*To The Chief Secretary to the Government of Madras.*

*Sir,*

As will be seen from the frequent applications to Government which are rendered necessary for the exemption from the Educational rules of unpassed candidates for employment as European Warders in the Penitentiary, Madras, the ever-recurring difficulty presents itself of obtaining passed men who will accept the appointments. Owing to the insufficiency of the pay offered which does not attract qualified men and to the arduous nature of the duties required of them, unpassed men only as a rule apply for entertainment and even these seldom stay if they happen to be good men,

as

as better pay is to be secured in the Railway and other services. The consequence is that resignations are frequent and vacancies occur which can but with difficulty be filled.

2. There have been six such vacancies in the staff of -- European Warders at the Penitentiary during the past eight months, all of which have now been filled up by the Superintendent by selection from among the best of the candidates who have offered themselves - for employment from time to time. They have been tried for various periods and the Superintendent is satisfied that they are respectable and possess sufficient education for the performance of the duties required of them. The following are the candidates:-

(1) Albert Bronkhurst
(2) Charles Sydney Cobie
(3) Hope Edward Hart
(4) William Fennessy
(5) Isaac Edward Richter
(6) William Bailey

3. I have accordingly the honour now to submit the accompanying forms of application for exemption from the Educational rules, on behalf of these men and to state that the exemption required from the age-bar rules will be accorded by me under the powers vested in G.O. No. 985 Financial, dated 19th December 1890.

I have the honour to be,
Sir,
Your most obedient servant,

Lt. Col. I.M.S.,

*(Designation)* Inspector-General of Prisons.

*To The Chief Secretary to the Government of Madras.*

*Sir,*

In reply to your Memorandum No.4573-1 dated the 29th August 1907, asking how I propose to deal with the European Warders at the Penitentiary in case it is decided to substitute a Native Guard, I have the honour to say that my intention was, if Government approved of the scheme, to issue orders to the Superintendent of the Penitentiary not to take on any more Europeans on his permanent establishment but to employ them temporarily, so that they could be discharged later on.

2. Experience shows that European Warders never

remain

remain long in Jail service. They usually seek employment where they get better pay and less work, and take up the Jail service merely as a means of tiding over temporary difficulties. I therefore have some hopes that between the date of receiving Government approval of the scheme and the date of its being put into execution, a good number of the members of the European Guard will have disappeared from the permanent establishment.

3. Of those who remain, two would be employed as European Warders, and the balance would continue on their present pay till I could provide for them elsewhere either as Chief Warders or in any other capacity in the Jail service for which they may be fitted. Possibly other Departments might absorb some of them. In this way the European Guard would eventually disappear.

4. If there was any difficulty in getting the full number of Europeans to take temporary service, it might be possible for the Superintendent to arrange to take on, say 3 Natives on Rs. 9 a month each for each vacancy. This would make the guard a mixed one for some time, but it is not anticipated that any insuperable difficulties would arise on that account.

I have the honour to be,

Sir,

Your most obedient servant,

Lt. Col. I.M.S.,

Inspector-General of Prisons.

Application for the permanent exemption of six European warders in the Penitentiary from the Examination Rules.

Jrdl. Deptt

[C No. 4573] From the I. G. of Prisons, no. 4425, 27.9.07

To Assistant Secretary

C.F.

With his letter read above, the I. G. of Prisons submits for the orders of Govt. an application for the exemption of six persons from the operation of the examination rules so that they may be employed as permanent warders on Rs. 35 in the Penitentiary. The Supdt. of Prisons has nominated them from among the best of the candidates who have offered themselves for employment; and he is satisfied that they are respectable and possess sufficient education for the performance of the duties required of them. The name, age and educational and other qualifications possessed by these six persons are shown in the statement below :-

| Name | Age | Date from which employed | Educational Qualification possessed | Remarks |
|---|---|---|---|---|
| 1. Albert Bronkhurst | About 36 | 5. 11. 1906 | Nil | Conduct exemplary. A hardworking and, as far as I have been able to judge, trustworthy man. (Sd.) J. P. Cameron |
| 2. Charles Sydney Cobie | 36 | 28. 2. 1907 | Nil | Conduct very good. A reliable and trustworthy man. Well educated and with considerable jail experience (Burma). (Sd.) J. P. Cameron |
| 3. Hope Edward Hart | 25 | 1. 7. 07 | Studied up to the III Form (lower Secondary class) | Exemption is sought from 1st October 1907 when three months' probation expires |
| 4. William Fennessey | 30 | 12. 6. 07 | (1) 3rd class in 1889 (2) Govt. Technical Examination Certificate in Machine and Pressworkk (1901) | Exemption is sought from 12th September 1907 when three months' probation expires. |

2. The appointment of 20 European warders (six on Rs. 40, and fourteen on Rs. 35) in the Penitentiary was sanctioned in G. O^s. Nos. 196, Judl, dated 29th January 1904, and 89, Fin^l, dated 2nd February 1904, on the representation of Mr. E. H. Gadsden, then Ag. Inspr. Genl. of Prisons, that the native warder staff then employed was found to be inefficient and untrustworthy. "The men it is now proposed to enlist", Mr. Gadsden then said, "will consist chiefly "of well-educated European and "Eurasian lads between twenty "and twenty-five years of age. "Numbers of men are constantly "applying for appointments as "European warders."

happen to be good men, the consequence being that resignations are frequent and vacancies occur which can but with difficulty be filled. It will also be noticed that four of the six persons recommended for exemption are ~~20~~ over 25 years age, the age of one of them being, 28, of another 30, and of the other two, 36. The I. G. states that he will himself exempt them from the age-bar rules under the powers given him in G.O. No. 985, Fin., dated 19th December 1890.

4. The educational qualifications required of these European warders and the exemptions which have been granted from time to time will appear from the following note of the Educational Department on Col. Macnamara's proposal* to abrogate the tests imposed ~~on~~ in the case of warders and to institute a special departmental test ~~which~~ for them :-

Under article of the Public Service Notification

"no person shall be eligible for appointment to any post in the superior service carrying a pay of Rs. 15 or more unless he has passed the Madras Upper Secondary Examination with English as his first language, or the Matriculation examination of the Madras University or some other examination accepted by Government for the purposes of this notification as equivalent."

2. Under the above rule all warders of the Jail department drawing a salary of Rs. 15 *per mensem* and above should have passed the Matriculation or the Upper Secondary examination, except as regards head warders who have been exempted from the operation of this rule—*vide* the entry under "Jails" in column B of the table appended to article 2 of the Public Service Notification.

Also G.O. No. 724, Edl., d. 12.12.04 (D)

3. In 1904, the question of exempting warders of all classes from the general educational test was raised by Lieutenant-Colonel O'Hara, then Inspector-General, but the Government only sanctioned the exemption of warders and head warders from the examination rules, and stated that European warders, and chief, deputy chief and assistant chief warders should be subject to these rules, although it would always be open to the Inspector-General to apply for exemption in special cases.

P. 3 of G.O., 724 Edl., d. 12.12.04 (D)

4. The Hon'ble Mr. Stokes then remarked:

"I think we may exempt men of the head warder and warder grades generally, but the educational tests should be retained above head warders. If Europeans are wanted and cannot be got qualified, the Inspector-General should refer for a special exemption."

P. 3 of K.W. G.O. No 724 Edl., 12.12.04 (D)

5. The Hon'ble Mr. Forbes while agreeing to the above observed—

"In retaining the educational tests above head warders, we have only to mention the fact in the order, adding that in special cases (not specifying what they may be) it will always be open to the Inspector-General to apply for exemption."

6. Subsequent to the issue of G.O., No. 724, Educational, dated 12th December 1904, the following applications have been received for exemption:—

(1) G.O., No. 249, Educational, dated 15th April 1905—Exemption of four European warders.

(2) G.O., No. 336, Educational, dated 20th May 1905—Exemption of one European warder.

(3) G.O., No. 707, Educational, dated 31st October 1905—exemption of one European warder.

(4) G.O., No. 837, Educational, dated 21st December 1905—Exemption of one European warder and cancelling G.O., No. 707, Educational, dated 31st October 1905.

(5) G.O., No. 265, Educational, dated 14th August 1906—Exemption of three European warders.

7. In his note on page 12 of G.O., No. 1963, Judicial, dated 26th November 1906, the Secretary (Mr. Taylor) observed:

"It is useless to have rules of qualifications to special posts if the rules are to be persistently ignored and exemptions given wholesale."

It will also be observed from pages 26 to 32 of the List of Officers of the Jail Department that out of sixteen European warders in permanent employment on the 31st March 1907, thirteen (or over 80 p.c.) had been exempted from the Examination Rules. ~~[illegible]~~.

5. In his letter No. 606, dated 28th January 1907, Col. Macnamara has recommended –

(i) the abrogation of the test imposed by the Educational Deptt. in the case of warders, and the institution of a departmental jail test; and

Para 6

(ii) the abolition of the European warders in the Penitentiary, and the substitution of a native guard, leaving two Europeans to look after European prisoners.

The file on Col. Macnamara's scheme for the remodelling of the Jail Warder Staff is with the Honourable Member.

As both these proposals are still under the consideration of Govt. it is submitted whether the exemption and confirmation of these six persons may not be delayed until ~~[illegible]~~ the Govt. decide on the ~~[illegible]~~ questions mentioned above.

The Hon. Sir Forbes CS

These men have all been tested on probation & the Supt. apparently is satisfied with them. But it seems hardly advisable to formally exempt the men until a decision is come to on the I.G's general scheme. Perhaps the IG might have changed his mind over the proposal to substitute natives for others as warders at the Penitentiary. Unless he has it would not appear very wise to exempt these men. It might be asked what he proposes to do with them if his scheme is brought into effect

To Assistant Secretary

The I. G. of Prisons has replied to the memo.* asking him to state what he proposed to do with the European warders in the Penitentiary if the scheme for their abolition and the substitution of a native guard was sanctioned and brought into effect.

* P. 9, C.F.

2. From the reply received, his intention would appear to be —

This is not expressly stated in the I.G.'s letter; but this intention appears to be clear from his letter

(i) that the scheme, if approved by Govt., should not be given effect to until all the European warders now in permanent employment have either resigned or been promoted (two of them will have to be retained, and the I.G. hopes that a good number of the others will soon find employment elsewhere, and that the rest will either be promoted or transferred, or might possibly be absorbed by other Deptts.);

Paras 2 and 3 of I.G.'s letter at pp. 10 and 11, C.F.

(ii) that for each vacancy arising meanwhile, a temporary European warder should be appointed

appointed until the last permanent European warder remains; 18

Paras 1 and 4 of I.G's letter at pp. 10 and 11, C.F.
