PREFACE

By its very nature a Supplement is not something new but rather an adjunct or continuation of the parent volume. Supplements were issued from time to time to the Gazetteer Volumes published in the old series. The object of issuing such Supplements to District Gazetteers is to update the statistical data contained in the parent volume.

The second revised edition of the Satara District Gazetteer was published in 1963 by the Gazetteers Department. The present book is intended to supplement the statistical information contained in the revised edition by recent statistics. Every attempt has been made to bring the statistical data as up-to-date as possible within the constraints in the matter.

My thanks are due to Dr. V. N. Gurav, M.A., Ph.D., Joint Editor, Shri S. K. Khilare, B.Com., LL.B., Dy. Editor, Shri P. N. Narkhede, M. Com., Shri B. M. Kausal, M. A., Research Officers, for their valuable assistance throughout the work. My thanks are also due to Shri R. S. Kumbhar, B. A., Assistant Research Officer who compiled statistics for the book and all other Assistant Research Officers for their assistance in the compilation of this book. I am also thankful to the other staff members for their association with the preparation of this volume.
