Sir,

I am directed to acknowledge the receipt of the telegram from the Govt of India dated 11th instant requesting very early compliance with ~~the~~ ~~Hon~~ Your's Circular ~~from that Govt~~ dated 24th March 1898 No. 6.

2. In reply I am directed to state that copies of the reports of the Famine Conferences held in this Presidency for the purpose of discussing Mr Higham's proposals and the other suggestions made from time to time for the revision of the Famine Code have already been forwarded in advance to the Famine Commission. The Commission have also been furnished with copies of G.O. — No 382 dated

Dated 9 July 1898 reviewing the final famine report of this Presidency which was communicated to the Govt of India with Endorsement No. 382 A dated 9th July 1898. The Commission had previously been sent advance copies of the Report, which embodies the detailed reports and suggestions of district officers.

3. In regard to the proposals and recommendations of this Govt for amending the Famine Code, I am to express the ~~deep~~ regret of H.E. the Governor in Council that it has not been found possible to forward them by the 1st of June as desired by the Govt of India, and that, owing to recent changes in the personnel of this Govt, ~~it is feared that~~ it will not be possible to forward them before the Famine Commission dissolves. The Commission ~~has~~ was recently informed in reply to a telegram that it will not be possible for this Govt to send its proposals by the 15th July.
