Proceedings of the Madras Government, Revenue Department,
30th November 1874.

No. 166. Read the following Extract from the Proceedings of the Government of India in the Department of Revenue, Agriculture and Commerce, (Forests,) dated 5th November 1874, Nos. 35/1208—1219 :—

Read—

"Hints on Arboriculture in the Punjab, intended for the use of District and Forest Officers," by Mr. Berthold Ribbentrop, Deputy-Conservator of Forests in the Punjab.

RESOLUTION.—This little book, copies of which have been received from the Government of the Punjab, is a most useful and practical treatise on arboriculture, and though it is specially intended for officers in the Punjab, the Governor-General in Council believes that it will be of service elsewhere. His Excellency in Council is accordingly pleased to direct that copies of the book be furnished to all Local Governments and Administrations for the use of Forest Officers locally employed.

2. It is in contemplation hereafter to issue a more elaborate and complete manual of arboriculture for India generally. The work is in the hands of Mr. Ribbentrop, and the Governor-General in Council will be glad to receive, for the purposes of the manual, contributions, suggestions, and remarks from all Forest Officers whose attention has been specially devoted to the subject.

3. The Government of the Punjab will be requested to convey to Mr. Ribbentrop the approval, by the Governor-General in Council, of the preliminary work under notice, which His Excellency in Council has received with much pleasure.

ORDER.—Ordered, that a copy of the foregoing remarks be forwarded to the Government of the Punjab.

Ordered also, that a copy, together with copies of the book, be forwarded to the Governments of Madras and Bombay, and to the Local Governments and Administrations noted in the margin.

Bengal.	Mysore and Coorg.
North-Western Provinces.	Ajmere.
