No. 294, dated the 15th March 1875.
No. 1, dated the 1st January 1876.
No. 8, dated the 1st January 1877.
No. 1, dated the 1st January 1878.
No. 1, dated the 1st January 1879.

No. 1.—With reference to the G.G.Os. noted in the margin, and with the sanction of Her Majesty's Government, the Right Honorable the Governor-General in Council is pleased to notify that :—

I. During the year 1880 ninety (90) Officers of the Staff Corps, and Cavalry and Infantry of the Indian Army, will be permitted to retire from the service, receiving, in addition to the pension to which they may be entitled by length of service under existing regulations, not exceeding the full-pay pension of a Colonel (£456-5-0 per annum), an annuity representing the estimated value of their prospective claim to the Colonel's allowance, or its capitalized value as they may prefer.

II. This offer is restricted to substantive Lieutenant-Colonels who shall have completed 28 years' service, from the date of first commission, on or before the date from which they apply to retire, who may either, 1st, have been appointed to one of the Staff Corps on or before the 12th September 1866, and can claim the Colonel's allowance under the provisions of G.G.O. No. 808 of the 26th September 1866, or 2ndly, may be entitled, under G.O.G.G. of the 12th September 1862, to the Colonel's allowance after 12 years' service in the rank of Lieutenant-Colonel.

III. The number allowed to retire under these conditions will be distributed as follows :—

For Bengal	40
,, Madras	30
,, Bombay	20
Total..	90

In the event of the whole of the retirements allotted to a particular Presidency not being taken up in that Presidency, those remaining will be distributed in such manner as may be determined by the Government of India.

IV. Applications to retire will be considered and disposed of successively according to priority of proposed dates of retirement until the number of retirements allotted to the service shall have been accomplished, when retirements under this order will cease for the year. In the event of its becoming necessary to select one from among two or three applicants for retirement on the same day, preference will be given according to seniority from the date of first commission.

V. Officers wishing to retire under the terms of this order must, whether in or out of India, submit their applications to the Office of the Adjutant-General of their respective Presidencies, naming such prospective dates for their retirements as will admit of the receipt of their applications by the Adjutant-General on or before the date named, such date not to be earlier than the 1st April 1880.

VI. Officers whose applications are accepted, will be gazetted out from the dates named by themselves, but will continue to perform their duties and receive the pay and allowances of their positions until officially informed of their removal from the effective list, either by direct communication, or by publication of the Gazette at the station at which they may be serving.

VII. Officers retiring under this arrangement will forego both the good service pension, if they are in receipt thereof, and all claim to bonus compensation under the terms of the despatch of the 8th of August 1866,* No. 160.

* G.G.O. No. 808 of 26th September 1866.

VIII. Applicants to retire must state—

1*st.*—Their rank and service.

2*nd.*—Their age (supported by certificate of birth, or, in its absence, by a formal declaration).

3*rd.*—Whether they wish to receive commutation for their prospective allowances in the shape of an annuity, or to capitalize its value. Officers who desire to receive the capitalized value of the annuity must attach to their applications a certificate in the form given in Appendix A. In the case of Officers retiring out of India, the health certificate required will be called for and furnished under instructions from the India Office in London.

4*th.*—Whether they desire to receive payment, wholly, or in part, in India, or in England.

5*th.*—Their address subsequent to retirement.

6*th.*—They must also attach to their application or arrange to forward subsequently a No-demand certificate dated within three months of the date of their proposed retirement.

IX. The table given in Appendix B shows the rates at which the expectation of the Colonel's allowance will be calculated in carrying this order into effect in the case of officers of various ages and service.

X. For the purpose of arriving at the amount payable in each case, whether as an annuity or in a single payment, Officers' ages will be calculated from their birthday next succeeding the date from which they propose to retire, and the number of years they have to serve before becoming entitled to the Colonel's allowance will be calculated from the date of the proposed retirement. When the period to serve contains a fraction of a year, the fraction, if it be six months or under six months, will be excluded altogether; if it exceeds six months, it will be reckoned as at complete year.

XI. Payments of the *capitalized value* of the annuity made in India under this order will be at the rate of exchange fixed for the adjustment of financial transactions between the Imperial and Indian Governments for the time being. Capitalized annuities of Officers retiring in India can, on receipt of telegram announcing retirement, be paid to their Agents in England, under power of attorney to be lodged at the India Office.

XII. Officers who elect to receive an annuity in preference to the capital sum, will not, after their retirements have appeared in the Gazette, be allowed to capitalize such annuity under the provisions of this order; and it is to be understood that no separate applications of individual Officers to retire after the present retirements have been allotted will be entertained on the basis of this order.

XIII. Officers of the half-pay list of the Staff Corps will be permitted, if disposed to retire from the service, to avail themselves of this scheme of retirement, provided they are eligible thereto by the fulfilment, previously to their transfer to the half-pay list, of all the conditions required. The time passed by an Officer on the half-pay list of the Staff Corps will not count towards the 12 years in the grade of Lieutenant-Colonel required to qualify for promotion to the Colonel's allowance.

XIV. No application from Officers to cancel their retirement, or to change the date of such retirement, will be entertained after it has been announced in the official Gazette of the Presidency to which they belong.

No. 683 *of* 1880.—**Medals and Order of British India—Afghanistan.** The following General Order by the Government of India, dated 24th September 1880, is republished :—

SPECIAL.

No. 534.—The Viceroy and Governor-General in Council has much pleasure in announcing that Her Majesty the Queen-Empress has been graciously pleased to confer a separate war medal

in commemoration of the services of the officers, non-commissioned officers, and soldiers, European and Native, who have been employed on field service in Afghanistan.

Her Majesty has expressed Her gracious readiness to receive for consideration the names of those British officers who have rendered distinguished service during the war, which Her Majesty's Government hopes has now been brought to a happy termination.

Recognizing the excellent service which has been rendered by many Native Commissioned Officers, the Secretary of State for India has authorized the creation of 25 additional appointments to the 2nd Class of the Order of British India, and a corresponding promotion to the 1st Class, to be hereafter absorbed.

His Excellency the Commander-in-Chief in India will be empowered to furnish the Government of India with the necessary recommendations for giving due effect to these measures, in which Her Majesty's Government trust the armies of India will recognize that Her Gracious Majesty the Queen-Empress of India is very sensible of the valued and distinguished services which have been rendered in the field in Afghanistan.

The Governor-General in Council congratulates the Indian armies on this cordial expression of Her Majesty's Royal pleasure and approbation.

It has been his pleasing duty, as it was that also of his predecessor, to bring from time to time under the notice of their Queen the several occasions on which, under the able guidance of their Commanders, Her Majesty's troops, British and Native, have justified the full confidence of the Government in their courage and devotion on the field of battle. The Governor-General in Council now desires, on the return of a large portion of those troops to British territory, to offer the hearty testimony of the Government of India to the unfailing discipline, the high spirit, and the cheerful endurance which have been so conspicuously evidenced by the whole force under all the vicissitudes of prolonged, distant, and trying service.

To these most honorable and soldierly qualities it is due that rarely, if ever, has war been carried on in an enemy's country with so strict a regard to the laws of humanity and honor, and such a total absence of excess of any kind, as throughout the late operations in Afghanistan.

For this result, no less than for the successes they have achieved in the field, the Government of India desires to thank its soldiers of all ranks; and, while deploring those gallant and devoted men who have fallen in the performance of their duty, to offer the returning divisions and their leaders a hearty welcome.
