To

G. J. CASAMAJOR, ESQUIRE,
Acting Secretary to Government,
Military Department.

SIR,

In reply to your Letter of the 31st Ultimo, we have the honor to state for the information of the Honorable the Governor in Council, that we have examined Lieutenant Russell of the 32d Regiment and Ensign Woodfall of the 1st Regiment N. I. with regard to their proficiency in the Hindoostanee Language, and we are happy in being able to state that the acquirements of both are very considerable in that branch of Study.

The Translations of both these Gentlemen into Hindoostanee were distinguished by an exceedingly pure and idiomatic style, and were liable to no exception whatever, with regard to either Grammar or Orthography and it is scarcely necessary to add, that their Versions from Hindoostanee into English

were equally free from errors. The hand-writing of Ensign Woodfall was particularly good.

In the colloquial part of the examination, both Officers acquitted themselves entirely to our satisfaction, and in answering the interrogatories of the Moonshee expressed themselves with both fluency and elegance.

The result of our entire examination is, that we consider Lieutenant Russell and Ensign Woodfall well qualified to perform the duties of either Translators or Interpreters in the Hindoostanee language whenever they may be required to perform such services.

We have the honor to be,
Sir,
Your most obedient Servants,

G. O. BY GOVERNMENT.

In publishing for the information of the Army, the following Copy of a General Order issued by the Supreme Government, the Honorable the Governor in Council is pleased to direct that its provisions shall in future be considered applicable in every respect to Officers of other Governments who may occasionally come to this Presidency.

No. 21 of 1825.

General Orders by the Right Honorable The Governor General in Council.

FORT WILLIAM, 21*st January* 1825.

In order to provide against inconvenience and delay in payments to Officers of the Madras and Bombay Establishments resorting to this Presidency *on duty* and also with the view to prevent difficulty and confusion in the adjustment of their accounts at those Presidencies, it is hereby notified that when an Officer of the Madras or Bombay Establishment applies for his pay and allowances to the Presidency Paymaster at Fort William, he be required to append to his Bill an official Copy of the General Order under which he came to Bengal together with his last pay Certificate, exhibiting the several allowances he is entitled to draw during his absence agreeably to the rules of the Presidency to which he belongs.

This Bill is to be submitted for previous Audit and the Military Auditor General is authorized to pass the same to enable the Paymaster to pay the amount and to furnish the Officer on his return with a last pay Certificate from himself in lieu of the one surrendered, which is to be sent appended to the first Bill to Fort St. George or Bombay, as the case may require for adjustment in the usual manner as receipts for advances have been hitherto forwarded by the Accountant Military Department.

The following arrangements renders applications to Government from Officers of the other Presidencies when here on duty for sanction to draw advances on account, no longer necessary, and as by the Act of the 33d of Geo. 3, Chap. 52, Section 37, the provisions of which the Honorable the Court of Directors have ordered to be strictly enforced, no Officer absent from his own Presidency from any other cause than public duty can draw salary or allowances until his return thereto—the Governments of Fort St. George and Bombay are requested to make the necessary notification to the armies of those Presidencies that Officers coming to Bengal on private business, or sick certificate or in progress to Europe, must make their own arrangements, *as no advances will be made to them in Bengal.*

Under these orders, which circumstances have rendered expedient, it becomes necessary to cancel that portion of the 2d Para. of General Orders 11th April 1817, which runs thus, "Officers arriving at Fort William on sick leave or "otherwise from the other Presidencies, &c." to the conclusion of the paragraph —The Order Books to be corrected accordingly.

The Officers of the Bengal Establishment are hereby directed to make their pecuniary arrangements so as to render any application for advances to the Governments of Fort St. George and Bombay, or to any Settlement or Colony beyond Sea unnecessary *except when detached on duty*, as those Governments will henceforth decline such applications.

This Order is not meant to apply to Officers of the Establishments of Fort St. George and Bombay on Service in the Burman Dominions, the payment of whose allowances when visiting Bengal is provided for in General Orders No. 366 of 1824.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 21*st April* 1825.

The Honorable the Governor in Council having addressed the subjoined Orders to Lieutenant General Bowser, Commanding the Army in Chief, to be published to the Army, they are accordingly published in Military Orders.

FORT ST. GEORGE, 25*th March* 1825.

G. O. BY GOVERNMENT.

The following Extract from the Proceedings of the Honorable the Governor in Council in the Judicial Department is published in General Orders.

JUDICIAL DEPARTMENT.

Extract from the Minutes of the Honorable the Governor in Council, Dated 25th March 1825.

The Honorable the Governor in Council deems it necessary to lay down the following rules relative to the exercise of the authority, with which Civil Magistrates and other Officers acting in a similar capacity are vested for calling out Military force to preserve the peace of the Country.

1st. The first and most important rule is, that no Civil Officer shall call out Troops until he is convinced by a mature consideration of all the circumstances that such a measure is necessary.

2d. When the Civil Officer is satisfied of the necessity of the measure, he should, before carrying it into execution, receive the sanction of Government, unless the delay requisite for that purpose is likely to prove detrimental to the public interests. In that case also, he should fully report the circumstances to Government.

3d. When the Civil Officer may not deem it safe to wait for the orders of Government, he should address his requisition for troops, not to any subordinate Military Officer, but to the Officer Commanding the Division, to whom he should communicate his object in making it, and all the information he may possess regarding the strength and designs of those by whom the public peace is menaced or disturbed His duty is confined to these points. He has no authority in directing Military operations.

4th. The Officer Commanding the Troops has alone authority to determine the number and nature of those to be employed ; the time, and manner of making the attack ; and every operation for the reduction of the enemy.

5th. Whenever the Officer Commanding the Division may think the troops at his disposal inadequate to the enterprize, he should call upon the Officer Commanding the neighbouring Division for aid, and report to Government and to the Commander in Chief.

6th. No Assistant or Subordinate Magistrate is authorized to call out troops When any such Officer thinks Military aid necessary, he must refer to his superior, the Principal Magistrate of the District.

The foregoing rules are to be observed whenever it can be done without danger to the public safety. Should any extraordinary case occur which admits of no delay, Civil and Military Officers must then act according to the emergency and the best of their judgment. Such cases however can rarely occur, unless when an enemy becomes the assailant, and therefore occasion can hardly ever arise for departing from the regular course of calling out troops only by the requisition of the Principal Civil Magistrate of the Province to the Officer Commanding the Division.

Ordered that the foregoing resolutions be published in General Orders

to the Army, and be communicated for the information and guidance of such Civil Officers as they concern.

At Kamptee, for the Troops serving with the Nagpoor Subsidiary Force.

The Officer Commanding the Madras Troops on Foreign Service in Ava, and the Officer Commanding the 5th Brigade under Brigadier General Morrison, C. B., will order the usual Invaliding, Pensioning and Discharging Committees to assemble at such stations as they may think proper, under the authority of the Officer under whom they are serving, for the examination of the European and Native Troops of the Honorable Company's Service under their Command, as soon after the receipt of this order as convenient, and forward the Proceedings to Head Quarters without delay.

The requisite Garrison and Regimental Committees are to be previously assembled.

The Proceedings of the Committees, are to be conducted in strict conformity with the Regulations of the Service, the General Orders noted in the margin, and agreeable to the Forms laid down in General Orders dated 22d Septemer 1822, adding thereto, a Column for the *General Number*, immediately after the Column of Rank, and particularly observing the following points:

G. O. C. C. 3d Nov. 1821.
G. O. G. 26th July 1822.

It should be distinctly stated in the Column headed, "*why Recommended*," against the name of each individual, recommended to be transferred to the *Veteran* Establishment, that he is "*unfit for Field, but fit for Garrison duty*;" and in the case of every individual recommended to be *Pensioned*, that he is "*unfit for any duty*;" and the same, as the case may be, respecting men recommended

to be Discharged. It is not enough, that disease, or injuries, should be stated, leaving to be inferred, the *fitness*, or *unfitness* of the subjects. It is also of great importance that attestations of Commanding Officers of Corps to character, be in no case omitted—Cases not entitled under the Regulations, should be sparingly recommended by Committees, and the ground of every special recommendation distinctly stated.

The periods of Service of the Individuals recommended to be Invalided, Pensioned or Discharged, are to be made up to the 31st December 1825, at which time they will be struck off the Effective strength of the Army—The Committees are also enjoined, to make separate Proceedings for *each Corps, Detachment, and Department*; and are also directed to prepare separate Proceedings for Natives attached to Regiments of Europeans, as the blending of the names of Europeans, with those of Natives, creates much confusion, and can on no account be admitted.

The practice adopted by General Committees, of retaining their Proceedings till the whole of the Individuals to be brought before them, have been examined, is to be discontinued; and the Commander in Chief directs, that General Committees do transmit to Head Quarters, through the prescribed channel, their Proceedings by Corps, and Detachments, as soon as possible after the examination of the Men belonging to them are completed.

Officers Commanding Divisions, and Forces, in which General Committees assemble, are requested to dissolve them, as soon as their Proceedings are closed, and they have examined and ascertained, that they are prepared in strict conformity to the orders upon the subject, and the President and Members ordered to return to their duty.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council is pleased to publish in General Orders, the following report of a Committee appointed to ascertain the proficiency of Lieutenant Rowlandson, of the 1st Regiment of Native Infantry, in the Persian Language.

To

The Secretary to Government in the Military Department.

SIR,

We have the honor to report for the information of the Honorable the Governor in Council, that in compliance with the instructions conveyed in your letter of the 8th February last, we have examined Lieutenant Rowlandson, of the 1st Regiment N. I. with regard to his proficiency in the Persian Language.

We were not enabled to complete the examination until within these very few days.

We have now the greatest satisfaction in reporting that his Persian translation was not only entirely free from defects, but eminently distinguished for chasteness of style and elegance of execution. It was fully equal to any that has been yet submitted for our examination, and we have no hesitation in placing Lieutenant Rowlandson in the number of the best Persian Scholars that has appeared before us.

Lieutenant Rowlandson's translation of a long passage from the Anwar Sohile into English was as might be expected, after what we have above stated relative to his Persian acquirements perfectly free from error, and his colloquial powers with regard to fluency, command of language and pronunciation, were much above the common order.

After so unqualified an approbation of Lieutenant Rowlandson's acquirements in Persian, it is scarcely necessary to add, that we consider him emi-

nently well calculated for the discharge of any duties in which the knowledge of that language may be requisite.

FORT ST GEORGE :
12th April 1825.

We have the honor to be,
Sir,
Your most obedient Servants.

The Honorable the Governor in Council has much satisfaction in publishing to the Army the following extract of a dispatch received yesterday from the Honorable the Court of Directors.

Letter dated 10th December 1824.

Para. 3. "The zeal and energy with which you have seconded the efforts of the Bengal Government to bring the Burmese War to a speedy and successful issue are entitled to our fullest approbation.

4. "We have contemplated with great satisfaction the spirit and alacrity shewn on this occasion by all the Troops assembled under the orders of your Government; but the ardour with which the Native Officers and Soldiers have embarked on a distant and novel Service has afforded us peculiar gratification.

5. "The devotion exhibited by the Native Troops is not more honorable to them than it is creditable to their European Officers, to whose judicious conduct and high Military feeling, we mainly attribute that professional spirit and exemplary attachment to the Service with which the men under them have been inspired.

6. "We desire that the sentiments of approbation which we have now expressed may be communicated to all the Officers and Soldiers who have cheerfully proceeded on Foreign Service, and our conviction that the spirit and zealous alacrity already exhibited in their embarkation is but a pledge and prelude of their services in the Field."

G. O. BY GOVERNMENT.

The Honorable the Governor in Council is pleased to publish the following General Orders by the Supreme Government, and to direct that the provisions which they contain have effect at this Presidency.

No. 120 of 1825

General Orders by the Right Honorable the Governor General in Council.

Fort William, 22d April 1825.

* *Y P in C 25th June 1814. G. G. 9th August 1822. G. G. 6th January 1825.*

In continuation to General Orders noted in the Margin*, the Right Honorable the Governor General in Council is pleased to direct, that, in addition to the six bottles of Madeira now put on board for each *Invalid*, three bottles of Port shall be shipped, and that a proportion of bed pans and close stool pans to be determined by the Medical Board, shall also be put on board along with the other articles shipped for the *Invalids*.

2. As occasional cases occur, where the issue of small quantities of mutton, poultry, or other fresh meat may be indispensibly necessary, and as sending stock of this description, expressly for the sick would be attended with

much inconvenience—His Lordship in Council is pleased to direct, that henceforth whenever there may be *urgent necessity* for the issue of such fresh provisions, they are to be furnished by the Commander of the Vessel on the requisition of the Medical Officer, through the Officer in Command of the Troops.

3. The payment for such occasional supplies will be made in Europe on the production of a Bill upon honor that the Articles charged for were duly furnished, and the prices affixed believed to be at the rates in which the Articles stand the Commander: The Bills of course to be countersigned by the Officer in charge of the Troops and the Medical Officer.

4. The necessity of establishing one system for the three Presidencies has been pointed out from Europe: this Order as well as those above adverted to are consequently made applicable to Fort St. George and Bombay, the Governments of which are requested to republish them for general information.

5. When private Tonnage is taken up for Invalids proceeding to Europe, it will be the duty of the Marine Board to obtain the concurrence of the Commander of the Ship to this arrangement, as part of the Charter party engagement.

Commanding the Army in Chief.

The following Extracts from General Orders issued by His Excellency the Commander in Chiefin India, are by order of the Lieutenant General published to the Army, serving under this Presidency.

Extract from the Proceedings of a Native General Court Martial assembled at Muttra on Tuesday the 4th day of January 1825, by order of Major General Thomas Reynell, C. B. Commanding the Meerut Division of the Army, and in virtue of a Warrant under his Hand and Seal being thereunto authorized by a Warrant from His Excellency, The Commander in Chief, for the trial of Dowlut Sing and Subhah Sing Sepoys of the 33d Regiment of Native Infantry, and such other Prisoners as shall be brought before it, and continued by adjournment to the 5th day of the same month.

President.—Subadar Adhar Sing, 33d N. I.

19th December 1824.

(Signed) H. D. SHOWERS,

Finding.—The Court having duly and maturely considered the whole of the evidence for the prosecution and for the defence, together with what the Prisoners have severally urged in their respective behalf, do find each of the said Prisoners to wit, Dowlut Sing and Subhah Sing, guilty of the crime laid to their charge, in breach of the Articles of War.

Sentence.—The Court do therefore adjudge each of the said Prisoners Dowlut Sing and Subhah Sing, Sepoys in the 33d Regiment of Native Infantry, to receive on their bare back (600) six hundred lashes in the usual manner, at such time and place as His Excellency the Commander in Chief may be pleased to direct.

Signed by the President and all the Members.

(Signed) F. CHAMPAGNE,
Military Secretary.

Though the circumstances on which the charge of desertion in this case is founded are in themselves trivial, and at all events fitter for the investigation of a Regimental than a General Court Martial, still the Court was quite correct in finding the Prisoners Dowlut Sing and Subhah Sing guilty, and their sentence is accordingly confirmed.

The Commander in Chief accepts the recommendation of the Court in behalf of these Prisoners, and is pleased to remit the punishment awarded.

By Command.

Interpreter.—Lieutenant and Brevet Captain Stewart, 20th Regt. N. I.

Crime.—Subadar Rampersaud Sing 2d company 68th Regiment Native Infantry placed in arrest by me, on the representation of Lieutenant and Adjutant Marshall of the same Regiment, for having maliciously insinuated to Subadar Kunnie Sing of the 68th Native Infantry, that he (Lieutenant Marshall) had wilfully, and intentionally caused his horse to kick him (Kunnie Sing) on the morning of the 24th Instant when the Regiment was marching to the Brigade Exercise Ground.

Such conduct being highly reprehensible, and tending to injure the discipline and harmony of the Corps, and in breach of the Articles of War.

Additional Charge.—For conduct shameful, and scandalous, and unbecoming the character of a Native Commissioned Officer in falsely, and maliciously asserting that Subadar Kunnie Sing had come to his Hut, after he (Subadar Rampersaud Sing) was placed in arrest on the evening of Saturday the 26th of March 1825, and then, and there had reproached him (Subadar Rampersaud Sing) for having given up his sword and sash when demanded on the parade by the Adjutant, and had added that he (Kunnie Sing) would not have done so, if similarly situated.

The following extract from a letter from the Honorable the Court of Directors to the Government of St. Helena under date the 7th of January 1825, is published in General Orders.

Para. 174. "We observe that your Artillery and Infantry appear to have been principally recruited by men enlisted for limited periods of service on their return from India, a practice which, whilst it introduces an inefficient description of Soldiers, causes a material expense to the Company, the Bounties granted to such men at your Island being in the aggregate much larger than would be paid to Recruits enlisted in this Country for an unlimited term of service.

175. "We have therefore determined that the St. Helena Artillery and Infantry shall in future, be recruited entirely from England by men enlisted as far as may be practicable for unlimited service.

176. "We accordingly desire that until further orders, you discontinue the practise of enlisting Soldiers on their return from India, and we shall instruct the Governments of Bengal, Madras, and Bombay to give publicity to this arrangement."
