General Orders by the Most Noble the Governor in Council.

FORT ST. GEORGE, 3D JANUARY 1845.

No. 1 of 1845.—Ordered that the following Extract from the Honorable Company's General Letter in the Military Department, dated the 16th of June 1815, be republished in General Orders.

Para. 139. "In consequence of the numerous applications which have been preferred to us by our Servants on leave of absence in this Country, for advances of money on loans, we think it proper to recal your attention to our Orders in the Military Department of the 25th February 1808, upon this subject. Those Orders declared our determination not to make any pecuniary advances to Officers at home beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army; but as a Resolution of this description, in order to be generally known to a body which is continually receiving an accession of new members, should be occasionally re-published; and being fully persuaded, that a strict observance of this Resolution will prevent much trouble and inconvenience besides loss to the Company, we direct that our Orders above adverted to, be in future circulated for the information of the Army, in the month of January in every year, and we shall take the necessary steps for reminding Officers, who may arrive in England upon furlough, of our determination upon the subject in question."

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, *4th January* 1845.

The following Extracts from the confirmed Proceedings of an European General Court Martial holden at Fort Saint George, on Monday the ninth day of December, in the year of our Lord one thousand eight hundred and forty-four, by virtue of a warrant from His Excellency Lieutenant General the Most Noble George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Assistant Surgeon John Cotton William Belcombe of the Medical Establishment of Fort Saint George and doing duty at the General Hospital, placed in arrest by order of Surgeon George Harding in charge of the said Hospital, upon the following Charge.

Charge.—For conduct unbecoming the character of an Officer and a Gentleman and to the prejudice of good order and military discipline, in having at Madras on the eighth of November one thousand eight hundred and forty-four, when in attendance on Patients, at the General Hospital, been in a state of intoxication, and thereby incapable of performing his medical duties.

The above being in breach of the Articles of War.

Madras, the twenty-ninth of November one thousand eight hundred and forty-four.

(Signed) G. HARDING, Surgeon,
in charge of the General Hospital.

By order.
(Signed) C. A. BROWNE,
Acting Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner Assistant Surgeon John Cotton William Belcombe, has urged in his defence, and the evidence in support thereof, is of opinion.

Finding on the Charge.—That the Prisoner is "guilty" of the Charge.

Sentence.—The Court having found the Prisoner "guilty" as above stated, doth sentence him, the said Assistant Surgeon John Cotton William Belcombe, of the Medical Establishment of Fort Saint George and doing duty at the General Hospital, to be dismissed from the Service.

Fort St. George, this twelfth day of December, one thousand eight hundred and forty-four.

(Signed) F. H. ELY, Lieut. Colonel,
42d Regiment N. I.
President.

(Signed) J. C. BOULDERSON, Captain,
Deputy Judge Advocate General.

The very short period of the Prisoner's service and his consequent inexperience the Court trusts will operate in the Prisoner's favor in the mind of His Excellency the Commander in Chief and with that hope the Court most respectfully beg strongly to recommend his case to His Excellency's most favorable consideration.

Fort Saint George, this twelfth day of December one thousand eight hundred and forty-four.

(Signed) F. H. ELY, Lieut. Col.
42d Regiment N. I.
President.

(Signed) J. C. BOULDERSON, Captain,
Deputy Judge Advocate General.

Approved and confirmed.

An inquiry as to the general habits of Mr. Belcombe affords me no grounds to hope that leniency in his instance would be attended with any beneficial results, and I am reluctantly compelled therefore to give effect to the Sentence of the Court.

MADRAS, 3d *January* 1845.

(Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

The name of Assistant Surgeon John Cotton William Belcombe is to be struck off the strength of the Army, from the date of the publication of this order to the Troops composing the Garrison of Fort Saint George, which is to be reported to the Adjutant General of the Army.

The General Court Martial of which Lieutenant Colonel F. H. Ely of the 42d Regiment N. I. is President, is dissolved.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 15*th January* 1845.

The following Extracts from the Proceedings of an European General Court Martial, holden at Arcot, on Monday the sixteenth day of December, in the year of our Lord one thousand eight hundred and forty-four, by virtue of a warrant from His Excellency Lieutenant General the Most Noble the Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Captain John Byng of the Sixth Regiment of Light Cavalry, placed in arrest by order of the Most Noble the Commander in Chief, upon the following Charge.

Charge.—For highly unbecoming and unofficerlike conduct, to the prejudice of good order and military discipline, in having at Jubbulpoor, on the second of December one thousand eight hundred and forty-three, on the occasion of a Mutiny among the Men of the Sixth Regiment of Light Cavalry, addressed an official letter of the same date, to the Adjutant of the said Regiment, for the information of Major William Edmund Litchfield, Commanding the said Regiment, having for its object the representation of the mutinous conduct and demands of the Men of the said Regiment, and giving expression to opinions of himself and other Officers with whom he had consulted, counselling or tending to counsel and influence the said Major Litchfield to an immediate compliance with the mutinous requisitions of his Men, notwithstanding one of their principal demands was, that the Command of the Regiment should be immediately devolved on him, the said Captain Byng; thereby urging the said Major Litchfield, his Commanding Officer, to acts derogatory to his character as a British Officer, and contrary to his duty to the Service; he, the said Captain Byng, having received no authority from the said Major Litchfield to offer him his opinions as to the mode of procedure he should adopt.

The above being in breach of the Articles of War.

Head Quarters, Fort St. George, the twenty-eighth of October, one thousand eight hundred and forty-four. } By order (Signed) C. A. BROWNE, Ag. Adjt. General of the Army.

The Court having most maturely weighed and re-considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner has urged in his defence and the evidence in support thereof, is of opinion:

Revised Finding on the Charge.—That the Prisoner is "guilty" of the Charge, with the exception of the word "urging," which the Court finds too strong a term and would substitute the words "tending to advise."

Revised Sentence.—The Court having found the Prisoner "guilty" to the extent above stated, doth sentence him, the said Captain John Byng of the Sixth Regiment of Light Cavalry, to be suspended from Rank and Pay and Allowances for the period of six calendar months.

Arcot, the second day of January, one thousand eight hundred and forty-five. } (Signed) E. K. WILLIAMS, Major General, President.

(Signed) J. C. BOULDERSON, Captain, Dy. Judge Adve. Genl.

Disapproved,—the Sentence being entirely inadequate to the offence found by the Court.

Under all the circumstances of this case, I have deemed it necessary to submit the Proceedings on Captain Byng's trial for the consideration of the highest authority.—Meanwhile Captain Byng is to be released from arrest, but, with the sanction of Government, he will not return to his duty until further orders.

Acting Adjutant General of the Army.

Madras:—Printed at the Fort St. George Gazette Press.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 22*d January* 1845.

The following Extracts from the confirmed Proceedings of a Native General Court Martial, holden at Waltair, on Tuesday the thirty-first day of December, in the year of our Lord one thousand eight hundred and forty-four, by virtue of a warrant from His Excellency Lieutenant General the Most Noble the Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Jemadar Narraidoo, of the C. Company of the Fourth Battalion of Artillery, placed in arrest by order of Brigadier Arthur Cooke, Commanding the Northern Division of the Army, upon the following Charge.

Charge.—For scandalous and infamous behaviour, such as is unbecoming the character of a Native Officer, in the following Instances:

First Instance.—In having at Vizianagrum, on the fourth of October, one thousand eight hundred and forty-four, falsely denied to Lieutenant and Brevet Captain Henry Lawford, of the Fourth Battalion of Artillery, Commanding a Detachment of the said Battalion, to which he, Jemadar Narraidoo, belonged, that he had ever lent the sum of ten Rupees on interest to Shaik Abdoolah, Havildar in the C. Company of the same Battalion, when on Detachment duty at Cuttack in or about November one thousand eight hundred and forty-two.

Second Instance.—In having at the same place, on the fourth of November of the same year, before a Court of Inquiry then and there assembled, again falsely denied having lent the sum of ten Rupees on interest, as aforesaid, to the said Havildar Shaik Abdoolah, when on Detachment duty at Cuttack as aforesaid.

The above being in breach of the Articles of War.

Vizianagrum, the twenty-eighth of November, one thousand eight hundred and forty-four.

(Signed) HENRY LAWFORD, Brevet Captain,
Comg. Detachment Fourth Bat. Artillery.

By order.
(Signed) C. A. BROWNE,
Actg. Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charge, as well as what the Prisoner Jemadar Narraidoo of the C. Company of the Fourth Battalion of Artillery, has urged in his defence, is of opinion:

Finding on the First Instance of the Charge.—That the Prisoner is guilty of the First Instance of the Charge.

Finding on the Second Instance of the Charge.—That the Prisoner is guilty of the Second Instance of the Charge.

The Court having found the Prisoner guilty as above stated, doth sentence him, the said Jemadar Narraidoo of the C. Company of the Fourth Battalion of Artillery, to be discharged from the Service.

Waltair, Wednesday, first day of January, one thousand eight hundred and forty-five.

Signed in the Nagaree character,
Subadar ROOSTUM KHAN,
President.

(Signed) RICHARD LAMBERT, Captain,
Deputy Judge Advocate Genl.
III District.

(Signed) F. J. GOLDSMID, Lieutenant,
Thirty-seventh Grenadiers,
Interpreter to the Court.

Recommendation of the Court.—The Court having thus performed its painful duty in awarding a suitable punishment to the offence of which it has found the Prisoner, Jemadar Narraidoo, guilty as above—most respectfully beg leave to bring his long services—his having been wounded—and that from the very infirm state of his health he was about to apply to be pensioned, to the merciful consideration of the Most Noble the Commander in Chief.

Waltair, Wednesday, first day of January, one thousand eight hundred and forty-five.

Signed in the Nagree character,
Subadar ROOSTUM KHAN,
President.

(Signed) RICHARD LAMBERT, Captain,
Deputy Judge Advocate Genl.
III District.

(Signed) F. J. GOLDSMID, Lieutenant,
Thirty-seventh Grenadiers,
Interpreter to the Court.

Approved and confirmed.

This Officer having experienced my clemency on a former occasion, within a very short period, on account of his services, I feel necessitated to give effect to the Sentence of the Court.

MADRAS, 16*th January* 1845.

(Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

Jemadar Narraidoo is to be struck off the strength of the Army from the date of publication of this Order at Waltair, which is to be reported to the Adjutant General of the Army.

The foregoing Extracts to be read and explained to all Native Corps in the Madras Army.

The Native General Court Martial of which Subadar Roostum Khan of the 37th Grenadiers is President, is dissolved.

C. A. BROWNE,
Acting Adjutant General of the Army.

OFFICERS MESSES.

1. The Court of Directors have repeatedly expressed their desire that Regimental Messes should be established in the various Corps of the Indian Army, and that Officers of all ranks should become permanent Members of them, attending regularly, or occasionally, according to their domestic conditions, and in furtherance of this important object, an allowance is granted by Government in aid of their attendant expenses.

2. It is therefore *ordered* that an Officers Mess shall be maintained in every Corps, and that every Officer, with the exceptions noted in the margin, shall become a Member.

Regimental Colonel
Lieutenant Colonel Commandant
Lieutenant Colonel
Surgeon
Assistant Surgeon
} Not serving with his Regiment.

3. Rates of donation and subscription may be fixed Regimentally—but they are not to exceed the following, which is established as the maximum scale.

Donation, 1 Month's *Pay proper.*

Subscription, 1½ per Cent Monthly on *Pay and Garrison Allowances.*

4. Every Officer is required to pay donation according to his rank—on promotion he will pay up the difference between the amount of donation already paid, and that of his new rank—up to the rank of Lieutenant Colonel or Surgeon inclusive.

5. All Officers, those in Europe excepted, are required to pay the monthly subscriptions fixed for their respective ranks.

6. Lieutenant Colonels and Surgeons having paid their donation in those ranks to the Corps in which promoted, are not required to pay any further donation on removal to any other Regiment, but with whatever Regiment they may afterwards be serving, they will pay the regulated monthly subscriptions.

7. Lieutenant Colonels promoted to Lieutenant Colonel Commandant or Colonel, and continuing to serve Regimentally, are required to pay difference of donation and subscription as above.

8. Veterinary Surgeons having once paid a donation to the Mess of any Regiment are not to be required to pay donation to the Mess of any other Corps to which they may be removed.

9. Officers absent in Europe, on the Staff, or on permanently detached duties, (not regimental) though paying donation and subscription as above, are to be entered as Honorary Members from the date on which they may quit the Corps.

10. Officers appointed to do duty with Regiments are to be Honorary Members of the Mess, paying the monthly subscriptions, but they are not liable to pay donation, and consequently are to have no votes.

11. Honorary Members are in no manner liable for any debts or engagements contracted by the Mess.

12. Donations are to be appropriated exclusively to the permanent expenses of the Mess, that is to say, for *Mess Property*, as Plate, Glass, Camp Equipage—and the payment of the Mess Writer, Tent Lascars, and carriage of Mess property—but not to the current expenses of the Mess Table, Mess Wines, or Table Servants.

13. Mess Plate or other articles once purchased, become *Regimental property*, on which no individual claim will be allowed.

14. The Commanding Officer is held responsible for the general supervision of the Mess.—It is his duty especially to observe that no expenses are incurred which would involve the Officers in difficulty, or the Mess in debt,—and he is required strictly to enforce the regular monthly settlement of all Officers accounts.

15. No public parties are allowed to be given *in the name of the Regiment* unless with the concurrence of the Commanding Officer, who is held responsible on such occasions for the prevention of all undue expense.

16. The interior management of the Mess is to be conducted by a Committee to be composed of three Members,—one of whom shall be Secretary, permanently or otherwise, as may be regimentally arranged—one of the remaining Members to go out by rotation at periods of not less than six months—under which arrangement the whole of the Members will in course of time become acquainted with the business of the Mess Committee.

17. The Commanding Officer is empowered whenever he may see good and sufficient cause for such interposition of his authority, to withhold his sanction from any proposed regulation or proceeding.

18. Such other regulations as may be necessary are to be established regimentally by the Officers of Corps under the sanction of Officers Commanding.

GENERAL ORDERS

By HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 1st *March* 1845.

No. 16.—The Commander in Chief, with reference to the G. O. by Government, dated 21st February 1845, No. 38, upon the subject of "Officers' Messes," directs the publication of the following G. O. by Field Marshal His Grace the Duke of Wellington, for general information.

"GENERAL ORDER, No. 572."

"HORSE GUARDS, 28*th October* 1844."

1. "Complaints having reached the Commander in Chief of the great expense attending the Regi- "mental Messes of the Officers of the several Regiments, and the Commander in Chief being sensible of "the great inconvenience and injury to a numerous class of most meritorious Officers, who cannot afford "to incur such expenses, from his recollection of the long experience he acquired by the exercise of the "command of a Regiment for many years in Garrisons, Cantonments, and the Field; and adverting, "moreover, to the gracious consideration of a late Sovereign, and to the handsome provision made by "Parliament to supply with Wine the Officers of the Army, and to enable them to consume that article "without pecuniary inconvenience, it is his duty to draw the attention, to the subject, of the General "Officers of the Army, and of the Commanding Officers of Regiments."

2. "His Grace accordingly desires, that Commanding Officers of Regiments, Battalions, and Depôts, "will call the attention of the Mess Committee of Officers, in each, to the necessity of forming an Estimate, "at the commencement of every three months, viz. January, April, July and October,—of the expense of "keeping the Mess Table for the Officers at the Station, including therein, attendance, maintenance of "Table Linen, the expense of Wine, Beer, and Provisions of all sorts."

3. "That the fourth of the allowance paid by the Public for Wine shall be carried to account "against the amount of this Estimate."

4. "That the allowance of Wine supposed to be consumed by each individual Member of the Mess "shall be fixed, and the balance of the expense shall be divided among the number of Members of the "Mess present; and the Commanding Officer will, with that information before him, fix the weekly "amount for the Messing, including the stated allowance of Wine for each Officer; and it must be clearly "understood, that no Officer can be called upon to defray a larger expense than that thus required to "defray the charge of this Estimate."

5. "The Commander in Chief does not take upon himself to specify what Wines the Officers of "the Army shall drink, of what quality, or in what quantity; but that on which He does insist is, that "none shall be required to defray the expense of such Wine excepting those who choose it. Those who "have dined at the table of the Messes of Officers, know, that there are well understood means of "informing the Officers of a Regiment of the moment at which the allowance of the day has been "consumed; and those who do not choose to incur further expense should then be expected to depart."

6. "Officers may choose to invite one or more friends to dine with them, for whom, and the expense "of their entertainment, the inviter alone must be responsible."

7. "The Corps of Officers may think proper to invite to dine an individual, or another Corps of "Officers, and to give upon such occasion a more expensive dinner, or to have more expensive Wines "than at the usual Mess Dinner; but all the expense upon such occasions beyond the usual estimated "charge, whether on account of Dinner, Attendance, or Wine, must be defrayed, exclusively, by those "who may think proper to affix their names to a paper, notifying the intention of some to give such "entertainment; and the Commander in Chief desires that it may be clearly understood by Commanding "Officers of Regiments, Battalions, and Depôts, that His Grace requires them to give their special "countenance and protection to those who may, from any motive, decline to be parties to incurring "such expenses."

8. "It has long been the practice of the Army for Officers upon joining a Regiment, to subscribe a "fixed sum to purchase, or defray the charge of, the Mess Utensils; and it is positively required in page "125 of the General Regulations, that no part of the Wine-money shall be applied to this purpose: but it "is to be clearly understood, that, excepting the limited subscription above referred to, no Officer can be "called upon to pay more, on account of Mess Expenses, than the weekly amount fixed to defray the "balance of the Three Monthly estimate of the expense of keeping the Mess Table, as hereby ordered.

9. "The General Officers who will inspect Regiments, are particularly requested to attend to, and "report upon, the execution of the provisions of this General Order, and they will mention in their "respective Reports the amount of the weekly charge of the Mess of each Officer."

"By Command of FIELD MARSHAL THE DUKE OF WELLINGTON,

"*Commander in Chief.*"

(Signed) "JOHN MACDONALD,

"*Adjutant General.*"

2. Many of the provisions of the above G. O. by His Grace the Commander in Chief, framed as they are with especial reference to Her Majesty's Regiments, are necessarily inapplicable to the Messes of Regiments of the Company's Service; but its principle, which must be applicable to every well regulated body of Officers, is to be strictly adhered to in this Army.

3. Commanding Officers are held personally responsible for the prevention of all unnecessary expense at their Regimental Messes, and they are required to check habits of extravagance in which Officers cannot indulge without serious injury to their efficiency.

4. An Officer cannot live so well or so economically any where as at his Regimental Mess, provided it be judiciously managed.

5. No Officer shall be liable to extra expense on account of guests invited by other Officers to the Mess, and it shall be optional with every Officer to subscribe to Parties given by his Regiment to Individuals or other Corps of Officers.

6. Inspecting Officers are requested to specify in their Reports the average Monthly Mess charge for each Rank—including Subscription and all articles consumed at the Mess Table, but exclusive of supplies otherwise used.

Deputy Adjutant General of the Army.

The General Court Martial of which Subadar Hoossain Cawn of the Twelfth Regiment Native Infantry is President, is dissolved.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Moulmein, on Thursday the twenty-seventh day of March, in the year of our Lord one thousand eight hundred and forty-five, and continued by adjournment, by order of Lieutenant Colonel Frederick MacBean, K. H. of Her Majesty's Eighty-fourth Regiment of Foot, Commanding the Tenasserim Provinces, by virtue of a warrant of authority vested in him by His Excellency Lieutenant General the Most Noble the Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Lieutenant James Fraser Cannan of the Seventeenth Regiment of Native Infantry, placed in arrest by order of Lieutenant Colonel Henry Sargent, Commanding the same Regiment, on the following Charges.

First Charge.—For having at Moulmein, on the twelfth of December one thousand eight hundred and forty-four, neglected to obey the order enjoined in Paragraph three of Section sixteen of the Standing Orders for the Native Infantry of the Army and repeated in the Regimental Orders of the Seventeenth Regiment of Native Infantry, dated the twenty-third of January one thousand eight hundred and forty-three and the fourteenth of October one thousand eight hundred and forty-four, in having absented himself from the lines of his Regiment without leave when Regimental Orderly Officer of the day, so continuing absent the greater part of the same night.

Second Charge.—For having at the same place, on the thirteenth of December one thousand eight hundred and forty-four, failed to appear at the place of parade appointed for the Exercise of the Regiment by Lieutenant Colonel Henry Sargent of the same Regiment, his Commanding Officer.

Third Charge.—For conduct to the prejudice of good order and military discipline, in the following Instances:

First Instance.—In having at the same place, on the twelfth of December one thousand eight hundred and forty-four, failed to reply to an official letter of the same date addressed to him by order of the aforesaid Lieutenant Colonel Henry Sargent, his Commanding Officer, by Lieutenant Charles Gill, Adjutant of the same Regiment, calling upon him for information for the Brigadier Commanding the Tenasserim Provinces.

Second Instance.—In having at the same place, on the day last mentioned, failed to reply to an official letter of the same date, addressed to him by order of the aforesaid Lieutenant Colonel Henry Sargent, by the aforesaid Lieutenant Charles Gill, Adjutant of the same Regiment, on the subject of a complaint preferred against him, Lieutenant Cannan, by his Servant for ill treatment and stopping his wages.

The above being in breach of the Articles of War.

Moulmein, the fourteenth of December, one thousand eight hundred and forty-four.

(Signed) HENRY SARGENT, Lieut. Col.,
Comg. the Seventeenth Regt. of
Native Infantry.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution on the Charges, as well as what the Prisoner, Lieutenant James Fraser Cannan of the Seventeenth Regiment of Native Infantry, has urged in his defence, is of opinion:

Finding on the First Charge.—That the Prisoner is guilty of the First Charge, with the exception of the words "the greater part of the same night," of which they do acquit him.

Finding on the Second Charge.—That the Prisoner is not guilty—as it is clear that he was duly warned as a Member of a European General Court Martial ordered to assemble on that day.

Finding on the Third Charge.—

First Instance.—That the Prisoner is guilty of the First Instance of the Third Charge.

Second Instance.—That the Prisoner is guilty of the Second Instance of the Third Charge—but the Court finds that "ill treatment" formed no part of the complaint inserted in the letter referred to in this Instance of the Charge.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said James Fraser Cannan, Lieutenant in the Seventeenth Regiment Native Infantry, to be severely reprimanded.

Moulmein, twenty-eighth of March, one thousand eight hundred and forty-five.

(Signed) RICHARD DOWELL, Major,
Fifty-second Regiment,—President.

(Signed) RICHARD LAMBERT, Captain,
Deputy Judge Advocate General
conducting the Proceedings.

I approve the finding of the Court, except as regards the 2d Instance of the 3d Charge, upon which the Prisoner was entitled to an acquittal, as the letter therein alluded to, did not call for a reply.

I approve and confirm the Sentence of the Court, and Lieutenant Cannan is hereby severely reprimanded accordingly, and cautioned to be more careful in his future conduct.

MADRAS,
18*th April* 1845.

(Signed) TWEEDDALE, Lieut. General,
Commander in Chief.

Lieutenant J. F. Cannan is to be released from arrest and will return to his duty.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, *9th May* 1845.

The following Extracts from the confirmed Proceedings of a Native General Court Martial, holden at Kurnool, on Friday the eleventh day of April, in the year of our Lord one thousand eight hundred and forty-five, by virtue of a warrant from His Excellency Lieutenant General the Most Noble George Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Esoph Cawn, regimental number six hundred and seventeen, Naigue in the A. Company of the Twenty-ninth Regiment of Native Infantry, placed in confinement by order of Lieutenant Colonel William Taylor, Commanding the same Regiment, upon the following Charge.

Charge.—For conduct to the prejudice of good order and military discipline, in the following Instances:

First Instance.—In having at Kurnool, on the sixteenth of January, one thousand eight hundred and forty-five, falsely stated to Lieutenant Frederick Charles Barber of the Twenty-ninth Regiment of Native Infantry, the Officer Commanding his Company, that certain men of the Company having nothing wherewith to procure the necessaries of life required an advance, producing a list of the same, by which means he procured the signature of the said Lieutenant Barber to an order for Company's Rupees one hundred and seventy-seven, which sum he made use of for his own private purposes.

Second Instance.—In having at the same time and place, induced Namaseeviah, Writer of the Quarter Master's Department of the Twenty-ninth Regiment of Native Infantry, to enter a number of other names in the said list, whereby the order for one hundred and seventy-seven Rupees was increased to two hundred and thirteen Rupees, saying he had his Company Officer's order to that effect; he well knowing such statement to be utterly false, he having no authority to make any alteration whatever.

Third Instance.—In having at the same place, on the fifteenth of February, one thousand eight hundred and forty-five, he being Pay Naigue of the A. Company of the aforesaid Regiment, wilfully misapplied the sum of Company's Rupees two hundred and thirteen, being a portion of the pay to that Company in arrears for January one thousand eight hundred and forty-five, which had been issued that day, by making the same over to the aforesaid Namaseeviah in payment of a like sum borrowed from him by the said Esoph Cawn.

Fourth Instance.—In having at the same place, on the sixteenth of February, one thousand eight hundred and forty-five, endeavoured to procure the aforesaid Lieutenant Frederick Charles Barber's signature to an order for Company's Rupees two hundred and thirteen, by falsely stating that certain men of the Company required an advance, such statement being with a view to cover the deficiency in the pay of the A. Company caused by himself.

Fifth Instance.—In having at the same time and place, falsely stated to the aforesaid Namaseeviah, that the aforesaid Lieutenant Frederick Charles Barber had authorized him to receive from him, the said Namaseeviah, the sum of Company's Rupees two hundred and thirteen, and that he would sign the paper afterwards, he, Lieutenant Frederick Charles Barber, having given him no such authority whatever.

Sixth Instance.—In having at Kurnool, on the twenty-second of April, one thousand eight hundred and forty-four, in direct disobedience of the Standing Orders of the Service, lent at interest the sum of Company's Rupees one hundred and six to Private Fakeer Homed of the A. Company of the same Regiment.

Seventh Instance.—In having at the same place, on the twenty-second of October of the same year, in direct disobedience of the Standing Orders of the service, lent at interest the sum of Company's Rupees twelve to Private Veerasawmy of the same Company and Regiment.

Eighth Instance.—In having at the same place, on the twenty-fifth of September, of the same year, in direct disobedience of the Standing Orders of the service, lent at interest the sum of Company's Rupees thirty to Private Gungiah of the same Company and Regiment.

The above being in breach of the Articles of War.

Finding on the First Instance of the Charge.—That the Prisoner is guilty of the First Instance of the Charge.

Finding on the Second Instance of the Charge.—That the Prisoner is guilty of the Second Instance of the Charge.

Finding on the Third Instance of the Charge.—That the Prisoner is guilty of the Third Instance of the Charge.

Revised Finding on the Fourth Instance of the Charge.—That the Prisoner is not guilty of the Fourth Instance of the Charge.

Revised Finding on the Fifth Instance of the Charge.—That the Prisoner is not guilty of the Fifth Instance of the Charge.

Finding on the Sixth Instance of the Charge.—That the Prisoner is guilty of the Sixth Instance of the Charge.

Finding on the Seventh Instance of the Charge.—That the Prisoner is guilty of the Seventh Instance of the Charge.

Finding on the Eighth Instance of the Charge.—That the Prisoner is guilty of the Eighth Instance of the Charge, with the exception that the sum lent appears to have been twenty Rupees, not thirty as stated in the Charge.

Revised Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Esoph Cawn, regimental number six hundred and seventeen, Naigue in the A. Company of the Twenty-ninth Regiment of Native Infantry, to be reduced to the rank and pay of a Private Sentinel and to suffer imprisonment with hard labor for the period of two years, in such place as His Excellency the Most Noble the Commander in Chief may be pleased to appoint.

GENERAL ORDERS.

HEAD QUARTERS: CHOULTRY PLAIN,

14TH MAY 1845.

The Most Noble the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

General Orders by the Most Noble the Governor in Council.

FORT ST. GEORGE, 9TH MAY 1845.

No. 85 of 1845.—1. In order to obviate as far as possible risk of loss to the State, as well as to facilitate and expedite the adjustment of the Accounts of Officers of the Madras Army, who may resign, retire, or be removed, from the Service, while serving in the Tenasserim Provinces, Straits Settlements, China, Aden, or elsewhere *without the limits of this Presidency and beyond Sea*, the Most Noble the Governor in Council is pleased to direct that whenever an Officer so situated applies for permission to resign or retire from the Service, or is placed in arrest preparatory to trial by Court Martial, his Pay and Allowances of every description shall be thenceforth drawn on separate Abstract, and his Pay Accounts kept entirely separate from those of the Regiment or Detachment to which he may belong.

2. Consequently an Officer, situated as above described, proposing to retire from, or resign, the Service, will not be permitted to sign the Pay Abstracts, &c. of his Troop or Company; but he is not, on that account, to be deprived of Troop or Company Command Allowance to which he may under Regulation, have claim, to which he will continue entitled in the same way as if detached in the manner adverted to in Para. 4, head "Troops and Companies," page 179, Section 9th of the Code of Pay and Audit Regulations.

3. The Officers Commanding at the Stations in question are directed to send to Madras for immediate Audit, at the same time that the application for permission to resign or retire is forwarded, all Abstracts containing previous charges of the Officer about to retire or resign; thus leaving, to take the usual course of Audit, only common charges for his own Pay and Allowances, in which there ought to be no mistake.

GENERAL ORDERS. FORT ST. GEORGE, 13*th March* 1845.

Lieutenant Glazbrook applied for an extension of leave only two days previous to the expiration of that which had been originally granted him, giving no reason for the extension solicited; and further took no means to obtain the letters sent to him by order of his Commanding Officer from his Agents, to whom they were addressed at his desire.

These circumstances shew Lieutenant Glazbrook's conduct in a very unfavorable light, and deserving of a severer punishment than has been awarded him. It is expected that he will shew himself worthy of the leniency which has been exhibited towards him, and study by his future conduct to obtain the approbation of his Commanding Officer.

Finding on the First Charge.—"That the Prisoner is guilty of the First Charge, with the exception of the words "three days in the month of September, three days in the month of October and ten days in the month of November,"—it appearing in evidence that the Prisoner was present at the Mess two days in the month of September, two days in the month of October and eleven days in the month of November—and that he was on the sick list from the seventh of September to the eighth (8th) of October, and also on the sick list from the seventeenth of October to the twenty-third of the same month."

No. 109 of 1845.—It having been represented to Government that on occasions of Warrant and Non-Commissioned Officers, and Details being detached from the Presidency on duty, the Batta and other extra allowances to which they are entitled are not adjusted by Paymasters into whose ranges they may proceed, but are left to be issued on their return to Madras; The Most Noble the Governor in Council is pleased to prohibit this practice as opposed to the rules of Service; and to direct Station Staff Officers, and others in the Mofussil, whose duty it is to draw the Pay and ordinary allowances of such parties, to adjust, at the same time, the Batta and other extra allowances to which they are entitled.

(Signed) C. A. BROWNE, Lieut. Colonel,
Secretary to Government.

FORT ST. GEORGE, 13TH JUNE 1845.

No. 110 of 1845.—Very great inconvenience having been occasioned to the Public Service, within the last three or four years, by arrangements, unsanctioned either by Regulation or by former practice, under which Regiments, after long marches, have arrived at their Stations in new ranges of payment with their Pay Abstracts for many months unadjusted,—thereby throwing very great, and unprovided for, additional labor on the Paymasters of those ranges, and their Office Establishments; The Most Noble the Governor in Council is pleased positively to prohibit such proceedings in future.

2. It is to be distinctly understood that Pay and Allowances *due* to Corps in, and after, movement are always, if practicable, to be discharged on Abstracts; and advances on receipt to Regiments so situated are only to be made in very emergent cases, which must be rare; each case of this kind, with the grounds and authority under which such advance has been made, being immediately, and specially, reported to the Accountant General by the Paymaster.

3. Officers Commanding Divisions, Forces and Stations are, accordingly, prohibited from authorising the disbursement on receipt of Pay and Allowances *actually due* to Regiments, except in cases of the most urgent and obvious necessity; such as employment on Field or Foreign Service in localities where the Pay of the Troops is unavoidably issued from the Treasuries of Civil or Political Officers, instead of by a Military Paymaster.

4. In cases (which ought to be exceedingly rare) where objections to the disbursement of Pay and Allowances due to Regiments may be made, under * Regulation, on account of the want or incorrectness, of Pay Certificates, Officers Commanding Divisions, Forces and Stations, are authorised to instruct Paymasters, pending the receipt of correct Pay Certificates as prescribed by Regulation, to receive and act upon fresh Certificates containing all the Statements required under the signature of Regimental Commanding Officers; reporting the proceeding, in the usual manner, and through the prescribed channel for the sanction of Government.

* Pay and Audit Regulations, Section 20th, Page 497, Para. 3.

G. O. G. 3d May 1820.

It having been represented to Government that Corps in movement have been occasionally required to halt an extraordinary time for the receipt of Pay, by which the Public Service is impeded and an unnecessary expenditure incurred by protracted Field Charges, The Right Honorable the Governor in Council is pleased to direct that, in future, when Orders are issued for the movement of Troops, the Officers of the General or Division Staff by whom the instructions may be addressed to Corps or Detachments shall ascertain, and apprize Paymasters of the dates when, and the Stations at which, the Troops on march will probably require an issue of Pay, and Paymasters will be held responsible for the due and timely provision of Funds, and for the most prompt and expeditious discharge of the Abstracts of Troops under those circumstances.

In order further to prevent the inconvenience alluded to, the Governor in Council is pleased to permit Officers Commanding Divisions, Districts, and Stations, to sanction the issue of advances not exceeding one month's Pay, and Garrison Allowances if required, to Troops when ordered to march.

5. The strict attention of all parties concerned is directed to the G. O. G. of the 3d May 1820; the provisions of which, if properly attended to, would obviate, in most cases, the necessity for advances on receipt being made to Corps on the march from one Station to another.

6. For instance, if a Regiment is ordered to march from Kamptee to Madras, and having received an advance of Pay and Allowances under the provision in the G. O. G. above quoted, arrives at Secunderabad on route, and wishes to take up further Cash, Abstract of Pay and Allowances then due should be presented to the Paymaster at that Station, who will discharge the same, after deducting the advance previously taken up, which will, of course have been marked on the last Pay Certificate.† But if the Abstracts of Pay and Allowances due are only sufficient to cover the advance, and further advance is deemed requisite, then, and then only, advance should be made by the Paymaster at Secunderabad on receipt, under the usual authority; and, on arrival at the Presidency the same course should be followed; in which case, one month's advance only would need to be adjusted at the Presidency Pay Office.

† The original receipt for the advance should also in such case be forwarded by the Paymaster Kamptee to the Paymaster at Secunderabad.

7. If due intimation be given, to the Paymasters of Stations on route, by the Officers concerned, of the amount of the Pay and Allowances, or of advances to be issued to the Corps, and the probable date of its arrival at the Pay Office Station, the Station Paymaster will provide funds to meet the same

immediately on the arrival in his range of the Corps; so that the Regiment may not be detained there beyond the least practicable period. The Officer Commanding the Corps on march will also take care that the Abstracts, with all the necessary documents, be prepared in time, and presented to the Station Paymaster immediately on the arrival of the Regiment at the Pay Office Station on route.

Secretary to Government.

GENERAL ORDERS

By HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, *24th June* 1845.

The following General Orders issued by His Excellency the Commander in Chief at Bombay, are published for the information of the Army.

GENERAL ORDERS — HEAD QUARTERS:

BY THE COMMANDER IN CHIEF. — BOMBAY, *12th May* 1845.

At a European General Court Martial assembled at Belgaum, on Monday the 7th day of April 1845, and of which Major General R. MacNeil, is President, Lieutenant Colonel John Wallace of the 20th Regiment Madras Native Infantry, was tried on the following charge, viz.

Lieutenant Colonel John Wallace 20th Regiment Madras Native Infantry, placed in arrest by me on the following charge, viz.

For highly irregular conduct to the prejudice of good order and military discipline and contempt of authority, and to the great injury of the public service, and disobedience of the lawful command of his superior Officer in the following Instances

1st. In having while in command of the First Brigade of the Field Force employed in the Kolapore and Sawunt-Warree States, disobeyed my orders communicated to him by the Assistant Adjutant General of the Southern Division of the Army, in a letter dated the 10th January 1845, by attacking a place called Sewapoor on the 17th of that month, whereas he (Lieutenant Colonel Wallace) was in the aforesaid letter, distinctly ordered to abstain, as much as possible, from offensive operations or attack, till the time arrived for making a simultaneous attack, when the co-operating troops entered the aforesaid place, which was notified to him, would be on the 20th of the aforesaid month, thereby frustrating my combined plan of attack, communicated to him in the letter before specified.

2d. In having while in command of the aforesaid Brigade, employed as above specified, disobeyed my orders, communicated to him in a letter No. 36, dated the 18th January 1845, from the Deputy Assistant Quarter Master General of the Southern Division of the Army, by neglecting without due cause, to seize on and occupy the Kurwuttee (or Goten) Ghaut.

3d. In having when in command of the aforesaid Brigade, employed as above specified, disobeyed the orders of Lieutenant Colonel R. Carruthers of Her Majesty's 2d (or Queen's Royal) Regiment of Foot, his senior Officer, (and acting under my instructions,) communicated to him by Lieutenant Colonel Carruthers, in a letter dated the 20th January 1845, by neglecting without due cause to seize on and occupy the aforesaid Ghaut, and to co-operate with the said Lieutenant Colonel Carruthers as therein directed.

Commanding S. D. A.

Adjutant General's Office, Bombay, 18th February 1845.

By order of His Excellency the Commander in Chief.

(Signed) C. HAGART, Lieut. Col.
Adjutant General of the Army.

Upon which charges the Court came to the following decision:

Finding.—The Court from the evidence before it, finds the Prisoner guilty of the charge in the first instance, to the extent of "irregular conduct to the prejudice of good order and military discipline, and disobedience of the lawful command of his superior Officer."

Guilty of the charge in the second instance, with the exception of the words, "to the great injury of the public service."

Guilty of the charge in the third instance, with the exception of the words, "to the great injury of the public service."

Sentence.—The Court having found the Prisoner guilty of the charge preferred against him to the extent above specified, which being in breach of the Articles of War, does adjudge him, Lieutenant Colonel John Wallace, 20th Regiment Madras Native Infantry, to be suspended from rank, pay, and allowances of Lieutenant Colonel for the term of six (6) months.

(Signed) P. K. SKINNER, Capt.
Dy. Judge Adve. General.

(Signed) R. MACNEIL, Major Genl.
and President.

Confirmed.

(Signed) THOMAS McMAHON, Lieut. General
and Commander in Chief.

Remarks by the Court.

The Court begs to explain, that its finding in regard "to the great injury of the public service," has reference only to the operations that were then in progress.

(Signed) R. MACNEIL, Major General, and President.

Recommendation of the Court.

The Court having passed the above sentence, begs to recommend the Prisoner on account of his long and zealous services, to the merciful consideration of His Excellency the Commander in Chief.

(Signed) R. MACNEIL, Major General, and President.

Remarks by the Commander in Chief.

Major General Delamotte, in a report to the Adjutant General of the Army, brought to notice that his plan of operations in the Kolapore and Sawunt-Warree States had been frustrated, by disobedience of orders on the part of Lieutenant Colonel Wallace of the 20th Regiment Madras Native Infantry, Commanding the 1st Field Brigade, and a reference having been made to the Major General to enquire

what measures he had adopted in a matter of such importance to the public service, and the discipline of the Army, intimated, that he had considered it incumbent on him to place Lieutenant Colonel Wallace under an arrest, for the conduct set forth in the instances of the Charge which have been investigated.

After a full consideration of these proceedings, I have affixed my confirmation, although I cannot concur in the extraordinary exceptions of the Court in its finding on the specified instances, neither can I approve of so lenient a sentence as has been passed, but I am induced to refrain from a revision, in consequence of the long period Lieutenant Colonel Wallace has unavoidably been in the painful situation of an Officer in arrest, arising from the great distance the President and some of Members and witnesses had to travel.

The length of service and the previous reputation of the accused for great zeal in the discharge of his duties, have also actuated me in adopting this course, in the confident hope, that the award of the Court will sufficiently tend to vindicate and support the discipline of the Army.

(Signed) THOMAS McMAHON, Lieut. Genl.
and Commander in Chief.

The suspension awarded to Lieutenant Colonel John Wallace, will take effect from the date of the publication of this order at Belgaum, which is to be reported to the Adjutant General of the Army.

The European General Court Martial assembled at Belgaum, and of which Major General R. McNeil, is President, is dissolved.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, *28th June* 1845.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Kamptee, on Monday the twenty-first day of April, in the year of our Lord one thousand eight hundred and forty-five, by order of Brigadier James Perry, Commanding the Nagpore Subsidiary Force, by virtue of a Warrant from Lieutenant General the Most Noble the Marquis of Tweeddale, K. T. and C. B. Commander in Chief, are published to the Army.

Major Alexander William Lawrence of the Seventh Regiment of Light Cavalry, placed in arrest by order of Brigadier James Perry, Commanding the Nagpore Subsidiary Force, upon the following Charge.

Charge.—For conduct highly unbecoming the character of an Officer and a Gentleman, and to the prejudice of good order and military discipline, in having in the Public Rooms at Kamptee, on the fourth of February one thousand eight hundred and forty-five, in a conversation with Lieutenant William Charles Rich of the Forty-sixth Regiment of Native Infantry, on the subject of a complaint made against him, Major Lawrence, by Lieutenant Colonel John Clough, Commanding the said Regiment, on the part of himself and his Officers, which complaint had been previously made a matter of official reference, and fully disposed of by Brigadier James Perry, Commanding Nagpore Subsidiary Force, made use of the following offensive expressions, in reference to the said Lieutenant Colonel Clough, namely, "Then Colonel Clough has told a lie, for he most distinctly stated to "Captain Grimes that he had read it" (meaning a letter addressed to the said Lieutenant Colonel Clough, by Captain John Grimes, Assistant Adjutant General of the Nagpore Subsidiary Force, under date the sixteenth of the preceding month of January, by order of the said Brigadier James Perry,) "to the Officers of his Regiment. This is the third lie he has told: I could bring him to a "Court Martial for this," or words to the same effect; thereby seriously aspersing the character of the said Lieutenant Colonel Clough as an Officer and a Gentleman, to the said Lieutenant Rich, in a manner tending greatly to lessen the respect of a junior Officer for his superior and Commanding Officer; as well as to lower the said Lieutenant Colonel Clough in the opinion of all the Officers of his Corps; he, Major Lawrence, having at the same time no ground for his calumnious assertions.

The above being in breach of the Articles of War.

General Orders by the Most Noble the Governor in Council.

FORT ST. GEORGE, 4TH JULY 1845.

No. 129 of 1845.—The Most Noble the Governor in Council directs the publication for the information of the Army, of the subjoined Despatch from the Honorable the Court of Directors—together with the letter on which the charge against Captain Byng, 6th Light Cavalry, was founded.

2. Captain Byng having already been suspended from all Military duty since the 14th January last, His Excellency the Commander in Chief will be pleased to direct that Officer to return to his duty.

To
The Adjutant
6th Light Cavalry.

SIR,

Agreeably to instructions received from Major Litchfield, Commanding 6th Light Cavalry, by me and other Officers Commanding Troops respectively to proceed to the Lines and ascertain from each man *individually* the reason of the outbreak in the Regiment which has been brought to his notice—I have the honor to state that we found it utterly impossible to carry the Commanding Officer's orders into effect in consequence of the exceedingly excited state, amounting to mutiny, which the Regiment proved to be in. I in company with the other Officers however proceeded to the front of the tents and made known the wishes and orders of the Commanding Officer to the following effect. That whatever grievances or causes of complaint the men might have were to be made known to Troop Officers, who would communicate the same for Major Litchfield's consideration, who would forward a representation of their case to Head Quarters. On hearing the above communication, with one unanimous burst of indignation the men one and all positively refused to obey or listen to any order emanating from Major Litchfield, who they affirmed would not attend to their grievances.

The main demands of the men are the restoration of Batta until such time as the Regiment may arrive at Arcot—whenever that may be.

Satisfactory arrangements on the subject of their families left by them at Kamptee. The immediate devolvement of the Command of the Regiment on Captain Byng, from whom alone they declare they will receive any orders whatsoever under existing circumstances.

From *none* of these demands it is the unanimous and fixed opinion of the Officers, is there the slightest chance of inducing the men to desist. They appear by their bearing to be convinced that the power is not at hand which could control them, and the only rational chance of ensuring their not proceeding to extremities is in those Officers opinion, an immediate compliance with their wishes. They appear moreover to have lost all faith in the word of their superiors and speak of themselves as inveigled away from Kamptee under a promise of being marched to Arcot as soon as the Field service was over—bitterly complaining of the breach of faith (as they view the subject) by which

Reply to Military Letter dated 25th January 1845, No. 5.

Proceedings of a General Court Martial on the trial of Captain John Byng, 6th Light Cavalry, forwarded; and Court's attention solicited to the recommendation of the Commander in Chief that Captain Byng may be removed from the Service and be allowed the Pension of his rank.

1. We have given our immediate and most careful attention to these proceedings.

2. Captain Byng was brought to trial on the 16th Decr. 1844, on the following Charge, viz.

"For highly unbecoming and unofficerlike conduct to the prejudice of good order and military discipline, in having at Jubbulpore on the 2d December 1843, on the occasion of a mutiny among the Men of the 6th Regiment of Light Cavalry, addressed an official letter of the same date, to the Adjutant of the said Regiment for the information of Major W. E. Litchfield, Commanding the said Regiment, having for its object the representation of the mutinous conduct and demands of the men of the said Regiment and giving expression to opinions of himself and other Officers with whom he had consulted, counselling or tending to counsel and influence the said Major Litchfield to an immediate compliance with the mutinous requisitions of his men notwithstanding one of their principal demands was, that the Command of the Regiment should be immediately devolved on him, the said Captain Byng, thereby urging the said Major Litchfield, his Commanding Officer, to act derogatory to his character as a British Officer and contrary to his duty to the Service, he, the said Captain Byng, having received no authority from the said Major Litchfield to offer him his opinion, as to the mode of procedure he should adopt."

3. On this Charge the following were the Finding and Sentence.

"Finding.—That the Prisoner is guilty of the Charge with the exception of the word 'urging,' which the Court finds too strong a term and would substitute the words 'tending to advise.'

Sentence.—The Court having found the Prisoner Guilty to the extent above stated, doth sentence him, the said Captain John Byng of the 6th Regiment of Light Cavalry, to be suspended from rank, pay and allowances for the period of six calendar months."

4. The Commander in Chief considered this Sentence to be entirely inadequate to the offence,

they are now suddenly declared *in Garrison* at this place, with their families in a most uncomfortable and unsettled position at Kamptee, and themselves altogether destitute of pecuniary means.

On this subject they refer us to the order which was given out to them by Troops at Kamptee, to the effect that the moment the Field Service was over, the Regiment would proceed to Arcot without even halting at Kamptee. This intimation is viewed by the whole of the men as a solemn promise made to them for the purpose of inducing them to quit Kamptee, and they are deaf to all reasoning of a different tendency. The *immediate* cause of the outbreak was the giving out last evening of the order for the discontinuance of the Batta to which they deem themselves in every point of view entitled, and without which they declare they cannot exist and support their families after the heavy marching expences to which they have of late years been exposed. The Officers trust that under the existing urgent circumstances they will not be deemed to exceed their duties if they state their firm conviction that the employment of force could not with any prudence be thought of or hinted at unless it should become absolutely necessary in self defence to make the attempt, it appearing to them that the 43d Native Infantry from having been similarly deprived of their batta, would if called upon be rather disposed to join with the 6th Regiment Light Cavalry than to oppose it, and that the guns of the Artillery would be altogether insufficient, and would be taken by our men. In conclusion the Officers (by whom I am requested to address you) beg me to express our deep regret at being compelled by a sense of what we owe to the service, to the Commanding Officer, to our men and to ourselves, to hazard opinions which at a less urgent moment it would savour of presumption to offer. The Officers by whom I was accompanied were Captains Wilder and King, Lieutenants Ottley, Mills and Wood. Captain Whistler has since been in conversation with us, and takes the same view as ourselves. In modification of my account of the demands of the men as regards *Batta* I should state that they demand an immediate and full *representation* to superior authority of the hardships which they consider exist in their case, of a tendency to procure the restoration of their Batta until arrival at Arcot and they impatiently look for the reply to such representation, for the arrival of which they wish some time to be fixed. The men have been assured by us that a representation will be made upon the subject and that the best exertions will be used to render it effectual.

We beg finally to assure the Commanding Officer that every means of persuasion was used by us to bring the men to a sense of their duty, in which however we entirely failed—any attempt at exertion of authority in their excited state we deemed would only be productive of the worst results.

I have the honor to be, Sir, your obedt. servant,

Jubbulpore, December 2, 1843. } (Signed) J. Byng, Cap. 6th L. C.

and in consequence, called upon the Court Martial to reconsider their judgment. The Court however adhere to their Sentence and gave the following as the grounds of their decision.

"In adhering to its former opinion the Court "most respectfully begs to bring to the notice of "the Most Noble the Commander in Chief, that "it was after the most mature deliberation that "it came to its former decision, and it feels bound "to state in explanation of its leniency, that in the "opinion of the Court the offence committed by "the Prisoner was the consequence of a mistaken "view of his duty and this was so clearly an "error of the head alone as not to call for a more "severe Sentence than was awarded."

"The Letter upon which the Charge is founded "was written on the 2d of December 1843, and "was not brought to light till June of the follow-"ing year, a period of six months without any "word of animadversion to the Prisoner; on the "contrary he was thanked in common with the "other Troop Officers for his exertions during the "disturbance in the 6th Regiment of Light "Cavalry.

"From the peculiar and trying circumstances "in which the Prisoner was placed, the Regiment "in open mutiny, and the minds of the men excited "to a state of frenzy, the Court is of opinion that "the personal exertions and endeavours of the "Prisoner tended greatly to alleviate that excite-"ment and restrain the men from acts of violence."

"For these reasons the Court with all deference "and respect for the opinion of the Most Noble "the Commander in Chief and after the most "mature consideration of his suggestions, begs "most respectfully to adhere to its former judg-"ment."

5. The Commander in Chief then announced in General Orders that the "Sentence was disapprov-"ed, as being entirely inadequate to the offence "found by the Court;" that under all the circumstances H. E. had deemed it necessary to submit the proceedings for the consideration of the highest authority; and that meanwhile Captain Byng was to be relieved from arrest but was not to return to his duty until further orders.

6. We concur with the Commander in Chief in considering that the Sentence of the Court Martial on Captain Byng was altogether inadequate to the grave offence of which he was found guilty. We deem the writing of the letter and the advice tendered in it, to have been an act subversive of due discipline and subordination; and we are surprized that the Members of the Court did not see the full extent of the mischief which must have ensued if Major Litchfield had followed the advice tendered to him in Captain Byng's letter.

7. We have given our best attention to the reasons urged by the Court Martial in favor of Captain Byng; but we cannot admit that those considerations ought to have influenced the Court in assigning so inadequate a punishment for so serious an offence. They may justly warrant an opinion that both Major Litchfield and Brigadier Watson took a very erroneous view of Captain Byng's conduct and of their own duty in not noticing the letter at the time; and they might have been urged by the Court Martial as grounds for recommending that Officer to the lenient con-

sideration of the superior authorities; but they cannot be held to alter the nature of the offence itself, or to render that excusable which, under no circumstances could be any thing but a severe blow to the just authority of the Commanding Officer of a Regiment.

8. Whilst however we are unwilling, under the peculiar circumstances of the case, to go the length suggested by the Commander in Chief, of removing Captain Byng from our service, we direct that that Officer do undergo a punishment to the full extent of that assigned to him by the sentence of the Court Martial.

9. In communicating this decision you will at the same time apprize Captain Byng and the other Officers specified in his letter of the 2d December 1843, viz.

Captain J. Whistler
„ C. P. Wilder
„ H. R. C. King
Lieut. M. S. Ottley
„ W. N. Mills and
„ E. G. Wood,

that we view with the most marked disapprobation their conduct in writing, or in being concurring parties in writing to their Commanding Officer a letter to which the character of "highly unbecoming and unofficerlike conduct" is justly assigned by the finding of the Court Martial on the trial of Captain Byng; and so strongly do we feel the impropriety of their conduct in this respect and so convinced are we of the dangerous tendency of such an example, that we deem it to be our duty to direct that our strongest disapprobation and displeasure should be expressed in General Orders for the information of the Army in general.

"We forward copy of a Letter from the Lord Provost and Chief Magistrate of the City of Perth with its accompanying Medal, which the Inhabitants of Perth are desirous should be presented to Kolapa, Sepoy of the 16th Madras Native Infantry, as a mark of their sense of his gallantry in protecting and carrying off the body of the late Lieutenant Alexander P. The Chairman of the Board of Directors of the Hon'ble East India Company.

Perth, 12th June 1845.

SIR,

On the occasion when Lieutenant Alexander P. Campbell 2d Bombay L. I. was killed on the 31st December last, near Sassedroog, his body was protected, and ultimately carried off thro' the gallantry of a Sepoy of the 16th Madras N. I. of the name of Kolapa.

The Inhabitants of Perth feel a strong desire to express their sense of the gallantry of this Sepoy in having protected the body of their Townsman at the risk of his own life, and in order to do so they have had prepared a Medal, which I now transmit, and which they are desirous of being allowed to present to him.

Independent altogether of the meritorious conduct of this individual on the occasion when Lieutenant Campbell was killed, I should hope that this mark of respect to him might have no injurious effect on the Native Soldiers generally, and I beg on behalf of the Inhabitants of Perth, respectfully to request that you will be pleased to allow the Medal to be presented to one for whose conduct they entertain so much respect and to whom they are so anxious to be allowed to express their feelings by presenting this Testimonial.

I have the honor to be, Sir, your most obedient humble servant,

FORT ST. GEORGE, 19TH AUGUST 1845.

No. 161 of 1845.—The Most Noble the Governor in Council directs the publication of the following despatch from the Honorable the Court of Directors.

Letter dated 17th June 1845, No. 51.

Reply to Military Letter dated 20th February 1845, No. 9, para 9.

With reference to Court's letter of the 2d October 1844, No. 60, Government forward a letter from Acting Adjutant General, with a statement of the actual service of Lieut. H. C. Taylor late of the 2d European Light Infantry.

1. "In our Military Letter of the 2d October last, we desired to be furnished with a statement of the time Lieutenant H. C. Taylor had actually performed Military duty, as under the information we then possessed, his case did not appear to be one to justify the grant to him of pay and allowances on the Invalid Establishment of Rupees 175 per month, or of any allowance except possibly the pension from Lord Clive's Fund.

2. "It appears from the statement now furnished to us, that Lieutenant Taylor has only been present for duty during four months out of the term of 9 years and 10 months during which he has been on the Effective Establishment and that his ill health was not occasioned by employment on Service.

3. "Under these circumstances we cannot consider that Lieutenant Taylor is entitled to the benefit of the Invalid Establishment at an expense to the Government for life, if he remain in India, of Rupees 2100 or £210 per annum. If he establish his claim to the pension from Lord Clive's Fund (£45-12-6 per annum) we shall not object to his being admitted to that advantage."

In accordance with the above decision of the Honorable Court, Lieutenant H. C. Taylor of the 1st Native Veteran Battalion, is struck off the strength of the Army.

FORT ST. GEORGE, 22D AUGUST 1845.

No. 162 of 1845.—Much inconvenience and delay being caused to Individuals and Details by not receiving their fixed Pay and Allowances, upon regular Abstract when due, in consequence of their not having been provided with correct Pay Certificates previous to quitting their Corps or Station; The

Most Noble the Governor in Council is pleased to direct that such Abstracts from Station Staff or other Officers, shall be passed for payment by Paymasters, and included in their Accounts, and that the issue so made from the Government Treasury shall remain on the responsibility of the Officer who granted or countersigned the incorrect Pay Certificate until a correct one be furnished by him, a copy of the Paymaster's objection, together with a certified copy of the incorrect Certificate, being immediately transmitted to the party concerned.

2. Paymasters will submit monthly to the Military Auditor General with their Account Disbursements, a Statement of the incorrect Pay Certificates thus temporarily admitted in support of their disbursements.

FORT ST. GEORGE, 22D AUGUST 1845.

FORT ST. GEORGE, 23D SEPTEMBER 1845.

No. 182 of 1845.—The Most Noble the Governor in Council is pleased to publish for the information of the Army, the subjoined Act No. XV of 1845.

FORT WILLIAM,

HOME DEPARTMENT,

LEGISLATIVE, *the 16th August* 1845.

ACT No. XV. OF 1845.

An Act for declaring and enacting the privileges of Native Officers and Soldiers of the Armies of the three Presidencies in respect of Judicial and Revenue proceedings.

I. Whereas doubts have arisen whether the Regulation XV. of 1816 of the Bengal Code is still in force, or how much, if any, of its provisions is still in force:

It is therefore hereby declared and enacted, that the said Regulation and every provision thereof are still in force.

II. And whereas by virtue of Regulation VIII. of 1817 of the Madras Code, the Law for the Madras Army is the same as the Law hereinbefore declared and enacted for the Bengal Army, and whereas it is expedient and just that the Law should be the same for the Bombay Army also:

It is therefore hereby enacted, that the said Regulation of the Bengal Code is extended to the Army of Bombay, except in so far as any of its provisions may be in their own nature inapplicable to that Army.

III. And whereas it is just and reasonable to extend the privileges conferred upon Native Officers and Soldiers by the Regulations aforesaid in respect of exemption from Stamps in legal proceedings:

It is hereby enacted, that all the Courts of the East India Company shall receive Plaints in original Suits, not being Suits originating in Loans or in pecuniary transactions of a Commercial nature upon unstamped paper when the plaintiff is a Native Officer or Soldier in the Military Establishment of the Presidency of Fort William, Fort St. George, or Bombay.

IV. Provided that the value of any Stamp from which a plaintiff may be exempted by the last preceding Section shall be charged in the Decree on behalf of Government to the Party cast or to the Parties respectively in such proportions as may be deemed equitable.

V. And it is hereby enacted, that if any Native Officer or Soldier shall institute a Suit under this Act in which he is not bona fide interested or not interested to the extent alleged in the Plaint, for the purpose of enabling some other person to avail himself fraudulently of the advantages conferred by this Act, such Native Officer or Soldier shall be liable to a fine not exceeding five times the value of the stamped paper which the party interested would have required for the institution of the Suit otherwise than under this Act, such fine to be levied in the manner prescribed for the execution of decrees.

VI. And whereas by Section IV. of Act IV. of 1840 it is enacted, that if any party shall complain to a Magistrate or other Officer exercising the powers of a Magistrate, that he has been without authority of Law forcibly dispossessed of any Land, Premises, Water, Fisheries, Crops or other produce of Land within the jurisdiction of such Magistrate or other Officer as aforesaid, whether the same were possessed by such party as Proprietor, dependant Talookdar, Farmer, Under Farmer, Ryot, or otherwise, the Magistrate or other Officer as aforesaid shall require the parties complained against, and any other parties concerned to appear and make defence in person or by Agent within a reasonable time; and if after the examination of the necessary witnesses and documents the complaint appears to him to be substantiated, he shall record a proceeding ordering the party complaining to be put again into possession of the subject of dispute and maintained in possession until the right to possession be determined by a competent Court; provided that no such order shall be passed unless the party complaining of having been so dispossessed prefer his claim within one month from the time of such dispossession:

And whereas it is just that when the party complaining is a Native Officer or Soldier, a longer period than one month from the time of dispossession should be allowed for preferring his claim:

It is therefore hereby enacted, that so much of the above recited Section of Act IV. of 1840, as provides that no such order as is therein mentioned shall be passed unless the party complaining of having

been dispossessed in the manner therein mentioned prefer his claim within one month from the time of such dispossession, is repealed so far as regards complaints preferred by Native Officers or Soldiers.

VII. And it is hereby enacted, that no such order as is mentioned in the above recited Section of Act IV. of 1840 shall be passed, when the party complaining of having been dispossessed is a Native Officer or Soldier unless such party prefer his claim within such period as may be considered by the Magistrate reasonable with reference to the distance of the party and the difficulty of communication.

GENERAL ORDERS

By HIS EXCELLENCY the COMMANDER in CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 29*th September* 1845.

No. 59.—The Commander in Chief is pleased to publish for the information of the Army, the subjoined Act No. XV of 1845.

FORT WILLIAM,
HOME DEPARTMENT,

Legislative, *the* 16*th August* 1845.

Act No. XV. of 1845.

An Act for declaring and enacting the privileges of Native Officers and Soldiers of the Armies of the three Presidencies in respect of Judicial and Revenue proceedings.

I. Whereas doubts have arisen whether the Regulation XV. of 1816 of the Bengal Code is still in force, or how much, if any, of its provisions is still in force :

It is therefore hereby declared and enacted, that the said Regulation and every provision thereof are still in force.

II. And whereas by virtue of Regulation VIII. of 1817 of the Madras Code, the Law for the Madras Army is the same as the Law hereinbefore declared and enacted for the Bengal Army, and whereas it is expedient and just that the Law should be the same for the Bombay Army also :

It is therefore hereby enacted, that the said Regulation of the Bengal Code is extended to the Army of Bombay, except in so far as any of its provisions may be in their own nature inapplicable to that Army.

III. And whereas it is just and reasonable to extend the privileges conferred upon Native Officers and Soldiers by the Regulations aforesaid in respect of exemption from Stamps in legal proceedings :

It is hereby enacted, that all the Courts of the East India Company shall receive Plaints in original Suits, not being Suits originating in Loans or in pecuniary transactions of a Commercial nature upon unstamped paper when the plaintiff is a Native Officer or Soldier in the Military Establishment of the Presidency of Fort William, Fort St. George, or Bombay.

IV. Provided that the value of any Stamp from which a plaintiff may be exempted by the last preceding Section shall be charged in the Decree on behalf of Government to the Party cast or to the Parties respectively in such proportions as may be deemed equitable.

V. And it is hereby enacted, that if any Native Officer or Soldier shall institute a Suit under this Act in which he is not bona fide interested or not interested to the extent alleged in the Plaint, for the purpose of enabling some other person to avail himself fraudulently of the advantages conferred by this Act, such Native Officer or Soldier shall be liable to a fine not exceeding five times the value of the stamped paper which the party interested would have required for the institution of the Suit otherwise than under this Act, such fine to be levied in the manner prescribed for the execution of decrees.

VI. And whereas by Section IV. of Act IV. of 1840 it is enacted, that if any party shall complain to a Magistrate or other Officer exercising the powers of a Magistrate, that he has been without authority of Law forcibly dispossessed of any Land, Premises, Water, Fisheries, Crops or other produce of Land within the jurisdiction of such Magistrate or other Officer as aforesaid, whether the same were possessed by such party as Proprietor, dependant Talookdar, Farmer, Under Farmer, Ryot, or otherwise, the Magistrate or other Officer as aforesaid shall require the parties complained against, and any other parties concerned to appear and make defence in person or by Agent within a reasonable time; and if after the examination of the necessary witnesses and documents the complaint appears to him to be substantiated, he shall record a proceeding ordering the party complaining to be put again into possession of the subject of dispute and maintained in possession until the right to possession be determined by a competent Court; provided that no such order shall be passed unless the party complaining of having been so dispossessed prefer his claim within one month from the time of such dispossession :

And whereas it is just that when the party complaining is a Native Officer or Soldier, a longer period than one month from the time of dispossession should be allowed for preferring his claim :

It is therefore hereby enacted, that so much of the above recited Section of Act IV. of 1840, as provides that no such order as is therein mentioned shall be passed unless the party complaining of having been dispossessed in the manner therein mentioned prefer his claim within one month from the time of such dispossession, is repealed so far as regards complaints preferred by Native Officers or Soldiers.

VII. And it is hereby enacted, that no such order as is mentioned in the above recited Section of Act IV. of 1840, shall be passed, when the party complaining of having been dispossessed is a Native Officer or Soldier unless such party prefer his claim within such period as may be considered by the Magistrate reasonable with reference to the distance of the party and the difficulty of communication.

Translations of this Act in the Hindoostanee, Tamil and Teloogoo languages are to be hung up in the Barracks of every Native Corps in the Army until 1st June 1846.

Adjutant General of the Army.

In cases of Non-Commissioned Officers Sentenced to be *Dismissed* from the service, the Commander in Chief may, in lieu of such punishment, direct that the offender be reduced to the ranks, or placed lower in the list of the rank which he holds.

And in cases of offenders Sentenced to *Imprisonment with Hard Labour*, the Commander in Chief may mitigate such Sentence by causing the offender to be reduced to the ranks, in the case of a Non-Commissioned Officer; or in the case of a Non-Commissioned Officer or Soldier by directing that he be dismissed from the service; or suffer Imprisonment without Hard Labour, and with or without Solitary Confinement, (to be regulated as aforesaid), for any period not exceeding that for

No. 65.—The Commander in Chief directs the publication of the following Regulations for the examination of Soldiers of the Company's Service, European and Native, considered unfit for further service.

The Orders on the same subject noted in the margin, are cancelled.

1. Committees are to be composed exclusively of Medical Officers, five when available, but not less than two. When the latter number cannot be conveniently assembled and the Men to be examined are unable to proceed to another Station for that purpose, a report of the circumstance is to be made to Head Quarters of the Army, when special instructions will be issued.

2. The Superintending or Staff Surgeon will be nominated as President of Committees assembled at the Station at which he resides, and elsewhere the Senior Medical Officer who may be available.

3. Committees are required to decide, in each case, as to the fitness or unfitness of the Individual for further service.

4. Men considered unfit for further service with their Corps or Department are in the first instance to be selected by the Commanding Officer or Head of Department and the Medical Officer in charge. Men selected by the Commanding Officer as unfit for further service are to be included in the Medical Return and the Medical Officer will state his opinion upon them, although they may not have been recently under treatment and may not be considered by him unfit for further service.

Forms Nos. 1 and 2.

5. Proceedings and Medical Return are to be prepared agreeably to the annexed Forms.

6. The Proceedings are to be prepared on Royal Paper, not less than one sheet being used; when two or more sheets are required, they are to be stitched along the centre, and the entries are invariably to be made *across* the sheet *open*.

7. In preparing the Proceedings, a space of 2 inches must be left between names; and the columns headed "Remarks of the Medical Committee" and "Recommendation of the Commander in Chief" are to be, the former about 3 and the latter about 2½ inches wide.

G. O. G. 15th July 1845, No. 184.

8. The entries in the column of character are invariably to be in one of the following terms and no other are ever to be used.

Unexceptionable.
Very Good.
Good.
Indifferent.
Bad.
Very Bad.

9. Particular attention is required in filling up this column, and Commanding Officers are directed to append to the Proceedings in the cases of Men whose characters may be entered as "Bad" or "Very Bad" separate Extracts from the Court Martial and Defaulter Books, extending over the *whole of the Individuals' service*, to enable the Commander in Chief to judge whether their character and conduct have been such as to render them undeserving of the benefit of the Invalid or Pension Establishment. Should any Men have been sentenced to forfeiture of Pension an authenticated record of such *confirmed* sentence must also be attached.

10. As service under 18 years of age for *Europeans* and under 16 years of age for *Natives*, and service forfeited by *Europeans* on account of imprisonment under Section XXXIII of the Mutiny act, is not allowed to be reckoned for Pension, Commanding Officers and Heads of Departments will be careful to note such forfeited service in the Proceedings, in the manner indicated in the Form.

Form No. 1.

11. In order to ensure accuracy in calculating the periods of service of Men entered in the Proceedings, Officers Commanding Corps and Heads of Departments are required to be very careful that such service be reckoned from each man's date of *Enlistment* (or *Transfer*—see Para. 13) to the date at the foot of the Proceedings. For example—A man enlisted on the 22d December 1818 and the date of Proceedings being the 31st July 1845, his service would be as under:

	Years.	Days.
From the 22d December 1818 to the 21st December 1844	26	0
From the 22d December 1844 to the 31st July 1845, according to the number of days in each month	0	222
Service to be entered in the Proceedings	26	222

G. O. C. C. 30th June 1838.
G. O. C. C. 16th April 1845.

12. When the year of Birth or Enlistment is known, but not the day and month, and the information is *unattainable*, the 30th of June is to be fixed as the Soldier's Birth or Enlistment; and when the month and year, but not the precise day, are known, the 15th of the month is to be fixed as the day of Birth or Enlistment.

13. The date of *Transfer* from Boy to Private &c. is always to be entered, not that of *Enlistment* as *Boy*; and, in the cases of Men received from the Queen's Service, the date from which service therein *in India* is to be reckoned will be entered as the date of Enlistment.

*Serjeant Major.	Bugle Major.
Quarter Master Serjeant.	Farrier Major.
Serjeant.	Drummer.
Drum Major.	Fifer.
Fife Major.	Trumpeter.
Trumpet Major.	Bugler.

14. The term "Indo Briton" as used in Para. 2, Section 2 of the Pension Regulations, and that of "East Indian" or "Anglo Asiatic" in G. O. G. No. 18, dated 31st January 1840, being applicable exclusively to persons born of European Fathers and Native Mothers, satisfactory evidence of their descent must be appended to the Proceedings in all cases of persons* of that class.

15. Certificates of descent will not be required to accompany the Proceedings in the cases of Individuals who, although not of pure unmixed European descent, have been attested, or registered as Europeans †

† "A Man whose Father was an European and his Mother "a half caste Woman (the Daughter of an European Father and "a Native Mother) is recognised as an European, and is allowed "all the privileges of an European Soldier."
G. O. G. 13th April 1841, No. 68.
G. O. G. 10th August " No. 137.

Form No. 2.

16. The Medical Return will embrace the following particulars:

First.—The disease or other cause of unfitness for the service.

Second.—How such disease or other cause of unfitness was contracted, viz. whether on "Actual Service in India," "or Foreign Service," or during "General Service," or as the case may be.

Third.—Whether it is, or is not the result of his own imprudence.

Fourth.—Summary and period of previous treatment.

Fifth.—Opinion—In one of the terms laid down in para. 26, or as the case may be—and, for Men unfit for any further service from wounds or disease *contracted in China*, "Disabled in China."

17. Disease or other cause of unfitness may be contracted *on* "Actual," "Foreign" or "General" Service without being in any degree attributable to the *nature* of the Service or *insalubrity* of the climate. For example—A man on "Foreign Service" may fall accidentally or from carelessness or from intoxication, and break a limb; yet the injury could in no measure be attributed to the *nature* of the service or to the climate. Leprosy and other diseases may break out on "Foreign Service," or, having previously existed to some extent, may increase to such a degree as to render the Individual unfit for further service, still the unfitness may not be attributable to the nature of the service or climate.

18. It is therefore absolutely necessary that Medical Officers when they are satisfied that the unfitness, although contracted *on* any particular service, is not attributable to the service itself, should so record their opinion in the Medical Return.

19. Wounds received in *action* and injuries contracted *in the execution of duty* are, of course, always attributable to the nature of the service upon which the Individuals were employed.

20. By "Actual Service in India" and "Foreign Service" referred to in para. 16, Clause Second, are meant those of *recent* date only, to which the unfitness can be clearly attributed; and not those of distant periods, subsequent to which the Individual may have been performing Effective Service. The term "General Service" includes all service *other* than "Actual Service in India" and Foreign Service."

21. Unfitness must never be stated as having been caused by a combination of any two or more of the three descriptions of service. If it cannot be attributed *solely* to either "Actual Service in India" or "Foreign Service," it must be declared as having been caused by "General Service."

22. In the event of sick Soldiers being received by transfer without statements of their cases which would enable the Medical Officer receiving them to furnish the required Medical Return, an immediate report of the circumstance must be made to the Superintending Surgeon, for the information of the Medical Board, who will take the necessary steps for having the deficient information supplied.

Form No. 3.

23. A Certificate should be attached to the Proceedings opposite to the names of Men who may have been disabled by wounds received in *action.

* "A wound received in action with any enemy, in garrison for in- "stance, with the Native population (Insurgents) or with Robbers who "may have attacked the Post where the wounded Soldier was on duty, "gives the same claim to Pension as a wound received on Actual Service "with a regularly organised Army in the Field."
G. O. G. 1st July 1845, No. 125.

Form No. 4.

24. A Certificate should also be attached to the Proceedings opposite to the names of Men who may have been disabled by injuries received whilst in the execution of their †duty.

† "The Rule which authorizes Pension to Sepoys 'Disabled on duty' "is applicable to Troopers lamed or permanently injured, when in the "execution of their duty in endeavouring to secure Troop Horses broken "away from their Pickets or Camp." G. O. G. 1st July 1845, No. 125.

25. The documents Nos 1 and 2, with Certificates Nos. 3 and 4, when necessary, appended thereto, will be submitted by the Officer Commanding or Head of Department through the regular channel to the Officer Commanding the Division or Force, by whom they will be forwarded to the Medical Committee who will record their Remarks and Opinion upon each case as directed in the paras. noted in the margin, and, having signed, will return the Papers for transmission to the Head Quarters of the Army.

16 (omitting the Fourth Head) - 17-18-19-20-21 26-27-28-29-30-31-32.

26. The "*opinion*" of the Medical Committee upon each case is to be entered in the following terms.
1st.—"Unfit for any further Service."
2d.—"Unfit for Field, but fit for Garrison duty."
3d.—"Fit for further duty."
4th.—"Recommended for further treatment" or "for further observation."
5th.—"Recommended to have leave to (here enter place and period) for the benefit of health."
6th.—"Recommended to be sent to the Eye Infirmary (or elsewhere").
7th.—or as the case may be.

In the cases of Natives, enlisted on or after the 16th of August 1842, disabled by wounds received in Action, it should be stated in the column "Opinion of the Medical Committee," after the words "Unfit for any further Service"—"Entitled to the 1st (or 2d, 3d or 4th) degree of the Scale of Wound Pension," viz.

Men rendered incapable of earning a livelihood but not requiring the care of another person.	Men able to contribute in a small degree towards a livelihood.	Men able to contribute materially towards a livelihood, altho' unfit for the ordinary duties of the service.

29. The Wound Pension for *Natives* enlisted on or after 16th August 1842 will be fixed according to the rates in the foregoing Scale, and the Committee will grant the lowest, or highest, or any intermediate rate according to the degree of the injury received, the length of the Soldier's previous service, his character, or any peculiar circumstances attending his conduct at the time the wound was received.

30. In cases of men rendered unfit for any further service by wounds or disease *contracted in China*, Medical Committees will record in their Proceedings, in the column "Opinion of the Medical Committee" after other entries, the words "Disabled in China."

31. In cases of *Natives* rendered unfit for further service from injuries received whilst in the execution of their duty, (see para. 24) Medical Committees will enter in their Proceedings in the column "Remarks of the Medical Committee" whether the injury is, or is not of such a nature as to incapacitate the Individual from earning a livelihood.

32. Men considered unfit for further Field Service, but fit for the ordinary duties of Garrison and Cantonment, including duties of Escort and Detachment, are to be returned as "Unfit for Field, but fit for Garrison duty." No man however, is to be returned under this head who is not considered equal to the fatigue of an ordinary march with his Knapsack.

Form No. 1. 33. The Form illustrates how the entries are to be made.

Form No. 5. 34. A Return of all Men whom the Committee have not passed as "Unfit" is to be prepared by them and forwarded along with the other papers.—This document will then be transmitted to the Officer Commanding the Regiment or Head of Department to which the Men belong; and, should he in any case appeal from the decision of the Medical Committee, he will do so *immediately*

Form No. 6. and forward Proceedings for the Men in whose cases he appeals, accompanied

Form No. 5. by the Return, when the Officer Commanding the Division or Force will order the assembly of a Committee of three Field or Senior Officers, to whom all such cases will be referred for final decision.

35. It will be the duty of the Committee of Appeal carefully to investigate the grounds upon which the Men are considered unfit for further duty, and to record their opinion, with the ground thereof, in

Form No. 6. the column appropriated for that purpose. These Proceedings accompanied

Form No. 5. by the Return are to be forwarded through the regular channel to the Officer Commanding the Division or Force for transmission to the Adjutant General and submission to the Commander in Chief.

36. The Proceedings of Committees of Appeal must be forwarded to Army Head Quarters simultaneously with the Original Proceedings of the Medical Committee upon the persons in question. The Original Proceedings being detained until it has been ascertained from the Officer Commanding or Head of Department, who must report immediately, whether he desires to appeal or not.

37. *European* Soldiers passed by Committees (with the exception of those passed at the Presidency and Saint Thomas' Mount) as unfit for further duty, but who may not be entitled to be transferred to the Invalid or Pension Establishment, will be again examined by a Final Medical Committee at the Presidency.

38. For Serjeants whom Commanding Officers may consider entitled to the Pension of 30 Rupees per mensem under the provisions of Section 2, Para 8 of the Pension Regulations, as also for all Corporals and Privates proposed for discharge at their own request after 21 years service, Rolls are to be prepared

Form No. 7. on Demi Paper agreeably to the annexed Form, and transmitted to Head Quarters through the regular channel. Men of this description are not required to appear before Medical Committees, unless they should have taken a Bounty on re-enlistment and be unable to serve out the period contracted for.

39. The assembly of *General* Committees will be periodically directed in General Orders.

40. Officers Commanding Divisions, Forces and Stations are empowered to assemble *Special* Committees for the examination of Men who may from time to time be considered unfit for further service, without previous reference to Head Quarters. Special Committees are intended for the disposal only of Individuals who, during the interval between the assembling of the "*General*" Committees, may become totally unfit for the performance of their duty.

41. It is to be considered, however, a general rule that Men returned from Foreign Service and apparently unfit for further duty are *not* to be brought before Committees until they shall have been at least six months returned, and in the case of *Natives* have also had leave to their Villages, if able to proceed thither for the benefit of their health.

42. Officers Commanding Corps and Heads of Departments will correspond, when necessary, with Divisional and Station authorities regarding the bringing of Men absent from their Corps, and reported unlikely to recover, before Special Committees. Officers Commanding Divisions, Forces and Stations will, when they see fit, take the necessary steps for bringing such individuals who may be under their Command, before Special Committees, although unsolicited to do so by the Regimental Commanding Officer.

43. Care must be taken that the *same* Men are not examined *twice*.

44. When blank Proceedings of Committees have once been forwarded for an absent Man, no second set of Proceedings, although called for, should be forwarded until it has been ascertained, that the first have been finally disposed of and the individual directed to remain on the strength of the Corps.

R. ALEXANDER, Lieut. Colonel,
Adjutant General of the Army.

Officers Commanding Divisions and Forces are requested to order the assembly of General Medical Invaliding Committees, at such Stations as they may determine upon, for the examination of European and Native Soldiers of the Company's Service, agreeably to the instructions contained in G. O. C. C. 1st November 1845, No. 65, considered unfit for further service with their Corps.

2. From the number of Men hitherto rejected by Medical Committees, it would appear that sufficient discrimination has not been exercised by Officers Commanding Regiments and Medical Officers in selecting Men for examination—the greatest attention is required to this point, so that none but Soldiers *really* unfit for further service may be brought before Committees.

Veterinary Surgeon E. B. Dawson has been reported qualified for his duties in India.

Serjeant Isaac Hobbs, No. 9 of the 2d European Light Infantry, is transferred to the Effective Supernumeraries as Serjeant and appointed Road Serjeant at Trichinopoly.

Second Dresser Yagapah, attached to the Depot of Poonamallee, having been pensioned by Government, he is to be struck off the Effective Establishment from the 30th Instant.

No. 71.—1. The Most Noble the Commander in Chief having ordered a course of Experiments to be instituted with a view of ascertaining the most expeditious and efficient mode of loading the Percussion Rifle and it appearing by the majority of Reports received on the subject, that the method of loading from Blank Cartridge, loose Ball and grease Patch is found to answer better than any other, directs that the above plan be adopted in the Rifle Companies of this Army.

2. Blank *Cartridges for use with Ball* will consist of 2½ drams (avoirdupoise) of powder and will be made up in blue paper.

3. The proportion of Caps and Patches allowed for Percussion Rifles is 5 of each to every 4 Cartridges or one fourth more than the number of Cartridges supplied.

4. Patches to be made of Calico or Long Cloth and issued ready greased from the different Arsenals. A proportion of greasing composition (oil and wax) will be issued with the Patches for the purpose of renewing the grease as required.

5. In loading care must be taken that the whole of the powder be shaken from the Cartridge into the Barrel and that the *Paper* is not used as wadding.

6. The proportions of Ammunition to be carried on Service are as follows:

In the Ball Bag..12 Belted Balls.

In the Pouch { 12 do. / 24 Plain Balls and 48 Blank Cartridges—The Balls in Pouch to be put up in one or more small Cloth Bags.

In Garrison, Riflemen will carry the prescribed quantity (six) of Belted Balls and Blank Cartridge.

7. Caps required for immediate use are to be carried in the Pocket attached to the Ball Bag (new pattern)—the general supply or reserve being carried in the tin magazine of the Pouch (new pattern)—The Patches to be carried in the Bag for that purpose.

8. The Jagg or Washer, and Ball drawer to be carried in the "Trap" of the Rifle—and the Nipple Wrench in the Pouch.

9. Indents for Patch Bags to be forwarded through the prescribed channel without delay. The use of Powder Horns and Green Lines to be discontinued: those now in use to be returned into Store.

The Most Noble the Commander in Chief is pleased to direct that a Monthly Return of Courts Martial, Inferior to General, according to the subjoined Form, be prepared by the Deputy Judge Advocate of each District as soon as practicable after the 1st of the month, and submitted to the Officer Commanding the Division or Force in which the Trials are held, for transmission to the Adjutant General of the Army, for the consideration of the Commander in Chief.

In the column allotted for that purpose in the Return will be entered the final decision of the Divisional Officer in each case—the Remarks he may have had occasion to make thereon, and such observations as he may have to offer for the consideration of superior authority on the internal economy and general tone of discipline in the Corps in which the Trial is held.

2. The Monthly Return of Courts Martial held in Regiments serving in the Straits of Malacca, or at Aden, or at places beyond the limits of Districts to which Deputies Judge Advocate are appointed, will be prepared under the orders of the Officers in Command at such places.

3. All Original Proceedings of every District or Garrison Court Martial are to be forwarded by the President or Superintending Officer to the Deputy Judge Advocate General of the District or Division immediately after the closing of the Trial, for submission, with a report by the Deputy Judge Advocate General, to the Officer under whose authority the Court has been convened. XLV, Part III. G. O. C. C. 30th April 1840.

HEAD QUARTERS: CHOULTRY PLAIN,

6th December 1845.

The Most Noble the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

General Orders by the Most Noble the Governor in Council.

FORT ST. GEORGE, 2d December 1845.

No. 241 of 1845.—1. In supersession of G. O. G. No. 114, dated 17th July 1840, with exception of paragraphs 1, 2 and 3, which continue in force, the Most Noble the Governor in Council has been pleased to fix the following Establishments for the Presidency Arsenal and Gun Carriage Manufactory, and the Military Board is authorized to issue such subsidiary orders, as may be required to carry the instructions of Government into effect, from 1st January 1846.

2. As the Establishments now promulgated have been prepared on the understanding that by G. O. G. 24th September 1841, No. 166, 15 Ordnance Artificers will be generally attached to the Presidency Arsenal and 35 to the Gun Carriage Manufactory, the Military Board is authorized, when the numbers fall below these, to sanction the entertainment of Native Artificers as a temporary arrangement, on a scale of Pay under that of Maistry.

3. Henceforward the Gun Carriage Manufactory is to be generally restricted to the particular work for which it was established, and the Arsenal to be made available for such work as the Military Board may consider properly belonging to it, while all miscellaneous articles which the two Departments cannot turn out with their Establishments, are to be obtained from the Commissariat.

4. The Company of Ordnance Artificers to remain under the Superintendent of the Gun Carriage Manufactory as at present.

ARTICLE 68.

No person shall be liable to be tried or punished for any offence against these Articles, which shall appear to have been committed *more than three years* previous to the order directing the assembly of the Court Martial whereby he is to be tried, unless the person accused, by reason of his absenting himself, or some other manifest impediment, shall not have been amenable to justice within that period; in which case such person shall be liable to be tried, at any time not exceeding *two years* after the impediment shall have ceased.

ARTICLE 69.

Any person amenable to these Articles of War, who may commit any offence against the same, may be tried and punished for such offence in any place within the British Territories, or elsewhere, where he may have come after the commission of the offence, in the same manner as if the offence had been committed where such trial shall take place.

In cases of Non-Commissioned Officers Sentenced to be *Dismissed* from the service, the Commander in Chief may, in lieu of such punishment, direct that the offender be reduced to the ranks, or placed lower in the list of the rank which he holds.

And in cases of offenders Sentenced to *Imprisonment with Hard Labour*, the Commander in Chief may mitigate such Sentence by causing the offender to be reduced to the ranks, in the case of a Non-Commissioned Officer; or in the case of a Non-Commissioned Officer or Soldier by directing that he be dismissed from the service; or suffer Imprisonment without Hard Labour, and with or without Solitary Confinement, (to be regulated as aforesaid), for any period not exceeding that for which he shall have been Sentenced to such Imprisonment with Hard Labour.

GENERAL ORDERS

By HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN, 15*th December* 1845.

No. 75.—With a view to prevent mistakes as to the Individuality of the Subordinates in the Native Branch of the Subordinate Medical Department, in which there are many persons of the same name or of names so nearly alike as to be scarcely distinguishable from one another; the Commander in Chief directs that a number be assigned to each First and Second Dresser and Native Medical Pupil.

2. The number assigned will accordingly be inserted in every official document in which a Subordinate's name is mentioned—and this number will be retained by the Individual as long as he may remain in the Medical Establishment, without reference to any change in his rank.

3. Numbers that may become vacant by Casualties will never again be assigned to any Individual, unless a fresh numeration of the whole Establishment should take place at some distant period.

4. Hereafter, on the entertainment of a Native Medical Pupil, by the Medical Board, being notified, a number will, at the same time, be assigned to him, in G. O.

5. The distinguishing "1st," "2nd," &c. now appended to certain names, being no longer necessary, will henceforth be discontinued in all official documents.

6. The *Orthography* used in notifying in General Orders, the names of Native Medical Pupils entertained, as well as the names of Dressers and Pupils to whom numbers are now assigned, is to be adopted *throughout every other official document.*

7. Numbers are assigned, as follow, to the undermentioned Individuals of the existing Establishment.

GENERAL ORDERS:

HEAD QUARTERS: CHOULTRY PLAIN,

24th December 1845.

The Most Noble the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

General Orders by the Most Noble the Governor in Council.

FORT ST. GEORGE, 19th December 1845.

No. 250 of 1845.—1st. The Most Noble the Governor in Council is pleased to declare that, in conformity with the practice in Bengal, Assistant Surgeons once removed from the General Hospital (to which they are attached on first arrival) and directed to do duty under Superintending Surgeons, or with Detachments or Corps, without being permanently posted, are entitled to full or reduced Allowances, with reference to locality; and the same Allowances are to be continued to them should they proceed on leave of absence.

2d. If however, an unposted Medical Officer doing duty at a full Batta Station proceeds on leave of absence, whether on private affairs or on medical certificate, and it is not intended that he should return to that Station, he will cease to be entitled to full Batta from the date on which he receives intimation that he is not to return, or from the date of the publication of such intimation in G. O. C. C.

3d. When Officers are left for a period, by His Excellency the Commander in Chief, unposted, they are entitled to the same scale of Regimental Allowances as Officers of similar rank doing duty with, or attached to Corps serving at the Station where they may be temporarily residing.

FORT ST. GEORGE, 19th December 1845.

FORT ST. GEORGE, 19th December 1845.

No. 252 of 1845.—1. The publication, in G. O. G. No. 240 of 1845, of the Orders* of the Government of India, respecting the Pay and Allowances of the European Officers of Her Majesty's and the Honorable Company's Service on the Establishments of the three Presidencies, having rendered it necessary to complete, without further delay, the assimilation contemplated ever since the promulgation of the Rules† which directed the equalization of the Pay and Allowances of the whole of the European Troops at the several Presidencies, the Most Noble the Governor in Council is pleased to direct that, from and after the 31st Instant, the Pay Proper of all classes of Europeans (except Pensioners) shall, in like manner with Regimental Allowances, be drawn in arrears.

2. In order to effect the assimilation in question, it is necessary that, as was done in the Bengal and Bombay Presidencies, each European Commissioned Officer should refund, or omit to draw, one month's pay or subsistence of his rank, according to the existing (Indian) rates; and with the view of preventing as far as possible, inconvenience to individuals, the Most Noble the Governor in Council is pleased to

* General Orders by the Hon'ble the President of the Council of India in Council, Fort William, 21st November 1845, No. 350 of 1845.

† General Orders by the Right Hon'ble the Governor General of India in Council, Fort William, 8th July 1840, No. 146 of 1840, published in Madras G. O. G. No. 122 of 1840.

permit this to be done by twelve equal monthly deductions from the abstracts of all Officers in receipt of Indian Allowances: Paymasters are, accordingly, directed to commence making the required deductions on the receipt by them of this Order. The amount to be refunded will be considered as a public demand; and it, or any balance of it which may be due, will, accordingly be recovered from the estates of Officers who may die before the payment is completed, and deducted from the last abstracts of Officers about to leave the service or to quit the Presidency.

3. As it appears that Warrant Officers in Bengal who have received a month's pay in advance were required to refund it, similar refunds will be required from such Warrant Officers in this Presidency as have been paid in advance; and these will be effected by twenty four equal monthly deductions in the mode above prescribed.

4. From and after the 1st January 1846 inclusive, Regiments of Her Majesty's Army which may be admitted on the Madras Establishment, and all European Officers and Soldiers of Her Majesty's and the Honorable Company's Service who may arrive in the Presidency will be paid in arrears.

5. The Pay of all Non-Commissioned Officers and Rank and File of Her Majesty's and the Honorable Company's Service on the Madras Establishment, and actually in India, or it's dependencies, on the 31st December 1845, although drawn and issued precisely as heretofore, will be termed and considered as paid in arrears from and after that date, in the same manner as their ration money has always been.

6. Under the above arrangements no alteration whatever will take place in the monthly amount of the Pay and Allowances of any rank; and the only deductions or refunds required are those above specified, from European Commissioned and Warrant Officers.

7. European Military Pensioners, of all ranks, of the Honorable Company's Service, transferred to the Pension list prior to the 1st January 1846, will continue to draw their Pensions as heretofore; but all those who may be pensioned after the Pay of the European Troops has become issuable in arrears, will receive their Pensions in arrears.

Secretary to Government.

1. Whenever a Corps or Detachment may be warned for movement, it will be the duty of the Commanding Officer to ascertain that all practicable means are used by the several ranks under his Command to provide themselves with the necessary Carriage—application for which is not to be made to the Civil Authorities excepting when Carriage may not be otherwise procurable.
