Proceedings of the Madras Government, Revenue Department, 3rd March 1869.

Read again letter from the Superintendent of Government Chinchona Plantations, dated 27th January 1869, No. 44, and recorded in Proceedings of Government, dated 9th February 1869, No. 335.

No. 48. Read also the following letter from the Accountant General, Madras, to the Acting Secretary to Government, Revenue Department, dated Fort St. George, 15th February 1869, No. 229:—

1. With reference to Government Order, No. 335, dated 9th instant, I have the honor to state, that there does not appear to have been any vacancy amongst the Overseers on the permanent Establishment of the Government Plantations at Neddivuttum, during February and March 1868. Mr. McClay must therefore have been employed as Overseer on the Temporary Establishment, and if the allowance claimed by him be granted, it must be defrayed from the working charges.

2. As regards the claim itself, it would seem from Government Order, dated 21st March 1837, No. 467, Public Department, that Government do not object to any of their servants holding more than one appointment, provided the appointments be on distinct establishments, and the duties are not incompatible, and can be performed by the individual in a satisfactory manner. If Government are satisfied on these points, there can be no objection to the claim made for Mr. McClay, being sanctioned.

No. 49. ORDER THEREON, 3rd March 1869, No. 539.

Miscellaneous.

Sanction is granted for Rupees (75) seventy five. This sum will be paid out of the provision made for working charges.
