Rs 1760 are provided against Rs 1680 of the Current year. The reason for the increase is due to provision having been made at .64 per Cent on the actual receipts of 1893-94 as directed in G.O. No $\frac{2527}{4.12.94}$ L. Local and Municipal.

(b) District Audit Establishment.

Rs 1550 are provided under this head against Rs 1450 of the Current year. The increase is due to making a provision of Rs 84 to an attender on Rs 7 per mensem with a small provision for his travelling expenses to this office, as the Audit clerk is being put to much inconvenience for want of a Servant when he goes into Camp to inspect the Union and Taluk Board offices, to carry his office box, duplicate and also to attend to other minial work when at Head quarters, which the clerks appear to do themselves now.

(2) Account Establishment.

Rupees 1060 are provided under this head against Rs 1000 in

in the Current year. The increase is due to provision having been made for an increase of Rs 5- (from Rs 35- to 40) to the pay of the 1st Accountant as the Treasury Deputy Collector has strongly recommended for the increase in Consequence of his greater responsibility and extra work - as the whole work connected with various kinds of deposits of Local Fund money is transferred to him from Revenue Department as per orders of the Accountant General. and also the work of reviewing the Local Audit Clerk's Inspection Reports on the accounts of the Several Unions in the District has been given to him and also to the increased number of vouchers which he has to deal with and the several monthly accounts which he has to prepare. As the pay of the

Local

Local Audit Clerk was raised for the reason of increase in vouchers &c. The Treasury Deputy Collector recommends that a similar increase be given to this officer for the same reason as also for the foregoing reasons and the District Board have accordingly sanctioned the increased provision, which I request the Government will be pleased to sanction.

Local Board's Office Establishment

A sum of Rs 7440 is provided under this head against Rs 7190 of the Current year. The net increase is due to.

(1) The increase is due to revision of the Union Establishment in Cuddapah Taluk Board by the appointment of a Clerk on Rs 10 and a bill Collector on Rs 6 & a Mashalchee on Rs 3 to each of the Unions of Kamalapuram & Chennur. and by the appointment of a Clerk on Rs 10 and a bill Collector on Rs 5 to the Union at Patha Cuddapah

1933. L
1-10-94

Sanctioned in G. O. No Local and Municipal which has commenced its working during the Current year.

(2) Provision having been made for a bill Collector on Rs 5 to each of the Unions at Chilivel and Nandalur where house-tax has been proposed to be levied.

(3) Provision having been made to increase the pay of the Clerk and bill Collector of the Proddatur union from Rs 10 to 12 & 5 to 6 respectively. and also to the raising of pay from Rs 7 to 8 to the union clerk of Pulivendala Union, where house tax has been proposed to be levied. and to raising the pay of the 2d Clerk of the Taluk Board from Rs 12 to 14 as his salary is hardly sufficient for his maintenance.

(4) Under District Board there is a decrease of Rs 60. as compared with the estimate of the Current year. The reason for the decrease

Local Audit Clerk was

decrease is due to provision having been made to the pay of the 3rd Clerk at Rs 20, instead of at Rs 25. The 3rd Clerk drawing Rs 25 having been promoted. This provision will be restored when the present 3rd Clerk qualifies himself for the increase of pay. This allotment would further have been reduced by Rs 60 owing to the death of M. Subbiah 2nd Clerk to whom a salary of Rs 35 was sanctioned. After the death of the said Subbiah a junior clerk of the office having been promoted he was paid salary at Rs 30 per mensem as directed by Government. But this man has passed the Pleaders test & has been granted one years leave. It is not likely that he will come back. Having found that an experienced 2nd Clerk is absolutely necessary for the office I have appointed T. Koudal Row Proddatur Taluk Board

Board Head clerk on Rs 30 as 2nd clerk of this office on Rs 35 per mensem as he has a long service in the Local Fund department, and has been drawing Rs 30 for many years and retained the provision of Rs 35 in the Budget on that account.

(d) Contingencies. There are slight variations in the provision for the several items under this head as compared with the provision for the Current year, and these variations call for no special remarks as they are of a fluctuating nature.

(e) Pensions.

Contributions on account of pensions and leave allowances to clerks. —

A. Sum of Rs 125 is provided under this head to pay from Local funds the Contributions due to Government for meeting the appointments of Head clerk District Board's office. L.F. 1st Accountant in the Collector's office & the

Local Audit Clerk was

the Head clerk of the Proddatur Taluk Board's office. Sanctioned in G.O. No $\frac{1795}{16.8.93}$ L.

The total expenditure under grant IV amounts to Rs 20185 against Rs 19540. of the Current year.

18 The total Expenditure under all grants including reserve (which is 10 per Cent under Taluk Boards Sidhout, Proddatur & Madanapalli and less under Cuddapah Taluk, and District Boards) and allotment of funds Comes to Rs 181.430 and 113800 under District and Taluk Boards respectively having a closing balance of Rs 16920 + 5625 under Taluk and District Boards respectively, of this balance of Rs 16920, Rs 2255 appertain to the house-tax + Rs 8045 to Endowments having Rs 6620 as the General Balance.

(a) The figure given by the Board has been altered. Reasons should be stated why the corrected figure is to be adopted. The Board must explain to what specific heads the sum of Rs. 2705 is to be credited. Has the whole amount been drawn by the Taluk Boards? If not, the full amount should be shown as drawn, and the unexpended balance as a deposit. Should the whole sum not be drawn by the Taluk Boards, the Collector should be asked to explain why the Taluk Boards have not drawn the whole amount.

(b) Should not this be shown as a deposit?

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From J. HEWETSON, Esq., President, District Board, Cuddapah, to the Chief Secretary to Government, dated 15th December 1894, No. 1454.

I have the honour to submit herewith the consolidated revised and budget estimates for the year 1894–95 and 1895–96 respectively, together with the prescribed statements and a map of the district.

2. An abstract of receipts and charges of local funds for 1894–95 is also submitted as ordered in paragraph 2 (18) of G.O., dated 3rd March 1893, No. 458 L.

REVISED ESTIMATE FOR 1894–95.

3. The subjoined statement contrasts the principal features of the original and revised estimates :—

—	Original budget for 1894–95.		Revised estimate for 1894–95.	
	Taluk board.	District board.	Taluk board.	District board.
	Rs.	Rs.	Rs.	Rs.

Receipts	1,58,740	1,11,860	1,62,544	1,13,103
Total ..	1,73,550	1,12,120	1,89,531	1,14,707
Deduct expenditure excluding reserve	1,53,570	1,00,630	1,57,902	1,01,440

Reserve for appropriation	11,350	11,180	4,144	6,531
Net balance ..	8,630	310	27,485	6,736

4. *Opening balance.*—The revised estimate for 1894–95 opens with an actual *plus* balance of Rs. 26,987 and Rs. 1,604 in favour of the taluk and district boards, respectively, against an estimate of Rs. 14,810 and Rs. 260, respectively, as estimated for in the budget estimate sanctioned by Government; but the above said balance of Rs. 26,987 + 1,604 = 28,591 does not tally with the balance advised by the Inspector of Local Fund Accounts in his result statement No. A.A.Z.—L. 25, dated 25th September 1894, because the Inspector of Local Fund Accounts has not made the necessary adjustments of credits and debts ordered in G.O., Mis. No. 1972 L.,

dated 7th September 1893. The particulars of the two sets of balances are given below :—

	Balances advised by the Inspector of Local Fund Accounts.	Balances advised at after making adjustments of credits and debts.
	Rs.	Rs.
1. Cuddapah taluk board	+ 9,848	+ 3,116
2. Proddatur taluk board	+ 11,793	+ 7,813
3. Sidhout taluk board	+ 25,928	+ 3,352
4. Madanapalle taluk board	+ 1,234	+ 12,706
5. District board	— 20,212	+ 1,604
Total ..	+ 28,591	+ 28,591

This sum of Rs. 28,591 has been arrived at as shown below, and which would show the cause for variation in the actual and estimated balances :—

	Rs.
The actual receipts in 1893–94	2,82,490
Do. expenditure in 1893–94	2,28,007
Balance ..	54,483
Deduct amount of wrong adjustments from land revenue to land-cess	26,858
Net balance ..	27,625
Add amount of credits subsequently given as per Accountant-General's alteration memorandum No. A.A.Z.—L. 25, dated 25th September 1894.	837 91 12 20 6
Total ..	28,591

For both receipts and expenditure the explanation for all variations is given in the remark column of the revised estimate as required in the Local Fund rules. The revised estimate closes with a *plus* balance of Rs. 27,485 and Rs. 6,736 under taluk and district boards respectively, against Rs. 8,630 and 310 estimated in the budget for 1894–95. These balances are taken credit for as opening balances for the year 1895–96.

6. Particulars concerning the most important items of both receipts and expenditure provided for in the budget in the order in which they are given in the

Local Fund rules are given below, the figures being also compared with those in the estimate for 1894–95.

Receipts.

7. (1) *Land-cess.*—The estimated receipts for 1895–96 are Rs. 1,77,830 against an estimate of Rs. 1,76,200 of 1894–95. The increase follows the increase of cultivation.

(2) *Tolls.*—Rs. 22,400 are expected to be realized under this head in 1895–96 against Rs. 22,430, the estimate of 1894–95. The decrease of Rs. 30 is due to the current year's amount of sale being Rs. 22,403. The toll fees are levied at half the maximum rates sanctioned in the schedule appended to the Madras Local Boards Act V of 1884.

(3) *House-tax.*—A sum of Rs. 17,590 is estimated as receipts under this item during the year 1895–96 against Rs. 10,560 of 1894–95. The increase is due to the rate of house-tax having been raised in some cases, and to the introduction of the levy of the same in other unions in which it was not levied during the current year.

The particulars of rates are given below :—

Names of Unions.	Rate in force in 1894–95.	Rate proposed for 1895–96.
Kamalapuram	⅓	½
Chennoor	½	½
Pata Cuddapah	..	½
Proddatur	½	full

Chitvel	..	⅓
Nandalur	⅓	full

Vayalpad	⅖	½
Rayachoti	⅖	½
Kadiri	⅓	½
Pilaru	⅓	½

The district board resolved, after considerable discussion, to raise the rates of house-tax as shown above, for which the sanction of Government will be solicited by a separate letter.

(4) *School-fees.*—Under this item Rs. 4,415 are expected to be realized against an estimate of Rs. 4,380 of 1894–95. The increase is due to the proposal to open some new schools.

(5) *Sale-proceeds of Books.*—Under this head Rs. 240 are provided against an estimate of Rs. 450 of 1894–95. The large decrease is due to the provision having been made with reference to Rs. 244, the actuals of 1893–94.

(6) *Sale of Medicines.*—Under this head Rs. 320 are expected to be realized against Rs. 270, the estimate of 1894–95. The increase is due to the greater appreciation of English medicines by the public.

(8) *Market Rents.*—Rupees 7,080 are expected to be realized under this head against Rs. 6,240, the estimate of the current year. The increase is due to the Madanapalle taluk board having provided a sum equal to the actuals of the year 1893–94, and the Proddatur taluk board having anticipated increase by keen competition as in the current year, and to expected receipts in Jammalamadugu market, and to the Sidhout taluk board having provided a sum almost equal to the amount of the actuals of the year 1893–94.

(9) *Bungalow-fees.*—Rupees 80 are expected to be realized under this head against Rs. 150, the estimate for the current year. The decrease is due to the transfer of the Gurramkonda travellers' bungalow to the charge of the Department of Public Works and to the actuals of the previous year having been adopted for other bungalows.

(10) *Fees and Fines.*—Rupees 1,765 are provided under this head against Rs. 1,500 the estimate of the current year. This is a fluctuating item.

(11) *Ferry Rents.*—Rupees 1,970 are expected to be realized under this head against Rs. 1,440 the estimate of the current year. The increase is due to the expectation of competition at the sales in the same way as in the current year. The amount expected to be realized in the revised estimate is Rs. 1,976.

(12) *Fishery Rents.*—Rupees 440 are provided in the budget for 1895–96 against Rs. 180 of the current year. The actuals of 1893–94 are Rs. 418. The increase is attributed to the fact that several of the tanks under the Madanapalle taluk board received a large supply of water last year, and that some tanks were left out in the accounts of the previous year, which are added to the list of the current year by the Madanapalle taluk board.

(13) *Avenues.*—Rupees 4,160 are expected to be realized under this head during the year 1895–96 against an estimate of Rs. 2,850 of the current year. The sum expected to be realized during the current year as per revised estimate is Rupees 3,382. The actuals of the year 1893–94 is Rs. 4,209. The taluk board President, Madanapalle, states that, "I am convinced that with a little more interest shown in the conduct of the sales far larger sums can be realized than at present." In this district it has been the practice for many years to credit the whole of the receipts from avenues to the taluk board funds, notwithstanding the fact that the amounts are to be distributed between the taluk boards and district board according as the road belongs to the district or taluk board. I beg instructions as to whether these amounts are not liable to be credited against the respective boards to which the roads belong, in the same way as the expenditure is divided.

(14) *Contribution from Provincial Funds for Education.*—The amount expected to be realized under this head during 1895–96 is Rs. 2,705 more than Rs. 2,280 the estimate of the current year, but less than Rs. 2,915 the amount entered in the revised estimate of the current year.

(15) *Building Grants.*—Rupees 400 are provided for 1895–96 against Rs. 870 of the year 1894–95. This is the estimate which the taluk boards of Proddatur and Madanapalle framed.

(16) *Allotments from District to Taluk Funds.*—An allotment of Rs. 38,460 has been made to taluk boards to supplement their assets for 1895–96 against an estimate of Rs. 38,360 in 1894–95 so as to enable them to pay for permanent services, maintenance of such roads as require attention, &c., to meet the more pressing demands, and with a view to allow them reserve and balance.

This sum is divided among the several taluk boards as shown hereunder:—

Name of taluk board.	Amount sanctioned.
	Rs.
(1) Cuddapah	3,085
(2) Proddatur	10,930
(3) Sidhout	14,825
(4) Madanapalle	9,620
Total ..	38,460

The total assets under all heads come to Rs. 1,32,405 and Rs. 1,12,690 under taluk and district funds respectively, against Rs. 1,20,385 and Rs. 1,11,860 in 1894–95. In the column actuals of the year 1893–94, the Accountant-General's audited figures furnished in his result statement on the audit of the supplemental local fund treasury account for March 1894 have been adopted, with the exception of the opening balances as stated above. In the column estimate of 1894–95, the figures shown in the sanctioned budget—*vide* G.O., No. 540 L. (Local and Municipal), dated 19th March 1894—for 1894–95 have been adopted.

Expenditure.

8. *Grant I, Public Works—(a) New Works—Communications—*(i) *By the Engineering Department.*—Under this head a sum of Rs. 7,025 is provided in the budget for 1895–96 against Rs. 800 the estimate of the current year. The large increase is due to the provision having been made for—

(1) The railway feeder from Yerragudipad railway station to Kokatum village, Rs. 4,210, debited to the district board.

(2) The railway feeder from Kalamalla railway station, Rs. 950, debited to Proddatur taluk board, and the remaining sum is allotted for village roads, and for constructing culverts on existing roads. Two railway feeder roads are being constructed this year and the two entered in this budget will complete the construction of all the feeder roads under correspondence, except the one from Sidhout to the so-called Sidhout railway station, about which I am addressing Government separately.

(ii) *Civil Buildings.*—Under this head Rs. 850 are provided in the budget for 1895–96 against Rs. 900 the estimate of the previous year. This provision is made for the construction of some salary-result schools.

(iii) *Miscellaneous Public Improvements.*—(1) Rupees 740 are provided under this head for 1895–96 against Rs. 1,200 for 1894–95 for constructing a slaughter-house in the compound of the Proddatur market as suggested by the Deputy Sanitary Commissioner in his letter No. 802-S., dated 4th April 1894, embodied in G.O., No. 796 L., dated 4th May 1894.

9. (*B*) *Repairs*—(i) *Communications by the Local Fund Engineering Department.*—Rupees 76,600 are provided under this head for 1895–96 against Rs. 72,380 the estimate of the current year. Of this sum Rs. 69,815 have been provided from the general funds, which is less than the estimate of the current year. The reason for this decrease is that the Proddatur taluk board, while increasing the rates entered in the current year's budget have not increased them so as to absorb the full lump sum grant made by Government in the current budget. In the taluk boards of Cuddapah and Sidhout almost the current year's allotments are adopted. In the Madanapalle taluk board, the taluk board have made a provision of Rs. 20,285 under this head by increasing the rates of the more important roads and by making provision for the repairs of some roads which had fallen out of the current year's budget. But the general funds of the taluk board are not able to meet the entire cost of this increased provision, nor is the district board able to contribute so large an additional sum for a single taluk board. It is therefore resolved by the district board to provide the sum of Rs. 20,285 in the budget for next year, and to sanction Rs. 13,500, the amount equal to the current year's allotment from the general funds, and the remainder Rs. 6,785 from the endowment fund balance where a large sum of Rs. 11,243 appears as the balance. This allotment will still leave Rs. 4,458 available for the improvement of existing markets. As the taluk board have made no proposals for the spending of this large balance, I hope the district board's proposal will be sanctioned by Government.

(ii) *Civil Buildings.*—The same provision as in the current year has been made under this head for 1895–96. Hence no explanation is necessary.

(iii) *Miscellaneous Public Improvements.*—Under this head Rs. 2,600 is provided for 1895–96 against Rs. 1,500 the estimate of the current year. This sum is allotted towards the maintenance of avenues and for maintaining nurseries for plants not only for renewing the old and decayed trees along existing avenues, but also to plant up new ones. Under all other heads coming under Grant I, the same amounts as in the current year having been provided for next year, they are not repeated here. The total expenditure under Grant I is Rs. 1,09,305 against Rs. 98,270 the estimate of the current year. There can be no doubt that the allotments for repairs of roads have been cut down to the lowest possible limit, and that they ought to be increased if possible. The establishment charges are also very low for a district of the size of Cuddapah. We have only seven overseers for eleven revenue taluks and the Engineer is most anxious to have another overseer sanctioned, but the addition would raise the percentage of establishment charges a great deal too high.

10. *Grant II, Education*—(*a*) *Inspection.*—Under this head Rs. 4,100 are provided for 1895–96 against Rs. 3,600 the estimate of the current year. The increase is due to making provision for an additional inspecting schoolmaster on Rs. 30 *plus* the usual travelling allowances of his grade according to rules. The Director of Public Instruction having on more than one occasion reported that the present staff of inspecting schoolmasters is not sufficient, this additional hand is proposed to be entertained in next year to further the progress of education.

(ii) *Sessional Schools.*—Rs. 1,100 are provided under this head for 1895–96 against Rs. 960 in the current year. The increase is due to making an increased provision in the amount of stipends and to the addition of a peon and a sweeper on Rs. 3 to the staff of the school. The school will be located in four different places within the year for three months in each piace. Ten pupils will be trained at each centre or forty within the year. The Educational Sub-Committee were most anxious to have a second sessional school, but the meeting refused to sanction it as the Director was quite satisfied with one.

(*c*) *Secondary Schools.*—Under salaries of masters, there is an increase of Rs. 120 in 1895–96 against an estimate of Rs. 1,670 of the current year, which is due to provision having been made for an additional teacher on Rs. 10 for the school at Proddatur. This is done at the recommendation of the Educational department. The Proddatur taluk board have reduced the provision under miscellaneous by Rs. 45 against an estimate of Rs. 150 of the current year.

(*d*) *Elementary Schools*—(ii) *Salary-result System*—(*a*) *Salaries of Masters.*—Rs. 13,405 are provided under this head for 1895–96 against Rs. 12,370 the estimate of the current year. The increase is due to the following causes :—

	RS.
(1) There is an increased provision under Proddatur taluk board, because it is proposed by the taluk board at the recommendation of the Educational officer to open a Panchama school at Thondur and another in Vaimpalle (Pulivendla taluk) and also to provide Rs. 12 against Pulivendla school in order to rectify the omission in printing the sanctioned budget for the current year	205
(2) There is an increased provision under Cuddapah taluk board by the addition of an assistant teacher on Rs. 5 per mensem to the school at Palagiri.	60
(3) There is an increased provision under Madanapalle taluk board made at the recommendation of the Educational authorities—	
(*a*) To open two schools at Kodavandlapalli and Chakibanda and also to open three new Muhammadan schools at Marripaud, Mahal and Kalakada, also to the proposal to increase the pay of the head and second masters of the salary-result school, Kotakota, from Rs. 8 to 10, and from Rs. 6 to 7, respectively, and also that of the first assistant teacher of Kotagulla school from Rs. 6 to 7.	
Increased provision	765
	1,030

(*b*) The increases under results, miscellaneous and servants, &c., is due to the above reasons, viz., for house-rents to the newly proposed schools, and for purchasing maps, books, furniture and miscellaneous charges, and also to provision having been made the house-rent of the Jammalamadugu school, and to increased rent to Vaimpalle school, the building having undergone repairs recently, and for employing servants to the newly sanctioned schools.

11. *Lump allotment for Night Schools.*—Under this head a sum of Rs. 570 has been provided by the several taluk boards for the year 1895–96 against Rs. 830 of the current year. The reason for decreased provision is not given by the taluk boards.

Relieving Teachers.—In G.O., Mis. No. 1343 L., dated 23rd July 1894, and Mis. No. 2205 L., dated 29th October 1894, Government were pleased to sanction the entertainment of a relieving teacher on Rs. 8 for the Cuddapah range, now another man is required for the Madanapalle range, and a provision of Rs. 200 under district board has been made to meet the cost of these two teachers.

(*e*) *Grants-in-Aid*—(1) *Salary Grants.*—A sum of Rs. 180 is provided under this head for 1895–96 against Rs. 200 of the current year by the Madanapalle taluk board. The taluk board President's letter giving cover to the budget does not state to what institutions this salary grant has been intended, nor has he sent statement No. IV-B giving particulars of the same. He is called upon to submit this statement, which will be submitted to Government on receipt from that officer.

(2) *Results Grants.*—A sum of Rs. 8,560 has been provided under this head for 1895–96 against Rs. 6,870 the estimate of the current year. The increase under this head is due to the requisition of the Director and of the Educational Sub-Committee. The taluk board Presidents say that the Director of Public Instruction urges on the boards to allot more funds so as to enable him to assign a reasonable proportion of the net cost for aided schools and to admit to the results list unaided and indigenous schools that may qualify for recognition and aid.

Building Grants.—Under this head Rs. 530 are provided for next year against Rs. 400 of the current year. These allotments are made by the taluk board.

Miscellaneous and Furniture Grants.—A sum of Rs. 120 is provided under this head. In the current year no provision was made in the budget. Under other items coming under this grant the same provision as in the current year has been made, and which, therefore, calls for no remarks. The total expenditure estimated under Grant II amounts to Rs. 40,170 against Rs. 35,240 of the current year.

12. *Grant III, Medical Services, &c.* — (*a*) *Hospitals and Dispensaries*—(2) *Medical Subordinates.*—Rupees 13,925 are provided under this head against Rs. 12,590. The increase is due to the—

(1) Establishment of a dispensary at Vayalpad with a Medical officer on Rs. 470 per annum.

(2) Appointment of a third-class hospital assistant on Rs. 25 to assist the civil apothecary in charge of the Madanapalle dispensary, the Government not having sanctioned the appointment of a clerk and as the lady hospital assistant now in the Madanapalle hospital will be put in charge of a separate dispensary at Madanapalle for women and children.

(3) Provision having been made under district board for the pay of the reserve hospital assistant, whose entertainment was sanctioned by the district board at their meeting held on 13th October 1894 and for which the sanction of Government was applied for in this office letter No. 1455, dated 23rd November 1894.

(4) Salaries of Medical officers of certain dispensaries having had to be raised from 1st July next, as they will qualify for higher pay from that date.

(5) *Clerks and Servants.*—Rs. 5,290 are provided under this head against Rs. 4,600 of the current year. The increase is due to the—

	RS.
(1) Entertainment of three servants to the newly proposed dispensary at Vayalpad at a cost of Rs. 252 per annum..	252
(2) Entertainment of three servants to the female dispensary at Madanapalle	252
(3) Appointment of a nurse on Rs. 7 to the dispensary at Porumamilla	84
(4) Increasing the pay of the compounder of Chitvel dispensary from Rs. 9 to 12	36
(5) Increasing the pay of the sweepers of the dispensaries at Chitvel, Sidhout and Porumamilla by Rupee 1 each from Rs. 4 to 5.	36
(6) Increased provision of Rs. 33 in the Kadiri dispensary (details not given by the taluk board President)	33
	693

(iv) *Diet of patients.*—Rs. 1,090 are provided against Rs. 1,000 of the current year. The increase is due to provision having been made for diet of patients in the newly sanctioned dispensaries of Vayalpad and the female dispensary at Madanapalle and to the small increases in the provision of some other dispensaries noted in column 31 of statement No. V.

13. *Medicines and Surgical Apparatus.*—The amount provided under this head is Rs. 4,700 against Rs. 3,100, the estimate of the current year. The increase is due to a sum of Rs. 300 having been provided for ~~each of~~ the newly sanctioned dispensaries at Vayalpad, and the female dispensary at Madanapalle, and to the general increase in all the dispensaries due to English medicines costing more owing to the fall in exchange counterbalanced by a fall from Rs. 700 to Rs. 500 in the amount of Madanapalle male hospital owing to providing a separate dispensary for women.

(6) *Midwives.*—Under this item Rs. 965 are provided against Rs. 880 of the current year. In this sum of Rs. 880, a sum of Rs. 80, being the amount provided for results grants to midwives, is included. Deducting Rs. 80 from that sum, the net cost of salary of midwives is Rs. 800. In the year 1895–96, two more midwives on Rs. 7 each are proposed for the dispensaries of Vayalpad and the female hospital at Madanapalle. Hence the increased provision of Rs. 965.

(7)—(11) Under midwifery pupils and Zillah Surgeon's establishment, the same amounts as in the current year are provided for 1895–96.

14. *Contingencies.*—The increase under this head as compared with that of the previous year is due to provision having been made for the house-rent, furniture and other sundry charges on account of the newly sanctioned dispensaries at Vayalpad and Madanapalle, and also to a sum of Rs. 50 having been provided under district board for contingencies of the reserve hospital assistant.

15. *Vaccination.*—Under this head a sum of Rs. 12,120 is provided for 1895–96 against the same figure in 1894–95. Though the provision is the same, the internal details of the department have to be revised. On the receipt of new census list of 1891, the vaccinators' sub-divisions were revised so as to allow each a population of about 40,000. Taking the births at 40 per mille per annum, this gives 1,600 births in each range. As each vaccinator is required to give a minimum of 100 cases a month, this allows a fair margin. In doing so, two second-class vaccinators' ranges were abolished. But their services will not be dispensed with. They are retained, attached to the offices of the Deputy Inspectors of Cuddapah and Sidhout ranges for being posted for any temporary and acting vacancies by leaves, &c. After they secure permanent appointments, which will not take long in this district, their pay, Rs. 20, will be apportioned as follows :—

(1) Rs. 3 as an increase to the pay of P. Kurmiah Naidu, first-class vaccinator, Cuddapah range, who is recommended by the District Medical and Sanitary Officer as a deserving man for promotion, and (2) Rs. 16 by promoting eight deserving second-class vaccinators from Rs. 10 to Rs. 12.

I request the sanction of Government for this proposal.

16. *Sanitation.*—A sum of Rs. 18,835 is provided under this item for 1895–96 against Rs. 18,690 of the current year 1894–95. The net increase is only Rs. 145, which is very small. But if the details forming the sum of Rs. 18,735 are observed, the amounts which require any explanation at all are (1) increase in the allotment for village sites made by the Madanapalle board to carry out the suggestions of the District Medical and Sanitary Officer as far as their finances allow them to do; (2) increase in the allotment for scavengering establishment, which is due to increasing the pay of scavengers of certain villages where servants cannot be had for a salary of Rs. 2 and Rs. 3, and to revision of scavengering establishment in the unions of Kamalapuram, Chennur and Patha Cuddapah to a uniform scale; (3) increase in the provision under other sanitary outlay which is due to the increased provision under Proddatur taluk board for purchasing moveable dust-bins for Proddatur union, and also to make provision for constructing a latrine in Patha Cuddapah union.

Of the sum of Rs. 18,835, Rs. 14,170 will be spent on unions and the rest, Rs. 4,665, on sanitation purposes in villages other than unions.

Markets.—Under this head Rs. 50 are provided by the ~~Sidhout~~ taluk board. The Madanapalle taluk board have not made a provision of Rs. 50 as in the current year. Hence the next year's allotment under this head is Rs. 50 against Rs. 100 of the current year.

Choultries.—Under this head Rs. 15 are shown in excess of the estimate of Rs. 430 for the current year, which is due to increasing the pay of the servant of the Wontimitta choultry from Rs. 2 to Rs. 3 per mensem as he has more work to do.

(*f*) *Public Bungalows.*—The amount provided under this head is Rs. 205 against Rs. 200 of the current year. The net increase is due to making a provision of Rs. 50 by the Cuddapah taluk board for furniture to the Kamalapuram travellers' bungalow, and to the Madanapalle taluk board not having made a provision of Rs. 50 for the servant of the travellers' bungalow at Gurramkonda, which will be transferred to the charge of the Public Works Department as requested by them.

(*g*) *Contributions to Provincial Services and* (iii) *Municipalities.*—Some figures as in the current year are provided for next year.

(*h*) *Miscellaneous—Lighting Charges.*—A sum of Rs. 2,160 is provided under this head for 1895–96 against Rs. 1,790 of the current year. The increase is due to (1) making a provision for putting up lights in Pulivendla union; (2) making a provision for more lights in the unions of Proddatur and Jammalamadugu; (3) making a provision for increasing the pay of lamp-lighters under Madanapalle board as persons will not come forward for less pay, and also to increase the lights.

The Sidhout and Cuddapah taluk boards do not give any reasons for increasing their allotments by Rs. 50 each. The total expenditure under Grant III thus comes to Rs. 67,825 against Rs. 62,790, the estimate of the current year.

17. *Grant IV, Miscellaneous*—(*a*) *Controlling Establishment at the Presidency.*—Under this head Rs. 1,760 are provided against Rs. 1,680 of the current year. The reason for the increase is due to provision having been made at ·64 per cent. on the actual receipts of 1893–94 as directed in G.O., dated 4th December 1894, No. 2527 L., Local and Municipal.

(*b*) *District Audit Establishment.*—Rupees 1,550 are provided under this head against Rs. 1,450 of the current year. The increase is due to making a provision of Rs. 84 to an attender on Rs. 7 per mensem with a small provision for his travelling expenses to this office, as the audit clerk is being put to much inconvenience for want of a servant when he goes into camp to inspect the union and taluk board offices, to carry his office box, dufter, &c., and also to attend to other menial work when at head-quarters, which the clerks appear to do themselves now.

(2) *Account Establishment.*—Rupees 1,060 are provided under this head against Rs. 1,000 in the current year. The increase is due to provision having been made for an increase of Rs. 5 (from Rs. 35 to Rs. 40) to the pay of the first accountant as the Treasury Deputy Collector has strongly recommended for the increase in consequence of his greater responsibility and extra work, as the whole work connected with various kinds of "deposits" of local fund money is transferred to him from Revenue department as per orders of the Accountant-General, and also the work of reviewing the local audit clerk's inspection reports on the accounts of the several unions in the district has been given to him and also to the increased number of vouchers which he has to deal with and the several monthly accounts, &c., which he has to prepare. As the pay of the local audit clerk was raised for the reason of increase in vouchers, &c., the Treasury Deputy Collector recommends that a similar increase be given to this officer for the same reason as also for the foregoing reasons, and the district board have accordingly sanctioned the increased provision, which I request the Government will be pleased to sanction.

(*c*) *Local Board's Office Establishmen'.*—A sum of Rs. 7,440 is provided under this head against Rs. 7,190 of the current year. The net increase is due to (1) revision of the union establishments in Cuddapah taluk board by the appointment of a clerk on Rs. 10 and a bill collector on Rs. 6 and a mashalchee on Rs. 3 to each of the unions of Kamalapuram and Chennur, and by the appointment of a clerk on Rs. 10 and a bill collector on Rs. 5 to the union at Patha Cuddapah sanctioned in G.O., dated 1st October 1894, No. 1933 L., Local and Municipal, which has commenced its working during the current year; (2) provision having been made for a bill collector on Rs. 5 to each of the unions at Chitvel and Nandalur where house-tax has been proposed to be levied; (3) provision having been made to increase the pay of the clerk and bill collector of the Proddatur union from Rs. 10 to Rs. 12 and Rs. 5 to Rs. 6,

respectively, and also to the raising of pay from Rs. 7 to Rs 8 to the union clerk of Pulivendala union where house-tax has been proposed to be levied, and to raising the pay of the second clerk of the taluk board from Rs. 12 to Rs. 14 as his salary is hardly sufficient for his maintenance; (4) under district board there is a decrease of Rs. 60 as compared with the estimate of the current year. The reason for the decrease is due to provision having been made to the pay of the third clerk at Rs. 20 instead of at Rs. 25, the third clerk drawing Rs. 25 having been promoted. This provision will be renewed when the present third clerk qualifies himself for the increase of pay. This allotment would further have been reduced by Rs. 60 owing to the death of M. Subbiah, second clerk, to whom a salary of Rs. 35 was sanctioned. After the death of the said Subbiah, a junior clerk of the office having been promoted he was paid salary at Rs. 30 per mensem as directed by Government. But this man has passed the Pleader's test and has been granted one year's leave. It is not likely that he will come back. Having found that an experienced second clerk is absolutely necessary for the office, I have appointed T. Kondal Row, Proddatur taluk board head clerk on Rs. 30, as second clerk of this office on Rs. 35 per mensem as he has a long service in the local fund department and has been drawing Rs. 30 for many years, and retained the provision of Rs. 35 in the budget on that account.

(*d*) *Contingencies.*—There are slight variations in the provision for the several items under this head as compared with the provision for the current year, and these variations call for no special remark as they are of a fluctuating nature.

(*e*) *Pensions—Contributions on account of Pensions and Leave Allowances to Clerks.*—A sum of Rs. 125 is provided under this head to pay from local funds the contributions due to Government for making the appointments of head clerk, district board's office, local fund first accountant in the Collector's office and the head clerk of the Proddatur taluk board's office sanctioned in G.O., dated 16th August 1893, No. 1795 L.

The total expenditure under Grant IV amounts to Rs. 20,185 against Rs. 19,540 of the current year.

18. The total expenditure under all grants including reserve (which is 10 per cent. under taluk boards, Sidhout, Proddatur and Madanapalle, and less under Cuddapah taluk and district boards) and allotment of funds comes to Rs. 1,81,430 and Rs. 1,13,800 under district and taluk boards, respectively, leaving a closing balance of Rs. 16,920 and Rs. 5,625 under taluk and district boards, respectively; of this balance of Rs. 16,920, Rs. 2,255 appertain to the house-tax and Rs. 8,045 to endowments, leaving Rs. 6,620 as the general balance.

19. The budget has been approved by the district board at their meeting held on the 15th December 1894, and the copy of the proceedings passing the same is herewith submitted.

20. The proposition statements for all new proposals will be submitted later on duly countersigned by the Treasury Deputy Collector as required by rules.

Local & Municipal Dept.
CURRENT No. 104 L

No. 299

From

THE HONORABLE MR. D. DUNCAN, M.A., D.Sc.,
DIRECTOR OF PUBLIC INSTRUCTION,
Madras,

To

THE HONORABLE THE CHIEF SECRETARY TO GOVERNMENT,
FORT ST. GEORGE.

SIR,

I have the honor to state that I approve of the proposals of the Cuddapah District Board for the budget of 1895-96, subject to the following modifications.

(i) Rs 35 provided for a peon for the sessional school may be struck out, and the sweeping charges may be met from the contingent allowance of Rs 45 put down under "Miscellaneous."

(ii) The grant of Rs 150, for which credit is taken under "building grants" by the Cuddapah Taluq Board, should be struck out, as it does not maintain any secondary school.

Sir ,

With reference to the Budget estimate of the Cuddapah District Board for 1895-6 , I have the honour to state that I have no remarks to offer on the proposed expenditure on Vaccination . The sanitary allotment (18,835) is about the same as for the current year ,and is equal to 7.6 p. c. of the expected income . Of this sum , Rs 14 ,170 will be spent on Unions ,and the balance (Rs 4665) on other villages . Considering the large number of villages which are not Unions ,the proposed expenditure is far below requirements . For the improvement of water -supply, the trivial sum of Rs 1175 is set apart for the whole District .

2-- Under the above circumstances,I am of opinion that the District Board should berequired,in consultation with the District Sanitary Officer , to provide for the correct protection of existing sources of water-supply ,and the improvement of methods of night-soil scavengering which is particularly backward in this District . In view of thefact that the only outlay under Grant I upon buildings that can be said to have a sanitary purpose is for a slaughter house at Proddatur , it is obvious the District Sanitary Officer will have much scope for making suggestions of utility .

Revised estimate for 1894-95.

2. The current receipts and charges are now estimated at Rs. 2,37,290 and Rs. 2,31,660 respectively, against Rs. 2,32,240 and Rs. 2,38,370 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under landcess, school-fees and avenues while the decrease in the charges which appears under Grant II and Reserve is partly counterbalanced by an increase under Grant I. It is presumed that the additional allotments now provided under certain of the heads have been since sanctioned by the Local Boards concerned. Under contribution for controlling establishments at the Presidency, the budget provision of Rs. 1680 should have been repeated. The balance to be carried forward to the ensuing year's budget will then be Rs. 34,300 — Rs. 6,820 under district and Rs. 27,480 under taluk funds.

Budget

Budget estimate for 1895-96.

3. Receipts - The receipts for the ensuing year are placed at Rs. 2,45,100 against Rs. 2,37,290 in the revised estimate, the increase being chiefly under house-tax and avenues. ~~The proposals for raising the rate of house-tax in some of the unions and for introducing the tax in some others, promised in para. 7(3) of the President's letter will be awaited.~~ The Government agrees with the President in considering that the receipts from avenues should be credited to the ~~respective~~ boards to which the expenditure on their maintenance is respectively debited. For the reason given by the Director of Public Instruction in clause (ii) of his letter read above, the building grant of Rs. 150 taken credit for from provincial funds by the Cuddapah Taluk Board will be struck out.

Since received — Vide G.O. 271 L.Mis 12-2-95

4. Charges (1) The probable charges are put down at Rs. 2,56,770 against Rs. 2,31,580 in the revised estimate, the increase occurring under Grants I, II and III and Reserve.

(2) Grant I. The proposal of the District Board to allot Rs. 6,785 from the Market fund balance for the maintenance of the roads under the Madanapalle Taluk Board is approved on the understanding that the existing markets require no further improvements. Market funds should not be allotted for general purposes unless the needs of these institutions have been first provided for. The estimated cost of the Local Fund Engineering establishment including contingencies amounts to 22 per cent of the proposed outlay on public works. It is hoped that when additional allotments are sanctioned in the course of the year, the cost will be within the prescribed limit of 20 per cent.

It is observed that the Board has paid but little attention to the remark in para 4(1) of G.O. dated 6th Oct. 94. No. 1979 L., warning it that the communications under its charge should not be allowed to deteriorate for want of adequate maintenance grants. For the President states in para 9 of his present letter that "there can be no doubt that the allotments for repairs of roads have been cut down to the lowest possible limit, & that they ought to be increased if possible", & yet the allotment for these repairs is only some Rs. 4000 more than the sum provided in the Budget for 1894-95. It is idle to urge that ~~this is unavoidable~~ precludes the possibility of any increase ~~is prevented by~~ the financial embarrassment of the Board, for funds have been found to ~~increase~~ enhance the allotments under Grants II and III by Rs. ~~9~~ 10,000 and Rs. ~~3000~~ 4000 over and above the actuals of 1891-92, while the assignment for repairs to communications is Rs. 23,000 less than it was in that year. The gross receipts in the two cars are almost ~~identical~~ equal, & the ~~remedy lies~~ remedy for the present ~~cause of the neglect of the roads~~ condition of affairs lies in the Board's own hands. In the ensuing year it shd consider with care the method in which the expenditure under the several grants may be adjusted more satisfactorily, & should draw up ~~model~~ the Budget for 1896-97 in such a way that the roads may be allotted a fair share of the Board's receipts. Any savings that may be possible under Grants II & III should as far as practicable be devoted to augmenting the allotments under Grant I.

(3) Grant II. ~~The additions to and alterations in the educational establishments proposed in paras~~

10

~~10 and 11 of the Presidents' first letter are sanctioned, with the exception of~~ an assistant teacher on Rs. 5 per mensem for the primary school at Palagiri, the necessity for which is not apparent, and for ~~and~~ a relieving teacher on Rs. 8 per mensem for the Madanapalle range for which a proposition statement has not been submitted, will be ~~disallowed~~ accordingly disallowed. The ~~provision~~ allotment for sessional schools will be reduced by Rs. 30, with reference to clause (i) of the Director's letter ~~and his remarks in clause (iii) will be referred to the Madanapalle Taluk Board for report.~~

The allotments for reserve and balance being less than the percentages required by the rules, and the provision for communications being admittedly inadequate, the provision under ~~education~~ this grant cannot be increased to the extent proposed by the Board. The assignment for an additional inspecting school-master proposed in para 10 (a) of the President's letter, for the increase in the sessional school stipends referred to in para 10 (b), for an additional teacher in the school at Proddatur, for the two new schools at Kadavandlupalli and Tsakibanda,

The provision for results grants must also be reduced to Rs 7.560.

(4) Grant III. The proposal to open dispensaries at Vayalpad and Madanapalle should form the subject of a separate communication containing full information as to their necessity. and Porumamilla and the increased provision of Rs. 33 under 'clerks and servants' for the dispensary at Kadiri, cannot be sanctioned as no reasons have been assigned for them. The provision for hospitals and dispensaries will be raised by Rs. 540 as recommended by the Surgeon General in his letter read above. It should be remembered, however, that under G. O. dated 24th January 1895, No. 154 L. a compensation of Rs. 5 per mensem is the maximum that can be allowed to each hospital assistant and that such compensation need be granted only to hospital assistants who are Govt. servants. The ~~proposal to revise~~ revision of the vaccination establishment referred to in para. 15 of the President's first letter is approved but it appears to Govt. that ~~should be renewed when the two second class vaccinators of the ranges which were abolished have been permanently provided for. The proposition statements for the additions to and alterations in the scavenging establishments are sanctioned, with the exception of those relating to the establishments in the villages of Chinnamandam and Tsundupalle, the necessity for which has not been made out. It should be explained why it is proposed to dispense with ~~the services of~~ the servant attached to the Vayalpad market. The proposed increase of the pay of the servant attached to the Wontimitta choultry from Rs. 2 to Rs. 3 is approved. Under contributions to provincial services for the Medical college, sanitary inspection and medical reserve staff, the actuals of the previous year should have been repeated, as required in G. of the Cutlers' establishment will be struck out with reference to G. O. d/ 18 January 1895, No. 97 L.

(5) Grant IV. The contribution for controlling establishments at the Presidency will be reduced from Rs. 1,760 to Rs. 1,580 with reference to G. O. dated 4th December 1894. No. 2527 L. The entertainment of an attender on Rs. 7 per mensem for the Local audit establishment, the increases of Rs. 5 and Rs. 2 respectively to the salaries of the first accountant of the L. F. account establishment and the second clerk of the Proddatur Taluk Board's office and the alterations in the District Board's office establishment referred to in para. 17 of the President's first letter are sanctioned.

5. Reserve and Balance. Owing to want of funds only Rs. 19,290 or 8 per cent of the estimated receipts, excluding those of the endowed institutions, have been provided under reserve. The budget as

revised by Govt. closes with a balance of Rs. ~~21,880~~ 24450 of which Rs. ~~2,200~~ 2740 appertain to unions and Rs. 8,050 to endowed institutions, leaving Rs. ~~11,570~~ 13660 or ~~49~~ 5.8 per cent of the receipts available for general purposes.

6. The Presidents' letter has been very carelessly drawn up. Greater attention should be paid to this point in future. ~~his~~ The Prest's attention will also be called to the ~~instructions in~~ correct method of spelling Siddharattam laid down in GO. dated 5th April 1895. No. 722. L.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following papers :—

From J. HEWETSON, Esq., President, District Board, Cuddapah, to the Chief Secretary to Government, dated 15th December 1894, No. 1454.

I have the honour to submit herewith the consolidated revised and budget estimates for the year 1894–95 and 1895–96 respectively, together with the prescribed statements and a map of the district.

2. An abstract of receipts and charges of local funds for 1894–95 is also submitted as ordered in paragraph 2 (18) of G.O., dated 3rd March 1893, No. 458 L.

REVISED ESTIMATE FOR 1894–95.

3. The subjoined statement contrasts the principal features of the original and revised estimates :—

	Original budget for 1894–95.		Revised estimate for 1894–95.	
	Taluk board.	District board.	Taluk board.	District board.
	Rs.	Rs.	Rs.	Rs.
Opening balance	14,810	260	26,987	1,604
Receipts	1,58,740	1,11,860	1,62,544	1,13,103
Total ..	1,73,550	1,12,120	1,89,531	1,14,707
Deduct expenditure excluding reserve	1,53,570	1,00,630	1,57,902	1,01,440
Difference	19,980	11,490	31,629	13,267
Reserve for appropriation	11,350	11,180	4,144	6,531
Net balance ..	8,630	310	27,485	6,736

4. *Opening balance.*—The revised estimate for 1894–95 opens with an actual *plus* balance of Rs. 26,987 and Rs. 1,604 in favour of the taluk and district boards, respectively, against Rs. 14,810 and Rs. 260, respectively, estimated for in the budget sanctioned by Government; but this balance of Rs. 26,987 + 1,604 = 28,591 does not tally with the balance advised by the Inspector of Local Fund Accounts in his result statement No. A.A.Z.—L. 25, dated 25th September 1894, because the Inspector of Local Fund Accounts has not made the necessary adjustments of credits and debits ordered in G.O., Mis. No. 1972 L., dated 7th September 1893. The particulars of the two sets of balances are givenbelow :—

	Balances advised by the Inspector of Local Fund Accounts.	Balances arrived at after making adjustments of credits and debits.
	Rs.	Rs.
1. Cuddapah taluk board	+ 9,848	+ 3,116
2. Proddatur taluk board	+ 11,793	+ 7,813
3. Siddhavattam taluk board	+ 25,928	+ 3,352
4. Madanapalle taluk board	+ 1,234	+ 12,706
5. District board	— 20,212	+ 1,604
Total ..	+ 28,591	+ 28,591

This sum of Rs. 28,591 has been arrived at as shown below, and which would show the cause for variation in the actual and estimated balances :—

	Rs.
The actual receipts in 1893–94	2,82,490
Do. expenditure in 1893–94	2,28,007
Balance ..	54,483
Deduct amount of wrong adjustments from land revenue to land-cess	26,858
Net balance ..	27,625
Add amount of credits subsequently given as per Accountant-General's alteration memorandum No. A.A.Z.—L. 25, dated 25th September 1894.	837 91 12 20 6
Total ..	28,591

For both receipts and expenditure the explanation for all variations is given in the remark column of the revised estimate as required in the Local Fund rules. The revised estimate closes with a *plus* balance of Rs. 27,485 and Rs. 6,736 under taluk and district boards respectively, against Rs. 8,630 and Rs. 310 estimated in the budget for 1894–95. These balances are taken credit for as opening balances for the year 1895–96.

BUDGET FOR 1895–96.

5. The statement appended below compares the budget for 1895–96 with the budget for 1894–95 :—

6. Particulars concerning the most important items of both receipts and expenditure provided for in the budget in the order in which they are given in the Local Fund rules are given below, the figures being also compared with those in the estimate for 1894–95.

Receipts.

7. (1) *Land-cess.*—The estimated receipts for 1895–96 are Rs. 1,77,830 against an estimate of Rs. 1,76,200 of 1894–95. The increase follows the increase of cultivation.

(2) *Tolls.*—Rs. 22,400 are expected to be realized under this head in 1895–96 against Rs. 22,430, the estimate of 1894–95. The decrease of Rs. 30 is due to the current year's amount of sale being Rs. 22,403. The toll fees are levied at half the maximum rates sanctioned in the schedule appended to the Madras Local Boards Act V of 1884.

(3) *House-tax.*—A sum of Rs. 17,590 is estimated as receipts under this item during the year 1895–96 against Rs. 10,560 of 1894–95. The increase is due to the rate of house-tax having been raised in some cases, and to the introduction of the levy of the same in other unions in which it was not levied during the current year.

The particulars of rates are given below :—

Names of Unions.	Rate in force in 1894–95.	Rate proposed for 1895–96.
Kamalapuram	1/3	1/3
Chennur	1/2	1/2
Patha Cuddapah	..	1/2
Proddatur	1/2	full
Jammalamadugu	1/3	1/3

Madanapalle	1/3	1/2
Vayalpad	1/3	1/2
Rayachoti	1/3	1/2
Kadiri	1/3	1/2
Piléru	1/3	1/2

The district board resolved, after considerable discussion, to raise the rates of house-tax as shown above, for which the sanction of Government will be solicited by a separate letter.

(4) *School-fees.*—Under this item Rs. 4,415 are expected to be realized against an estimate of Rs. 4,380 of 1894–95. The increase is due to the proposal to open some new schools.

(5) *Sale-proceeds of Books.*—Under this head Rs. 240 are provided against an estimate of Rs. 450 of 1894–95. The large decrease is due to the provision having been made with reference to Rs. 244, the actuals of 1893–94.

(6) *Sale of Medicines.*—Under this head Rs. 320 are expected to be realized against Rs. 270, the estimate of 1894–95. The increase is due to the greater appreciation of English medicines by the public.

(8) *Market Rents.*—Rupees 7,080 are expected to be realized under this head against Rs. 6,240, the estimate of the current year. The increase is due to the Madanapalle taluk board having provided a sum equal to the actuals of the year 1893–94, and the Proddatur taluk board having anticipated increase by keen competition as in the current year, and to expected receipts in Jammalamadugu market, and to the Siddhavattam taluk board having provided a sum almost equal to the amount of the actuals of the year 1893–94.

(9) *Bungalow-fees.*—Rupees 80 are expected to be realized under this head against Rs. 150, the estimate for the current year. The decrease is due to the transfer of the Gurramkonda travellers' bungalow to the charge of the Department of Public Works and to the actuals of the previous year having been adopted for other bungalows.

The district board resolved, after considerable discussion, to raise the rates of house-tax as shown above, for which the sanction of Government will be solicited by a separate letter.

(4) *School-fees.*—Under this item Rs. 4,415 are expected to be realized against an estimate of Rs. 4,380 of 1894–95. The increase is due to the proposal to open some new schools.

(5) *Sale-proceeds of Books.*—Under this head Rs. 240 are provided against an estimate of Rs. 450 of 1894–95. The large decrease is due to the provision having been made with reference to Rs. 244, the actuals of 1893–94.

(6) *Sale of Medicines.*—Under this head Rs. 320 are expected to be realized against Rs. 270, the estimate of 1894–95. The increase is due to the greater appreciation of English medicines by the public.

(8) *Market Rents.*—Rupees 7,080 are expected to be realized under this head against Rs. 6,240, the estimate of the current year. The increase is due to the Madanapalle taluk board having provided a sum equal to the actuals of the year 1893–94, and the Proddatur taluk board having anticipated increase by keen competition as in the current year, and to expected receipts in Jammalamadugu market, and to the Siddhavattam taluk board having provided a sum almost equal to the amount of the actuals of the year 1893–94.

(9) *Bungalow-fees.*—Rupees 80 are expected to be realized under this head against Rs. 150, the estimate for the current year. The decrease is due to the transfer of the Gurramkonda travellers' bungalow to the charge of the Department of Public Works and to the actuals of the previous year having been adopted for other bungalows.

(10) *Fees and Fines.*—Rupees 1,765 are provided under this head against Rs. 1,500 the estimate of the current year. This is a fluctuating item.

(11) *Ferry Rents.*—Rupees 1,970 are expected to be realized under this head against Rs. 1,440 the estimate of the current year. The increase is due to the expectation of competition at the sales in the same way as in the current year. The amount expected to be realized in the revised estimate is Rs. 1,976.

(12) *Fishery Rents.*—Rupees 440 are provided in the budget for 1895–96 against Rs. 180 of the current year. The actuals of 1893–94 are Rs. 418. The increase is attributed to the fact that several of the tanks under the Madanapalle taluk board received a large supply of water last year, and that some tanks were left out in the accounts of the previous year, which are added to the list of the current year by the Madanapalle taluk board.

(13) *Avenues.*—Rupees 4,160 are expected to be realized under this head during the year 1895–96 against an estimate of Rs. 2,850 of the current year. The sum expected to be realized during the current year as per revised estimate is Rupees 3,382. The actuals of the year 1893–94 are Rs. 4,209. The taluk board President, Madanapalle, states "I am convinced that with a little more interest shown in the conduct of the sales far larger sums can be realized than at present." In this district it has been the practice for many years to credit the whole of the receipts from avenues to the taluk board funds, notwithstanding the fact that the amounts are to be distributed between the taluk boards and district board according as the road belongs to the district or taluk board. I beg instructions as to whether these amounts are not liable to be credited against the respective boards to which the roads belong, in the same way as the expenditure is divided.

(14) *Contribution from Provincial Funds for Education.*—The amount expected to be realized under this head during 1895–96 is Rs. 2,705—more than Rs. 2,280, the estimate of the current year, but less than Rs. 2,915, the amount entered in the revised estimate of the current year.

(15) *Building Grants.*—Rupees 400 are provided for 1895–96 against Rs. 870 of the year 1894–95. This is the estimate which the taluk boards of Proddatur and Madanapalle framed.

(16) *Allotments from District to Taluk Funds.*—An allotment of Rs. 38,460 has been made to taluk boards to supplement their assets for 1895–96 against an estimate of Rs. 38,360 in 1894–95 so as to enable them to pay for permanent services, maintenance of such roads as require attention, &c., to meet the more pressing demands, and with a view to allow them reserve and balance.

This sum is divided among the several taluk boards as shown hereunder:—

Name of taluk board.	Amount sanctioned.
	Rs.
(1) Cuddapah	3,085
(2) Proddatur	10,930
(3) Siddhavattam	14,825
(4) Madanapalle	9,620
Total ..	38,460

The total assets under all heads come to Rs. 1,32,405 and Rs. 1,12,690 under taluk and district funds respectively, against Rs. 1,20,385 and Rs. 1,11,860 in 1894–95. In the column "actuals of the year 1893–94," the Accountant-General's audited figures furnished in his result statement on the audit of the supplemental local fund treasury account for March 1894 have been adopted, with the exception of the opening balances as stated above. In the column "estimate of 1894–95," the figures shown in the sanctioned budget—*vide* G.O., No. 540 L. (Local and Municipal), dated 19th March 1894—for 1894–95 have been adopted.

Expenditure.

8. *Grant I, Public Works—(a) New Works—Communications—(i) By the Local Fund Engineering Department.*—Under this head a sum of Rs. 7,025 is provided in the budget for 1895–96 against Rs. 800 the estimate of the current year. The large increase is due to the provision having been made for—

(1) The railway feeder from Yerragudipad railway station to Kokatum village—Rs. 4,210, debited to the district board.

(2) The railway feeder from Kalamalla railway station—Rs. 950, debited to Proddatur taluk board.

The remaining sum is allotted for village roads, and for constructing culverts on existing roads. Two railway feeder roads are being constructed this year and the two entered in this budget will complete the construction of all the feeder roads under correspondence, except the one from Siddhavattam to the so-called Siddhavattam railway station, about which I am addressing Government separately.

(ii) *Civil Buildings.*—Under this head Rs. 850 are provided in the budget for 1895–96 against Rs. 900 the estimate of the previous year. This provision is made for the construction of some salary-result schools.

(iii) *Miscellaneous Public Improvements.*—(1) Rupees 740 are provided under this head for 1895–96 against Rs. 1,200 for 1894–95 for constructing a slaughter-house in the compound of the Proddatur market as suggested by the Deputy Sanitary Commissioner in his letter No. 802-S., dated 4th April 1894, embodied in G.O., No. 796 L., dated 4th May 1894.

9. (*b*) *Repairs—Communications* (i)*—By the Local Fund Engineering Department.*—Rupees 76,600 are provided under this head for 1895–96 against Rs. 72,380 the estimate of the current year. Of this sum Rs. 69,815 have been provided from the general funds, which is less than the estimate of the current year. The reason for this decrease is that the Proddatur taluk board, while increasing the rates entered in the current year's budget has not increased them so as to absorb the full lump sum grant made by Government in the current budget. In the taluk boards of Cuddapah and Siddhavattam almost the current year's allotments are adopted. The Madanapalle taluk board, has made a provision of Rs. 20,285 under this head by increasing the rates of the more important roads and by making provision for the repairs of some roads which had fallen out of the current year's budget. But the general funds of the taluk board are not able to meet the entire cost of this increased provision, nor is the district board able to contribute so large an additional sum for a single taluk board. It is therefore resolved by the district board to provide the sum of Rs. 20,285 in the budget for next year, and to sanction Rs. 13,500, the amount equal to the current year's allotment from the general funds, and the remainder Rs. 6,785 from the endowment fund balance where a large sum of Rs. 11,243 appears as the balance. This allotment will still leave Rs. 4,458 available for the improvement of existing markets. As the taluk board has made no proposals for the spending of this large balance, I hope the district board's proposal will be sanctioned by Government.

(ii) *Civil Buildings.*—The same provision as in the current year has been made under this head for 1895–96. Hence no explanation is necessary.

(iii) *Miscellaneous Public Improvements.*—Under this head Rs. 2,600 are provided for 1895–96 against Rs. 1,500 the estimate of the current year. This sum is allotted towards the maintenance of avenues and for maintaining nurseries for plants not only for renewing the old and decayed trees along existing avenues, but also to plant up new ones. Under all other heads coming under Grant I, the same amounts as in the current year having been provided for next year, they are not repeated here. The total expenditure under Grant I is Rs. 1,09,305 against Rs. 98,270 the estimate of the current year. There can be no doubt that the allotments for repairs of roads have been cut down to the lowest possible limit, and that they ought to be increased if possible. The establishment charges are also very low for a district of the size of Cuddapah. We have only seven overseers for eleven revenue taluks and the Engineer is most anxious to have another overseer sanctioned, but the addition would raise the percentage of establishment charges a great deal too high.

10. *Grant II, Education*—(*a*) *Inspection.*—Under this head Rs. 4,100 are provided for 1895–96 against Rs. 3,600 the estimate of the current year. The increase is due to making provision for an additional inspecting schoolmaster on Rs. 30 *plus* the usual travelling allowances of his grade according to rules. The Director of Public Instruction having on more than one occasion reported that the present staff of inspecting schoolmasters is not sufficient, this additional hand is proposed to be entertained next year to further the progress of education.

(*b*) *Sessional Schools.*—Rs. 1,100 are provided under this head for 1895–96 against Rs. 960 in the current year. The increase is due to making an increased provision in the amount of stipends and to the addition of a peon and a sweeper on Rs. 3 to the staff of the school. The school will be located in four different places within the year for three months in each place. Ten pupils will be trained at each centre or forty within the year. The Educational Sub-Committee were most anxious to have a second sessional school, but the meeting refused to sanction it as the Director was quite satisfied with one.

(*c*) *Secondary Schools.*—Under salaries of masters, there is an increase of Rs. 120 in 1895–96 against an estimate of Rs. 1,670 of the current year, which is due to provision having been made for an additional teacher on Rs. 10 for the school at Proddatur. This is done at the recommendation of the Educational department. The Proddatur taluk board have reduced the provision under miscellaneous by Rs. 45 against an estimate of Rs. 150 of the current year.

(*d*) *Elementary Schools*—ii) *Salary-result System*—(*a*) *Salaries of Masters.*—Rs. 13,405 are provided under this head for 1895–96 against Rs. 12,370 the estimate of the current year. The increase is due to the following causes :—

	RS.
(1) There is an increased provision under Proddatur taluk board, because it is proposed by the taluk board at the recommendation of the Educational officer to open a Panchama school at Thondur and a Muhammadan school at Vempalle (Pulivendla taluk) and also to provide Rs. 12 against Pulivendla school in order to rectify the omission in printing the sanctioned budget for the current year	205
(2) There is an increased provision under Cuddapah taluk board by the addition of an assistant teacher on Rs. 5 per mensem to the school at Palagiri.	60
(3) There is an increased provision under Madanapalle taluk board made at the recommendation of the Educational authorities to open two schools at Kodavandlapalli and Tsakibanda to open three new Muhammadan schools at Maripad, Mahal and Kalakada, to increase the pay of the head and second masters of the salary-result school, Kotakota, from Rs. 8 to 10, and from Rs. 6 to 7, respectively, and that of the first assistant teacher of Kutagulla school from Rs. 6 to 7.	
Increased provision	765
	1,030

(*b*) The increases under results grants, miscellaneous and servants, &c., are due to the above reasons, viz., for house-rents to the newly proposed schools, for purchasing maps, books, furniture and miscellaneous charges, to provision having been made for the house-rent of the Jammalamadugu school, increased rent to Vempalle school, the building having undergone repairs recently, and for employing servants to the newly sanctioned schools.

11. *Lump allotment for Night Schools.*—Under this head a sum of Rs. 570 has been provided by the several taluk boards for the year 1895–96 against Rs. 830 of the current year. The reason for decreased provision is not given by the taluk boards.

Relieving Teachers.—In G.O., Mis. No 1343 L., dated 23rd July 1894, and Mis. No. 2205 L., dated 29th October 1894, Government were pleased to sanction the entertainment of a relieving teacher on Rs. 8 for the Cuddapah range; now another man is required for the Madanapalle range, and a provision of Rs. 200 under district board has been made to meet the cost of these two teachers.

(*e*) *Grants-in-Aid*—(1) *Salary Grants.*—A sum of Rs. 180 is provided under this head for 1895–96 against Rs. 200 of the current year by the Madanapalle taluk board. The taluk board President's letter giving cover to the budget does not state to what institutions this salary grant is intended, nor has he sent statement No. IV-B giving particulars of the same. He has been called upon to submit this statement, which will be submitted to Government on receipt from that officer.

(2) *Results Grants.*—A sum of Rs. 8,560 has been provided under this head for 1895–96 against Rs. 6,870 the estimate of the current year. The increase under this head is due to the requisition of the Director and of the Educational Sub-Committee. The taluk board Presidents say that the Director of Public Instruction urges on the boards to allot more funds so as to enable him to assign a reasonable proportion of the net cost for aided schools and to admit to the results list unaided and indigenous schools that may qualify for recognition and aid.

Building Grants.—Under this head Rs. 530 are provided for next year against Rs. 400 of the current year. These allotments are made by the taluk boards.

Miscellaneous and Furniture Grants.—A sum of Rs. 120 is provided under this head. In the current year no provision was made in the budget. Under other items coming under this grant the same provision as in the current year has been made, and they, therefore, call for no remarks. The total expenditure estimated under Grant II amounts to Rs. 40,170 against Rs. 35,240 of the current year.

12. *Grant III, Medical Services, &c.*—(*a*) *Hospitals and Dispensaries*—(2) *Medical Subordinates.*—Rupees 13,925 are provided under this head against Rs. 12,590. The increase is due to the—

(i) Establishment of a dispensary at Vayalpad with a Medical officer on Rs. 470 per annum.

(ii) Appointment of a third-class hospital assistant on Rs. 25 to assist the civil apothecary in charge of the Madanapalle dispensary, the Government not having sanctioned the appointment of a clerk and as the lady hospital assistant now in the Madanapalle hospital will be put in charge of a separate dispensary at Madanapalle for women and children.

(iii) Provision having been made under district board for the pay of the reserve hospital assistant, whose entertainment was sanctioned by the district board at their meeting held on 13th October 1894 and for which the sanction of Government was applied for in this office letter No. 1455, dated 23rd November 1894.

(iv) Salaries of Medical officers of certain dispensaries having had to be raised from 1st July next, as they will qualify for higher pay from that date.

(v) *Clerks and Servants.*—Rs. 5,290 are provided under this head against Rs. 4,600 of the current year. The increase is due to the—

	RS.
(1) Entertainment of three servants to the newly proposed dispensary at Vayalpad at a cost of Rs. 252 per annum..	252
(2) Entertainment of three servants to the female dispensary at Madanapalle	252
(3) Appointment of a nurse on Rs. 7 to the dispensary at Porumamilla	84
(4) Increasing the pay of the compounder of Chitvelu dispensary from Rs. 9 to 12	36
(5) Increasing the pay of the sweepers of the dispensaries at Chitvelu, Siddhavattam and Porumamilla by Rupee 1 each from Rs. 4 to 5	36
(6) Increased provision of Rs. 33 in the Kadiri dispensary (details not given by the taluk board President)	33
	693

(4) *Diet of patients.*—Rs. 1,090 are provided against Rs. 1,000 of the current year. The increase is due to provision having been made for diet of patients in the newly sanctioned dispensary at Vayalpad and the female dispensary at Madanapalle and to the small increases in the provision of some other dispensaries noted in column 31 of statement No. V.

13. *Medicines and Surgical Apparatus.*—The amount provided under this head is Rs. 4,700 against Rs. 3,100, the estimate of the current year. The increase is due to a sum of Rs. 300 having been provided for the newly sanctioned dispensary at Vayalpad, and the female dispensary at Madanapalle, and to the general increase in all the dispensaries due to English medicines costing more owing to the fall in exchange counterbalanced by a fall from Rs. 700 to Rs. 500 in the amount of Madanapalle male hospital owing to providing a separate dispensary for women.

(6) *Midwives.*—Under this item Rs. 965 are provided against Rs. 880 of the current year. In this sum of Rs. 880, a sum of Rs. 80, being the amount provided for results grants to midwives, is included. Deducting Rs. 80 from that sum, the net cost of salary of midwives is Rs. 800. In the year 1895–96, two more midwives on Rs. 7 each are proposed for the dispensary at Vayalpad and the female hospital at Madanapalle. Hence the increased provision of Rs. 965.

(7)—(11) Under midwifery pupils and Zillah Surgeon's establishment, the same amounts as in the current year are provided for 1895–96.

14. *Contingencies.*—The increase under this head as compared with that of the previous year is due to provision having been made for the house-rent, furniture and other sundry charges on account of the newly sanctioned dispensaries at Vayalpad and Madanapalle, and also to a sum of Rs. 50 having been provided under district board for contingencies of the reserve hospital assistant.

15. *Vaccination.*—Under this head a sum of Rs. 12,120 is provided for 1895–96 against the same figure in 1894–95. Though the provision is the same, the internal details of the department have to be revised. On the receipt of new census list of 1891, the vaccinators' sub-divisions were revised so as to allow each a population of about 40,000. Taking the births at 40 per mille per annum, this gives 1,600 births in each range. As each vaccinator is required to give a minimum of 100 cases a month, this allows a fair margin. In doing so, two second-class vaccinators' ranges were abolished. But their services will not be dispensed with. They are retained, attached to the offices of the Deputy Inspectors of Cuddapah and Sidhout ranges for being posted for any temporary and acting vacancies by leave, &c. After they secure permanent appointments, which will not take long in this district, their pay, Rs. 20, will be apportioned as follows :—

(1) Rs. 3 as an increase to the pay of P. Kurmiah Naidu, first-class vaccinator, Cuddapah range, who is recommended by the District Medical and Sanitary Officer as a deserving man for promotion, and (2) Rs. 16 by promoting eight deserving second-class vaccinators from Rs. 10 to Rs. 12.

I request the sanction of Government for this proposal.

16. *Sanitation.*—A sum of Rs. 18,835 is provided under this item for 1895–96 against Rs. 18,690 of the current year 1894–95. The net increase is only Rs. 145, which is very small. But if the details forming the sum of Rs. 18,835 are observed, the amounts which require any explanation at all are (1) increase in the allotment for village sites made by the Madanapalle board to carry out the suggestions of the District Medical and Sanitary Officer as far as their finances allow them to do; (2) increase in the allotment for scavengering establishment, which is due to increasing the pay of scavengers of certain villages where servants cannot be had for a salary of Rs. 2 and Rs. 3, and to revision of scavengering establishment in the unions of Kamalapuram, Chennur and Patha Cuddapah to a uniform scale; (3) increase in the provision under other sanitary outlay which is due to the increased provision under Proddatur taluk board for purchasing moveable dust-bins for Proddatur union, and also to make provision for constructing a latrine in Patha Cuddapah union.

Of the sum of Rs. 18,835, Rs. 14,170 will be spent on unions and the rest, Rs. 4,665, on sanitation purposes in villages other than unions.

Markets.—Under this head Rs. 50 are provided by the Siddhavattam taluk board. The Madanapalle taluk board has not made a provision of Rs. 50 as in the current year. Hence the next year's allotment under this head is Rs. 50 against Rs. 100 of the current year.

Choultries.—Under this head Rs. 15 are shown in excess of the estimate of Rs. 430 for the current year, which is due to increasing the pay of the servant of the Wontimitta choultry from Rs. 2 to Rs. 3 per mensem as he has more work to do.

(*f*) *Public Bungalows.*—The amount provided under this head is Rs. 205 against Rs. 200 of the current year. The net increase is due to making a provision of Rs. 50 by the Cuddapah taluk board for furniture to the Kamalapuram travellers' bungalow, and to the Madanapalle taluk board not having made a provision of Rs. 50 for the servant of the travellers' bungalow at Gurramkonda, which will be transferred to the charge of the Public Works Department as requested by them.

(*g*) *Contributions to* (i) *Provincial Services and* (iii) *Municipalities.*—Same figures as in the current year are provided for next year.

(*h*) *Miscellaneous—Lighting Charges.*—A sum of Rs. 2,160 is provided under this head for 1895–96 against Rs. 1,790 of the current year. The increase is due to (1) making a provision for putting up lights in Pulivendla union; (2) making a provision for more lights in the unions of Proddatur and Jammalamadugu; (3) making a provision for increasing the pay of lamp-lighters under Madanapalle board as persons will not come forward for less pay, and also to increase the lights.

The Siddhavattam and Cuddapah taluk boards do not give any reasons for increasing their allotments by Rs. 50 each. The total expenditure under Grant III thus comes to Rs. 67,825 against Rs. 62,790, the estimate of the current year.

17. *Grant IV, Miscellaneous—*(*a*) *Controlling Establishment at the Presidency.*—Under this head Rs. 1,760 are provided against Rs. 1,680 of the current year. The reason for the increase is due to provision having been made at ·64 per cent. on the actual receipts of 1893–94 as directed in G.O., dated 4th December 1894, No. 2527 L., Local and Municipal.

(*b*) (1) *District Audit Establishment.*—Rs. 1,550 are provided under this head against Rs. 1,450 of the current year. The increase is due to making a provision of Rs. 84 for an attender on Rs. 7 per mensem with a small provision for his travelling expenses to this office, as the audit clerk is being put to much inconvenience for want of a servant when he goes into camp to inspect the union and taluk board offices, to carry his office box, dufter, &c., and also to attend to other menial work when at head-quarters, which the clerks appear to do themselves now.

(2) *Account Establishment.*—Rupees 1,060 are provided under this head against Rs. 1,000 in the current year. The increase is due to provision having been made for an increase of Rs. 5 (from Rs. 35 to Rs. 40) to the pay of the first accountant as the Treasury Deputy Collector has strongly recommended the increase in consequence of his greater responsibility and extra work, as the whole work connected with various kinds of "deposits" of local fund money is transferred to him from Revenue department as per orders of the Accountant-General, and the work of reviewing the local audit clerk's inspection reports on the accounts of the several unions in the district has been given to him and on account of the increased number of vouchers which he has to deal with and the several monthly accounts, &c., which he has to prepare. As the pay of the local audit clerk was raised for the reason of increase in vouchers, &c., the Treasury Deputy Collector recommends that a similar increase be given to this officer for the same reason as also for the foregoing reasons, and the district board has accordingly sanctioned the increased provision, which I request the Government will be pleased to sanction.

(*c*) *Local Board's Office Establishment.*—A sum of Rs. 7,440 is provided under this head against Rs. 7,190 of the current year. The net increase is due to (1) revision of the union establishments in Cuddapah taluk board by the appointment of a clerk on Rs. 10, a bill collector on Rs. 6 and a masalchi on Rs. 3 to each of the unions of Kamalapuram and Chennur, and by the appointment of a clerk on Rs. 10 and a bill collector on Rs. 5 to the union at Patha Cuddapah sanctioned in G.O., dated 1st October 1894, No. 1933 L., Local and Municipal, which has commenced its working during the current year; (2) provision having been made for a bill collector on Rs. 5 to each of the unions at Chitvelu and Nandaluru where house-tax has been proposed to be levied; (3) provision having been made to increase the pay of the clerk

13. *Medicines and Surgical Apparatus.*—The amount provided under this head is Rs. 4,700 against Rs. 3,100, the estimate of the current year. The increase is due to a sum of Rs. 300 having been provided for the newly sanctioned dispensary at Vayalpad, and the female dispensary at Madanapalle, and to the general increase in all the dispensaries due to English medicines costing more owing to the fall in exchange counterbalanced by a fall from Rs. 700 to Rs. 500 in the amount of Madanapalle male hospital owing to providing a separate dispensary for women.

(6) *Midwives.*—Under this item Rs. 965 are provided against Rs. 880 of the current year. In this sum of Rs. 880, a sum of Rs. 80, being the amount provided for results grants to midwives, is included. Deducting Rs. 80 from that sum, the net cost of salary of midwives is Rs. 800. In the year 1895–96, two more midwives on Rs. 7 each are proposed for the dispensary at Vayalpad and the female hospital at Madanapalle. Hence the increased provision of Rs. 965.

(7)—(11) Under midwifery pupils and Zillah Surgeon's establishment, the same amounts as in the current year are provided for 1895–96.

14. *Contingencies.*—The increase under this head as compared with that of the previous year is due to provision having been made for the house-rent, furniture and other sundry charges on account of the newly sanctioned dispensaries at Vayalpad and Madanapalle, and also to a sum of Rs. 50 having been provided under district board for contingencies of the reserve hospital assistant.

15. *Vaccination.*—Under this head a sum of Rs. 12,120 is provided for 1895–96 against the same figure in 1894–95. Though the provision is the same, the internal details of the department have to be revised. On the receipt of new census list of 1891, the vaccinators' sub-divisions were revised so as to allow each a population of about 40,000. Taking the births at 40 per mille per annum, this gives 1,600 births in each range. As each vaccinator is required to give a minimum of 100 cases a month, this allows a fair margin. In doing so, two second-class vaccinators' ranges were abolished. But their services will not be dispensed with. They are retained, attached to the offices of the Deputy Inspectors of Cuddapah and Sidhout ranges for being posted for any temporary and acting vacancies by leave, &c. After they secure permanent appointments, which will not take long in this district, their pay, Rs. 20, will be apportioned as follows :—

(1) Rs. 3 as an increase to the pay of P. Kurmiah Naidu, first-class vaccinator, Cuddapah range, who is recommended by the District Medical and Sanitary Officer as a deserving man for promotion, and (2) Rs. 16 by promoting eight deserving second-class vaccinators from Rs. 10 to Rs. 12.

I request the sanction of Government for this proposal.

16. *Sanitation.*—A sum of Rs. 18,835 is provided under this item for 1895–96 against Rs. 18,690 of the current year 1894–95. The net increase is only Rs. 145, which is very small. But if the details forming the sum of Rs. 18,835 are observed, the amounts which require any explanation at all are (1) increase in the allotment for village sites made by the Madanapalle board to carry out the suggestions of the District Medical and Sanitary Officer as far as their finances allow them to do; (2) increase in the allotment for scavengering establishment, which is due to increasing the pay of scavengers of certain villages where servants cannot be had for a salary of Rs. 2 and Rs. 3, and to revision of scavengering establishment in the unions of Kamalapuram, Chennur and Patha Cuddapah to a uniform scale; (3) increase in the provision under other sanitary outlay which is due to the increased provision under Proddatur taluk board for purchasing moveable dust-bins for Proddatur union, and also to make provision for constructing a latrine in Patha Cuddapah union.

Of the sum of Rs. 18,835, Rs. 14,170 will be spent on unions and the rest, Rs. 4,665, on sanitation purposes in villages other than unions.

Markets.—Under this head Rs. 50 are provided by the Siddhavattam taluk board. The Madanapalle taluk board has not made a provision of Rs. 50 as in the current year. Hence the next year's allotment under this head is Rs. 50 against Rs. 100 of the current year.

Choultries.—Under this head Rs. 15 are shown in excess of the estimate of Rs. 430 for the current year, which is due to increasing the pay of the servant of the Wontimitta choultry from Rs. 2 to Rs. 3 per mensem as he has more work to do.

(*f*) *Public Bungalows.*—The amount provided under this head is Rs. 205 against Rs. 200 of the current year. The net increase is due to making a provision of Rs. 50 by the Cuddapah taluk board for furniture to the Kamalapuram travellers' bungalow, and to the Madanapalle taluk board not having made a provision of Rs. 50 for the servant of the travellers' bungalow at Gurramkonda, which will be transferred to the charge of the Public Works Department as requested by them.

(*g*) *Contributions to* (i) *Provincial Services and* (ii) *Municipalities.*—Same figures as in the current year are provided for next year.

(*h*) *Miscellaneous—Lighting Charges.*—A sum of Rs. 2,160 is provided under this head for 1895–96 against Rs. 1,790 of the current year. The increase is due to (1) making a provision for putting up lights in Pulivendla union; (2) making a provision for more lights in the unions of Proddatur and Jammalamadugu; (3) making a provision for increasing the pay of lamp-lighters under Madanapalle board as persons will not come forward for less pay, and also to increase the lights.

The Siddhavattam and Cuddapah taluk boards do not give any reasons for increasing their allotments by Rs. 50 each. The total expenditure under Grant III thus comes to Rs. 67,825 against Rs. 62,790, the estimate of the current year.

17. *Grant IV, Miscellaneous—*(*a*) *Controlling Establishment at the Presidency.*—Under this head Rs. 1,760 are provided against Rs. 1,680 of the current year. The reason for the increase is due to provision having been made at ·64 per cent. on the actual receipts of 1893–94 as directed in G.O., dated 4th December 1894, No. 2527 L., Local and Municipal.

(*b*) (1) *District Audit Establishment.*—Rs. 1,550 are provided under this head against Rs. 1,450 of the current year. The increase is due to making a provision of Rs. 84 for an attender on Rs. 7 per mensem with a small provision for his travelling expenses to this office, as the audit clerk is being put to much inconvenience for want of a servant when he goes into camp to inspect the union and taluk board offices, to carry his office box, dufter, &c., and also to attend to other menial work when at head-quarters, which the clerks appear to do themselves now.

(2) *Account Establishment.*—Rupees 1,060 are provided under this head against Rs. 1,000 in the current year. The increase is due to provision having been made for an increase of Rs. 5 (from Rs. 35 to Rs. 40) to the pay of the first accountant as the Treasury Deputy Collector has strongly recommended the increase in consequence of his greater responsibility and extra work, as the whole work connected with various kinds of "deposits" of local fund money is transferred to him from Revenue department as per orders of the Accountant-General, and the work of reviewing the local audit clerk's inspection reports on the accounts of the several unions in the district has been given to him and on account of the increased number of vouchers which he has to deal with and the several monthly accounts, &c., which he has to prepare. As the pay of the local audit clerk was raised for the reason of increase in vouchers, &c., the Treasury Deputy Collector recommends that a similar increase be given to this officer for the same reason as also for the foregoing reasons, and the district board has accordingly sanctioned the increased provision, which I request the Government will be pleased to sanction.

(*c*) *Local Board's Office Establishment.*—A sum of Rs. 7,440 is provided under this head against Rs. 7,190 of the current year. The net increase is due to (1) revision of the union establishments in Cuddapah taluk board by the appointment of a clerk on Rs. 10, a bill collector on Rs. 6 and a masalchi on Rs. 3 to each of the unions of Kamalapuram and Chennur, and by the appointment of a clerk on Rs. 10 and a bill collector on Rs. 5 to the union at Patha Cuddapah sanctioned in G.O., dated 1st October 1894, No. 1933 L., Local and Municipal, which has commenced its working during the current year; (2) provision having been made for a bill collector on Rs. 5 to each of the unions at Chitvelu and Nandaluru where house-tax has been proposed to be levied; (3) provision having been made to increase the pay of the clerk

and bill collector of the Proddatur union from Rs. 10 to Rs. 12 and Rs. 5 to Rs. 6, respectively, and also to the raising of pay from Rs. 7 to Rs 8 of the union clerk of Pulivendla union where house-tax has been proposed to be levied, and to raising the pay of the second clerk of the Proddatur taluk board's office from Rs. 12 to Rs. 14 as his salary is hardly sufficient for his maintenance. Under district board there is a decrease of Rs. 60 as compared with the estimate of the current year. The reason for the decrease is due to provision having been made to the pay of the third clerk at Rs. 20 instead of at Rs. 25, the third clerk drawing Rs. 25 having been promoted. This provision will be renewed when the present third clerk qualifies himself for the increase of pay. This allotment would further have been reduced by Rs. 60 owing to the death of M. Subbiah, second clerk, to whom a salary of Rs. 35 was sanctioned. After the death of the said Subbiah, a junior clerk of the office having been promoted he was paid salary at Rs. 30 per mensem as directed by Government. But this man has passed the Pleader's test and has been granted one year's leave. It is not likely that he will come back. Having found that an experienced second clerk is absolutely necessary for the office, I have appointed T. Kondal Row, Proddatur taluk board head clerk on Rs. 30, as second clerk of this office on Rs. 35 per mensem as he has a long service in the local fund department and has been drawing Rs. 30 for many years, and retained the provision of Rs. 35 in the budget on that account.

(*d*) *Contingencies.*—There are slight variations in the provision for the several items under this head as compared with the provision for the current year, and these variations call for no special remark as they are of a fluctuating nature.

(*e*) *Pensions—Contributions on account of Pensions and Leave Allowances to Clerks.*—A sum of Rs. 125 is provided under this head to pay from local funds the contributions due to Government for making the appointments of head clerk, district board's office, local fund first accountant in the Collector's office and the head clerk of the Proddatur taluk board's office pensionable as sanctioned in G.O., dated 16th August 1893, No. 1795 L.

The total expenditure under Grant IV amounts to Rs. 20,185 against Rs. 19,540 of the current year.

18. The total expenditure under all grants including reserve (which is 10 per cent. under taluk boards, Siddhavattam, Proddatur and Madanapalle, and less under Cuddapah taluk and district boards) and allotment of funds comes to Rs. 1,81,430 and Rs. 1,13,800 under district and taluk boards, respectively, leaving a closing balance of Rs. 16,920 and Rs. 5,625 under taluk and district boards, respectively; of this balance of Rs. 16,920, Rs. 2,255 appertain to unions and Rs. 8,045 to endowment leaving Rs. 6,620 as the general balance.

19. The budget has been approved by the district board at their meeting held on the 15th December 1894, and the copy of the proceedings passing the same is herewith submitted.

20. The proposition statements for all new proposals will be submitted later on duly countersigned by the Treasury Deputy Collector as required by rules.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 15th January 1895, No. 299.

I have the honour to state that I approve of the proposals of the Cuddapah District Board for the budget of 1895–96, subject to the following modifications:—

(i) Rupees 35 provided for a peon for the sessional school may be struck out, and the sweeping charges may be met from the contingent allowance of Rs. 45 put down under "miscellaneous."

(ii) The grant of Rs. 150 for which credit is taken under "building grants" by the Cuddapah Taluk Board, should be struck out, as it does not maintain any secondary school.

(iii) It is not known whether Kodavandlapalli and Tsakibanda are backward localities, or whether the schools proposed to be opened therein are intended for backward classes. If so, the provision made for them may stand.

From the President, Taluk Board, Madanapalle, dated 24th December 1894, No. 3321-M.T.B.

ABSTRACT.—Submitting statement IV-B giving particulars of salary grants provided in the budget for the year 1895–96.

From the President, District Board, Cuddapah, dated 8th February 1895, No. 110.

ABSTRACT.—Submitting a statement showing the proportion of income spent by each local board on the several sources during 1895–96 as called for in G.O., No. 1774, dated 11th September 1894.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 13th February 1895, No. 144.

I have the honour to state that the provision made in Grant III of the budget estimate of the District Board, Cuddapah, for the maintenance of the dispensaries for the year 1895–96, is sufficient with the exception of compensation for quarters to the medical subordinates, for which a sum of Rs. 540 should now be provided.

From Surgeon-Lieut.-Colonel W. G. KING, M.B., Acting Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 16th February 1895, No. 315-S.

With reference to the budget estimate of the Cuddapah District Board for 1895–96, I have the honour to state that I have no remarks to offer on the proposed expenditure on vaccination. The sanitary allotment (Rs. 18,835) is about the same as for the current year and is equal to 7·6 per cent. of the expected income. Of this sum, Rs. 14,170 will be spent on unions and the balance (Rs. 4,665) on other villages. Considering the large number of villages which are not unions, the proposed expenditure is far below requirements. For the improvement of water-supply, the trivial sum of Rs. 1,175 is set apart for the whole district.

2. Under the above circumstances, I am of opinion that the district board should be required, in consultation with the District Sanitary Officer, to provide for the correct protection of existing sources of water-supply, and the improvement of methods of night-soil scavengering which is particularly backward in this district. In view of the fact that the only outlay under Grant I upon buildings that can be said to have a sanitary purpose is for a slaughter-house at Proddatur, it is obvious the District Sanitary Officer will have much scope for making suggestions of utility.

From the President, District Board, Cuddapah, dated 17th February 1895, No. 142-D.B.

ABSTRACT.—Submitting the proposition statements promised in his letter giving cover to the budget for 1895–96.

REVISED ESTIMATE FOR 1894–95.

2. The current receipts and charges are now estimated at Rs. 2,37,290 and Rupees 2,31,660 respectively, against Rs. 2,32,240 and Rs. 2,38,370 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, school-fees and avenues, while the decrease in the charges which appears under Grant II and reserve is partly counterbalanced by an increase under Grant I. It is presumed that the additional allotments now provided under certain of the heads have been since sanctioned by the local boards concerned. Under contribution for controlling establishments at the Presidency, the budget provision of Rs. 1.680 should have been repeated. The balance to be carried forward to the ensuing year's budget will then be Rs. 34,300—Rs. 6,820 under district and Rs. 27,480 under taluk funds.

BUDGET ESTIMATE FOR 1895–96.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 2,45,100 against Rs. 2,37,293 in the revised estimate, the increase being chiefly under house-tax and avenues. The Government agrees with the President in considering that the receipts from avenues should be credited to the boards to which the expenditure on their maintenance is respectively debited. For the reason given by the Director of Public Instruction in clause (ii) of his letter read above, the building grant of Rs. 150 taken credit for from Provincial Funds by the Cuddapah Taluk Board will be struck out.

4. *Charges* (1).—The probable charges are put down at Rs. 2,56,770 against Rs. 2,31,580 in the revised estimate, the increase occurring under Grants I, II and III and Reserve.

(2) *Grant I.*—The proposal of the district board to allot Rs. 6,785 from the market fund balance for the maintenance of the roads under the Madanapalle Taluk Board is approved, on the understanding that the existing markets require no further improvements. Market funds should not be allotted for general purposes unless the needs of these institutions have been first provided for. It is observed that the Board has paid but little attention to the remark in paragraph 4 (1) of G.O., dated 6th October 1894, No. 1979 L., warning it that the communications under its charge should not be allowed to deteriorate for want of adequate maintenance grants. For the President states in paragraph 9 of his present letter that "there can be no doubt that the allotments for repairs of roads have been cut down to the lowest possible limit, and that they ought to be increased, if possible," and yet the allotment for these repairs is

only some Rs. 4,000 more than the sum provided in the budget for 1894–95. It is idle to urge that the financial embarrassment of the Board precludes the possibility of any increase, for funds have been found to enhance the allotments under Grants II and III by Rs. 10,000 and Rs. 4,000 over and above the actuals of 1891–92, while the assignment for repairs to communications is Rs. 23,000 less than it was in that year. The gross receipts in the two years are almost equal, and the remedy for the present condition of affairs lies in the Board's own hands. In the ensuing year it should consider with care the method in which the expenditure under the several grants may be adjusted more satisfactorily, and should draw up the budget for 1896–97 in such a way that the roads may be allotted a fair share of the Board's receipts. Any savings that may be possible under Grants II and III should as far as practicable be devoted to augmenting the allotments under Grant I. The estimated cost of the Local Fund Engineering establishment including contingencies amounts to 22 per cent. of the proposed outlay on public works. It is hoped that, when additional allotments are sanctioned in the course of the year, the cost will be within the prescribed limit of 20 per cent.

(3) *Grant II.*—The allotments for reserve and balance being less than the percentages required by the rules, and the provision for communications being admittedly inadequate, the provision under this grant cannot be increased to the extent proposed by the Board. The assignments for an additional Inspecting schoolmaster proposed in paragraph 10 (*a*) of the President's letter, for the increase in the sessional school stipends referred to in paragraph 10 (*b*), for an additional teacher in the school at Proddatur, for an assistant teacher on Rs. 5 per mensem for the primary school at Palagiri, the neccessity for which is not apparent, for the two new schools at Kodavandlapalli and Tsakibanda and for a relieving teacher on Rs. 8 per mensem for the Madanapalle range, for which a proposition statement has not been submitted, will be accordingly disallowed; the provision for results grants must also be reduced to rupees 7,560. The allotment for sessional schools will be reduced by Rs. 30, with reference to clause (*i*) of the Director's letter.

(4) *Grant III.*—The proposal to open dispensaries at Vayalpad and Madanapalle should form the subject of a separate communication containing full information as to their necessity. It is observed that the Madanapalle Taluk Board already spends over 24 per cent. of its general receipts upon medical relief, and has not sufficient funds to enable it to provide adequate maintenance grants for the roads in its charge. The entertainment of a nurse on Rs. 7 for the dispensary at Porumamilla, the increases in the pay of the sweepers in the dispensaries at Chitvelu, Siddhavattam and Porumamilla, and the increased provision of Rs. 33 under clerks and servants for the dispensary at Kadiri, cannot be sanctioned, as no reasons have been assigned for them. The provision for hospitals and dispensaries will be raised by Rs. 540 as recommended by the Surgeon-General in his letter read above. It should be remembered, however, that, under G.O., dated 24th January 1895, No. 154 L., a compensation of Rs. 5 per mensem is the maximum that can be allowed to each hospital assistant, and that such compensation need be granted only to hospital assistants who are Government servants. The revision of the vaccination establishment referred to in paragraph 15 of the President's first letter is approved, but it appears to Government that the minimum of cases fixed for each vaccinator is unduly low. It does not require the vaccinators to perform any re-vaccinations whatever. Were a higher minimum insisted upon, it is probable that the staff could be still further reduced. With reference to his remarks in paragraph 2 of his letter read above, the attention of the Sanitary Commissioner will be drawn to the facts that the allotments proposed for sanitation are larger than those in any of the past three years, and that the Board has not sufficient funds to provide the balance and reserve required by the rules. The proposition statements for the additions to, and alterations in, the scavenging establishments are sanctioned, with the exception of those relating to the establishments in the villages of Chinnamandam and Tsundupalle, the necessity for which has not been made out. It should be explained why it is proposed to dispense with the servant attached to the Vayalpad market. The proposed increase of the pay of the servant attached to the Wontimitta choultry from Rs. 2 to Rs. 3 is approved. The increase in the lighting charges proposed in paragraph 16 of the President's letter cannot be

approved. As the law stands at present these charges have to be met from the taxes imposed upon the people generally, and it is inexpedient that more of this money than is necessary should be spent for the exclusive benefit of that section of the people which resides in unions. Under contributions to provincial services for the Medical College, Sanitary Inspection and Medical Reserve Staff, the actuals of the previous year should have been repeated, as required in G.O., dated 2nd April 1887, No. 641 L. The provision of Rs. 30 for contribution to Provincial Funds on account of the cutlers' establishment will be struck out with reference to G.O., dated 18th January 1895, No. 97 L.

(5) *Grant IV.*—The contribution for controlling establishments at the Presidency will be reduced from Rs. 1,760 to Rs. 1,580 with reference to G.O., dated 4th December 1894, No. 2,527 L. The entertainment of an attender on Rs. 7 per mensem for the local audit establishment, the increases of Rs. 5 and Rs. 2 respectively to the salaries of the first accountant of the Local Fund account establishment and the second clerk of the Proddatur Taluk Board's office, and the alterations in the District Board's office establishment referred to in paragraph 17 of the President's first letter, are sanctioned.

5. *Reserve and Balance.*—Owing to want of funds only Rs. 19,290 or 8 per cent. of the estimated receipts, excluding those of the endowed institutions, have been provided under Reserve. The budget as revised by Government closes with a balance of Rs. 24,450 of which Rs. 2,740 appertain to unions and Rs. 8,050 to endowed institutions, leaving Rs. 13,660 or 5·8 per cent. of the receipts available for general purposes.

6. The President's letter has been very carelessly drawn up. Greater attention should be paid to this point in future. The President's attention will also be called to the correct method of spelling Siddhavattam laid down in G.O., dated 5th April 1893, No. 722 L.

Opening balance.—The revised estimate for 1894–95 opens with an actual *plus* balance of Rs. 26,987 and Rs. 1,604 in favour of the taluk and district boards, respectively, against Rs. 14,810 and Rs. 260, respectively, estimated for in the budget sanctioned by Government; but this balance of Rs. 26,987 + 1,604 = 28,591 does not tally with the balance advised by the Inspector of Local Fund Accounts in his result statement No. A.A.Z.—L. 25, dated 25th September 1894, because the Inspector of Local Fund Accounts has not made the necessary adjustments of credits and debits ordered in G.O., Mis. No. 1972 L., dated 7th September 1893. The particulars of the two sets of balances are given below :—

		Balances advised by the Inspector of Local Fund Accounts.	Balances arrived at after making adjustments of credits and debits.

For both receipts and expenditure the explanation for all variations is given in the remark column of the revised estimate as required in the Local Fund rules. The revised estimate closes with a *plus* balance of Rs. 27,485 and Rs. 6,736 under taluk and district boards respectively, against Rs. 8,630 and Rs. 310 estimated in the budget for 1894–95. These balances are taken credit for as opening balances for the year 1895–96.

BUDGET FOR 1895–96.

5. The statement appended below compares the budget for 1895–96 with the budget for 1894–95 :—

6. Particulars concerning the most important items of both receipts and expenditure provided for in the budget in the order in which they are given in the Local Fund rules are given below, the figures being also compared with those in the estimate for 1894–95.

Receipts.

7. (1) *Land-cess.*—The estimated receipts for 1895–96 are Rs. 1,77,830 against an estimate of Rs. 1,76,200 of 1894–95. The increase follows the increase of cultivation.

(2) *Tolls.*—Rs. 22,400 are expected to be realized under this head in 1895–96 against Rs. 22,430, the estimate of 1894–95. The decrease of Rs. 30 is due to the current year's amount of sale being Rs. 22,403. The toll fees are levied at half the maximum rates sanctioned in the schedule appended to the Madras Local Boards Act V of 1884.

(3) *House-tax.*—A sum of Rs. 17,590 is estimated as receipts under this item during the year 1895–96 against Rs. 10,560 of 1894–95. The increase is due to the rate of house-tax having been raised in some cases, and to the introduction of the levy of the same in other unions in which it was not levied during the current year.

The particulars of rates are given below :—

Names of Unions.	Rate in force in 1894–95.	Rate proposed for 1895–96.
Kamalapuram	⅓	⅓
Chennur	½	½
Patha Cuddapah	..	⅓
Proddatur	⅓	full
Jammalamadugu	⅓	⅔
Pulivendla	⅓	⅓
Vémpalle	½	½
Siddhavattam	⅓	⅓
Badvel	⅓	⅓
Porumamilla	⅓	⅓
Razampeta	⅔	⅔
Chitvelu	..	⅓
Nandaluru	..	⅔
Madanapalle	⅔	full
Vayalpad	⅓	⅔
Rayachoti	⅓	⅔
Kadiri	⅓	⅔
Piléru	⅓	⅔

The district board resolved, after considerable discussion, to raise the rates of house-tax as shown above, for which the sanction of Government will be solicited by a separate letter.

(4) *School-fees.*—Under this item Rs. 4,415 are expected to be realized against an estimate of Rs. 4,380 of 1894–95. The increase is due to the proposal to open some new schools.

(5) *Sale-proceeds of Books.*—Under this head Rs. 240 are provided against an estimate of Rs. 450 of 1894–95. The large decrease is due to the provision having been made with reference to Rs. 244, the actuals of 1893–94.

(6) *Sale of Medicines.*—Under this head Rs. 320 are expected to be realized against Rs. 270, the estimate of 1894–95. The increase is due to the greater appreciation of English medicines by the public.

(8) *Market Rents.*—Rupees 7,080 are expected to be realized under this head against Rs. 6,240, the estimate of the current year. The increase is due to the Madanapalle taluk board having provided a sum equal to the actuals of the year 1893–94, and the Proddatur taluk board having anticipated increase by keen competition as in the current year, and to expected receipts in Jammalamadugu market, and to the Siddhavattam taluk board having provided a sum almost equal to the amount of the actuals of the year 1893–94.

(9) *Bungalow-fees.*—Rupees 80 are expected to be realized under this head against Rs. 150, the estimate for the current year. The decrease is due to the transfer of the Gurramkonda travellers' bungalow to the charge of the Department of Public Works and to the actuals of the previous year having been adopted for other bungalows.

(10) *Fees and Fines.*—Rupees 1,765 are provided under this head against Rs. 1,500 the estimate of the current year. This is a fluctuating item.

(11) *Ferry Rents.*—Rupees 1,970 are expected to be realized under this head against Rs. 1,440 the estimate of the current year. The increase is due to the expectation of competition at the sales in the same way as in the current year. The amount expected to be realized in the revised estimate is Rs. 1,976.

(12) *Fishery Rents.*—Rupees 440 are provided in the budget for 1895–96 against Rs. 180 of the current year. The actuals of 1893–94 are Rs. 418. The increase is attributed to the fact that several of the tanks under the Madanapalle taluk board received a large supply of water last year, and that some tanks were left out in the accounts of the previous year, which are added to the list of the current year by the Madanapalle taluk board.

(13) *Avenues.*—Rupees 4,160 are expected to be realized under this head during the year 1895–96 against an estimate of Rs. 2,850 of the current year. The sum expected to be realized during the current year as per revised estimate is Rupees 3,382. The actuals of the year 1893–94 are Rs. 4,209. The taluk board President, Madanapalle, states "I am convinced that with a little more interest shown in the conduct of the sales far larger sums can be realized than at present." In this district it has been the practice for many years to credit the whole of the receipts from avenues to the taluk board funds, notwithstanding the fact that the amounts are to be distributed between the taluk boards and district board according as the road belongs to the district or taluk board. I beg instructions as to whether these amounts are not liable to be credited against the respective boards to which the roads belong, in the same way as the expenditure is divided.

(14) *Contribution from Provincial Funds for Education.*—The amount expected to be realized under this head during 1895–96 is Rs. 2,705—more than Rs. 2,280, the estimate of the current year, but less than Rs. 2,915, the amount entered in the revised estimate of the current year.

(15) *Building Grants.*—Rupees 400 are provided for 1895–96 against Rs. 870 of the year 1894–95. This is the estimate which the taluk boards of Proddatur and Madanapalle framed.

(16) *Allotments from District to Taluk Funds.*—An allotment of Rs. 38,460 has been made to taluk boards to supplement their assets for 1895–96 against an estimate of Rs. 38,360 in 1894–95 so as to enable them to pay for permanent services, maintenance of such roads as require attention, &c., to meet the more pressing demands, and with a view to allow them reserve and balance.

This sum is divided among the several taluk boards as shown hereunder:—

Name of taluk board.	Amount sanctioned.
	RS.
(1) Cuddapah	3,085
(2) Proddatur	10,930
(3) Siddhavattam	14,825
(4) Madanapalle	9,620
Total ..	38,460

The total assets under all heads come to Rs. 1,32,405 and Rs. 1,12,690 under taluk and district funds, respectively, against Rs. 1,20,385 and Rs. 1,11,860 in 1894–95. In the column "actuals of the year 1893–94," the Accountant-General's audited figures furnished in his result statement on the audit of the supplemental local fund treasury account for March 1894 have been adopted, with the exception of the opening balances as stated above. In the column "estimate of 1894–95," the figures shown in the sanctioned budget—*vide* G.O., No. 540 L. (Local and Municipal), dated 19th March 1894—for 1894–95 have been adopted.

Expenditure.

8. *Grant I, Public Works—(a) New Works—Communications—*(i) *By the Local Fund Engineering Department.*—Under this head a sum of Rs. 7,025 is provided in the budget for 1895–96 against Rs. 800 the estimate of the current year. The large increase is due to the provision having been made for—

(1) The railway feeder from Yerragudipad railway station to Kokatum village—Rs. 4,210, debited to the district board.

(2) The railway feeder from Kalamalla railway station—Rs. 950, debited to Proddatur taluk board.

The remaining sum is allotted for village roads, and for constructing culverts on existing roads. Two railway feeder roads are being constructed this year and the two entered in this budget will complete the construction of all the feeder roads under correspondence, except the one from Siddhavattam to the so-called Siddhavattam railway station, about which I am addressing Government separately.

(ii) *Civil Buildings.*—Under this head Rs. 850 are provided in the budget for 1895–96 against Rs. 900 the estimate of the previous year. This provision is made for the construction of some salary-result schools.

(iii) *Miscellaneous Public Improvements.*—(1) Rupees 740 are provided under this head for 1895–96 against Rs. 1,200 for 1894–95 for constructing a slaughter-house in the compound of the Proddatur market as suggested by the Deputy Sanitary Commissioner in his letter No. 802-S., dated 4th April 1894, embodied in G.O., No. 796 L., dated 4th May 1894.

9. (*b*) *Repairs—Communications* (i)—*By the Local Fund Engineering Department.*—Rupees 76,600 are provided under this head for 1895–96 against Rs. 72,380 the estimate of the current year. Of this sum Rs. 69,815 have been provided from the general funds, which is less than the estimate of the current year. The reason for this decrease is that the Proddatur taluk board, while increasing the rates entered in the current year's budget has not increased them so as to absorb the full lump sum grant made by Government in the current budget. In the taluk boards of Cuddapah and Siddhavattam almost the current year's allotments are adopted. The Madanapalle taluk board has made a provision of Rs. 20,285 under this head by increasing the rates of the more important roads and by making provision for the repairs of some roads which had fallen out of the current year's budget. But the general funds of the taluk board are not able to meet the entire cost of this increased provision, nor is the district board able to contribute so large an additional sum for a single taluk board. It is therefore resolved by the district board to provide the sum of Rs. 20,285 in the budget for next year, and to sanction Rs. 13,500, the amount equal to the current year's allotment from the general funds, and the remainder Rs. 6,785 from the endowment fund balance where a large sum of Rs. 11,243 appears as the balance. This allotment will still leave Rs. 4,458 available for the improvement of existing markets. As the taluk board has made no proposals for the spending of this large balance, I hope the district board's proposal will be sanctioned by Government.

(ii) *Civil Buildings.*—The same provision as in the current year has been made under this head for 1895–96. Hence no explanation is necessary.

(iii) *Miscellaneous Public Improvements.*—Under this head Rs. 2,600 are provided for 1895–96 against Rs. 1,500 the estimate of the current year. This sum is allotted towards the maintenance of avenues and for maintaining nurseries for plants not only for renewing the old and decayed trees along existing avenues, but also to plant up new ones. Under all other heads coming under Grant I, the same amounts as in the current year having been provided for next year, they are not repeated here. The total expenditure under Grant I is Rs. 1,09,305 against Rs. 98,270 the estimate of the current year. There can be no doubt that the allotments for repairs of roads have been cut down to the lowest possible limit, and that they ought to be increased if possible. The establishment charges are also very low for a district of the size of Cuddapah. We have only seven overseers for eleven revenue taluks and the Engineer is most anxious to have another overseer sanctioned, but the addition would raise the percentage of establishment charges a great deal too high.

10. *Grant II, Education*—(*a*) *Inspection.*—Under this head Rs. 4,100 are provided for 1895–96 against Rs. 3,600 the estimate of the current year. The increase is due to making provision for an additional inspecting schoolmaster on Rs. 30 *plus* the usual travelling allowances of his grade according to rules. The Director of Public Instruction having on more than one occasion reported that the present staff of inspecting schoolmasters is not sufficient, this additional hand is proposed to be entertained next year to further the progress of education.

(*b*) *Sessional Schools.*—Rs. 1,100 are provided under this head for 1895–96 against Rs. 960 in the current year. The increase is due to making an increased provision in the amount of stipends and to the addition of a peon and a sweeper on Rs. 3 to the staff of the school. The school will be located in four different places within the year for three months in each place. Ten pupils will be trained at each centre or forty within the year. The Educational Sub-Committee were most anxious to have a second sessional school, but the meeting refused to sanction it as the Director was quite satisfied with one.

(*c*) *Secondary Schools.*—Under salaries of masters, there is an increase of Rs. 120 in 1895–96 against an estimate of Rs. 1,670 of the current year, which is due to provision having been made for an additional teacher on Rs. 10 for the school at Proddatur. This is done at the recommendation of the Educational department. The Proddatur taluk board have reduced the provision under miscellaneous by Rs. 45 against an estimate of Rs. 150 of the current year.

(*d*) *Elementary Schools*—(ii) *Salary-result System*—(*a*) *Salaries of Masters.*—Rs. 13,405 are provided under this head for 1895–96 against Rs. 12,370 the estimate of the current year. The increase is due to the following causes :—

	Rs.
(1) There is an increased provision under Proddatur taluk board, because it is proposed by the taluk board at the recommendation of the Educational officer to open a Panchama school at Thondur and a Muhammadan school at Vempalle (Pulivendla taluk) and also to provide Rs. 12 against Pulivendla school in order to rectify the omission in printing the sanctioned budget for the current year	205
(2) There is an increased provision under Cuddapah taluk board by the addition of an assistant teacher on Rs. 5 per mensem to the school at Palagiri.	60
(3) There is an increased provision under Madanapalle taluk board made at the recommendation of the Educational authorities to open two schools at Kodavandlapalli and Tsakibanda to open three new Muhammadan schools at Maripad, Mahal and Kalakada, to increase the pay of the head and second masters of the salary-result school, Kotakota, from Rs. 8 to 10, and from Rs. 6 to 7, respectively, and that of the first assistant teacher of Kutagulla school from Rs. 6 to 7.	
Increased provision	765
	1,030

(*b*) The increases under results grants, miscellaneous and servants, &c., are due to the above reasons, viz., for house-rents to the newly proposed schools, for purchasing maps, books, furniture and miscellaneous charges, to provision having been made for the house-rent of the Jammalamadugu school, increased rent to Vempalle school, the building having undergone repairs recently, and for employing servants to the newly sanctioned schools.

11. *Lump allotment for Night Schools.*—Under this head a sum of Rs. 570 has been provided by the several taluk boards for the year 1895–96 against Rs. 830 of the current year. The reason for decreased provision is not given by the taluk boards.

Relieving Teachers.—In G.O., Mis. No. 1343 L., dated 23rd July 1894, and Mis. No. 2205 L., dated 29th October 1894, Government were pleased to sanction the entertainment of a relieving teacher on Rs. 8 for the Cuddapah range; now another man is required for the Madanapalle range, and a provision of Rs. 200 under district board has been made to meet the cost of these two teachers.

(*e*) *Grants-in-Aid*—(1) *Salary Grants.*—A sum of Rs. 180 is provided under this head for 1895–96 against Rs. 200 of the current year by the Madanapalle taluk board. The taluk board President's letter giving cover to the budget does not state to what institutions this salary grant is intended, nor has he sent statement No. IV-B giving particulars of the same. He has been called upon to submit this statement, which will be submitted to Government on receipt from that officer.

(2) *Results Grants.*—A sum of Rs. 8,560 has been provided under this head for 1895–96 against Rs. 6,870 the estimate of the current year. The increase under this head is due to the requisition of the Director and of the Educational Sub-Committee. The taluk board Presidents say that the Director of Public Instruction urges on the boards to allot more funds so as to enable him to assign a reasonable proportion of the net cost for aided schools and to admit to the results list unaided and indigenous schools that may qualify for recognition and aid.

Building Grants.—Under this head Rs. 530 are provided for next year against Rs. 400 of the current year. These allotments are made by the taluk boards.

Miscellaneous and Furniture Grants.—A sum of Rs. 120 is provided under this head. In the current year no provision was made in the budget. Under other items coming under this grant the same provision as in the current year has been made, and they, therefore, call for no remarks. The total expenditure estimated under Grant II amounts to Rs. 40,170 against Rs. 35,240 of the current year.

12. *Grant III, Medical Services, &c.*—(*a*) *Hospitals and Dispensaries*—(2) *Medical Subordinates.*—Rupees 13,925 are provided under this head against Rs. 12,590. The increase is due to the—

(i) Establishment of a dispensary at Vayalpad with a Medical officer on Rs. 470 per annum.

(ii) Appointment of a third-class hospital assistant on Rs. 25 to assist the civil apothecary in charge of the Madanapalle dispensary, the Government not having sanctioned the appointment of a clerk and as the lady hospital assistant now in the Madanapalle hospital will be put in charge of a separate dispensary at Madanapalle for women and children.

(iii) Provision having been made under district board for the pay of the reserve hospital assistant, whose entertainment was sanctioned by the district board at their meeting held on 13th October 1894 and for which the sanction of Government was applied for in this office letter No. 1455, dated 23rd November 1894.

(iv) Salaries of Medical officers of certain dispensaries having had to be raised from 1st July next, as they will qualify for higher pay from that date.

(v) *Clerks and Servants.*—Rs. 5,290 are provided under this head against Rs. 4,600 of the current year. The increase is due to the—

	Rs.
(1) Entertainment of three servants to the newly proposed dispensary at Vayalpad at a cost of Rs. 252 per annum..	252
(2) Entertainment of three servants to the female dispensary at Madanapalle	252
(3) Appointment of a nurse on Rs. 7 to the dispensary at Porumamilla	84
(4) Increasing the pay of the compounder of Chitvelu dispensary from Rs. 9 to 12	36
(5) Increasing the pay of the sweepers of the dispensaries at Chitvelu, Siddhavattam and Porumamilla by Rupee 1 each from Rs. 4 to 5	36
(6) Increased provision of Rs. 33 in the Kadiri dispensary (details not given by the taluk board President)	33
	693

(4) *Diet of patients.*—Rs. 1,090 are provided against Rs. 1,000 of the current year. The increase is due to provision having been made for diet of patients in the newly sanctioned dispensary at Vayalpad and the female dispensary at Madanapalle and to the small increases in the provision of some other dispensaries noted in column 31 of statement No. V.

13. *Medicines and Surgical Apparatus.*—The amount provided under this head is Rs. 4,700 against Rs. 3,100, the estimate of the current year. The increase is due to a sum of Rs. 300 having been provided for the newly sanctioned dispensary at Vayalpad and the female dispensary at Madanapalle, and to the general increase in all the dispensaries due to English medicines costing more owing to the fall in exchange counterbalanced by a fall from Rs. 700 to Rs. 500 in the amount of Madanapalle male hospital owing to providing a separate dispensary for women.

(6) *Midwives.*—Under this item Rs. 965 are provided against Rs. 880 of the current year. In this sum of Rs. 880, a sum of Rs. 80, being the amount provided for results grants to midwives, is included. Deducting Rs. 80 from that sum, the net cost of salary of midwives is Rs. 800. In the year 1895–96, two more midwives on Rs. 7 each are proposed for the dispensary at Vayalpad and the female hospital at Madanapalle. Hence the increased provision of Rs. 965.

(7)—(11) Under midwifery pupils and Zillah Surgeon's establishment, the same amounts as in the current year are provided for 1895–96.

14. *Contingencies.*—The increase under this head as compared with that of the previous year is due to provision having been made for the house-rent, furniture and other sundry charges on account of the newly sanctioned dispensaries at Vayalpad and Madanapalle, and also to a sum of Rs. 50 having been provided under district board for contingencies of the reserve hospital assistant.

15. *Vaccination.*—Under this head a sum of Rs. 12,120 is provided for 1895–96 against the same figure in 1894–95. Though the provision is the same, the internal details of the department have to be revised. On the receipt of new census list of 1891, the vaccinators' sub-divisions were revised so as to allow each a population of about 40,000. Taking the births at 40 per mille per annum, this gives 1,600 births in each range. As each vaccinator is required to give a minimum of 100 cases a month, this allows a fair margin. In doing so, two second-class vaccinators' ranges were abolished. But their services will not be dispensed with. They are retained, attached to the offices of the Deputy Inspectors of Cuddapah and Sidhout ranges for being posted for any temporary and acting vacancies by leave, &c. After they secure permanent appointments, which will not take long in this district, their pay, Rs. 20, will be apportioned as follows :—

(1) Rs. 3 as an increase to the pay of P. Kurmiah Naidu, first-class vaccinator, Cuddapah range, who is recommended by the District Medical and Sanitary Officer as a deserving man for promotion, and (2) Rs. 16 by promoting eight deserving second-class vaccinators from Rs. 10 to Rs. 12.

I request the sanction of Government for this proposal.

16. *Sanitation.*—A sum of Rs. 18,835 is provided under this item for 1895–96 against Rs. 18,690 of the current year 1894–95. The net increase is only Rs. 145, which is very small. But if the details forming the sum of Rs. 18,835 are observed, the amounts which require any explanation at all are (1) increase in the allotment for village sites made by the Madanapalle board to carry out the suggestions of the District Medical and Sanitary Officer as far as their finances allow them to do; (2) increase in the allotment for scavengering establishment, which is due to increasing the pay of scavengers of certain villages where servants cannot be had for a salary of Rs. 2 and Rs. 3, and to revision of scavengering establishment in the unions of Kamalapuram, Chennur and Patha Cuddapah to a uniform scale ; (3) increase in the provision under other sanitary outlay which is due to the increased provision under Proddatur taluk board for purchasing moveable dust-bins for Proddatur union, and also to make provision for constructing a latrine in Patha Cuddapah union.

Of the sum of Rs. 18,835, Rs. 14,170 will be spent on unions and the rest, Rs. 4,665, on sanitation purposes in villages other than unions.

Markets.—Under this head Rs. 50 are provided by the Siddhavattam taluk board. The Madanapalle taluk board has not made a provision of Rs. 50 as in the current year. Hence the next year's allotment under this head is Rs. 50 against Rs. 100 of the current year.

Choultries.—Under this head Rs. 15 are shown in excess of the estimate of Rs. 430 for the current year, which is due to increasing the pay of the servant of the Wontimitta choultry from Rs. 2 to Rs. 3 per mensem as he has more work to do.

(*f*) *Public Bungalows.*—The amount provided under this head is Rs. 205 against Rs. 200 of the current year. The net increase is due to making a provision of Rs. 50 by the Cuddapah taluk board for furniture to the Kamalapuram travellers' bungalow, and to the Madanapalle taluk board not having made a provision of Rs. 50 for the servant of the travellers' bungalow at Gurramkonda, which will be transferred to the charge of the Public Works Department as requested by them.

(*g*) *Contributions to* (i) *Provincial Services and* (ii) *Municipalities.*—Same figures as in the current year are provided for next year.

(*h*) *Miscellaneous—Lighting Charges.*—A sum of Rs. 2,160 is provided under this head for 1895–96 against Rs. 1,790 of the current year. The increase is due to (1) making a provision for putting up lights in Pulivendla union ; (2) making a provision for more lights in the unions of Proddatur and Jammalamadugu ; (3) making a provision for increasing the pay of lamp-lighters under Madanapalle board as persons will not come forward for less pay, and also to increase the lights.

The Siddhavattam and Cuddapah taluk boards do not give any reasons for increasing their allotments by Rs. 50 each. The total expenditure under Grant III thus comes to Rs. 67,825 against Rs. 62,790, the estimate of the current year.

17. *Grant IV, Miscellaneous*—(*a*) *Controlling Establishment at the Presidency.*—Under this head Rs. 1,760 are provided against Rs. 1,680 of the current year. The reason for the increase is due to provision having been made at ·64 per cent. on the actual receipts of 1893–94 as directed in G.O., dated 4th December 1894, No. 2527 L., Local and Municipal.

(*b*) (1) *District Audit Establishment.*—Rs. 1,550 are provided under this head against Rs. 1,450 of the current year. The increase is due to making a provision of Rs. 84 for an attender on Rs. 7 per mensem with a small provision for his travelling expenses to this office, as the audit clerk is being put to much inconvenience for want of a servant when he goes into camp to inspect the union and taluk board offices, to carry his office box, dufter, &c., and also to attend to other menial work when at head-quarters, which the clerks appear to do themselves now.

(2) *Account Establishment.*—Rupees 1,060 are provided under this head against Rs. 1,000 in the current year. The increase is due to provision having been made for an increase of Rs. 5 (from Rs. 35 to Rs. 40) to the pay of the first accountant as the Treasury Deputy Collector has strongly recommended the increase in consequence of his greater responsibility and extra work, as the whole work connected with various kinds of " deposits " of local fund money is transferred to him from Revenue department as per orders of the Accountant-General, and the work of reviewing the local audit clerk's inspection reports on the accounts of the several unions in the district has been given to him and on account of the increased number of vouchers which he has to deal with and the several monthly accounts, &c., which he has to prepare. As the pay of the local audit clerk was raised for the reason of increase in vouchers, &c., the Treasury Deputy Collector recommends that a similar increase be given to this officer for the same reason as also for the foregoing reasons, and the district board has accordingly sanctioned the increased provision, which I request the Government will be pleased to sanction.

(*c*) *Local Board's Office Establishment.*—A sum of Rs. 7,440 is provided under this head against Rs. 7,190 of the current year. The net increase is due to (1) revision of the union establishments in Cuddapah taluk board by the appointment of a clerk on Rs. 10, a bill collector on Rs. 6 and a masalchi on Rs. 3 to each of the unions of Kamalapuram and Chennur, and by the appointment of a clerk on Rs. 10 and a bill collector on Rs. 5 to the union at Patha Cuddapah sanctioned in G.O., dated 1st October 1894, No. 1933 L., Local and Municipal, which has commenced its working during the current year ; (2) provision having been made for a bill collector on Rs. 5 to each of the unions at Chitvelu and Nandaluru where house-tax has been proposed to be levied ; (3) provision having been made to increase the pay of the clerk

and bill collector of the Proddatur union from Rs. 10 to Rs. 12 and Rs. 5 to Rs. 6, respectively, and also to the raising of pay from Rs. 7 to Rs 8 of the union clerk of Pulivendla union where house-tax has been proposed to be levied, and to raising the pay of the second clerk of the Proddatur taluk board's office from Rs. 12 to Rs. 14 as his salary is hardly sufficient for his maintenance. Under district board there is a decrease of Rs. 60 as compared with the estimate of the current year. The reason for the decrease is due to provision having been made to the pay of the third clerk at Rs. 20 instead of at Rs. 25, the third clerk drawing Rs. 25 having been promoted. This provision will be renewed when the present third clerk qualifies himself for the increase of pay. This allotment would further have been reduced by Rs. 60 owing to the death of M. Subbiah, second clerk, to whom a salary of Rs. 35 was sanctioned. After the death of the said Subbiah, a junior clerk of the office having been promoted he was paid salary at Rs. 30 per mensem as directed by Government. But this man has passed the Pleader's test and has been granted one year's leave. It is not likely that he will come back. Having found that an experienced second clerk is absolutely necessary for the office, I have appointed T. Kondal Row, Proddatur taluk board head clerk on Rs. 30, as second clerk of this office on Rs. 35 per mensem as he has a long service in the local fund department and has been drawing Rs. 30 for many years, and retained the provision of Rs. 35 in the budget on that account.

(*d*) *Contingencies.*—There are slight variations in the provision for the several items under this head as compared with the provision for the current year, and these variations call for no special remark as they are of a fluctuating nature.

(*e*) *Pensions—Contributions on account of Pensions and Leave Allowances to Clerks.*—A sum of Rs. 125 is provided under this head to pay from local funds the contributions due to Government for making the appointments of head clerk, district board's office, local fund first accountant in the Collector's office and the head clerk of the Proddatur taluk board's office pensionable as sanctioned in G.O., dated 16th August 1893, No. 1795 L.

The total expenditure under Grant IV amounts to Rs. 20,185 against Rs. 19,540 of the current year.

18. The total expenditure under all grants including reserve (which is 10 per cent. under taluk boards, Siddhavattam, Proddatur and Madanapalle, and less under Cuddapah taluk and district boards) and allotment of funds comes to Rs. 1,81,430 and Rs. 1,13,800 under district and taluk boards, respectively, leaving a closing balance of Rs. 16,920 and Rs. 5,625 under taluk and district boards, respectively; of this balance of Rs. 16,920, Rs. 2,255 appertain to unions and Rs. 8,045 to endowment leaving Rs. 6,620 as the general balance.

19. The budget has been approved by the district board at their meeting held on the 15th December 1894, and the copy of the proceedings passing the same is herewith submitted.

20. The proposition statements for all new proposals will be submitted later on duly countersigned by the Treasury Deputy Collector as required by rules.

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 15th January 1895, No. 299.

I have the honour to state that I approve of the proposals of the Cuddapah District Board for the budget of 1895–96, subject to the following modifications:—

(i) Rupees 35 provided for a peon for the sessional school may be struck out, and the sweeping charges may be met from the contingent allowance of Rs. 45 put down under "miscellaneous."

(ii) The grant of Rs. 150 for which credit is taken under "building grants" by the Cuddapah Taluk Board, should be struck out, as it does not maintain any secondary school.

(iii) It is not known whether Kodavandlapalli and Tsakibanda are backward localities, or whether the schools proposed to be opened therein are intended for backward classes. If so, the provision made for them may stand.

From the President, District Board, Cuddapah, dated 29th January 1895, No. 55-D.B.

ABSTRACT.—Submitting statement IV-B giving particulars of salary grants provided in the budget for the year 1895–96.

From the President, District Board, Cuddapah, dated 8th February 1895, No. 110.

ABSTRACT.—Submitting a statement showing the proportion of income spent by each local board on the several services during 1895–96 as called for in G.O., No. 1774, dated 11th September 1894.

From Surgeon-Major-General C. SIBTHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Madras, 13th February 1895, No. 144.

I have the honour to state that the provision made in Grant III of the budget estimate of the District Board, Cuddapah, for the maintenance of the dispensaries for the year 1895–96, is sufficient with the exception of compensation for quarters to the medical subordinates, for which a sum of Rs. 540 should now be provided.

From Surgeon-Lieut.-Colonel W. G. KING, M.B., Acting Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated Fort St. George, 16th February 1895, No. 315-S.

With reference to the budget estimate of the Cuddapah District Board for 1895–96, I have the honour to state that I have no remarks to offer on the proposed expenditure on vaccination. The sanitary allotment (Rs. 18,835) is about the same as for the current year and is equal to 7·6 per cent. of the expected income. Of this sum, Rs. 14,170 will be spent on unions and the balance (Rs. 4,665) on other villages. Considering the large number of villages which are not unions, the proposed expenditure is far below requirements. For the improvement of water-supply, the trivial sum of Rs. 1,175 is set apart for the whole district.

2. Under the above circumstances, I am of opinion that the district board should be required, in consultation with the District Sanitary Officer, to provide for the correct protection of existing sources of water-supply, and the improvement of methods of night-soil scavengering which is particularly backward in this district. In view of the fact that the only outlay under Grant I upon buildings that can be said to have a sanitary purpose is for a slaughter-house at Proddatur, it is obvious the District Sanitary Officer will have much scope for making suggestions of utility.

From the President, District Board, Cuddapah, dated 17th February 1895, No. 142-D.B.

ABSTRACT.—Submitting the proposition statements promised in his letter giving cover to the budget for 1895–96.

REVISED ESTIMATE FOR 1894–95.

2. The current receipts and charges are now estimated at Rs. 2,37,290 and Rupees 2,31,660, respectively, against Rs. 2,32,240 and Rs. 2,38,370 anticipated in the sanctioned budget. The increase in the receipts occurs chiefly under land-cess, school-fees and avenues, while the decrease in the charges which appears under Grant II and reserve is partly counterbalanced by an increase under Grant I. It is presumed that the additional allotments now provided under certain of the heads have been since sanctioned by the local boards concerned. Under contribution for controlling establishments at the Presidency the budget provision of Rs. 1.680 should have been repeated. The balance to be carried forward to the ensuing year's budget will then be Rs. 34,300—Rs. 6,820 under district and Rs. 27,480 under taluk funds.

BUDGET ESTIMATE FOR 1895–96.

3. *Receipts.*—The receipts for the ensuing year are placed at Rs. 2,45,100 against Rs. 2,37,293 in the revised estimate, the increase being chiefly under house-tax and avenues. The Government agrees with the President in considering that the receipts from avenues should be credited to the boards to which the expenditure on their maintenance is respectively debited. For the reason given by the Director of Public Instruction in clause (ii) of his letter read above, the building grant of Rs. 150 taken credit for from Provincial Funds by the Cuddapah Taluk Board will be struck out.

4. *Charges* (1).—The probable charges are put down at Rs. 2,56,770 against Rs. 2,31,580 in the revised estimate, the increase occurring under Grants I, II and III, and Reserve.

(2) *Grant I.*—The proposal of the district board to allot Rs. 6,785 from the market fund balance for the maintenance of the roads under the Madanapalle Taluk Board is approved, on the understanding that the existing markets require no further improvements. Market funds should not be allotted for general purposes unless the needs of these institutions have been first provided for. It is observed that the Board has paid but little attention to the remark in paragraph 4 (1) of G.O., dated 6th October 1894, No. 1979 L., warning it that the communications under its charge should not be allowed to deteriorate for want of adequate maintenance grants. For the President states in paragraph 9 of his present letter that "there can be no doubt that the allotments for repairs of roads have been cut down to the lowest possible limit, and that they ought to be increased if possible", and yet the allotment for these repairs is

only some Rs. 4,000 more than the sum provided in the budget for 1894–95. It is idle to urge that the financial embarrassment of the Board precludes the possibility of any increase, for funds have been found to enhance the allotments under Grants II and III by Rs. 10,000 and Rs. 4,000 over and above the actuals of 1891–92, while the assignment for repairs to communications is Rs. 23,000 less than it was in that year. The gross receipts in the two years are almost equal, and the remedy for the present condition of affairs lies in the Board's own hands. In the ensuing year it should consider with care the method in which the expenditure under the several grants may be adjusted more satisfactorily, and should draw up the budget for 1896–97 in such a way that the roads may be allotted a fair share of the Board's receipts. Any savings that may be possible under Grants II and III should as far as practicable be devoted to augmenting the allotments under Grant I. The estimated cost of the Local Fund Engineering establishment, including contingencies, amounts to 22 per cent. of the proposed outlay on public works. It is hoped that, when additional allotments are sanctioned in the course of the year, the cost will be within the prescribed limit of 20 per cent.

(3) *Grant II.*—The allotments for reserve and balance being less than the percentages required by the rules, and the provision for communications being admittedly inadequate, the provision under this grant cannot be increased to the extent proposed by the Board. The assignments for an additional Inspecting schoolmaster proposed in paragraph 10 (*a*) of the President's letter, for the increase in the sessional school stipends referred to in paragraph 10 (*b*), for an additional teacher in the school at Proddatur, for an assistant teacher on Rs. 5 per mensem for the primary school at Palagiri the neccessity for which is not apparent, for the two new schools at Kodavandlapalli and Tsakibanda, and for a relieving teacher on Rs. 8 per mensem for the Madanapalle range for which a proposition statement has not been submitted, will be accordingly disallowed. The provision for results grants must also be reduced to rupees 7,560. The allotment for sessional schools will be reduced by Rs. 30 with reference to clause (i) of the Director's letter.

(4) *Grant III.*—The proposal to open dispensaries at Vayalpad and Madanapalle should form the subject of a separate communication containing full information as to their necessity. It is observed that the Madanapalle Taluk Board already spends over 24 per cent. of its general receipts upon medical relief, and has not sufficient funds to enable it to provide adequate maintenance grants for the roads in its charge. The entertainment of a nurse on Rs. 7 for the dispensary at Porumamilla, the increases in the pay of the sweepers in the dispensaries at Chitvelu, Siddhavattam and Porumamilla and the increased provision of Rs. 33 under clerks and servants for the dispensary at Kadiri, cannot be sanctioned as no reasons have been assigned for them. The provision for hospitals and dispensaries will be raised by Rs. 540 as recommended by the Surgeon-General in his letter read above. It should be remembered, however, that under G.O., dated 24th January 1895, No. 154 L., a compensation of Rs. 5 per mensem is the maximum that can be allowed to each hospital assistant, and that such compensation need be granted only to hospital assistants who are Government servants. The revision of the vaccination establishment referred to in paragraph 15 of the President's first letter is approved, but it appears to Government that the minimum of cases fixed for each vaccinator is unduly low. It does not require the vaccinators to perform any re-vaccinations whatever. Were a higher minimum insisted upon, it is probable that the staff could be still further reduced. With reference to his remarks in paragraph 2 of his letter read above the attention of the Sanitary Commissioner will be drawn to the facts that the allotments proposed for sanitation are larger than those in any of the past three years, and that the Board has not sufficient funds to provide the balance and reserve required by the rules. The proposition statements for the additions to, and alterations in the scavenging establishments are sanctioned, with the exception of those relating to the establishments in the villages of Chinnamandam and Tsundupalle the necessity for which has not been made out. It should be explained why it is proposed to dispense with the servant attached to the Vayalpad market. The proposed increase of the pay of the servant attached to the Wontimitta choultry from Rs. 2 to Rs. 3 is approved. The increase in the lighting charges proposed in paragraph 16 of the President's letter cannot be

approved. As the law stands at present these charges have to be met from the taxes imposed upon the people generally, and it is inexpedient that more of this money than is necessary should be spent for the exclusive benefit of that section of the population which resides in unions. Under contributions to provincial services for the Medical College, Sanitary Inspection and Medical Reserve Staff, the actuals of the previous year should have been repeated as required in G.O., dated 2nd April 1887, No. 641 L. The provision of Rs. 30 for contribution to Provincial Funds on account of the cutlers' establishment will be struck out with reference to G.O., dated 18th January 1895, No. 97 L.

(5) *Grant IV.*—The contribution for controlling establishments at the Presidency will be reduced from Rs. 1,760 to Rs. 1,580 with reference to G.O., dated 4th December 1894, No. 2,527 L. The entertainment of an attender on Rs. 7 per mensem for the local audit establishment, the increases of Rs. 5 and Rs. 2 respectively to the salaries of the first accountant of the Local Fund account establishment and the second clerk of the Proddatur Taluk Board's office and the alterations in the District Board's office establishment, referred to in paragraph 17 of the President's first letter are sanctioned.

5. *Reserve and Balance.*—Owing to want of funds only Rs. 19,290 or 8 per cent. of the estimated receipts, excluding those of the endowed institutions, have been provided under Reserve. The budget as revised by Government closes with a balance of Rs. 24,450, of which Rs. 2,740 appertain to unions and Rs. 8,050 to endowed institutions, leaving Rs. 13,660 or 5·8 per cent. of the receipts available for general purposes.

6. The President's letter has been very carelessly drawn up. Greater attention should be paid to this point in future. The President's attention will also be called to the correct method of spelling Siddhavattam laid down in G.O., dated 5th April 1893, No. 722 L.
