I beg to acknowledge [illegible] letter of this day and in reply to state that I did not, nor dea[illegible] of my officers by my Orders, break open one of the apartments of the House No. 37 in Cundapah Chittys Street as therein alleged, but, I merely seized and took away therefrom certain personal property pointed out to me by the Defendant, through her Attorney, as being the Property of Vissanka Narrainsawmy Naidoo deceased and liable to be taken in Execution under the Writ issued herein.

The said House No. 37 in Cundapah Chittys Street seized under the said Writ, by your instructions, having been claimed by Mr. A. M. Mr. Gibbs,

I am not aware that you have or can have any notice of any Order of Court until it is served on you in the usual & regular way and if a party does not choose to apply for & take an Order when it lies sealed ready for him, it is his fault not yours. Such is very opinion, but perhaps you had best consult the Sheriff. I rather think that if you discharge a party when you have no order to shew as your justification, you would expose the Sheriff to an action for an escape.

Yours faithfully,

To, Mr. H. C. Gibbs

Sir, I return Mr. Smyth's letter to you. I think Mr. Smyth is quite right we must have some order to shew in justification, for discharging a Prisoner out of custody. You had better therefore tell Govindoo Chitty to apply for the order immediately and serve a copy on the Creditor at whose instance he is now detained in custody and after that let him give you the original order to the kept in the Sheriff's Office.

My son was detained here last night on account of the weather, and I understand from Mr Gibbs this morning, that the Duffadar was not very respectful towards him in remarking upon it. Chief Secretary to Government

Sir,

I have the honor to annex below a statement which I beg you will lay before The Right Honorable the Governor in Council for his information in order that if deemed advisable I may have such assistance given me in the execution of the duties of my Office with regard to the case referred to as may be expedient.

On the 17th day of March last an attachment was lodged in my Office for the apprehension of one Ghoolam Moortoozah Khan Bahadoor for contempt of Court on the same day I delivered my Warrant to Thos Berryman Rugavalos and Rungiah my Bailiffs to put the same in force but in consequence of the precaution taken by the said

Ghoolam

Ghoolam Moortoozah Khan they were unable to gain access to his premises for many weeks.

On the 23d day of June last however one of the Bailiffs Ragavooloo by name effected an entrance and seized the person of the said Ghoolam Moortoozah Khan who subsequently contrived to rescue himself (as appears by the annexed affidavit marked A) and effected his escape into a neighbouring Mosque. Having good grounds to believe that the said Ghoolam Moortoozah Khan did not remain in the Mosque but that he went through it and so on to the Chepauk Palace I directed a letter to the Government Agent of His Highness The Nabob (a copy of which is annexed Marked B) and to which as yet I have received no reply.

On the 12th instant I received information that the said Ghoolam Moortoozah Khan was leaving in one of the houses of His Highness The Nabob and that he had been their some time as will appear by the annexed affidavit Marked C.

From the above it would seem that His Highness if he has not directly has at least indirectly assisted the said Ghoolam Moortoozah Khan in his escape thereby interfering with and preventing the law taking its due course and that should His Highness be permitted to act in this manner there is nothing to prevent his opening his gates to every rogue and Insolvent in Madras turning his Palace into an Alsatia and leaving remediless every honest Creditor throughout the Presidency.

I would therefore submit it to the Right Honorable the Governor in Council whether under the circumstances steps should not be taken by the Government to cause His Highness either to deliver the said Ghoolam Moortoozah Khan into my custody or to discontinue affording him that protection which prevents the arm of the law reaching him.

I Cakavaukum Ragavooloo, one of the Native Bailiffs of the Sheriff of Madras, residing at No. 4 in Venoyaga Moodelly Street at Poddoo Naick's Pettah in the Black Town of Madras, do solemnly declare that on Monday the Twenty Third day of June One thousand Eight hundred and Fifty One at about Six O'Clock in the Morning, myself, Rungiah, Vencatasawmy and Pulliah went to the House of Ghoolam Moorthooza Khan Behauder situate at Triplicane and we were there seated under a Thatched Verandah close to the Gate of the said House That at about Nine O'Clock in the morning of the same day one Mr. Ben Johnson came there and sent a Message, by the persons watching inside of the Gate, to the said Gate, to the said Ghoolam Moorthooza Khan Behauder stating that he was waiting at the Gate. That a female Servant of the house hold of the said Ghoolam Moortooza Khan also came there at the same time with Vegetables and also one Massaljee was waiting to get in. That at about quarter of an hour after, the Gate was opened by some person inside, and the said Mr. Ben Johnson, the said Female Servant and Massaljee went in, and the said Rungiah, Vencatasawmy and Pulliah and I followed them and went in, That as soon as we got in, I saw Ghoolam Moortooza Khan Behauder standing by the Gate. That I laid hold of his left hand and arrested him and immediately Rungiah was seized by the neck by one of the Servants of the said Ghoolam Moorthooza Khan Behauder and the said Vencatasawmy and Pulliah were shoved out by the servants watching out side the Gate and the Gate was shut against them. That Ghoolam Moorthooza Khan Behauder extricated himself from my hold and ran towards a Mosque which is situate on the East side of the said House. That I pursued him there and then he and Mr. Ben Johnson both said to the Servants "Morrow," "Morrow," (meaning "Strike," "Strike") That immediately one of his Servants came and caught hold of me by the neck, so that both Rungiah and I were unable to follow the said Ghoolam Moorthooza Khan Behauder who got into the Mosque through a small Door way which was immediately shut against us.

Sir, I have to acknowledge the receipt of your letter of the 19th Instant forwarding an order to me from Mr Brandon the Attorney for Chytun Doss Sallah for the discharge of the said Insolvent and requesting I would discharge him in pursuance there of. Sir,

In reply to the late Sheriffs letter of yesterday, I am instructed by Vella Parthasarathy Naidoo to state that his Palanquin Coach and Horse were at the time of the seizure alleged to have been made by you at the Red Hills, not on the Defendants premises, but on the premises, of Parthasarathy, for the Defendant had previously vacated those premises, and delivered possession of them to Parthasarathy.

Parthasarathy Naidoo does not deem it necessary to give you reasonable or any proof of his title to the property Claimed, for a more wanton seizure Could not possibly be Conceived, in as much as you have only to enquire of the persons employed in your own Office, from the Manager down to the lowest Peon, who will give you abundant evidence of the Palanquin Coach and Horse being Parthasarathy's property; or, if you will enquire of any half a dozen respectable natives in Madras, you will immediately find out that they are the property of Parthasarthy, for the peculiar shape and Construction of the Coach, daily in the use of Parthasarthy, for the last one year and a half, from the very day it was built, up to the moment of the seizure, rendered the Ownership thereof a matter of notoriety; whilst the Horse has been in the daily use of Parthasarathy for the last four years.

Under these Circumstances, Parthasarathy Naidoo demands the immediate delivery of his Coach and Horse with satisfaction for the injury sustained by the unlawful seizure thereof, or he will without further notice Commence proceedings in the Supreme Court.

With

With regard to the alleged rescue, you do not seem to be very clear on that point, for you say it was made by some persons unknown to the Sheriff's Bailiff, and yet you seek to fix Parthasarathy with it, who was then at Madras 10 miles off, so that he could not by any possibility have either been guilty of such alleged rescue, or of aiding and assisting therein - perfectly innocent as he must have been of the same.

If any such seizure had been really made by your Bailiff, it is more likely to have been abandoned by him, from or conviction of, their not being the property of the Defendant - than that they were rescued by any person or persons - for it cannot be supposed that the Sheriff's Officers would have gone to such a distance as the Red Hills, except with a strong force, or would have permitted any property seized to have been rescued from their grasp, without a struggle, or would not have captured one person at least who assisted in the rescue, or, what is still more extraordinary, would not have identified one individual at least out of those who assisted in the rescue.

The report to you of the Bailiff is therefore so utterly incredible that you are welcome to take any proceedings you may think fit on the alleged rescue.

I suppose Glover has been using the Bangalow and may for any thing I know have a little furniture in it which can be

to Call upon and require you forthwith to deliver up to her as such Executrix the following Persian Bonds & Documents now in your Office belonging to the Estate of her Testator namely.

1 A Persian Bond executed by One Tippoo Saib in favor of the said Hurredutt dated Zecardor 1246 for Rupees 100.

2 A do do by Cooppoo Pillay in favor of do dated 4th Shaban 1246 for Rupees 200 .

4 A do do by Mahomed Omeenuddeen in favor of do dated the 28th Ramazan 1246 for Rupees 50 .

5 And A do do by Hoossain Oob moolk and Ghoolam mahomed mootarally khan in favor of Chait Ram dated Suffer 1240 for Rupees 3100 which last mentioned Bond was mortgaged to my Clients Tastator in his life time and One Tankooroo Doss since deceased whom he survived.

You will find the Circumstances under which the above Documents together with others got into your Office and under which they were Claimed mentioned in Certain Letters now in existence addressed to your Predecessors dated respectively the 15th February 1834 the 17th of November 1840 and 3d of October and 5th November 1846, by the last but one, of which letters, two other parties Claimed the Documents as Representatives of Hurredutt, But of Course so long as his Will and the Probate stand his Executrix has a superior Claim to all such Property as Hurredutt was entitled to in his life time.

Four of the Bonds now Claimed are in favor of my Clients Testator and in the Schedule filed by one Chait Ram in the Insolvent Court on the 6th July 1832 (to the truth of which Shedule Chait Ram was sworn on Oath) Hurredutt is stated to be a Creditor of his to the extent of 1100 Rupees as the

Principal

Principal Amount due on the mortgage of the fifth Bond before mentioned for the sum of 3100 Rupees executed by Koofsain Col Moolk and another under date 22d of October 1824 and the said last mentioned parties names are also inserted in the said Schedule as Chait Rams Debtors for the principal amount of the said Bond for 3100 Rupees payable with interest at 12 per Cent.

Sir,
On referring to a list of Documents lodged in the Office, I find that Seventeen persian documents are now in the Office having been seized in the year 1831 in the action of Noor Unnissa Begum against Chait Ram and I presume that some of them may be the documents alluded to

in

in your letter of the 14th Instant.

I shall be very glad and am quite ready to deliver up possession of the documents in question to the party entitled to them, but after the great lapse of time, the death of the parties, and so many actions have been brought or threatened to be brought against various former Sheriffs by so many different Claimants I am quite at a loss to know who that party really is - I, as you are aware, have no claim to or any interest in them.

I would suggest to you that you should obtain the assent of the various Claimants to some arrangement by which I can safely part with them.

1. A Persian Bond executed by one Tippoo saib in favor of the said Hurredutt dated Zecardor 1246 for Rupees 100 —"
2. A do —— do —— by Cooppoo Pillay in favor of do dated 4th Shaban 1246 for Rupees 200 —"
3. A do —— do —— by Syed Cassim in favor of do dated 10th of Ramazan 1245 for Rupees 25 —"
4. A do —— do —— by Mahomed Omeenuddeen in favor of do dated the 28th Ramazan 1246 for Rupees 50 —"
5. And a do —— do —— by Hoossain Ool Moolk and Ghoolam Mahomed Mootarally khan in favor of Chait Ram dated Suffer 1240 for Rupees 3100 which last mentioned Bond was mortgaged to my Clients Testator in his life time and one Taukooroo Doss since deceased whom he survived.

You will find the Circumstances under which the above Documents together with others got into your Office and under which they were claimed mentioned in certain Letters now in existence addressed to your Predecessors dated respectively the 15th February 1834 the 17th of November 1840 and 3d of October and 5th November 1846 by the last but one of which letters two other parties claimed the Documents as representatives of Hurredutt, but of Course so long as his Will and the Probate stand his Executrix has

has superior claim to all such property as Hurredutt was entitled to in his life time.

Four of the Bonds now claimed are in favor of my clients Testator and in the Shedule filed by one Chait Ram in the Insolvent Court on the 6th July 1832 (to the truth of which shedule Chait Ram was sworn on Oath) Hurredutt is stated to be a Creditor of his to the extent of 1,100 Rupees as the Principal amount due on the mortgage of the fifth Bond before mentioned for the sum of 3100 Rupees executed by Hoossain Ool Moolk and another under date 22nd of October 1824 and the said last mentioned parties names are also inserted in the said Schedule as Chait Rams Debtors for the Principal amount of the said Bond for 3100 Rupees payable with interest at 12 per Cent.

And I have to inform you that in the event of your neglecting or refusing to deliver up the 5 Several Bonds in question an action of Trover will be forthwith Commenced against you in the Supreme Court to compel you to do so without further notice a step I trust you will render unnecessary.

Sir,

In this Case the Plaintiff was unable to prosecute her case after issue joined and was unable to obtain the assistance of Counsel to hold her Brief at Trial when the Court directed me to assist her in the Conducting of her case and watching the Evidence and she obtained a Verdict - Subsequent to which she petitioned from time to time at the different Stages of the Proceedings to have the Writ issued (even before Bill taxed) when I was directed to take every step in the action to enable her to recover her Claim. Consequently the Writ in this Cause was lodged in the Sheriffs Office, after which I have received no instruction in the Matter and beg to forward for your information the taxed Bill of Costs in this action with a Special heading thereon in the first page made previous to the issuing of the Warrant to tax thereby Shewing that I am in no way liable to any one of the Officers of the Court. I have to bring to your Notice, which I will Establish by the Proceedings in the Registry of this said Honorable Court to be true, that the said deceased Condapah was in his lifetime was a Person of large Property and Dealings and also one of the Contractor in the Government Building Works, and in course of speculation and work he fell indebted to certain Persons, notwithstanding of which, yet he was in circumstances to pay the whole of his Debts and reserve sufficient for himself.

And it appears, and which is the fact that on or about 28th September 1848 a person named Caddalore Barthasarathy Naick recovered his Judgment in the Plea Side of this Said Honorable Court, against the said deceased Condappah and a Writ issued thereon, against his person to revenge his Judgment Creditor and

intentionally not to pay the amount of his Judgment Debt Kept within Doors.

And afterwards he by the advice of his friend Caranagorly Ramasawmy Mordelly deceased, on or about the 12th day of December 1849, filed his Petition and Schedule in the Insolvent Court and prayed therein for the Benefit of the Insolvent Act, and before the filing of the said Petition the said deceased Condapah in Collusion with the said Carangorly Ramasawmy Mordelly, Rungasawmy Mordelly and the said Defendant above named having concealed all the Landed Property in Madras as also in the Village of Codoongoor, and set up false fradulent and pretended sale to them, and each of them, Omitted the said Property in the said Schedule, together with ~~the~~ jewels and other Property and things to large amount in value, and it appears that the said Parthasarathy opposed him and in his opposition he Established the concealment and Fraud of all the Landed Property, and after a long examination of the case, the Court dismissed the Petition under the words that the Schedule of the said Insolven, did not contain a true and perfect account.

And I also beg to inform you that afterwards under contemplation to file a New Schedule, resolved that collectors Certificate was good Document in Law having under the said Fraudulent sale (Rejected in Court) applied to the Collector of Madras for a certificate to be issued in the name of the said Defendant above named from the original name of Rungummal the wife of the said Conduppah with understanding between them to be nominal Title and before he could have filed his second Schedule Condapah departed this life, for better certainly of the same, not being the Property of the said Defendant above named the said House was never in his possession at all but ever since the date of the said pretended Certificate the said Widow of the said deceased Condapah is in the occupation of the said House and enjoy the rents of the Part Rented from the Tenants, and exercises all powers of ownership you must well Know that excepting the self and personal Estate of a Hindoo Woman (the other joint property is subject to the Execution against the Estate of her husband)

And after his death Patchapah Mordelly the son of the said deceased Condappah, filed his Bill in the Equity side of the Court, and prayed for Relief to set a side the fraudulent Deed, and the said Bill was demurred, and on hearing the Demurer the Court dismissed the Bill under an explanation that the son was not the proper party but that the but that the Creditors were the necessary parties, to set a side the fraudulent

The Sheriff of Madras

Sir,
It is represented to me by Aroonachellam Moodelly the son and only legal personal Representative of Mootoo Moodelly deceased, that the House and Ground advertised for Sale by you on the 15th day of May Instant, Situate at Pursewaukum within the local limits of Madras, as the Property of the Defendant above named, is the Property of my Client, and that the said Defendant has not any right or title thereto or to any portion thereof, and that the Bill of Sale or Certificate thereof stands in the name of my Clients said late Father, and that such Bill of Sale was (amongst other things) deposited with the said Defendant for Safe Custody, by my Clients late Mother Vengamah, during the minority of my Client That the Defendant being thus in possession of the said Bill of Sale, has Colluded with the Plaintiff above named, with the view, if possible of defrauding my Client of the said Premises, and Caused the same to be seized and advertised for sale by some fraudulent and undue means, Unknown to my Client, who as the rightful Proprietor thereof, has been since the death of his said Mother, and now is, in the receipt and Enjoyment of the Rents and profits of a portion thereof, the residue of the said Premises being in his occupation, free from any incombrance whatever.

I therefore on behalf of my Client request you will be pleased to Cause strict Enquiries to be made in this matter, refrain from proceeding to a Sale of the Premises in question, and remove your seals and Peons therefrom.

Sir

Not knowing how long it may be before you may be enabled personally to visit the Jail, which I have been led to expect for some days past but in vain, I have thought it fitting to submit my grievances to you at once in writing in the humble but earnest hope that your sense of Justice and a considerate regard for the feelings of one in my position will secure to me at an early date the protection I seek against the wrong doing of the Jailer and Deputy Jailer and the insulting remarks of the surgeon.

A Prisoner named Vencataram Naik who had undertaken to hold a small sum in deposit for me, having, according to his own admission before the Jailer appropriated a portion thereof to his own use without my leave, I requested the Jailer* to have him brought under the penal provision of the Jail Rules (Clause IV) for fraud. But this the Jailer failed to do whilst acknowledging a "breach of trust" on the part of the said Prisoner and, upon my proposing to bring the matter to your Notice he wantonly confined me to an apartment by way of solitary confinement despite his want of authority to do so — tho', after threatening to report me to the authorities in view to prolonging the solitary confinement to a year, he terminated the punishment himself the very second day

* In letter 12th June 1854

* In letter 13th do

The ground on which the Jailer professed to confine me as aforesaid was, that I have committed a nuisance at a place other than the Public necessary attached to the Jail but this had been permitted in my case (as appears to have been done in that of others) Ever since I entered the Jail then more than a month having been compelled to do so from the offensive state of the said necessary to which I had been unaccustomed; and the apartment above mentioned to the occupation of which I continue to be still annoyingly forced by the Jailer, has but allowed of indifferent arrangement being made for my convenience in that respect, while from its close proximity to the privies and the gutters and the consequent swarming of Musquitoes &c. it is very disagreeable and I am deprived of all rest during the nights, which would not have been the case were I as before allowed to sleep where I found most convenient to myself in common with others — And the Deputy Jailer having from my servant the Key of the Room in which I take my food &c. and left with the Peons to be given out only when there was occasions to open the Room it has sometimes happened that have been detained from taking my food for several hours, from the absence of the Peon in charge of the Key

I therefore most respectfully solicit that taking such notice of the acts of the Jailer and Deputy Jailer as you may deem proper you will be pleased to order the said Key to be restored to me at once leaving me at liberty to sleep as before in the entire Octogonal Hall of the Ground floor of a Room cannot be assigned to me for the purpose upstairs, which I should prefer in many respects and to which I suppose there can be no objection since it could not have been intended that the Hat and the hat alone without reference to any other consideration should be the passport there as appears to be the present Rule of custom I however ask

ther superior accomodation as a great boon to myself and I earnestly trust it will be granted

With regard to the Prisoner Vencataram I conceive I am justified in urging that he should be punished under the Jail Rules unless a criminal prosecution can be instituted against him for breach of trust" which I beg to submit for your consideration

Dr. Hunter who was here on sunday last examining the state of my health having been told by the Jailer that I had been letters to the Governor against Mr. Shaw and also that I had been sending them out myself, said was bidden by the Rules from doing so on pain of severe punishment unless the letters were submitted in the first instance for the inspection of my "superiors" The Jailer and himself he named only these - and upon my observing that I was not aware of such Rules although I had read the Jail Rules he said I had nothing to do with the Rules and that I was only to do as I was ordered These remarks which were as insulting as they were wholly out of the province of the Medical Gentleman, appear also to be evidently incorrect in point of fact and inconsistent with the object with which all Rules are framed and published which is no less to protect one against oppression and injustice than to ensure a proper obedience to authority - I most submissively request therefore you will be pleased to solicit on my behalf an expression of the opinion of the Right Honorable the Governor in Council as to the propriety of the remarks in question

Sir

I earnestly request that you will be pleased to take some step for putting an end to the continued annoyance caused to every person on the debtors side of the Gaol thro' the perverse and obstinate temper and disposition of a debtor named Pooroshottam Naick. Nor only we, the Keepers of the Gaol, but also, the Daffadars & Peons (not excepting the poor Jotis who are compelled to clean up his nastiness) are exempted from being annoyed in one, shape, or other: not daily, but sometimes frequently during the day. In open violation not only of the Prison Rules, but also of common decency, he persists without shame on the one hand or the dread of punishment on the other in committing nuisances, stooling in one place making water in another and washing his seat of honor in a third; in the meantime scorning to enter the places allotted for those purposes as being too common for a person of his exalted rank. His favorite place of retirement used to be in close proximity (i.e. as close as possible without entering the premises) to the Cookrooms allotted for the use of the Mussulman Prisoners whose forbearance towards him if they were convinced that he was the real aggressor must have been miraculous. On Saturday evening the 24th Instt. I received a complaint against him for having Urined in the vicinity of the native Pagoda - I have also to state that when spoken to with regard to his delinquencies his conduct is aggravating and insulting in the highest degree. Being considered by the Native Officers, as well as by his fellow prisoners as being a clever man of superior education as well as of high caste they keep a respectable distance from him & his having been employed at the Police Office, predisposes these simple persons to imagine that he possesses great influence with the Chief Magistrate. The Daffadars and Peons, are, therefore, from the dread of future consequences to themselves are intimidated & deterred from treating him in the off handed way that they are accustomed to deal with refractory and mischievous characters. If he wishes to impress a similar opinion upon me the sooner he disabuses himself of the hallucination the better for himself, he has little to gain by perpetually kicking against the pricks - Seeing the impunity with which he has continued to defy all rule and authority, may induce others to imitate his example when every one will of course do what is right in his eyes. In conclusion I beg to state that this man's dogged quietness of manner lawerlike, wishing to argue the point with us, is assumed and intentional done on purpose to provoke and irritate & the more aggravating from his quiet and deliberate tone & the scornful air of defiance which he assumes than would be the grossest vituperation, uttered by a person under the influence of passion or excitement & I am certain that now that I have brought it to your notice, that you will not allow your authority delegated to us, to be trampled upon with impunity as you cannot desire that we should submit to a constant repetition of such conduct on the part of a prisoner as I have now detailed which is insufferable and intolerable.
