Proceedings of the Madras Government, Financial Department,
17th September 1872.

No. 85. *Read* the following letter from the Officiating Commissioner of Paper Currency, to the Chief Secretary to Government, Fort St. George, dated Fort St. George, 7th September 1872, No. 474 :—

With reference to the Government of India *Notification* (Financial Department), No. 2205, dated 23rd ultimo, I have the honour to report that the Deputy Accountant-General started yesterday to conduct the usual annual audit of the accounts of the Northern Currency Circle, to arrange for the transfer of the Office from Vizagapatam to Cocanada, and to open a strong Currency Agency at the former place; for this Agency I have received no formal sanction, but I noticed it prominently in my original letter on the subject of the transfer, and have no reason to believe either Government averse to their increase.

2. I expect advice of the opening of the new Circle Office in time for the Gazette of 17th current. That at Vizagapatam will be closed as soon as the audit is completed, and then the allowance of Rupees 100 per mensem drawn by the Deputy Collector in charge should cease; but until the property is actually packed for shipment he will have considerable labour and responsibility while the reenfacement of the notes is in progress, and I hope His Excellency in Council will not object to his drawing the allowance up to, and for, the day on which the shipment shall be effected. The Deputy Collector at Cocanada, in like manner, should be allowed to draw it from the day on which the notes, &c., are landed, instead of from the day on which the office is advertized for opening; the days of labouring and stock-taking will be days of as much labour and responsibility as any which can follow.

No. 86. ORDER THEREON, 17th September 1872, No. 1220.

The arrangements proposed in paragraph 2 of the foregoing letter are approved and sanctioned.
