Commander in Chief of the 10th October instant, the following revised Sentence was passed.

REVISED FINDING.—The Court having maturely weighed and considered all that has been adduced in support of the prosecution, as well as what has been brought forward on the defence, are of opinion that the intimacy whilst Miss Sophia Prince was residing with Lieutenant Colonel Sealy, and the birth of a Child has been proved, but they are at the same time of opinion that the intimacy did not commence until solemn marriage engagements had taken place between the parties, and that the affinity has not been proved, they do not attach any criminality to these circumstances, and therefore acquit the Prisoner Lieutenant Colonel Henry William Sealy of the Bombay Regiment of Artillery of the charge which has been preferred against him.

(Signed) V. KENNEDY,
Judge Advocate General.

(Signed) R. LEWIS, Lt. Col.
and President.

The above revised Sentence is confirmed, and Lieutenant Colonel Sealy to be released from arrest and return to his duty.

The case however embracing considerations of the most serious importance to the best interests of the Army will be specially submitted for the judgment of The Most Noble The Commander in Chief in India.

Remarks by The Commander in Chief.

An incorrectness appears in the framing of the above charges in the want of specified dates, as they stand it would seem that the three points of accusation had relation to the same day instead of the distant ones of 28th August and 16th and 17th September.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 12th *March* 1821.

The Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

FORT ST. GEORGE, 16th *February* 1821.

G. O. BY GOVERNMENT.

The following Extracts from Letters from the Honorable the Court of Directors in the Military Department, under dates the 19th of July and the 13th and 20th of September 1820, are published in General Orders.

Letter dated 19th July 1820.

Para. 2d. "We have appointed Mr. Robert Greig, M. D. now at your Presidency in His Majesty's 22d Regiment of Light Dragoons, an Assistant Surgeon upon your Establishment, provided he is not the Son of a Native Indian, that he is not under the age of twenty years, or exceptionable in any other respect, and subject also to his being examined, and found qualified for his profession by the Medical Board at your Presidency; upon your being satisfied as to the several conditions before stated, you will admit him to practice in the line of his profession, and administer to him the usual Oath of fidelity to the Company—His order of rank will be transmitted you at an early opportunity."

Letter dated 13th September 1820.

13th. "Captain Josias Torriano, late of your Establishment, has resigned the Company's Service with our permission, from the 27th February 1820.

14th. We have admitted Lieutenant John Newall late of your Establishment, a Pensioner on Lord Clive's Fund, from the 7th July 1819.

15th. The undermentioned Officers have our permission to return to their duty upon your Establishment, viz.

Captain William Kelso,
Assistant Surgeon William S. Anderson.

16th. Major General William Macleod, of your Establishment, has our permission to return to Madras, the Board of Commissioners for the affairs of India having concurred therein, agreeably to the Act of the 53d Geo. 3, Cap. 155, Sec. 84.

17th. We have permitted Lieutenant Colonel Francis A. Daniell, to return with his rank on your Establishment, notwithstanding he will have been more than five years absent from his duty, it appearing that he has been prevented from returning by sickness, which permission has been sanctioned by the approbation and concurrence of the Board of Commissioners for the affairs of India, agreeably to the Act of the 33d Geo. 3, Cap. 52, Sec. 70.

18th. We have permitted the undermentioned Officers to return to their duty upon your Establishment, viz.

Major William C. Oliver,
Captain William M. Robertson.

19th. Mr. William Ker Hay has our permission to proceed to your Presidency to practice as a Surgeon: and we direct that he succeed as an Assistant Surgeon upon your Establishment,—His rank will be settled at a future time.

20th. Upon referring to our List of Rank No. 1 of 1817, dated February 1818, we perceive that Mr. John Pinchard who passed his public examination for the Artillery at the same time as Mr. David Boyd Dighton, has not the rank which ought to have been assigned to him, we desire you will correct this mistake by causing Mr. Pinchard to be placed next above Mr. Dighton in the list of Rank beforementioned."

23d. We have received an application from Surgeon William Haines of your Establishment, representing that on his passage to India in 1805, he served with the Troops employed at the reduction of the Cape, and that his arrival at Madras was in consequence delayed considerably beyond the usual period of an outward bound voyage; requesting therefore, that the commencement of his service shall be reckoned from the date at which he should probably have arrived, had he not been detained on Service, instead of the date at which he actually arrived.

24th. Refering to the decision passed by us in favour of the Officers on the Bengal Establishment, who were detained on the same occasion, we have resolved that the same indulgence shall be granted to those Officers and Surgeons of the Establishment of your Presidency, who were employed at the reduction of the Cape when proceeding as Cadets and Assistant Surgeons; and we accordingly authorize you to calculate the commencement of their Service from the 23d of November 1805 being the date of the order, appointing the Cadets to serve with the Detachment of Recruits.

34th. We have permitted the undermentioned Persons to proceed to your Presidency to practice as Surgeons, and we direct that they succeed as Assistant Surgeons upon your Establishment; their rank will be settled at a future time, viz.

Mr. George Gleig,
" William Bruce Jack,
" Charles Mayo.

35th. "In the 4th para. of our Letter to you in this Department, dated the 21st January last, you were apprized of the appointment of Mr. A. R. Taylor, as a Cadet for the Cavalry upon your Establishment—

At that time, it was understood that Mr. Taylor was in India, and his name was accordingly included in the List No. 1, of the Rank of Cadets of the Season 1819.

36th. Mr. Taylor however has since arrived in this Country, having quitted India before the notification of his appointment had reached you.

37th. He will therefore be again ranked (agreeably to the practice which we have adopted) next below the Cadets ranked previously to the 9th August last; the day on which we resolved to confirm Mr. Taylor in his appointment.

38th. In compliance with Mr. Taylor's request, we have permitted him to proceed to his duty overland, but should he fail to arrive at your Presidency within the period of twelve months, from the date when this permission was granted to him, which will expire on the 9th August 1821, we direct that he take Rank next below those Cadets, who may have been ranked twelve months before his arrival at Madras.

Letter dated 20th September 1820.

2d. "In the 18th Paragraph of our Letter to you in this Department, dated 13th Instant, you were advised of our having permitted Captain William M. Robertson to return to his duty upon your establishment.

3d. Anticipating the probability of Captain Robertson's failing to arrive at Madras within the prescribed term of five years, which will expire on the 27th January next, we have taken into our consideration the circumstances which have prevented his return to India at an earlier period.

4th. From a perusal of the applications which this Officer has, from time to time, made to us for an extension of his furlough, and of the Medical Certificates which accompanied them, we are satisfied that if he shall not arrive at your Presidency within the said term of five years, (provided he proceeds on the "Forbes" on which ship he has taken his passage, and no delay which he may have been able to avoid, shall have arisen in the course of the voyage) his absence will have been occasioned by sickness, within the meaning of the Act of the 33d George 3, Cap. 52, Sec. 70.

5th. We therefore direct that with the abovementioned proviso, you consider Captain Robertson, on his arrival at Madras, as still in the Company's Service.

6th. We have appointed Mr. Richard Rodney Rickets now at your Presidency, a Cadet of Infantry upon your Establishment, the friends of Mr. Ricketts have produced to us the required Certificates of his age, we therefore direct you will admit him a Cadet of Infantry accordingly, and administer to him the usual Oath of Fidelity to the Company.

7th. His order of rank will be forwarded you at an early opportunity.

By order of the Honorable the Governor in Council.

CHARGES.—I charge Lieutenant Brunton of the 2d Light Cavalry with scandalous and infamous conduct, such as is unbecoming the character of an Officer and a Gentleman.

1st.—For having in a public letter addressed to the Officer Commanding the Regiment, dated the 5th November 1820, cast infamous aspersions on my character as a man of honor in an affair at Jaulnah, as a cowardly subterfuge for not entering into an explanation demanded of him on the 4th November 1820, by Lieutenant Brunton, knowing the said aspersions to be false.

2d.—For fraudulent conduct, in having obtained from an old disabled Veteran, now a Suttler at Seroor, by name Griffiths, on or about the 23d of October 1818, goods to the amount of some thousand Rupees, under a positive promise of prompt payment given under his own hand on letters written and addressed by Lieutenant Brunton to the said Suttler, dated the 18th September, 1st October, 14th October, and 19th November 1818, still however unpaid, for retailing the same goods to the Troops in Camp at an enormous profit for ready Cash, and informing the Suttler in the said letters that he relied entirely on his honor, the said debt and circumstances having repeatedly formed the subject of appeal to Major General Lionel Smith and other Officers.

I charge Lieutenant Brunton 2d Light Cavalry with scandalous infamous and cowardly conduct in the following instances.

1st.—For sending Lieutenant John Smith of the same Regiment to me on the evening of the 23d December 1820 with a challenge to fight a Duel, knowing that from the situation he reduced himself to in a recent affair, he deprived me of the power of having any private communication with him.

2d.—For addressing to Major Hare, 2d Battalion 19th Regiment, a public letter dated 24th December 1820, wherein he falsely asperses my character.

(Signed) J. SMITH, Captain, S. O. in charge 2d L. C

BY ORDER. (Signed) E. W. SNOW, Dep. Adjt. Genl. of the Army.

OPINION AND SENTENCE.—The Court having considered the evidence for the Prosecution and defence, are of opinion as follows.

On the 1st charge preferred by Captain M'Queen, that the Prisoner Lieutenant Brunton is not guilty of scandalous and infamous or cowardly conduct; but they find him guilty of having reflected in an improper and unbecoming manner upon Captain M'Queen's character as an Officer and a Gentleman, in the letter which he addressed to the Officer Commanding the 2d Regiment Light Cavalry on the 5th November 1820.

On the 2d charge preferred against him by Captain M'Queen that he is "not guilty," and the Court do therefore acquit him thereof.

On the 1st charge preferred against him by Assistant Surgeon Turnbull, the Court find the Prisoner "not guilty" and do therefore honorably acquit him thereof.

On the 2d charge preferred by Assistant Surgeon Turnbull, that he is "not guilty" and do therefore fully and honorably acquit him thereof.

The Court having found the Prisoner, Lieutenant Brunton, guilty in part of the 1st charge preferred against him by Captain M'Queen, viz. "of having reflected in an improper and "unbecoming manner upon Captain M'Queen's character as an Officer and a Gentleman, in the "letter which he addressed to the Officer Commanding the 2d Regiment Light Cavalry on the "5th November 1820," they do therefore sentence him, Lieutenant Brunton, to be reprimanded in such manner as His Excellency the Commander in Chief may be pleased to direct.

The Court before closing their proceedings, consider it their duty to notice the motives which have led the Prosecutor Captain M'Queen to prefer the 2d charge against the Prisoner, which as admitted by the Prosecutor himself have arisen from feelings of private resentment, and not from any regard to the good of the Service.

(Signed) A. WALKER, Captain, Officiating Deputy Judge Advocate.
(Signed) G. MOLLE, Colonel, and President.

I confirm the above Sentence.
(Signed) T. HISLOP, Lieutenant General.

Lieutenant Brunton is hereby reprimanded—Such sentiments as the conduct of Lieutenant Brunton appears to the Commander in Chief to demand beyond the award of the Court, His Excellency will cause to be conveyed to him through the Adjutant General of the Army.

Lieutenant Brunton is released from arrest and ordered forthwith to join his Regiment.

2d.—For making use of intemperate and degrading language whilst in this state to Subadar Rhime Cawn, his superior Officer, accusing him of being an informer against him on a previous occasion when he had been placed in arrest for misbehaviour, and threatening that he would be revenged of him, by taking his life.

(Signed) H. SWAYNE, Major, S. O. in charge 2d Bat. 13th Regt.

BY ORDER. (Signed) T. H. S. CONWAY, Adjutant General of the Army.

OPINION AND SENTENCE.—The Court having duly examined all that has appeared on the part of the Prosecution, as well as what the Prisoner has urged in his defence, is of opinion that he, the Prisoner Subadar Mahomed Alli of the 2d Battalion 13th Regiment N. I. is "not guilty" of the 1st charge exhibited against him, and acquit him thereof.

The Court is further of opinion, that the Prisoner Subadar Mahomed Alli is "guilty" of the 2d charge.

The Court having found the Prisoner Subadar Mahomed Alli, 2d Battalion 13th Regiment N. I. guilty of the 2d charge, it doth sentence the said Mahomed Alli, to be suspended from rank and pay for the period of two months.

CHARGES.—I charge Sullymaun Cawn, Subadar Major of the 1st Battalion 23d Native Regiment, with disgraceful conduct unbecoming an Officer, and in violation of the Regulations of the Service, in the following instances.

1st.—In quitting his party without leave, with which he was ordered to proceed from Vizianagram to the Head Quarters of the Corps, for the purpose of purchasing for future sale, articles of merchandize at different places, particularly at the village of *Sherah*, and not joining his party until it arrived at Ongole.

2d.—In detaching one Havildar, and some Sepoys (six) on his own private affairs to Madras, that is, for the purpose of procuring Bandies to transport the merchandize purchased as abovementioned.

3d.—In availing himself of two Sepoys going on furlough to employ them in bringing merchandize, by which means one of them was loaded with a large bundle from Masulipatam to Madura.

5th.—In employing at least two Sepoys of his party in driving Sheep, which he bought for sale, and did actually sell at Quilon, and other places.

6th.—In purchasing or causing to be purchased by his Brother-in-law Sabash Cawn, Havildar, as his agent and packer, some red handkerchiefs at Madura, and selling them afterwards partly by the assistance of the said Sabash Cawn to the recruits at a profit.

7th.—In taking Chingleput in his way to Head Quarters, this place as is supposed not having been mentioned in the route officially furnished to him, and halting there fourteen days unnecessarily.

8th.—In halting at the Arambooly Gate for the sole purpose of settling the Customs on his merchandize, there being no necessity of a public nature for such a delay.

9th.—In not having given over a balance of four Pagodas, and having been utterly silent on the circumstance till this day, which sum was placed in his hands by Ramasamy Havildar, and arose out of ten Pagodas originally given him, Ramasamy, by Lieutenant Wootton, thereby exciting a strong suspicion that he intended to appropriate this balance to his own use.

10th.—In denying that he had any money whatever belonging to the Recruits or the Party, when in fact he had that balance of four Pagodas.

Deputy Adjutant General.

OPINION AND SENTENCE.—The Court having maturely considered the evidence in support of the prosecution as well as what the Prisoner Subadar Major Sullymaun Cawn has urged in his defence, is of opinion as follows.

That on the 1st Charge he is not Guilty, it therefore acquits him.
On the 2d Charge that he is not Guilty, it therefore acquits him.
On the 3d Charge the Court is of opinion, that he did avail himself of a Sepoy going on furlough, by employing him to bring a small bundle of Handkerchiefs and Chintz from Masulipatam to Madura, but as the Sepoy brought it, with his own consent, the Court does not attach any criminality to the Prisoner in having done so.
On the 4th Charge that he is not Guilty, it therefore acquits him.
On the 5th Charge that he is not Guilty, it therefore acquits him.
On the 6th Charge that he is not Guilty, it therefore acquits him.

Lieutenant General.

In publishing the foregoing sentence His Excellency is impelled by an act of duty to express his regret, that an Officer whose rank and character had for a series of years stood so high as that of Subadar Major Sullymaun Cawn of the 1st Battalion 23d Regiment should have been exposed to the obloquy of an arrest and trial upon such numerous Charges as have been exhibited against him on such very insufficient grounds—his having been acquitted of every Charge will restore him to the same respect and confidence he ever held in the Corps, and the Commander in Chief directs that he may be forthwith released from arrest and return to his duty.

Company a much larger sum monthly, than was necessary for the purchase of materials for cleaning their Accoutrements, &c. and appropriating for many months to his own use, the balance of money, the property of the Sepoys, thereby causing murmuring and discontent most prejudicial to the Service, and contrary to good order, and military discipline.

Adjutant General of the Army.

SENTENCE.—The Court having duly weighed the evidence in support of the prosecution, as well as what the Prisoner has urged in defence, is of opinion that he, Subadar Mahomed Gallop is guilty of so much of the 1st Charge as in taking from the men of B. Company a much larger sum monthly than was necessary for the purchase of materials for cleaning their Accoutrements, &c. but it is not proved that the Prisoner appropriated the surplus to his own use, and therefore acquit him of the same.

The Court is further of opinion, that the Prisoner Subadar Mahomed Gallop is guilty of the 1st part of the 2d Charge, viz. "for Drunkenness" but in a very inferior degree, and acquit him of the remaining part of the 2d Charge.

The Court having found the Prisoner guilty in part of the 1st and 2d Charges, do sentence him to be suspended from Rank and Pay for the space of four Calendar Months, from the date of these proceedings being confirmed.

SENTENCE.—The Court having maturely weighed the evidence brought forward in support of the prosecution, as well as what the Prisoner Ramasamy, Jemadar, has produced in his defence, is of opinion, that he is guilty in part of the first charge, viz. "For making use of abusive language near the house of the Subadar of his Company, and likewise for pushing the Subadar" but acquit him of infamous, scandalous, and un-officer-like conduct, and of every other part of the 1st Charge.

In regard to the 2d charge, the Court is of opinion that the Prisoner Ramasamy Jemadar is in the habit of drinking intoxicating liquor, but not so as to prevent him doing his duty—The Court acquit him of every other part of the 2d Charge.

The Court is further of opinion, that so much of the 3d Charge is proved as " For going to the house of Venkatasamy, Orderly Naigue, and asking him for money collected for the purpose of purchasing Pipe Clay," but the Court acquit the Prisoner Ramasamy of any evil intention therein, as it is proved that he intended to apply the money to the purchase of Pipe Clay for the Company.

" for making use of abusive language near the house of the Subadar of his Company," but with respect to the 2d Count, viz. " for pushing the Subadar" the Court on re-consideration find the Prisoner Ramasamy, Jemadar, guilty of un-officer-like conduct, but not of infamous and scandalous.

The Court is of opinion that the punishment awarded in the original Sentence is sufficient.

G. O. By Government. Fort St. George, 10*th April* 1821.

In order fully to inform the Officers upon this Establishment of the existing Regulations, with respect to Furlough to Europe as well as to check the practice which to a certain extent, has lately prevailed, of Military Officers postponing their return to their duty for a period longer than is compatible with the good of the Service; the following Extract from a letter from the Honorable the Court of Directors, under date the 13th of September 1820, is published to the Army.

"Officers coming to England on Furlough are required, as soon as they arrive, to report their arrival and address, by letter, to our Secretary, forwarding at the same time the certificates which they received in India.

"In all cases of Furlough, whether it be granted for private affairs, or on sick certificate, Officers are required to join the Establishment to which they belong at the expiration of three years from the commencement of their Furlough, unless they shall have obtained an extension of leave from us, six months before the expiration of the said term of three years.

Published in General Orders by Government 8th July 1817.

"Extension of Furlough will not, in future, be granted except in cases of sickness certified in the manner prescribed, in our dispatch of the 3d January 1817, or in cases in which it shall be proved to us, that a further residence in Europe is indispensably necessary."

"When, under any such circumstances, an Officer shall have obtained an extension of Furlough to a given period, he must at the expiration thereof, apply for, and obtain permission, either to return to his duty, or to reside a further term in Europe.

"The Act of the 33d Geo. 3, Cap. 52, Sec. 70, as it respects Military Officers, applies only to cases of sickness, infirmity or inevitable accident, and no Officer will be hereafter considered eligible to return to the Service after five years absence, under that enactment, who has failed to obtain from us agreeable to the foregoing Regulations an extension of Furlough under the circumstances referred to in the Act.

"The plea of ignorance of the Regulations will not hereafter be admitted as any justification of the breach of them, but Officers who shall come home on Furlough, and who shall not, in due time, apply so as to effect their return to the Presidency to which they belong, within the period of three years from the commencement of their Furlough, will subject themselves to the loss of the Service, unless they shall be permitted by us to remain a further time in this Country."

FORT ST. GEORGE, 13*th April* 1821.

G. O. BY GOVERNMENT.

1. The Honorable the Governor in Council deems it expedient to establish the following additional Rules, for regulating the Allowances of Officers exercising Regimental Command—The Lieutenant Colonel or Senior Officer present *in India*, and eligible to Regimental duty, (temporary absence at other Presidencies or off the Coast forming no exception) is to be considered as Commanding in his own right, from the date of the publication of his appointment in General Orders—and, in his absence, whether previously or subsequently to joining, the Officer actually present at the Head Quarters is to be considered in temporary charge, and entitled to the established Batta for Commanding.

2. Senior Officers of Corps on whom the superior Command of two or more Corps may devolve, in Garrison, under the G. O. 22d May 1819—or, in the Field, by being appointed to Brigades or Detachments —are to be considered as only temporarily absent from Regimental duty, and therefore as retaining the Command of their Corps in their own right—permanent Staff Appointments and Government Commands or fixed employment on Civil or Political duties, &c. being alone considered to render Senior Officers of Corps ineligible to Command in their own right.

3. When a Regiment or Battalion may be divided, (as will generally, if not always be the case in the Artillery, and frequently in other branches,) that part of the Corps with which the Regimental Staff may be stationed, is to be considered the Head Quarters altho' a Senior Officer of the same Corps may be present with a recruiting party, or other detail of such Corps, at a different Station.

4. The existing Regulations regarding the allowances applicable to Officers Commanding Corps in their own right when absent on duty and furlough, will remain as heretofore; and it is to be understood that, however long an Officer may have previously been in temporary charge of a Corps, he is not, when detached thereform, to draw any allowances beyond those to which he would have been entitled, if such temporary charge had not devolved on him.

5. Officers Commanding Corps in their own right, if detained in Garrison, on Court Martial or other duty, when their Corps march, will retain their full Batta, but will not be entitled to superior Batta.

6. Officers in temporary charge of Corps, if detained under the above circumstances, are to be considered, in common with other Officers, as entitled to half-batta only. Batta for Commanding being never payable, except to the Officer Commanding in his own right, and to the Officer actually *present* with the Head Quarters of the Corps, in temporary charge.

7. The Governor in Council deems it further expedient to direct, that, as placing Commanding Officers of Corps on public duty, while on leave of absence, and detaining them on such duty beyond the period of their leave, occasions additional public charges, the occurrence of all such cases of detention shall be invariably reported to Government, with an explanation of the necessity for the Officers being so employed, in order that, if they cannot be relieved, the sanction of Government may be communicated to the Military Auditor General for the admission of the charges incidental thereto.

By order of the Honorable the Governor in Council.

Remarks by His Excellency The Most Noble The Commander in Chief.

The Commander in Chief regrets that he cannot consider the application of the Court for a remission of the penalty adjudged in the case of Jemadar Dhunny Sing as justly suited to the case. The infirm state of the Jemadar's health had been kindly consulted by the Officer Commanding the Regiment, none but interior duties devoid of fatigue having been for some time assigned to him. In these, there is strong reason to fear he was habitually lax and inattentive, as it is not conceivable that any circumstance but the observation of his indulging himself in such neglect, could have encouraged men of the Regiment to hazard the incurring a capital sentence, for the purpose of disgracing him. The crime proved against Jemadar Dhunny Sing was his breach of the plainest standing order of the Corps, which enjoined only what must be the invariable duty of the Officer on every Regimental Guard, and which required for its fulfilment nothing more than his stepping out of the Officer's into the Men's Guard Room, when the degree of indisposition which he was suffering, did not prevent his marching off with the relieved Guard.

BY COMMAND.

CRIME.—Corporal Charles Livermore and Gunner William Gallen of the 1st Troop Horse Brigade, charged with having committed or attempted to commit the unnatural crime of Sodomy at Mhow, on or about the 9th day of January 1821.

By order of Major General Sir John Malcolm.

CAMP MHOW, 26th February 1821. (Signed) J. LEYS, Major of Brigade.

Hastings, K. C. Commander in Chief of all the Forces in India, and by order and in virtue of a warrant under the hand and seal of Major General Sir G. Martindell, K. C. B. Commanding the Troops in the Field, for the Trial of Dupyee Camp Follower, and all such Prisoners as may be brought before it.

President.—Chukouree Sing, Subadar 1st Battalion 2d N. I.

Deputy Judge Advocate General,—Captain E. B. Craigie.

Interpreter,—Lieutenant and Brevet Captain Baldwin.

CHARGE.—Dupyee, Inhabitant of the Cantonment Bazar at the Post of Lahorgong, charged with having on or about the tenth of July 1820, murdered a woman named Peearee, an Inhabitant of the same place.

By order of Major General Sir G. Martindell, K. C. B. Commanding in the Field.

CAWNPORE, 29th November 1820. (Signed) W. L. WATSON, Deputy Adjutant General.

SENTENCE.—The Court having maturely weighed and considered the Crime with which the Prisoner stands charged, and to which he has pleaded guilty, as also the evidence which has been brought before it, and what the Prisoner has urged in palliation of his offence, is of opinion that he is guilty, and does therefore sentence him the said Dupyee to suffer death, by being hanged by the neck at such time and place as The Most Noble The Commander in Chief may direct.

Remarks by His Excellency The Most Noble The Commander in Chief.

The Commander in Chief has considered with attention the observation so justly submitted to him by the Court of the possible conception in the Prisoner that he was not committing a crime when he murdered his sister-in-law. The likelihood that such might actually have been the case places The Commander in Chief in a dilemma between enforcing a capital sentence for an act, which the Prisoner may not according to the usages of his Country and in the absence of all due warning have thought visitable with any severity, or giving by lenity a degree of confirmation to the lamentable prejudice that such an atrocious deed was not an outrage to all natural laws. The difficulty experienced on this occasion, proves the judiciousness of the course adopted by the Court in awarding the punishment of Death, and leaving the peculiar character of the case to be weighed by The Commander in Chief. Under the singular circumstances represented, The Commander in Chief will not direct the execution of the capital sentence: But, as it is still necessary that a visible infliction should prevent the supposition of the Crime's being lightly considered, the punishment is hereby commuted into labour in irons on the Roads for five years from the present date. Such orders will be issued as shall preclude in future any plea of belief on the part of a Camp Follower that murder committed within a Cantonment, where British Jurisdiction is in full activity, can be palliated by the principles or customs of his tribe.

BY COMMAND.

FINDING and SENTENCE.---The Court having maturely weighed and considered the whole of the evidence, which has been brought before it in support of the prosecution (against William Horsman, Esq.) together with what he has urged in his defence, "for embezzlement and malversation in office," has come to the following opinion.

In respect to the 1st Charge the Court finds the Prisoner not guilty, and does therefore most fully and honorably acquit him of the same.

In respect to the 2d Charge the Court finds the Prisoner not guilty, and does therefore fully and honorably acquit him of the same.

In respect to the 3d Charge the Court finds the Prisoner not guilty, and does therefore fully and honorably acquit him of the same.

In respect to the 4th Charge the Court finds the prisoner (William Horsman, Esq.) guilty in part, viz. Disobedience of the General Order by Government dated 28th August 1807, but such disobedience appearing to the Court to have proceeded from inadvertence, and not with any intention of abusing the confidence of Government, does therefore sentence him the Prisoner (William Horsman, Esq.) to be admonished by His Excellency the Commander in Chief, in such manner as he may think proper.

BY ORDER OF THE COMMANDER IN CHIEF.

T. H. S. CONWAY,
Adjutant General of the Army

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 1st *June* 1821.

G. O. By the Commander in Chief.

The period having arrived at which Lieutenant General Sir Thomas Hislop resigns the Command of the Madras Army, in consequence of the permission he has obtained to return to Europe, he feels himself called upon publicly to express the sentiments which he considers the occasion to demand.

In discharging this duty, the Lieutenant General avails himself of the experience which full seven years have afforded him to form a just estimate of the high military virtues, and qualities of this distinguished Army, alike unsurpassed for the perfection of its discipline, as for the splendor of its achievements; and which it has been the fortunate lot of the Lieutenant General never in the course of the long period abovementioned, to have had to remark on the least deviation from the former, so has he enjoyed the highest degree of gratification in having been an eye witness to the brilliancy of the latter.

To this gallant and high spirited Army Sir Thomas Hislop now bids farewell, uniting therewith, his unfeigned assurances, that as its future glory will never cease to be the first wish of his heart, so will its hitherto well earn'd fame ever continue to command his admiration, and to be the theme of his praise.

T. H. S. CONWAY,
Adjutant General of the Army.

(Signed) J. MACRA, Major, Acting Military Secretary.

Remarks by His Excellency The Most Noble The Commander in Chief.

The Commander in Chief observes with disapprobation, that in this case the Prisoner was subjected to a strictness as well as publicity of confinement not required by any circumstances apparent on the Record. The unnecessary severity and disgrace thus inflicted would have induced the Commander in Chief to grant a remission of the sentence, had it not been that documents in the Office prove Shaik Fuckera to have discredited himself by similar exhibitions of intoxication at Ceylon—Officers Commanding Corps or Detachments are to recollect, that a Native Officer placed in arrest, may on trial exonerate himself from the charge; therefore it must be improper to use without real necessity any procedure towards him which intermediately lowers him in the eyes of the Sepoys.

By Command.

GENERAL ORDERS.

HEAD QUARTERS:

CHOULTRY PLAIN, 16th *June* 1821.

G. O. By His Excellency General Sir Alexander Campbell, Baronet & K. C. B.

His Excellency General *Sir* Alexander Campbell, Bart. & K. C. B. need scarcely express the pride and gratification he feels, in assuming his appointment to be Commander in Chief of so distinguished a portion of the British Forces, as the Madras Army, with which it has been his good fortune to serve for a long period of his Life---His Excellency's mind is so strongly impressed with the brilliant exploits it has achieved, as well as the perfection of its discipline and subordination, that he has only to assure the Army at large, it will be the leading feature of his ambition to support its long established character, and if possible, to add to the just renown it has on all occasions claimed, and to which title the Madras Army added so brilliant an example, under its late gallant Commander in Chief, *Sir* Thomas Hislop, during the late Campaigns in the Deckan.

The General's intimate knowledge of the professional talent and merits of a great part of the Officers, now holding high official Stations, as well as the general character of the Officers of the Army, for zeal and well directed experience, is a sufficient pledge, that he will meet their cordial support in preserving its character and well established fame.

General *Sir* Alexander Campbell profits by the occasion of immediately succeeding Lieutenant General Bowser in the Command of the Army, to express his sentiments of high respect for his character and Services.

All orders and General Regulations established by His Excellency Lieutenant General *Sir* Thomas Hislop, Bart. and G. C. B. to be considered in full force.

The practice of forwarding a second application to Head Quarters for an extension of leave creates much unnecessary inconvenience, and although the Commander in Chief will at all times be happy to meet the wishes of the Officers of the Army when consistent with the good of the Service, yet, His Excellency deems it of importance that this practice be discountenanced.

Remarks and further Orders by His Excellency The Most Noble The Commander in Chief.

A free pardon is granted to Nowneed Sing on account of his having foreborne to defend himself by perjured Witnesses. The having brought forward such profligate testimonies is a great aggravation of the Crime proved against the other three Prisoners, each of them, therefore, is to be turned out of the Service after having received the corporal punishment, which the Officer Commanding at the Station will cause to be inflicted at such time, in such proportion as he shall think fit.

The Witnesses Sudeen Sing, Ramdeen and Rondee Sing, whose testimonies the Court has justly pronounced to have been fabricated to defeat the ends of Justice, are to be turned out of the Service.

The Woman Mankoor who has acknowledged herself to have been guilty of Perjury for money offered to her by one of the Prisoners, is to be publicly turned out of the Cantonment and to be prohibited from ever setting foot in it again.

At a General Court Martial assembled at Bombay on the 9th day of April 1821, by virtue of a Warrant from His Excellency Lieutenant General The Honorable Sir Charles Colville, G.C.B. & K.T.S. Commanding His Majesty's and the Honorable Company's Forces serving under the Presidency of Bombay.

President.—Lieutenant Colonel H. Hessman, Artillery.

Judge Advocate General.—Major Vans Kennedy.

CHARGE.—Lieutenant William Morley, Bombay Regiment of Artillery, placed under arrest by order of His Excellency The Commander in Chief, on complaint of Captain T. P. Thompson, His Majesty's 17th Dragoons, Commanding a Detachment employed on Field Service, on the coast of Arabia.

For conduct unworthy an Officer, and for disobedience of orders on the 9th November 1820, in not obeying an order given to him to make preparations for defence in the Camp and Town of Beni Bow Hassan, while the Commanding Officer took out the Picquet to the front against the enemy, and in having instead of obeying this order, gone off on the same evening to Soor, thereby abandoning the Commanding Officer, the Imaum, the sick, and the rest of the Detachment, and in having taken off with him or allowed to accompany him, the Men of the Department of Artillery, whereby the defence of the place or any further operations against the enemy, were rendered impracticable.

By order of His Excellency The Commander in Chief.

BOMBAY ADJT. GENL.'s OFFICE, 21st December 1820. (Signed) D. LEIGHTON, Adjutant General of the Army.

FINDING AND SENTENCE.—The Court having maturely weighed and considered all that has been adduced in support of the prosecution, as well as what has been brought forward on the defence, are of opinion that the Prisoner, Lieutenant William Morley of the Bombay Regiment of Artillery, is guilty of the several facts alleged in the charge, with the exception of "conduct unworthy of an Officer," and of having rendered the "defence of the place or any further operations against the enemy impracticable," of which allegations, they do therefore acquit him.

But the Court at the same time are of opinion, that the Prisoner's conduct in this case has proceeded from error of judgment arising from inexperience and from the peculiar difficulties of the situation in which he was placed, and they do therefore sentence him, the said Lieutenant William Morley to be admonished in such manner as His Excellency The Commander in Chief may think proper.

(Signed) V. KENNEDY, Judge Advocate General.

(Signed) H. HESSMAN, Lt. Col. Comg. 2d Bat. Artillery, President.

REVISED OPINION.—The Court having taken into their mature deliberation the preceding remarks of His Excellency The Commander in Chief, and being of opinion that the latter part of the Charge has not been supported either by the disposition of the Prosecutor or by any evidence which he has adduced, do therefore adhere to their former Finding and Sentence.

(Signed) VANS KENNEDY, Judge Advocate General.

(Signed) H. HESSMAN, Lt. Col. Com. Art.—President.

SENTENCE CONFIRMED.

(Signed) C. COLLVILLE, Lieutenant General.

Remarks by The Commander in Chief.

In compliance with the above Sentence, the Commander in Chief admonishes Lieutenant Morley, that it would have been more consistent with the respect for discipline and military obedience which he professes in his defence, had he dwelt more on his want of experience to guide him in the difficulties of his situation, than in strictures on the plans and measures of his Commanding Officer.

When too, calling upon Military History to justify his opinion, he speaks slightingly if not sneeringly of the defence that was to have been expected from sixty sick, including but thirty convalescents, it is proper to tell him, that not to go out of the Military History of his own Country, instances will be found of services of the most valuable nature, effected by a few sick thrown as these were, into a good defensive position, under an active and intelligent Medical Officer.

But to these were to be added the unbroken picket of sixty, and the Sepoys survivors of the action for whom the arms of the Sick were available, under four Officers and the other Europeans of the Ordnance Department, a body which united under the cover of two 18 Pounders, was sufficient to have given such confidence to the Troops of the Imaum collected in the presence of their Sovereign, as would have admitted of the destruction of the Guns, and Stores, that could not be removed, and of a comparatively, easy retreat upon Soor, instead of the circuitous and harrassing route which in their disorganised state it became necessary to take.

Having discharged this unpleasing office, His Excellency turns with satisfaction to the favorable testimonials given of Lieut. Morley's former, short, but rather active career, and which, with the experience now obtained afford good promise of future professional merit. He is hereby released from his arrest and directed to return to his duty at the Head Quarters of the Regiment of Artillery.

Lieutenant Gidley of the 1st Battalion 11th Regiment Native Infantry who has been under arrest upon nearly the same Charges, is hereby released therefrom, and is to return to his duty; it appearing upon the proceedings of the above trial, that his responsibility was less, and his inexperience in the Service still greater, than that of Lieutenant Morley.
