Read the following Proceedings of the Madras Government, dated 15th November 1876, No. ——, Revenue Department :—

ABSTRACT.—Expressing opinion that it would be preferable to employ the distressed laboring population of the Chingleput District in the conversion of the Arconum-Conjeveram line to the metre gauge.

COMMUNICATED to the Collector of Chingleput.

2. The Board believe that the alteration of the railway gauge is a work which requires skilled labor only, and is not suited for relief work. The line is also remote from the Ponneri Taluq, in which tract distress is reported to be especially prevalent.
