Read the following paper :—

No. 21. Proceedings of the Board of Revenue, dated 21st May 1877, Miscellaneous No. 7,329.

Read the following letter from W. H. COMYN, Esq., Acting Collector of South Canara, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Mangalore, 7th May 1877, No. 771.

I HAVE the honor to submit the following matter for the Board's orders :—

Warg Muli, No. 86, of Sashittal village, Murnad Magane, in the Mangalore Taluq, which is situated near the Mulky Harbour, on a sand strip between the sea and the back-water, became bunjer (waste) in Fasli 1277; the owner having resigned it in consequence of the destruction of the garden which constituted the Warg. Since that time, the Warg has remained waste, no one being willing to pay assessment on it.

2. In 1874 the remains of some Mahomedan Hajis, who were wrecked near the place, were buried on a spot forming part of this Warg. Ever since, the place has been held sacred by the Mahomedan community, who, during the jamabundy of Fasli 1285, verbally applied to Mr. Horsfall for a portion of the Warg, a quarter of an acre in extent, including the burial ground, free of assessment, for the purpose of burying their dead.

3. Mr. Horsfall thought it advisable to set apart a quarter of an acre for the purpose, as the Mahomedans consider the ground sanctified. With a view, therefore, to applying for the sanction of the Board of Revenue, Mr. Horsfall directed that [illegible]. This was done, and I have now the honor to request that the Board will be pleased to accord permission to the use of the site so measured as a Mahomedan burial ground, free of assessment.

SUBMITTED for the favorable consideration of Government.
