The Honorable the Governor in Council having addressed the subjoined Orders to Lieutenant General Bowser, Commanding the Army in Chief, to be published to the Army, they are accordingly published in Military Orders.

No. 1.

FORT ST. GEORGE, *3d January* 1826.

G. O. BY GOVERNMENT.

Ordered that the following Extract from the Honorable Company's General Letter in the Military Department dated the 16th June 1815, be re-published in General Orders.

Para. 139. In consequence of the numerous applications, which have been preferred to us by our Servants, on leave of absence in this Country, for advances of money on loans—We think it proper to recal your attention to our Orders in the Military Department of the 26th February 1808, upon this subject. Those Orders declared our determination not to make any pecuniary advances to Officers at home beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army; but as a Resolution of this description, in order to be generally known to a body which is continually receiving an accession of new members should be occasionally republished, and being fully persuaded that a strict observance of this Resolution, will prevent much trouble and inconvenience, besides loss to the Company, we direct that our orders above adverted to be in future circulated for the information of the Army in the month of January in every year, and we shall take the necessary steps for reminding Officers who may arrive in England upon Furlough of our determination upon the subject in question.

By order of the Honorable the Governor in Council.

BY ORDER OF LIEUTENANT-GENERAL BOWSER, COMMANDING THE ARMY IN CHIEF.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

BY LIEUTENANT GENERAL BOWSER,

COMMANDING THE ARMY IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

11TH JANUARY 1826.

The following Extract from the Confirmed Proceedings of a General Court Martial assembled at Trichinopoly on the 28th day of December 1825, by Virtue of a Warrant from Lieutenant General Thomas Bowser, Commanding the Army in Chief, is published to the Army.

Crime. " Private Thomas Flanagan, of Captain Brooke's Company confined by Lieutenant Colonel Taylor, Commanding His Majesty's " 48th Regiment, under the following Charges, viz.

1st. " For highly improper and unsoldier-like conduct to his Commanding Officer, on the morning of the 24th November, in manner " and gesture, when admonishing him with a view to his future conduct, " and remitting a part, the remainder of a sentence of Imprisonment, " awarded him by a Regimental Court Martial; such conduct being in " breach of Military Discipline."

2d. " For highly insubordinate and mutinous conduct, on the " parade ground, on the morning of the 24th November, in disobeying " the orders of his Commanding Officer repeatedly, and after having " been ordered away from him with a file of the Guard, he suddenly " faced about and approached his Commanding Officer, in the most " daring and outrageous manner; such conduct being in direct violation of the Articles of War."

3d. " For highly mutinous conduct on the said morning of the 24th, " in striking the Adjutant with his clenched hand a violent blow in " the face, when in the execution of his duty, and in the immediate " presence of his Commanding Officer; such conduct being subversive " of all subordination, and Military Discipline, and in breach of the " Articles of War."

Upon which Charges the Court came to the following decision.

Finding and Sentence.—" The Court finds the prisoner guilty of all the " Crimes charged, and the Court does therefore by virtue of the Articles " of War, sentence and adjudge the Prisoner, Thomas Flanagan, Private H. M.'s 48th Regiment, to be shot to Death with Musketry, at " such time and place, and in such manner as the Officer Commanding " the Army in Chief shall be pleased to direct."

Approved and Confirmed.

(Signed) T. BOWSER, Lieut. General,
Commanding the Army in Chief.

It is painful to Lieutenant General Bowser, Commanding the Army in Chief, to order the infliction of the extreme and awful Penalty of the Law on any Soldier, particularly on one belonging to a Regiment so justly esteemed as His Majesty's 48th, requiring no example, and as distinguished for its exploits in the Field, as for its excellent conduct in Quarters; but the Lieutenant General considers it imperative on him to wave all personal reluctance in the discharge of a public duty, as he cannot discover one extenuating circumstance in the Prisoner's conduct. So outrageous, and flagrant an act of Mutiny has seldom occurred in any Army. In such a case it is mercy to do justice. The strong Arm of Power must be exerted to put

down Crimes of so enormous a magnitude ; and the interests of the Service must not be sacrificed to the dangerous consequences of pardoning so turbulent an offender.

The dreadful responsibility attached to the crime of *Mutiny* is *Death*, and when it occurs in so aggravated a form, it would be incompatible with the due maintenance of discipline and subordination to mitigate the Punishment.

The sentence awarded against Private Thomas Flanagan, will therefore be carried into execution, at such time and place as shall hereafter be communicated in General Orders to the Army on this Establishment.

This Order is to be entered in the General Order Book, and read at the head of every Regiment in His Majesty's Service, on the Establishment of Fort St. George.

By order of Lieutenant General Bowser.

(Signed) R. TORRENS, Lt. Col.
Dep. Adjt. Genl. His Majesty's Forces.

The Officer Commanding the Army in Chief directs, that the Sentence awarded Private Thomas Flanagan of His Majesty's 48th Regiment, shall be carried into execution on the morning of Monday the 30th Instant, in front of the Troops at Trichinopoly, agreeable to detailed instructions which will be furnished to the Officer Commanding at that Station, direct from Head Quarters.

Lieutenant General Bowser, Commanding the Army in Chief, with a view further to impress upon the minds of the soldiery under his Command, the awful example he has been compelled to order, in the execution of Private Thomas Flanagan, His Majesty's 48th Regiment, is pleased to direct, that every European Corps and Detachment on the Establishment shall be under arms from 6 till 7 o'clock on the morning of the 30th Instant, the period at which the Sentence is to be carried into execution, when the above Crime, Sentence and General Order shall be distinctly read twice to every Corps and Detachment, in front of the Parade.

The due execution of the above Order, is to be reported to the Head Quarters of the Army, through Officers Commanding Divisions and Forces.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

BY LIEUTENANT GENERAL BOWSER,

COMMANDING THE ARMY IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

16TH JANUARY 1826.

It is with feelings of attachment and regret cheered by the pride of honorable recollections, that *Lieutenant General* BOWSER for the last time addresses the Army of Fort St. George.

The ties of more than half a Century during which the *Lieutenant General* has had the honor of being associated in the interests of the Officers and Soldiers of that Army must necessarily be strong, and in offering them the tribute of his sincere admiration and the gage of his perfect regard and esteem, he can temper the painful feeling of permanent separation, by the knowledge and recollection alone, that this gallant and distinguished Army is at the very zenith of its glory and its reputation, and that the same Army which aided the exploits of a COOTE and witnessed the dawn of a WELLINGTON'S career, should, at this epoch, be proving itself equally zealous, devoted and efficient in a new and unusual service, wherein the strong ties of Cast and prejudices of habits and customs have vanished beneath the touch of Discipline and attachment to the Service, and that valour which had hitherto been almost limited to the narrow confines of a Country, has proved itself of general application wherever required or directed. With the proud consciousness of having shared the dangers and honors of such an Army and being the oldest Soldier serving in India, *Lieutenant General* BOWSER now bids his Comrades a last, a heartfelt, and an affectionate Farewell! acknowledging with a grateful recollection the zeal, ability, and public spirit by which he has been aided in his duties, by all the Staff and Departments, who are alike distinguished for a high Military Pride and Ambition, to maintain the distinguished reputation of the Army in all its branches.

T. H. S. CONWAY,

Adjutant General of the Army.

Accurate Register Rolls of all Native Officers, Non-Commissioned, Drummers, Privates, &c. transferred from Corps respectively, must be sent with each detail to the Regiments to which they are removed. Duplicates of these Rolls to be sent at the same time to the Adjutant General's Office, at the Presidency. The transfers to take place from the 1st Instant, from which date the above drafts are to be struck off the strength of their respective Corps, and are to be brought on the Returns of the Extra Regiments from that date. All accounts of Pay, Clothing, Family Stoppages, &c. &c. are to be cleared before the drafts are detached and each individual is to be furnished with accurate Certificates of any claims he may have, not adjusted, to Prize Money, Donation or other demand, *Copies of which* are to be furnished by Officers Commanding Corps to the Officer Commanding the Extra Regiment to which the individual is drafted.

Recommendation Certificates for promotion of the above drafts, numerically detailed, to the Commissioned Ranks are to be forwarded immediately in the usual form by Officers Commanding Corps, to which they at present belong, to the Adjutant General's Office.

All drafts to be sent to join without Arms or Accoutrements.

Drafts *nominally* detailed, belonging to Regiments on Foreign Service, are to be sent to join the Regiment to which they are posted from the Depôt at Wallajahbad, and such as are detained by temporary sickness must be accounted for to the Regiments, and a monthly report made of their state to Regimental Head Quarters.

All Registers and Accounts to be furnished with these drafts from the Depôt, as far as practicable, and the Officers Commanding the Regiments on Foreign Service, from which they are transferred will complete the deficient Records and information as early as possible.

The Drafts from Regiments on Foreign Service, *numerically* detailed are to be sent to the Coast by the first favourable opportunity to join the Regiment to which the individuals are removed, and Brigadier General Cotton is requested to give the necessary orders to this effect, and to direct the required Registers and Accounts to be sent with each detail.

The undermentioned Privates of Regiments on Foreign Service now at the Infantry Recruiting Depôt are drafted as follows, and are to be sent to join and furnished with Registers, Pay Certificates and other vouchers as above directed.

1. The Honorable the Governor in Council deems it expedient to cancel the 24th Paragraph of the Regulations for the Family Certificate Department, published in General Orders dated 22d July 1814, concerning losses occasioned by payments made to Families for periods between the dates of Casualties, and of reports thereof reaching the Superintendent ; and to direct, that the following course shall be observed in future regarding those charges.

2. The Superintendent's Bills, prepared in every respect as heretofore,

are to be sent to the Adjutant General's Department, in order that it may be certified on the face thereof that no improper delay appears to have occurred in the notification of the Casualties—the Bills so authenticated are to be sent by the Superintendent to the Military Auditor General, who is authorized to pass them for payment.

3. In cases when it may appear, by communications received by the Adjutant General from the Corps or Departments on whose account the charges are made, that the Notifications of Casualties to the Superintendent have been improperly delayed, and that payments on the Family Certificates of the deceased Troops have been occasioned thereby, which would not otherwise have taken place, the Adjutant General is to withhold his Certificate, noting on the Superintendent's Bills the date on which the communications from the Corps or Departments reached his Office, and the Superintendent is to call on the parties to account for their neglect in not reporting the Casualties at an earlier period, holding them responsible for the excess charges arising therefrom.

4. On receipt of the replies, or explanations of the parties, the Superintendent is to transmit them with the Bills to the Military Auditor General who is authorized to pass the charges, if he considers the delay satisfactorily accounted for, that is, as having been occasioned, by circumstances over which the parties had no control—otherwise the Bills are to be rejected, and the Superintendent is to proceed to the recovery of the amount, in the manner directed by General Orders 16th April 1822—adhering also to the rules prescribed by that Order, in the case of appeals to Government being desired.

By order of the Honorable the Governor in Council.

G. O. C. C. 28th November 1805 is republished for general information, and the attention of Commanding Officers of Corps particularly called thereto.

"The benefit to be derived by the Native Branch of the Army from "Vaccination induces the Commander in Chief to desire, that Commanding Officers "will recommend to the Soldiers of their Corps, and to the Followers of them, who "have not had the Small Pox to be vaccinated; and, for the purpose of Vacci- "nating Soldiers and Followers, Medical Officers of Corps are directed to apply for "Vaccine Fluid either to the Superintendent of Vaccination at the Presidency, or "to the nearest European Vaccinator."

With reference to the existence of Small Pox amongst the Sepoys and Followers of the Army it is directed, that every Recruit, on being entertained for the Service shall be specially examined by the Medical Officer; and, if it shall not satisfactorily appear that he has either had the Small Pox or been vaccinated, he shall be required to submit to the Vaccine Inoculation—The Medical Officer can always be supplied with Vaccine Matter on application to the Local Superintendent at the Station, or in its neighbourhood, or to the Superintendent General as the case may be. Great inconvenience having occurred to the Public Service from the optional removal of Writers employed on Public Pay in the Offices of Officers in the Staff and in the Departments both Divisional and Regimental; these individuals are hereafter invariably to be considered as Public Servants not removable at the option of Officers in charge of such Offices without communication with the Commanding Officer or Head of the Department, who will be the best judge of the expediency of such removal, and who is responsible for the efficiency of every branch of the Department under his Command. Although such Writers are not enrolled and mustered as followers, they are nevertheless supported by an allowance granted by Government for that especial purpose, and their removal at the option of Subordinate Staff or Departmental Officers has been an innovation upon the spirit of the Regulations of the Service.

FORT ST. GEORGE, 9TH MAY, 1826.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council has much satisfaction in publishing to the Army of Fort St. George the following General Order by the Right Honorable the Governor General in Council.

FORT WILLIAM, 11TH APRIL, 1826.

General Orders by The Right Honorable The Governor General in Council.

The Relations of Friendship between the British Government and the State of Ava having been happily re-established by the conclusion of a Definitive Treaty of Peace, the Governor General in Council performs a most gratifying act of duty, in offering publicly his cordial acknowledgments and thanks to Major General Sir Archibald Campbell, and the Army in Ava, by whose gallant and persevering exertions the recent contest with the Burmese Empire has been brought to an honorable and successful termination.

In reviewing the events of the late War, the Governor General in Council is bound to declare his conviction that the achievements of the British Army in Ava have nobly sustained our Military reputation, and have produced substantial benefit to the national interests.

During a period of two years from the first declaration of hostilities against the Government of Ava, every disadvantage of carrying on War in a distant and most difficult country has been overcome, and the collective Forces of the Burman Empire, formidable from their numbers, the strength of their fortified positions, and the shelter afforded by the nature of their Country, have been repeatedly assailed and defeated. The persevering and obstinate efforts of the Enemy to oppose our advance having failed of success, and his resources and means of further resistance having been exhausted, the King of Ava has, at length, been compelled to accept of those terms of Peace, which the near approach of our Army to the Gates of his Capital enabled us to dictate. Every object, the Governor General in Council is happy to proclaim, for which the War was undertaken, has been finally and most satisfactorily accomplished.

With sentiments of the highest gratification, His Lordship in Council further declares his persuasion, that the result of the contest, by teaching the Burman Nation to know and respect the Power which it had for a series of years insulted, by its haughty demands and unprovoked aggressions, will prevent the interruption in future of those friendly relations, which it is the interest of both States to maintain, will pave the way, for a freedom of intercourse hitherto unknown, and promises to open to Commerce new and advantageous sources, calculated to promote the interest and the prosperity of both Countries.

To the consummate Military talents, energy and decision manifested by Major General Sir Archibald Campbell, to the ardour and devotion to the Public Service, which his example infused into all ranks, and to the confidence inspired by the success of every Military operation which he planned and executed in person, the Governor General in Council primarily ascribes, under Providence, the brilliant result that has crowned the gallant and unwearied exertions of the British Troops in Ava. Impressed with sentiments of high admiration for those eminent qualities so conspicuously and successfully displayed by Major General Sir Archibald Campbell, His Lordship in Council rejoices in the opportunity of expressing to that distinguished Soldier, in the most public manner, the acknowledgments and thanks of the Supreme Government for the important service he has rendered to the Honorable East India Company, and to the British Nation.

The thanks of Government are also eminently due to the Senior Officers, who have so ably and zealously seconded Major General Sir Archibald Campbell in his career of victory. Brigadiers General Cotton, MacBean, and MacCreagh deservedly hold a high place in the estimation of his Lordship in Council, who has repeatedly had occasion to notice, with applause, the gallantry, skill, and promptitude displayed by those Officers in the execution of the various important operations entrusted to their direction.

Animated by the same noble spirit, Brigadiers Miles, Shaw, Elrington, Armstrong, Smelt, Hunter Blair, Brodie, Pepper, Parlby, Godwin, Hopkinson and Sale, have entitled themselves to the distinction of receiving from the Governor General in Council, on this occasion, the renewed expression of the sense entertained of their eminent services, for which they have on various occasions received the thanks of Government through Major General Sir Archibald Campbell.

Amongst those zealous and gallant Officers, some have been more fortunate than others in enjoying opportunities of performing special services. The ability with which Lieutenant Colonel Godwin, of His Majesty's 41st, achieved the conquest of the fortified Town of Martabau, and its dependencies, appears to confer on that Officer a just claim to the separate and distinct acknowledgments of the Governor General in Council. In like manner, Lieutenant Colonel Miles, and Brigadier General MacCreagh, have entitled themselves to the special thanks of Government for their services, the former in the capture of Tavoy and Mergui, and the latter in that of the Island of Cheduba.

The limits of a General Order necessarily preclude the Governor General in Council from indulging the satisfaction of recording the names of all those Officers, whose services and exploits at this

moment crowd upon the grateful recollection of the Government, by whom they were duly appreciated and acknowledged at the time of their occurrence. His Lordship in Council requests that those Officers will, collectively and individually, accept this renewed assurance that their meritorious exertions will ever be cordially remembered.

The frequent mention in the Public Dispatches of the gallantry and zeal of Lieutenant Colonel Sale deservedly marks that Officer as one who has established peculiar claims to the distinguished notice of His Lordship in Council; the services of the Bengal and Madras Foot Artillery under Lieutenant Colonel Hopkinson and Lieutenant Colonel Pollock, and of the Bengal Rocket Troop and Horse Artillery under Captains Graham and Lumsdaine, demand also the special acknowledgments of Government. The Governor General in Council acknowledges, with peculiar approbation, the gallant and indefatigable exertions of that valuable Corps the Madras Pioneers, under Captain Crowe. His Lordship in Council desires further to express the high sense which Government entertains of the zealous and meritorious services of Lieutenant Colonel Tidy and Major Jackson and the Officers of the Adjutant General's and Quarter Master General's Departments and of Captain Snodgrass, Military Secretary and Captain John Campbell, Personal Staff of the Commander of the Forces in Ava. The services of Superintending Surgeon Heward and the Officers of the Medical Department, and of Captain Fiddes and the Officers of the Commissariat, are fully appreciated by his Lordship in Council.

The Governor General in Council finds himself at a loss for adequate terms to describe the satisfaction with which the Government regards the general good conduct of the Troops, European and Native, who have served in Ava. Their patient endurance of the fatigues, privations and sickness to which they were unavoidably exposed in a hostile country, and in an inclement season, subsequent to the Capture of Rangoon, was not less conspicuous and praiseworthy than the spirit and determined resolution with which they maintained, during that period, an incessant and most harassing warfare of posts. Their irresistible gallantry in storming the Burmese Stockades, however strong their defence by nature or art, and the success which crowned their repeated encounters with the enemy, reflect equal credit on the Troops who achieved those exploits, and on their Leaders, who justly confiding in British energy, discipline, and courage, were never deterred by the most formidable disparity of numbers or difficulties of position from assaulting the enemy whenever the opportunity could be found.

While the Governor General in Council enumerates, with sentiments of unfeigned admiration the 13th, 38th, 41st, 89th, 47th, 1st or Royals, 87th and 45th Regiments, the Honorable Company's Madras European Regiment, and the Bengal and Madras European Artillery, as the European Troops, who have had the honor of establishing the renown of the British Arms in a new and distant region, His Lordship in Council feels, that higher and more justly merited praise cannot be bestowed on those brave Troops than that amidst the barbarous hosts whom they have fought and conquered, they have eminently displayed the virtues and sustained the character of the British Soldier.

To the Native Troops of the Honorable East India Company, who have so often successfully emulated their European Comrades in Arms, the highest meed of approbation and applause is not more cheerfully accorded than it has been honorably won. The Madras Sepoy Regiments, destined for the Expedition to Ava, obeyed, with admirable alacrity and zeal, the call for their services in a foreign land, involving to them many heavy sacrifices and privations. This devotion to their Government reflects the highest credit on the character of the Coast Army, not more honorable to themselves than it is doubtless gratifying to the Government of Fort St. George, as affording unequivocal proof of the sentiments of gratitude and attachment with which that Army acknowledges the paternal anxiety and care that ever watches over and consults its best interests and welfare. The detachments of the Bengal Native Troops employed in Ava, consisting of a portion of the Governor General's Body Guard, Commanded by Captain Sneyd, and details of Native Artillery, have been animated throughout by the noblest spirit of gallantry and zeal; the former, more especially, are in a peculiar degree, entitled to the warmest thanks of the Supreme Government for their voluntary offer of Service beyond Sea, and for their distinguished conduct in the Field under their native as well as European Officers.

The conduct of that portion of the Naval branch of the Expedition which belongs to the East India Company has been exemplary and conspicuous for gallantry and indefatigable exertion, and it has fully shared in all the honorable toils and well earned triumphs of the Land Force. The Governor General in Council experiences the most sensible gratification, in offering to Commodore Hayes, to Captain Hardy, Senior Captain of the Bombay Marine, and to the several Commanders and Officers of the Bombay Cruizers, which have been employed in the Irrawuddy, and to the Officers in Command of the Armed Brigs and Divisions of Gun Boats, the cordial thanks of Government for their zealous and meritorious services. Although not Commanding in person the Honorable Company's Naval Force in the Irrawuddy, Commodore Hayes has amply entitled himself to the special notice and consideration of Government on this occasion, since it was mainly owing to his professional and unremitting exertions that the Armed Flotilla from this Port was so efficiently equipped, and thus enabled to acquit itself in a manner which has repeatedly been honored with the approbation of His Excellency the Naval Commander in Chief of His Majesty's Squadron in the East Indies, and the Officers of the Royal Navy, under whose orders they have been employed, in conjunction with the Armed Boats of His Majesty's Ships. The Governor General in Council has not overlooked the spirit and bravery characteristic of British Seamen, manifested by several of the Masters and Officers of Transports and Armed Vessels in various actions with the Burmese in the vicinity of Rangoon.

It belongs to a higher authority than the Government of India to notice, in adequate and appropriate terms, the services of His Majesty's Squadron, which has co-operated with His Majesty's and the Honorable East India Company's Land Forces, in the late hostilities with the Government of Ava. The Governor General in Council, however, gladly seizes this opportunity of expressing the deep sense of obligation with which the Supreme Government acknowledges the important and essential aid afforded by His Excellency Commodore Sir James Brisbane in person, as well as by the Officers, Non-Commissioned Officers, Seamen and Marines of His Majesty's Ships, which have been employed in the Irrawuddy. Inspired by the most ardent zeal for the honor and interests of the Nation and the East India Company, His Excellency the Naval Commander in Chief, lost no time in proceeding with the Boats of the Boa-

dicea to the Head Quarters of the British Army at Prome, and directing in person the operations of the River Force, rendered the most essential service in the various decisive and memorable actions which, in the month of December last, compelled the Burmese Chiefs to sue for Peace.

But, while recording his gratitude to those who have partaken of, and survived this arduous contest, the Governor General in Council must also advert to the early and deep regret occasioned by the death of Commodore Grant, under whose personal direction the ships of the Expedition first proceeded against Rangoon. The heartfelt satisfaction arising from the success of the British Arms in the Burman Dominions, must now also be tempered with feelings of sorrow for the loss of the many brave Officers and Men who have fallen in the course of the War. Their Memory will ever be associated with the heroic deeds, and splendid triumphs of the British Army in Ava, and will be regarded with affection and respect by their Sovereign and their Country.

In testimony of the brilliant services achieved by the Army under the Command of Major General Sir Archibald Campbell, the Governor General in Council is pleased to resolve, that all the Corps, European and Native, in the service of the Honorable the East India Company, who have been employed in the Burman Country, including the Corps which were detached by that Officer from his more immediate command, for the conquest of the Enemy's possessions of Cheduba, Negrais and Bassein on the one side, and Martaban, Ye, Tavoy and Mergui on the other, shall bear on their Regimental Colors the word "Ava," with the words "Rangoon," "Donabew," "Prome," "Malloon," and "Pagham," as they may have been respectively present at one or more of the actions at those places. With respect to the King's Regiments, the Governor General in Council will recommend to His Majesty through the proper channel, to grant the same distinction to them. Medals also, bearing a suitable device, are to be distributed to all the Native Troops which at any period during the War were employed under the Command of Major General Sir Archibald Campbell, including the Officers and Men of the Flotilla and Gun Boats serving in the Irrawuddy.

The Governor General in Council cannot conclude these General Orders, expressive of his high approbation of the merits and services of the Army, under Major General Sir Archibald Campbell, without intimating, at the same time, his entire satisfaction with the conduct of the two divisions of British Troops, intended to penetrate into Ava from our North-Eastern and South-Eastern Frontiers, and also of the British Force employed in the expulsion of the Enemy from the country of Assam.

The latter service, namely, the conquest of Assam, was achieved by the Force under Lieutenant Colonel A. Richards, with the most complete success, the Capital, Rungpore, having surrendered on terms, and the Burmese Troops having been entirely expelled from that Country.

On the side of Cachar, physical difficulties of an insurmountable nature having arrested, at its very outset, the progress of the Army under Brigadier General Shuldham, no opportunity was afforded to that Army of displaying those qualities of courage, perseverance, and zeal, which the Governor General in Council is satisfied it possessed in common with its more fortunate brethren in Ava.

Similar and no less serious impediments ultimately opposed the advance of the fine Army under Brigadier General Morrison over the mountains of Arracan into the valley of the Irrawuddy; but the capture, by the Detachment under Brigadier W. Richards of the Fort and Heights of the capital of Arracan, afforded an earnest of what would have been effected, had opportunities offered, by the judgment, prudence and skill of the Commander and Officers of that Division, and by the valor, zeal, and intrepidity of the Troops of which it was composed. The Governor General in Council deeply laments the general sickness which attacked, and utterly disabled for further effective service, the South Eastern Division of the Army, and the loss of many brave Officers and men, who fell victims to the noxious climate of Arracan.

In testimony of the high sense entertained by Government of the services of the Troops, by whom the Provinces of Assam and Arracan were conquered, the Governor General in Council is pleased to order, that the several Native Corps who were employed in those countries, shall respectively bear on their colours the words "Assam" and "Arracan" as the case may be, and His Majesty will be solicited to grant to the 44th and 54th Regiments the same distinction. In further proof of the approbation with which the Government regards the meritorious conduct of its Native Troops serving in foreign countries, Medals, with an appropriate device, shall be presented to the Troops which assisted at the conquest of Assam and Arracan.

By Command of the Right Honorable the Governor General in Council.

The Commander in Chief is pleased to publish to the Army the following General Order by His Excellency the Right Honorable the Commander in Chief in India.

Sir George Walker is particularly gratified to find, that the Madras Army has on all occasions merited, the Soldier's best reward—the approbation of his Superiors! and His Excellency trusts, that they will be confident, he participates in every sentiment which marks the Military qualities that distinguish them as an Army.

General Orders by His Excellency The Right Honorable The Commander in Chief.

Head Quarters: Calcutta, 14th April, 1826.

The Services of the Army lately employed against the State of Ava having been successfully terminated by the conclusion of an honorable Peace dictated to that Power; The Right Honorable the Commander in Chief in India embraces the happy occasion, to express to the Troops of His Majesty and of the Honorable Company from the Presidencies of Fort William and Fort St. George, who were employed in the late war, his best thanks, and acknowledgements for their highly praiseworthy conduct on every occasion which presented itself for distinguishing themselves.

The difficulties met with by the Troops during the progress of hostilities, in every quarter in which the war was carried into the Enemy's Country were of a nature surpassing what has ever before been

experienced in India, while the baneful effects of the extremely noxious climate in which the Troops had to maintain their positions, added to the severe privations and fatigues to which they were unavoidably exposed throughout the whole period of their Service have been borne without a murmur.

Owing to these causes, the losses sustained by the Army during two years of hostility have been great beyond example, and cannot be remembered, without the deepest sympathy and regret, whilst the zealous devotion and fortitude manifested by those who have borne up against such aggravated distresses, must ever be a theme of applause and admiration.

His Excellency is also highly gratified in having to observe, that the conduct of the several Corps and Detachments, on every occasion, where the Enemy gave them an opportunity of engaging, was fraught with that spirit of Gallantry and Courage which ever distinguishes a British Soldier, and through which they invariably overpowered and defeated the Enemy; the successful results of their Services are to be appreciated by the terms upon which the war has happily been brought to a conclusion.

To Major General Sir Archibald Campbell, K. C. B. Lord Combermere has to offer the expression of his high admiration of the manner in which the Service in Ava has been achieved; and His Excellency does not fail to recollect with applause the services of Brigadier General Morrison, C. B. in the reduction of the Province of Arracan as well as of Lieutenant Colonel A. Richards, in reducing the Enemy's power in the Province of Assam.

Amidst the great variety and extent of successful operations which have marked the progress of the war, it would be difficult to enumerate the several occasions or to particularize the names of the many Officers who, in the Command of Divisions, Brigades, Corps and Detachments, or of those who employed on the Staff of the several Armies, have had opportunities of bringing themselves into notice; yet His Excellency feels it due to the following Officers to acknowledge with applause and approbation the sense he entertains of the important services performed by them.

Brigadier General MacBean, C. B. Second in Command with the Army in Arracan, and Commanding the Expedition against Ramree.

Brigadier General Willoughby Cotton, Second in Command under Sir Archibald Campbell, and Commanding the Madras Division in Ava.

Brigadier General M. MacCreagh, C. B. Commanding the Bengal Division in Ava, and at the reduction of Cheduba.

Brigadier E. Miles, C. B. Commanding at the reduction of Tavoy and Mergui.

Brigadier H. Godwin, Commanding at the Capture of the Fortified Town of Martaban.

Brigadier W. Smelt, Commanding the Lower Provinces and at Rangoon, who by the report of Sir Archibald Campbell has distinguished himself by the zeal and judgement with which he conducted the arduous and difficult duties of his Post in co-operation with the Army in advance.

To these Officers, Lord Combermere offers his cordial thanks and acknowledgements.

It will be a most pleasing duty to His Lordship to render justice to the above meritorious Officers, as well as to many more of His Majesty's and the Honorable Company's Services, who have been specially reported, as having availed themselves of opportunities of acting a distinguished part, by bringing them to notice for such marks of favor as His Majesty may be graciously pleased to consider their services merit.

There are, likewise, many other Officers whose names could not be included in the above enumeration, who have been reported to the Commander in Chief for favorable consideration—To them, Lord Combermere desires to offer his assurance that their merits and claims will be held in recollection, and that their future prosperity and advancement will form an object of His Lordship's anxious desire.

By order of His Excellency The Commander in Chief.

(Signed) W. L. WATSON,
Adjutant General of the Army.

Lieutenant T. M. Cameron of the 9th Regiment Native Infantry will join the Detachment of his Regiment at the Infantry Recruiting Depôt.

Captain J. Kitson of the 23d Regiment or Wallajahbad Light Infantry lately doing duty with the 1st European Regiment, and Ensign J. Gordon of the 24th Regiment Native Infantry lately doing duty with the 18th Regiment Native Infantry will join their own Regiments and be struck off the Returns of the 1st European Regiment and 18th Regiment Native Infantry respectively.

Lieutenant J. Gordon of the 6th Regiment Native Infantry doing duty with the 5th Regiment Native Infantry, and Lieutenant J. F. Elliott of the 10th Regiment Native Infantry doing duty with the 31st Regiment or Trichinopoly Light Infantry will join their respective Regiments—and Lieutenant J. Ross of the 15th Regiment Native Infantry, Acting Adjutant to the Infantry Recruiting Depôt is to be struck off the Returns of the 22d Regiment Native Infantry with which he was doing duty in Ava.

Confirmed.

(Signed) G. T. WALKER, Lieut. Genl.
and Commander in Chief.

The Commander in Chief has confirmed, though he does not approve the finding of the Court, which acquits the Prisoner Marriapah of the entire Charge upon which he was arraigned. The contradictory Evidence given by some of the witnesses, as well as the fact to which testimony is given that no malice existed between the Prisoner and the Deceased, might justly influence the Court to acquit him on the first Charge; but it is clear the Prisoner knew it was his duty not to quit his Post, and it is established by Evidence, that the deceased Cundapah *persuaded* but did not *order* him to do so. The prisoner Marriapah is therefore guilty of the Charge of quitting his Post, the consequence of which breach of order was, a murder, of which though he might not be the author, yet the consequences which followed that breach of duty magnified the Crime, and his acquittal is at variance with the Evidence and facts proved.

and Commander in Chief.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: Choultry Plain,

2d May, 1826.

The following Extracts from the Confirmed Proceedings of a General Court Martial assembled at Bangalore on the 3d day of April 1826, and continued by adjournments by virtue of a Warrant from His Excellency Lieutenant General Sir G. T. Walker, G. C. B. and K. T. S. are published to the Army.

"GENERAL ORDERS."

"HEAD QUARTERS: Madras, 1st *May*, 1826.

"Major J. F. Paterson of His Majesty's 13th Light Dragoons was arraigned on the following "Charges, viz.

"For highly unofficer-like and disrespectful conduct towards me, his Senior Officer, in the "following instances.

1st. "In stating on or about the 16th Instant with a view to justify the breach of a Regimen- "tal Order, that he had directed the assembly of a Regimental Court Martial for the trial of "Private John Brown, His Majesty's 13th Dragoons, in consequence of information obtained from "Adjutant Rosser—whereas the Order for the assembly of the said Court, was issued before the "information (falsely said to have occasioned it) had been communicated to him, or words to the "same effect."

2d. "In evading repeated applications made by me for an explanation of the apparent con- "tradiction expressed in the first Charge."

Bangalore, 20th *February*, 1826.

(Signed) S. BOYSE, Lieut. Col.
H. M. 13th Drags. Comg. Bangalore.

Upon which Charges the Court came to the following decision.

Lieut. Colonel Paterson's promotion to his present Rank was officially announced, subsequently to these Charges being preferred.

"The Court find the Prisoner Lieutenant Colonel Paterson, His Majesty's "13th Light Dragoons, guilty of the first Charge, with the exception of the word "falsely," the mis-statement appearing to have been inadvertently, not wil- "fully made, nor was it made with a view to justify the breach of a Regimental "Order."

"The Court find the Prisoner guilty of the second Charge, viz. In evading repeated applica- "tions made by Lieutenant Colonel Boyse, C. B. for an explanation of the apparent contradiction "expressed in the first Charge—such conduct being unofficer-like and disrespectful."

"The Court having found the Prisoner Lieutenant Colonel Paterson, His Majesty's 13th "Light Dragoons, guilty as above stated, which being in breach of the Articles of War, do "sentence him the said Lieutenant Colonel Paterson, *to be reprimanded*, in such manner as His "Excellency The Commander in Chief may deem fit."

"The Court re-assembles in obedience to orders from His Excellency The Commander in "Chief as conveyed in a letter from the Deputy Adjutant General His Majesty's Forces to "revise their former Sentence.

Revised Opinion.—"The Court having taken into mature deliberation the preceding Letter of His Excel- "lency The Commander in Chief, feel themselves bound to adhere to their former opinion."

On the reasons assigned by the Court, I confirm the Finding and Sentence.

(Signed) G. T. WALKER,
Lieutenant General.

The Reprimand which it is Lieutenant General Sir George Walker's duty here to communicate to Lieutenant Colonel Paterson, will, he hopes, admonish him to be more particular in future, in all explanations required by his Senior Officer, and to bear always in mind, that, however severe the terms in which they may be addressed, it is a duty to the Service of his Country that he is fulfilling, and not to be considered an act of subserviency to the Individual.

The Lieutenant General cannot however but regret that it should have been found necessary to assemble a Court Martial at so great an expense and inconvenience, both to the Individuals and Government, and to have placed an Officer of Rank in a situation so painful to his feelings on a trifling misunderstanding which five minutes personal conversation, with a due suavity of manner, might have cleared up. He cannot but deprecate communication by Letter between Officers in the succession of Command, where personal explanation can be obtained, independent of great waste of time that might be more usefully employed; it must be in every one's observation, that a gentlemanly manner and tone of voice (always to be expected between Officers) will often give a moderate and proper expression to a phrase, which may, in a letter, appear harsh and offensive; and when it is recollected how much the public service suffers by such misunderstandings, and what bad example they hold out—the Lieutenant General must require personal communication to be adopted, when practicable, on all matters of duty between Officers in the immediate succession of Command, when it is necessary to enter into explanation or detail.

The Lieutenant General must at the same time desire that Officers in superior Command may abstain as much as possible from interfering in the interior details of Regiments. Nothing but repeated irregularities can excuse this, as it must evidently imply negligence or incapacity on the part of the actual

Commander, and in so much weaken the respect necessary to his authority—and when irregularities or mismanagement really requiring such interference, do actually occur, the case is of such a nature as necessarily to form a report to the Superintending General for the information of the Commander of the Forces. In the mean time the chain of responsibility must be kept up in all its links, giving as well as taking the respect due to each, and the Lieutenant General will feel bound to notice any breach of it. Lieutenant Colonel Paterson is now released from his arrest and is to re-assume his Command.

This Order is to be entered in the General Order Book, and read at the head of every Regiment in His Majesty's Service on the Establishment of Fort St. George.

By order of His Excellency Lieutenant General Sir George Walker, G. C. B. and K. T. S.

Deputy Adjutant General His Majesty's Forces.

HEAD QUARTERS:
MADRAS, 9*th May* 1826.

GENERAL ORDERS.

Lieutenant George Berwick of His Majesty's 13th Light Dragoons was arraigned on the following Charges, viz.

"For conduct unbecoming an Officer and a Gentleman, in involving himself in pecuniary "transactions with the Non-Commissioned Officers under his immediate command, calculated to "weaken the ties of authority and respect which are essential to the due preservation of military "discipline.

"In the following instances, viz.

1st. "In having borrowed from a Mr. Cormack during the month of May last, through the "instrumentality, and upon the security of Troop Serjeant Major M'Naughton, His Majesty's "13th Dragoons the sum of Fifteen-hundred Rupees, or thereabout, upon the plea, that his Commission was at stake, and undertaking to repay the same by certain specified instalments within a "stated period, which engagement he did not fulfil, having at the expiration of the given time paid "only Five hundred Rupees, thereby rendering Serjeant Major M'Naughton responsible for the "payment (with interest) of the remaining part of the debt, or in case of failure, subject to the "Penalties of the Law."

2d. "In having during the month of September last borrowed the sum of Two thousand Four "hundred and fifty Rupees, or thereabouts from the said Serjeant Major Alexander M'Naughton, "to purchase a House from Quarter Master Minchin, which House he falsely represented for a "considerable time as his own bona fide property, although he had previously stipulated that it "was immediately upon its purchase to become the property of the said Serjeant Major M'Naughton, and though upon the Title Deeds a legal transfer thereof to Serjeant Major M'Naughton "is subscribed by Lieutenant Berwick dated 16th September 1825, the day following that on "which he purchased it from Quarter Master Minchin.

3d. "In having agreed to hire the said House from Serjeant Major M'Naughton at a Monthly "Rent of 12 Pagodas, the terms of which agreement he has not fulfilled, being now indebted to "Serjeant Major M'Naughton on that account in the sum of One hundred and fifty Rupees or "thereabout.

4th. "In having borrowed, on or about the beginning of December last, from Troop Serjeant Major Richard Baxter, His Majesty's 13th Dragoons, the sum of Eleven-hundred "Rupees or thereabout, promising to repay the same by transferring to Serjeant Major Baxter "monthly, the surplus that might remain of the money to be received on account of the Troop "Contract after discharging the cost of such line articles as might be provided by the Serjeant "Major, thus rendering the duty of the Serjeant Major inimical to his interest, and violating "the spirit of Regimental Orders."

5th. "In having neglected to fulfil the above engagement, entered into for the gradual liquidation of his debt to Serjeant Major Baxter, and having on the contrary increased the same by "not paying even for the whole of the line articles furnished by the Troop Serjeant Major since "the Agreement was made."

"The whole of such conduct being in breach of the Articles of War, and subversive of discipline, as especially set forth in General Orders by the late Commander in Chief in India, "General The Honorable Sir Edward Paget, G. C. B. and republished at Madras on the 30th "April 1824."

Upon which Charges the Court came to the following decision.

Finding.—"The Court having maturely weighed the Evidence on the prosecution, together with what the "Prisoner has urged in his defence, is of opinion that he, Lieutenant Berwick, His Majesty's "13th Light Dragoons, is guilty of the first part of the first Charge, viz.

"In having borrowed from a Mr. Cormack during the month of May last, through the instru"mentality of Troop Serjeant Major Alexander M'Naughton, the sum of Fifteen-hundred Rupees "or thereabout; but do acquit him of all the remaining part of the first Charge."

"The Court fully and honorably acquit the Prisoner of the second Charge."

"The Court fully and honorably acquit the Prisoner of the third Charge."

"The Court find the Prisoner guilty of that part of the fourth Charge, viz.

"In having borrowed on or about the beginning of December last from Troop Serjeant Major "Richard Baxter, His Majesty's 13th Dragoons, the sum of Eleven-hundred Rupees, or

" thereabout, promising to repay the same by transferring to Serjeant Major Baxter monthly,
" the surplus that might remain of the money to be received on account of the Troop Contract
" after discharging the cost of such line articles, as might be provided by the Serjeant Major, but
" acquit him of the remaining part of the fourth Charge."

" The Court fully and honorably acquit the Prisoner of the fifth Charge."

" The Court acquit the Prisoner of ungentleman-like conduct, but having found him guilty,
" as above stated, which conduct being unbecoming an Officer, subversive of discipline, and in
Sentence " breach of the Articles of War, do sentence him, the said Lieutenant Berwick, His Majesty's
" 13th Dragoons, to lose one step, by being placed immediately below the Lieutenant, who, at
" this date, stands next to him in the list of Officers of His Majesty's 13th Dragoons."

" The Court having reassembled for the purpose of revising their Finding and Sentence, if
" there should appear grounds for so doing, in obedience to the Orders of His Excellency The
Revised " Commander in Chief, as conveyed in the Deputy Adjutant General's Letter of the 24th April
Finding " last, do after mature deliberation abide by their former opinion on the first Charge."

" The Court acquit the Prisoner of the second Charge."

" The Court abide by their former opinion on the third Charge."

" The Court abide by their former opinion on the fourth Charge."

" The Court fully acquit the Prisoner of the fifth Charge."

" The Court acquit the Prisoner of ungentleman-like conduct, but having found him guilty,
" as above stated, which conduct being unbecoming an Officer, subversive of discipline, and in
" breach of the Articles of War, do sentence him, the said Lieutenant Berwick, His Majesty's
" 13th Dragoons, to lose one step, by being placed immediately below the Lieutenant, who,
" at this date, stands next to him in the List of Officers of His Majesty's 13th Dragoons."

The Finding and Sentence of the Court (as on the last page) is hereby confirmed.

(Signed) G. T. WALKER,
Lieutenant General.

After the patient investigation and attention with which the Court has gone through the accompanying proceedings, however different the opinion of the Lieutenant General may be on the result, it is with great regret that he feels his duty to the public service will not allow him to attend to its recommendation, in favour of the Prisoner. Under the generally known principles of the Service, it would be imagined that every Military, every gentlemanly feeling, would revolt at the idea of a pecuniary obligation to a Non-commissioned Officer or Private, and that the most ignorant, would be aware how much it must strike at the root of subordination, and discipline; but in this instance, obligations of this nature have been contracted in the very face of a clear and distinct Order upon the subject, by the late Commander in Chief of India (General Sir Edward Paget) published to this Army April 30th, 1824. There cannot then be found the slightest colouring of an excuse for the conduct of the Prisoner, and he may think himself most fortunate in the charitable construction of the Court and the slight sentence it has awarded for a crime of so mischievous a tendency. This sentence is to be carried into execution, and the Prisoner released from arrest.

The Lieutenant General cannot, however, pass over this occasion of expressing his great surprise at the prevalence of so degrading a custom in one of His Majesty's Regiments as has been developed in these proceedings, a custom grown to such an extent as to be quoted even in extenuation. Is it possible that this can have existed without the knowledge of the Commanding Officer, if he fulfils his duty to the Corps placed under his Command, and thus no less under his moral protection? The Lieutenant General must consider that it bespeaks great inattention on his part, and he must hold him responsible that it shall be eradicated. A Band of Money Lenders must be very unfit for the duties of Non-Commissioned Officers—and Officers, who borrow of them, as unfit to Command, and he can have little doubt of the consequences which such a state of degradation will bring upon the Corps, should any further example of it appear.

This Order is to be entered in the General Order Book, and read at the head of every Regiment in His Majesty's Service on the Establishment of Fort St. George.

GENERAL ORDERS.

Lieutenant Colonel Boyse, 13th Light Dragoons, Commanding the Cantonment of Bangalore, was arraigned on the following Charge preferred against him by Major General Sir Theophilus Pritzler, K. C. B. Commanding the Mysore Division of the Army.

" For disrespect to me as the Officer Commanding the Division in treating my orders with
" contempt, by issuing a Regimental Order, bearing date 7th February 1826, in direct opposition to
" the instructions conveyed to him personally by me on that day, before the Commanding Officer
" and Officers of His Majesty's 13th Dragoons assembled for that purpose, and in communicating
" the same through the Adjutant of the 13th Dragoons in direct and immediate disobedience of those
" my orders."

" Such conduct on the part of Lieutenant Colonel Boyse, being unbecoming his character as
" an Officer, prejudicial to His Majesty's Service, and subversive of all order, and Military regu-
" lation and discipline.

Bangalore, 15*th April*, 1826.

(Signed) T. PRITZLER, Major General,
Commanding Mysore Division.

Upon which Charge the Court came to the following decision.

Opinion.—" The Court having taken in mature consideration the Evidence on the prosecution, together " with what Lieutenant Colonel Boyse, C. B. has adduced in his defence, is of opinion, that he " Lieutenant Colonel Boyse, C. B. His Majesty's 13th Light Dragoons, is not guilty of the crime " laid to his charge—and do therefore most fully and most honorably acquit him of all and every " part thereof."

The above Finding and Sentence is Confirmed.

(Signed) G. T. WALKER,
Lieutenant General.

Although the Lieutenant General has thought it expedient to confirm the Finding and Sentence of the Court; taking notwithstanding a very different view of the course of its proceedings, he cannot add his approval—and should certainly have sent them back for revision, had it not appeared useless, after the Court had allowed its opinions to be biassed by the admission of a mass of papers and other matter, totally irrelevant to the subject before it, and thence, among other irregularities, licensing the prisoner to place upon the face of its proceedings a most unjustifiable and wanton attack upon the character of an Officer of Rank not under its cognizance, and leaving him therefore without the means of justification. In fact, instead of confining itself to the sole evidence connected with the Charge, viz. the instructions of Major General Sir Theophilus Pritzler, and the Regimental Order issued by the Prisoner; instead of giving its own unbiassed opinion upon the subject submitted to its consideration, it appears to have surrendered its post to the Subalterns of the 13th Light Dragoons, and allowed them to sit in judgement between their General of Division and the Prisoner—The natural consequence of which has been that the facts in issue, facts most important to the discipline of the Army, however distinctly proved, have been lost sight of—viz. That Major General Sir Theophilus Pritzler had given instructions to Lieutenant Colonel Boyse and the Officers of the 13th Dragoons, defining the Command of the *Regiment* as vested in *Lieutenant Colonel Paterson*, who in all respects was to be obeyed as such, forbidding at the same time any other channel of communication to the Officers, either to Lieutenant Colonel Boyse or to himself, but through him—Now as Military Discipline has never yet admitted of the anomaly of two Commanding Officers of the same Corps, this might have been thought sufficiently explanatory, especially to an Officer of 23 years standing—Nevertheless, after hearing these instructions, and on the very same morning, as if in defiance of them, it is proved and admitted that Lieutenant Colonel Boyse took home with him the Adjutant of the Regiment, and this Officer whom he had just heard forbidden to have any communication with him but through the channel of his Commanding Officer (Lieut. Colonel P.) was actually employed by him in the issue of a *Regimental Order*, contrary to the authority just defined by the Major General, as vesting in Lieutenant Colonel Paterson—An order even going to the extent of weakening and degrading the power and respect necessary to the situation, by taking from it all means of reward and leaving with it all the odium of punishment—An order as if intended to keep up that spirit of party, which the instructions of the Major General were specifically intended to overset—An order above all totally disregarding His Majesty's Regulations which strictly defines all the restrictions necessary for Officers in Temporary Command, in forbidding any change of Orders and Regulations previously established by the more permanent Commanding Officers, without superior authority, but no where providing for the double interference of both at the same time.

Mem.
That Officer having signed the Returns and being in actual command of the Corps, while Lieutenant Colonel Boyse had held that of Commandant of Bangalore with a Salary for that Duty for upwards a year.

As to the remark of the Major General that Lieutenant Colonel Boyse was the Commanding Officer of Lieutenant Colonel Paterson, as the latter was of the Regiment, it could admit but of one Military sense, that of his Command of the Cantonment, which gave him all necessary authority over the 13th Dragoons as of all other Corps within it, and it can hardly be doubted that all proper instructions issued by him to its Commanding Officer for its welfare would be attended to, or if neglected, he had always the power of reporting that neglect to superior authority, though not of arbitrary interference with the internal management of his inferior, who by signing the Returns, became at once the only acknowledged and responsible Commander, and of course vested with all the power necessary to fulfil his Duties.

The Court however has honorably acquitted the Prisoner Lieutenant Colonel Boyse of all this—He is consequently to be released from arrest and to return to his duty and Command—The Major General of the Division is *now* even desired to have the order in question expunged from the Regimental Books of the 13th Dragoons as trammelling the authority of the Commanding Officer, and contrary to the spirit and meaning of His Majesty's Regulations, to which *his* attention must however be particularly called—at the same time that, not losing sight of the probable return to Command of his Senior, he will of course be expected to consult with and attend to his recommendations on all important concerns of the Corps, not inconsistent with his responsibility and the due authority necessary to his Command.

These instructions will be entered in the Orderly Books of all His Majesty's Regiments on this Establishment, and will be taken as the Rule of Duty on all similar situations in future.

By order of His Excellency Lieutenant General Sir George Walker, G. C. B. and K. T. S.

Dept. Adjt. Genl. His Majesty's Forces.

HEAD QUARTERS: Choultry Plain, *24th May*, 1826.

As from some late examples it appears there have existed doubts with some individuals of this Army with respect to the meaning of certain Orders for the guidance of Officers who being Seniors of their Corps may hold at the same time superior Commands at the same Stations—and as the possibility of two persons interfering at the same time in one Command must be attended with the most mischievous effects to Military Discipline, in the creation of parties, the encouragement of trivial complaints, and the lowering of the proper authority—It is for the future to be distinctly understood as the Rule of Duty throughout

this Army, that Officers accepting or executing Superior Commands with or without salaries attached thereto, the duties of which require the Signature of Returns and the Details of their own Corps to be left to the next in rank—resign thereby all authority to interfere personally in the internal management of it for the time being—The immediate and complete Command of which is vested in the Officer who, by his Signature to the Returns, is rendered alone responsible for its Discipline and Character—Junior Officers however so situated being expected to consult and attend to the recommendations of their Seniors in all important concerns of their Regiments not inconsistent with their own responsibility or the due authority necessary to the maintenance of their Commands, keeping always in view the spirit as well as letter of the principles laid down by His Majesty's Regulations of not allowing during his temporary absence any change in the written Orders and Regulation laid down by the more permanent Commanding Officer, in which as all wholesome and necessary restriction is included, no further interference on the part of the Senior can be allowed than what is given by his Superior Command over that Corps in common with all others in his Cantonment, as in the case of a Brigadier General or Colonel on the Staff; where in case of any failure of Discipline or inattention to his proper instructions he has always in his power to report that neglect to superior authority, but in no case can be allowed an arbitrary interference in its internal management,

This Regulation is not however to be construed to extend to the temporary changes of Command arising out of the chance meeting of Corps, or to any temporary Command indeed that does not require the abandonment on the part of the Senior of the Signature of Returns and of the superintendence of the usual details and duties—and to prevent all doubts upon the subject all previous orders inconsistent with the principle here laid down are hence forward to be considered null and void.

The European General Court Martial directed to assemble at Bangalore in General Orders of the 8th March last, and of which Lieutenant Colonel Campbell is President, is dissolved.

T. H. S. CONWAY,
Adjutant General of the Army.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial held at Cannanore on Saturday the 13th day of May 1826, are published to the Army.

Charges.—Mootoo, Private No. 36, A. Company 50th Regiment N. I. confined to the Station Guard by order of the Officer Commanding, for disobedience of orders, disorderly and mutinous conduct, on the morning of the 4th Instant, in the following instances.

1st.—For taking off his Regimental Turband and Jacket without orders, on the date stated above, and throwing them in a daring and insulting manner on the ground in presence of the Regiment assembled to witness the formal execution of a Regimental Order issued on the preceding day depriving the said Mootoo of the rank of Havildar, thereby resisting the authority and subverting the purpose of his Commanding Officer to remove his distinguishing stripes from the Jacket, while it was on his person for a better example to the Troops.

2d.—For using on the same occasion, time, and place, language daring and insulting to the authority of his immediate Commanding Officer while in the execution of his duty at the head of the Troops, after being repeatedly ordered and peremptorily commanded to desist.

3d.—For perseveriency in the same mutinous language and disorderly conduct in the presence of the Troops, on the aforesaid occasion, after the Commanding Officer had summoned the Native Officers to the centre of the square for the purpose of forming a Drum Head Court Martial to try him on the spot for irregular conduct, vociferating for trial by a General Court Martial, or immediate death, exclaiming "what sort of a Duryaft is this by Gora acmee" or words to the same effect, thereby rendering it expedient for the Commanding Officer to relinquish the advantage of an immediate example, by a course of conduct on the part of the Prisoner that called for his being arraigned before a higher Tribunal.

The whole of these instances being subversive of good order and Military Discipline, and in breach of the Articles of War.

MANGALORE, *4th April*, 1826.

(Signed) G. WAUGH, Lieut. Colonel, Comg. 50th Regiment.

By order.

(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

Finding.—The Court finds the Prisoner guilty of so much of the 1st Charge as accuses him of "taking off his Regimental Turband and Jacket without orders" on the day stated in the Charge, but acquits him of the remaining part thereof.

2d Charge—Not guilty.

The Court finds the Prisoner guilty of so much of the 3d Charge as accuses him of calling (not vociferating) for trial, by a General Court Martial, or immediate death, exclaiming "what sort of Duryaft is this by Gora admee," or words to the same effect; but does not attach any criminality to the expression—the Court acquits the Prisoner of the remaining part of the Charge.

Sentence.—The Court not having attached any criminality to the acts of which the Prisoner has been found guilty in the First and Third Charges does not of course award any punishment.

REMARKS.

The Court having disposed of the Charges, cannot consistently with a due discharge of its duty close its Proceedings without calling the attention of His Excellency The Commander in Chief to the following observations, fully aware that they are treading on delicate ground when thus commenting on the conduct of their Superiors; but at the same time remembering that they have sworn duly to administer justice without partiality, favor or affection, and conceiving that it is through such a channel the grievances of the Native Soldiery can find its most legitimate redress.

From the Evidence on record it will appear, that the Prisoner was reduced from the rank of Havildar (which situation he held for eight years, and after a Service of twenty years without being once brought to trial or even confined in the Guard save in the present instance) on the complaint of a young Ensign, Mr. Mackenzie, who had so far forgotten himself and the General Orders which were to be his guide as to strike the Prisoner, then an acting Colour Havildar in front of his Company, on the day on which he was reduced to the Ranks; it does not appear on the Proceedings what the Crime imputed to him was, and the Court does not presume to judge whether he was or was not deserving of being reduced to the Ranks.

On the morning of the 4th April at the Regimental Parade when the Prisoner feeling himself greatly aggrieved, appealed to the decision of a General Court Martial, his Commanding Officer Lieutenant Colonel Waugh, instead of attending to his request repeats the provocation by striking him himself in front of the Regiment, and then sends in Charges against him for mutinous conduct.

The Court feels itself more imperatively called on to make these observations from the circumstance of the Regiment to which the Prisoner belongs having been so locally situated as to prevent his seeking redress from any other quarter at the time than that of his own immediate Commanding Officer.

The Prisoner is now desirous of making an appeal to a General Court Martial to ascertain whether he has justly been degraded from the Rank of Havildar, except His Excellency should be graciously pleased to restore him in consequence of what appears on the face of the above Proceedings.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

The Commander in Chief has deeply to regret the undue severity with which the Prisoner Mootoo, Private in the 50th Regiment Native Infantry has been punished by an unjustifiable exercise of an authority not vested in the Commanding Officer of a Regiment, and altho' His Excellency gives Lieutenant Colonel Waugh full credit, for supposing, that he did, in virtue of a delegated power by his Colonel, possess the right, yet justice, which must at all times be equally administered to all Ranks and Classes of the Army demands that the unauthorized award should be reversed—Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. therefore directs the immediate restoration of Mootoo to the rank of Havildar in the 50th Regiment Native Infantry without prejudice to his date of rank or standing in the list of Non-Commissioned Officers of that Regiment.

The Native General Court Martial directed to assemble at Cannanore in General Orders of the 28th Ultimo, and of which Subadar Ramaswamy of the 39th Regiment N. I. is President, is dissolved.

Commander in Chief, are published to the Army.

Charges preferred against Captain H. Sargent by Lieutenant Colonel H. Bowdler, Commanding 41st Regiment Native Infantry.

1st. For conduct unbecoming an Officer and Gentleman in having falsely and unwarrantably aspersed the character of Lieutenant and Adjutant Langford (during his absence) by declaring on the 1st Instant, in presence of most of the Officers of the Regiment, that he (Lieutenant Langford) supported Sepoy Chendah Ban in all his evil doings, and connived at his irregularities, he (Captain Sargent) having previously enumerated a number of infamous acts said to have been committed by the said Chandah Ban, such declaration tending to render Lieutenant Langford despicable in the eyes of his brother Officers, and unworthy to hold the situation of Adjutant of the Regiment.

2d. For refusing to sign an apology when allowed the option of so doing, although the matter had been fully investigated by a Court of Inquiry, and my opinion expressed as to the propriety of his amply apologizing to Lieutenant Langford, and which apology had been framed by the Court.

3d. For highly disrespectful conduct towards Captain Keating on Monday the 13th Instant, when sitting as President of a Court of Inquiry assembled by my order to investigate a complaint made by Lieutenant Langford against Captain Sargent, although cautioned by the Court against persisting in such language as he was using.

4th. For writing me his immediate Commanding Officer a most insubordinate and disrespectful letter dated 15th March 1826, in which he arraigns my authority and conduct in having interfered with his Company, and comments in a most improper and insulting manner on my orders, issued on the 14th Instant.

The whole of such conduct being subversive of good order (Military discipline), an evil and most dangerous example to the junior Officers and Men of the Regiment.

KAMPTEE,
18th March, 1826.

(Signed) H. BOWDLER, Lieut. Col.
Comg. 41st Regt. N. I.

By order.
(Signed) F. HUNTER,
Asst. Adjt. Genl. N. S. F.

Additional Charge preferred against Captain H. Sargent by Lieutenant Colonel Bowdler, Commanding 41st Regiment N. I.

Charge.—For writing me his immediate Commanding Officer, most insubordinate and grossly insulting letters bearing date the 24th March 1826 and 18th April 1826; and in the former letter commenting on the severe punishment, viz. one day's confinement, inflicted on Omeedsing Naigue of his (Captain Sargent's) Company, and in the latter letter intended by Captain Sargent to be laid before Colonel M'Dowell, C. B. Commanding Nagpore Subsidiary Force, asserting that I joined in an attack upon his character and approved of the false oath of Jemadar Shaik Sultan, said by Captain Sargent to have been taken before a Regimental Court Martial by that Native Officer, also commenting in the letter of the 18th Instant on my orders issued on the 15th Instant in the Regimental Orderly

Book, and declaring them to be *altogether unnecessary*—and further asserting in the said letter of the 18th Instant, that a cruel and vindictive punishment was awarded to, and executed on, Omeedsing Sepoy, thereby implicating the President and Members of the Regimental Court Martial by whom the said Omeedsing was tried (in an act of injustice) and me for approving and carrying into effect the Sentence of the Court.

The above assertions, with a variety of other impertinent matter contained in the letters of the 24th March and 18th April 1826, being totally subversive of good order and Military discipline, and a most pernicious example to the junior Officers of the Regiment.

CAMP KAMPTEE,
19th April, 1826.

(Signed) H. BOWDLER, Lieut. Col.
Commanding 41st Regiment N. I.

By Order.
(Signed) F. HUNTER,
Asst. Adjutant General.

Finding and Sentence.—The Court having maturely considered the Prosecution, as well as what the Prisoner Captain Sargent has urged in his defence, is of opinion as follows.

On the 1st Charge—That he Captain Sargent is guilty of unofficer-like conduct in having unwarrantably used the expressions in the Charge tending to injure Lieutenant Langford (with the exception of the words "and connived at his irregularities"); but the Court acquits him of all other parts of the Charge.

On the 2d Charge—The Court is of opinion that Captain Sargent did refuse to sign the apology offered to him; but it does not attach any criminality to his so doing, as an option was allowed him.

On the 3d and 4th Charges—The Court is of opinion that Captain Sargent is guilty.

On the additional Charge—The Court is of opinion that Captain Sargent is guilty to the full extent, with the exception of the letter bearing date the 24th March 1826—which it considers to be only "improper."

The Court having found the Prisoner Captain H. Sargent of the 41st Regiment N. I. guilty of part of the 1st Charge, of the whole of the 3d and 4th Charges, and part of the Additional Charge, it does Sentence him, the said Captain Sargent, to be suspended from Rank, Pay and Allowances for the period of (6) Six Calendar Months.

(Signed) J. R. ARDAGH,
Deputy Judge Advocate General.

(Signed) F. WALKER, Lieut. Col.
8th Light Cavalry, President.

Approved and Confirmed—the suspension to take place from the date of the Sentence, viz. May 19th.

FORT ST. GEORGE, 13TH JUNE, 1826.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council is pleased to publish to the Army the following letter from Brigadier General Cotton, on his retiring from the Command of the Madras Division of Troops in Ava.

To DAVID HILL, Esq.
Chief Secretary to the Government at
Fort St. George.

SIR,

The command of the Madras Troops in Ava, which I had the honor to hold during the greater part of the War, having terminated by the ratification of Peace between the British Government and the King of Ava, it is impossible for me to take a final leave of the distinguished body with whom I have been associated without expressing to His Excellency the Honorable the Governor in Council my sense of the zeal, gallantry, and discipline which the troops from Fort St. George have displayed throughout a long course of arduous service.

2. It is not within the confined limits of a report possible to do justice to individual merit, but the exemplary conduct of every Officer and Soldier who has been employed, whether of His Majesty's Regiments, or of the Honorable Company's European and Native troops, has been so conspicuous as to preclude the necessity of selection, and to deserve that I should solicit to place my grateful acknowledgment of their services upon the records of Government.

3. The fatigues of the various campaigns, and their uncommon privations, have been cheerfully shared by all indiscriminately; but the patient endurance by the Native Regiments of the vicissitudes of so novel a service, waving the prejudices of caste, and the customs by which they have been influenced by ages, are beyond the measured terms of praise, and evince how well they have deserved the truly paternal care and indulgence of an enlightened Government, which have been extended with equal liberality to the European and the Native Soldier.

4. The support which I have universally derived from Lieutenant Colonels Armstrong, C. B. Brodie, Pepper, Godwin, and Parlby, has been only equalled by the gallantry with which they have led their Brigades whenever opposed to the Enemy, and I hope I may be permitted to pay the tribute of regret for the loss of Lieutenant Colonel Commandant Macdowall, Lieutenant Colonel Conry, and the remaining brave Officers and men who have fallen in the execution of their duty.

5. I have had repeatedly occasion to bring to the favorable notice of the Honorable the Governor in Council the zeal and ability with which their respective Departments have been conducted by Captain Hitchins, Deputy Adjutant General, and Captain Steel, Deputy Quarter Master General; and I beg to repeat that they have always deserved my confidence.

6. The indefatigable exertions which have been exemplified by Superintending Surgeon Dr. Howard, and the Subordinate Medical Officers; the regularity which has been preserved in the hospitals; and the professional skill which has been evinced, call for my best acknowledgments.

7. The Madras Commissariat under Captain Tulloch, Assistant Commissary General, has been remarked for its efficiency in all emergencies; and I mention him to Government as an able and zealous Officer.

8. To Major Stock, and subsequently to Captain Tod, Paymasters, I am indebted for the attention and regularity with which the duties of the Pay Departments have been carried on.

9. Lieutenant Colonel Hopkinson, Commanding the Artillery, and Lieutenant Underwood, Commanding Engineer, having been always employed with the Officer Commanding the combined forces, the acknowledgment of their valuable services rests with higher authority.

10. Having gone through the pleasing duty of expressing my sentiments of the gallantry and meritorious exertions of the Madras Division of Troops, I beg respectfully to offer my sincere thanks to the Honorable the Governor in Council for the proud distinction of having been entrusted with so important a command; and to assure His Excellency that the height of my ambition will be to find myself placed upon any future occasion in a post so flattering and so honorable.

I have the honor to be,
Sir,
Your most obedient humble Servant,
(Signed) WILLOUGHBY COTTON,
Brig. General.

CALCUTTA,
May 29th, 1826.

The Governor in Council deems it proper to repeat in G. O. the acknowledgments of Brigadier General Cotton's distinguished services in Ava, which have already been often conveyed to that Officer. To zeal, judgment and gallantry and to the most active and unremitting attention to all the duties of his arduous and important command, Brigadier General Cotton has united in a remarkable degree the faculty of carrying other men's minds along with him, and has thus brought the Division under his orders to act with one heart and hand. The Governor in Council is persuaded that the sentiments expressed in the foregoing letter will be peculiarly gratifying to every individual both of the Staff and in the line who served in that Division.

The troops of this Presidency who were engaged in Foreign Service against the dominions of the King of Ava have already been honoured by the approbation of the Governor General in Council, and, though this Government is sensible that its praise cannot add any weight to that distinction, yet it is a grateful duty which it gladly discharges to follow the example of the Supreme Government in acknowledging the admirable military spirit displayed throughout the Service in Ava and Arracan, by every officer, non-commissioned officer and private of His Majesty's and the Honorable Company's Troops, European and Native.

The Expedition to Ava has been distinguished from every former Expedition sent from India, by its duration, by its great privations, by difficulties of every kind arising from the climate and the nature of the country, by its constant harassing duties, and by its frequent conflicts with the Enemy. The European troops, in meeting and overcoming all these obstacles have nobly sustained the character of the British Army. The Native troops have proved themselves worthy of fighting in the same ranks with European Soldiers.

In many former instances the Native troops of this Presidency have cheerfully gone on Foreign Service; but in none has the spirit of enterprise been so high, and the devotion to the service so universal as, in the late war. No less than seventeen Regiments (the 1st, 3d, 7th, 9th, 10th, 12th, 16th, 18th, 22d, 26th, 28th, 30th, 32d, 34th, 36th, 38th, 43d,) besides the head quarters and two squadrons of the 1st Light Cavalry, detachment of Golundauze and of Gun Lascars, the head quarters and four Companies of the 35th Native Infantry and the head quarters and seven Companies of the 1st Battalion Pioneers, actually proceeded to Ava and Arracan: two Regiments more (the 24th and 31st) and the remainder of the 35th were in readiness to follow; the orders for foreign service were received by all of them with enthusiasm: whole Regiments embarked without the deficiency of a man; and repeated instances occurred of extraordinary forced marches of parties absent from the Head Quarters of a Regiment about to embark, in order that they might not be left behind. Conduct so honourable to the Native Army, so gratifying to the Government, does not cease to be of use with the occasion which called it forth; its influence will reach to future times; and it will long be regarded, both in India and in Europe, as a memorable example for imitation to the sepoys, and for emulation to the successors of those European officers who have made them what they are.

It is directed that this General Order be translated and carefully explained to the Native officers, non-commissioned officers and sepoys of every Native Regiment in the service.

By order of the Honorable the Governor in Council.

Chief Secretary.

No. 116.

PORT ST. GEORGE, 16TH JUNE, 1826.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council has been pleased to resolve, that the enlistment of Recruits for the Dooly Corps shall cease, and that another Corps, the strength of which, will be determined hereafter, shall be gradually formed under the following Regulations.

2. That able bodied Dooly Bearers not younger than 18 nor older than 40 years shall be entertained under the orders of the Commissary General, in numbers as nearly equal to the Casualties, which occur in the existing Corps, as may be found convenient.

3. That this new Corps shall be formed into Companies of 90 Men each, with one Head and three Petty Maistries.

4. The Head Maistries, Petty Maistries and Bearers of this Corps, shall receive the same pay and batta as the existing Dooly Corps; the batta being drawn under the same circumstances which now entitle the Dooly Corps to that allowance. The subjoined table will regulate the pay and batta of both Corps according to the Currency now adopted for the Military Accounts. The Maistries are not to be allowed any thing extra for keeping the Companies complete; a duty which will belong to the Officers of the Commissariat under the orders of the Commissary General.

5. The pay of the new Corps to be drawn and adjusted until further orders in the Commissariat accounts, supported by regular Abstracts and Muster Rolls.

6. These Bearers will be entitled to benefit by the regulations for the issue of grain or compensation in lieu of it, the same as other public *followers*, as also by the regulations for the grant of Family Certificates, but are to have no claims to prize money. They shall also be entitled to medical aid the same as the men of the existing Dooly Corps.

7. That each man on the returns on the 31st of December every year, shall be entitled to receive a good serviceable Cumbly, but shall have no claims for Clothing. The Officers of the Commissariat will however see, that the Maistries and Bearers provide themselves, and maintain in good order, at their own expense, two Jackets of stout white Cotton cloth, also one Turband and one Cummerbund; the Head Maistries, Petty Maistries, and Bearers being distinguished from each other by such marks as the Commissary General may think proper to establish.

8. That these Bearers when permanently disabled by the enemy on Service, and the next heirs of men killed in Action, shall be entitled to pensions according to the rules applicable to Native Troops under similar circumstances.

9. That the Bearers entertained under the above regulations shall not be liable to be discharged without the sanction of the Commissary General, or the sentence of a Court Martial. Men of this Corps discharged at a distance from their Homes will be allowed 3½ Annas for every twenty miles of the distance to enable them to return: But if the discharged Bearers should be in an infirm state of health, the same allowance shall be given to them for every twelve miles, at the discretion of the Commissary General; the same allowance under similar circumstances being extended to the existing Corps.

10. When men of the existing Corps become unfit for the Service or request to be discharged, the Commissary General will be the judge of the grounds on which the discharge is recommended or applied for, his countersignature being required to the discharge certificates. And when Bearers of the existing Corps are brought before General Invaliding, Pensioning, &c. Committees, extracts of the Proceedings are to be furnished to the Commissary General, who is required to refer such points to Government as may be necessary.

11. A reasonable leave will be allowed to the Bearers of the new Corps when not in the Field, never exceeding six months, during which time they will receive no pay; but their pay, together with all other advantages will be granted only to the substitutes temporarily engaged in their room, by the Officers of the Commissariat, in immediate charge.

12. The Head and Petty Maistries shall also be entitled to a similar leave; but receive during their absence, the pay of a Bearer only, the difference being drawn for the men appointed to act for them; the reduced pay of Maistries during their absence will not however be drawn until their return; and if they overstay their leave, it will be forfeited and remain undrawn; such circumstance, when it occurs, being explained in a note at the foot of the Abstract. Any Maistry or Bearer overstaying his leave, will be considered a deserter, and liable to be dismissed the Service.

13. These regulations are not in any way to diminish the advantages already allowed to the existing Corps of Dooly Bearers; but as their numbers will gradually decrease, and as the Head and Petty Maistries would thus be liable to lose by the progressive reduction of the strength of the Companies, there will be no deductions made from their present allowances in consequence of vacancies not being filled up. The remaining Companies will be reformed from time to time as circumstances may permit; and any Maistries who may become Supernumerary, will be drawn for as such until otherwise disposed of.

14. The exchanging of Bearers from one Company to another, can be sanctioned only under authority from the Commissary General; the Maistries of Companies and Petty Maistries of divisions are therefore held responsible for a strict observance of this order, by the men of their respective Companies and divisions; and in the event of its being discovered that the Maistries have connived at Bearers exchanging from one Company to another, without proper authority so to do, the Maistry of the Company and the Petty Maistry of the division to which the Bearers exchanging respectively belong, shall be liable to be dismissed the Service or reduced to the rank of a Bearer. This rule is also ordered strictly to apply to the existing Corps of Dooly Bearers.

15. No stationery is specially allowed on account of these Bearers, and the Officers in charge in making out their Abstracts, &c. will be entitled to use the public stationery supplied for the ordinary purposes of the Commissariat; the same rule being also observed with regard to the accounts, &c. of all other Dooly Bearers.

16. The existing Corps shall be denominated the 1st Corps of Dooly Bearers, and the new Corps the 2d Corps of Dooly Bearers, and the same Returns, &c. which are now required to be made of the former Corps will also be required of the latter.

17. With respect to the Hired Bearers for occasional service in the Provinces, it will be proper that they should be engaged on the terms most advantageous to the public, in the manner already in practice by the Commissariat. The full hire, however, shall in no instance exceed 7 Rupees monthly, and it is expected that in various situations the hire of Bearers, especially in their own district, or for local duties, will be considerably less.

18. All Hired Dooly Bearers when employed on actual Field Service beyond the frontiers of the Honorable Company's Territory, shall be entitled indiscriminately to the same *pay* and *batta* as the Corps of Dooly Bearers on whatever terms they may have been engaged originally, and on no occasion whatever will hired Bearers receive higher wages than the pay and batta of the Dooly Corps.

19. When Hired Dooly Bearers are collected at any Military Station from the neighbouring Country, they will receive an allowance to be regulated by the Commissary General from the date of their leaving their villages until delivered over to Corps, &c. on the presentation of Indents, or if collected for the purpose of being sent on service to another part of the Country, they will receive that allowance as above provided until they are mustered and brought upon monthly pay.

20. Hired Bearers discharged at the conclusion of any *Field Service* to enable them to return to the places at which they were entertained for that service, will be allowed 3½ Annas for every twenty miles of the distance. The Hire of all Bearers engaged for temporary service by the Commissariat will continue to be adjusted in the accounts of that Department.

21. Hired Dooly Bearers are already entitled to benefit by the regulations for the issue of grain or compensation in lieu of it, as public followers, as also to medical aid. It is now resolved, that they shall also be entitled to benefit by the regulations for family Certificates when in the Field in time of War, or on *Foreign Service*.

22. The next heirs of Hired Dooly Bearers in the public Service who may be killed in Action on Foreign Service beyond Seas; the next heirs of any Hired Dooly Bearers who may die on Foreign Service beyond Seas: Hired Dooly Bearers permanently disabled by the enemy whether on Foreign Service or in India, and the next heirs of those killed in Action in India will all be eligible to the pension list, each case being specially disposed of according to circumstances by the Honorable the Governor in Council.

23. The Officer of the Commissariat in engaging Hired Dooly Bearers for Field or Foreign Service temporarily, will fully explain to them the advantages to which they become entitled under these regulations.

24. The Sick Soldiers, whether Europeans or Natives, at Stations where Bearers are maintained, are always expected to benefit by their services in being carried out to take air when recommended by the Medical Officers and ordered by Commanding Officers. The Medical Officers to whom they are thus furnished, will be responsible that they are not otherwise employed; and regular Indents will be required for the Bearers whether they are wanted for the day, week or month. Dooly Bearers attached to

Hospitals or kept up for the conveyance of Sick from the Barracks to the Hospitals, are on no account to be employed in any other manner, than in carrying the Sick.

25. When Public Bearers are required for working parties in Cantonments, either for the Commissariat or any other Department, Indents will also be required, specifying particularly the service for which they are wanted.

26. When Public Bearers are unemployed, Officers, or families arriving at, or leaving the Stations where they are maintained, may be assisted with Bearers at the discretion of the Commanding Officer, who will be at liberty to post sets at places from whence they can be readily recalled, if required for the Public Service. In such cases, however, the Batta of the Bearers, when travelling to and fro, and while posted (equal to what is allowed to the Dooly Corps), must be borne by the parties employing them; and paid into the Office of the Commissariat.

27. Families and individual Officers at Stations where public Bearers are maintained may be allowed the use of sets occasionally, at the discretion of Officers Commanding; such sets of Bearers not being subject to any other employment than the conveyance of Palanquins or Doolies, the parties paying into the Office of the Commissariat a sum equal to the Batta of the Bearers during the time they may be kept. Persons supplied with Bearers under this rule, will on no account take them beyond the distance of 10 miles, such Bearers being considered to be always in readiness for employment with the Troops.

28. Staff Officers proceeding post upon *duty* or returning, may have Bearers (when not required for public purposes) posted for them to a reasonable distance, at the discretion of Officers Commanding, without being chargeable for the Batta, provided the Bearers are already in receipt of that allowance.

29. Public Bearers, however, are not to be supplied for any purpose whatsoever without Indents, and all such Vouchers, are required to accompany the monthly returns rendered to the Commissary General. All Indents for Bearers required under the operation of the five foregoing paragraphs, besides the usual signature of the Officer of the Quarter Master General's Department on the spot, are required to be countersigned by the Officer Commanding.

30. Dooly Bearers in whatever manner employed, are not to be subjected to ill-treatment or punishment by the persons to whom they may be attached for the time being. If guilty of any irregularity, a complaint in writing is required to be made to the Commissariat Officer in charge, who will take the orders of the Commanding Officer on the case reported.

31. That part of the 10th paragraph of the VIIth Section of the Commissariat Regulations allowing certain Arms for the Bearers of the Dooly Corps is hereby cancelled, and this Order is directed to be considered as a Supplement to that Section.
