SUBJECT.

Sanitary Inspector — Kumbakonam

FOR ORDERS.

A

In his letter No. 700, dated 27th November 1897, the Chairman of the Municipal council of Kumbakonam requested the Sanitary Commissioner to nominate Subramanya aiyar, one of the nuisance Inspectors whom he represented as having passed the Compulsory branches of the Upper Secondary Examination and the elementary Test in hygiene, surveying, levelling and some other allied subjects, for admission into the Sanitary Inspector's class in January 1898. Subramanya aiyar was accordingly admitted and has undergone the usual training.

2. In april 1898, the Sanitary Commissioner received a petition from

Note He has also since passed the Sanitary Inspector's Test.

B

from a resident of Kumbaconam stating that the said Subramanya aiyar had not passed any of the examinations referred to by the Chairman in his letter of the 27th November 1897 and that the Chairman had misrepresented facts in order to favour the Nuisance Inspector. The Chairman to whom a reference was made on the subject, by the Sanitary Commissioner, forwarded to him certain certificates given to Subramanya aiyar, showing that he had passed only the Middle school Examination and the elementary Test in hygiene, mensuration, earthwork and road making and had undergone the necessary training for the Upper Secondary Examination, and stated that in his letter of the 27th November 1897 alone referred to, correct information of the Examinations passed by Subramanya aiyar was not furnished by a mistake. With

A

D

E

Cir. 2174 M

Cir. 2270 M

4

With the first of the letters read alone, the Sanitary Commissioner forwards the correspondence that took place between him and the Chairman on the subject for the orders of Govt.

3. In the second letter read alone, the Chairman states that in his application for being sent up for training in the Sanitary Inspectors' class, Subramanya aiyar did not say that he had passed the Upper Secondary Examination, that he (Subramanya aiyar) only possesses a certificate of having completed the course of study for that Examination and that it was through an oversight in the Municipal Office that the statement that he had passed the compulsory branches of that Examination was made in his letter of the 27th November. He adds that as a nuisance Inspector, who had passed only the middle

middle school Examination and the Elementary Test in hygiene, was given admission into the Sanitary Inspectors' class last year on his (Chairman's) recommendation, there was no necessity for Subramanya Aiyar who possessed higher qualifications, and already held a nuisance Inspector's post and was recommended by the Council for admission, to have made any false pretences of having passed the Upper Secondary Examination and requests that Govt. maybe pleased to consider the matter favourably, as the error is purely a clerical one and as Subramanya Aiyar possesses qualifications far better than those of many of the candidates hitherto admitted into the Sanitary Inspectors' class.

4. Under G.O.s No. 1914 M P
10th December 1894 & No. 1475 M Q
24th June 1897, Sanitary Inspectors in the actual service of Municipal councils on or before the 24th January 1897 are entitled to be admitted into the Sanitary Inspectors' class without being specially nominated by the Sanitary Commissioner and free from payment of fees; while in the case of Sanitary Inspectors entertained after that date and private candidates, the nomination for admission into that class is solely at the discretion of the Sanitary Commissioner unless they have passed the Matriculation Examination or some higher educational test. In the third letter read above, the Chairman states that Subramanya Aiyar was appointed as acting nuisance Inspector on the 20th August 1896 and that he continued as such until 10th June 1897, when he was confirmed. As Subramanya Aiyar was in the Service of the Municipal Council

C.No. 2391/14 C

Council before 4th January 1897, he was eligible for admission to the Sanitary Inspectors' Class, without being specially nominated by the Sanitary Commissioner, although he had not passed the Upper Secondary or the Matriculation Examination. It will also be seen that the Chairman's incorrect statement that Subramanya Aiyar had passed the Compulsory branches of the Upper Secondary Examination was not intentional, for if Subramanya Aiyar was not qualified for admission into the Sanitary Inspectors' class by reason of his having been in the service of the Municipality previous to the 4th January 1897, his nomination for admission would still have been at the discretion of the Sanitary Commissioner, in as much as he was not said to have ~~completely~~ passed the Upper Secondary Examination. Completely, but only the compulsory branches of it. The Statement seems therefore to have been a clerical error, as alleged by the Chairman, and it is submitted that the Chairman's letters may be communicated to the Sanitary Commissioner with the remark that as Subramanya Aiyar was qualified for admission into the Sanitary Inspectors' class by reason of his having been in the service of the Municipality on the 4th January 1897; no action appears to be called for in this case. The accompanying draft order is submitted for approval.

V.R.
16/9/98

F.A. — Ref. 880/29.7. insinuates a distinction between perm.d acting appts. which you now pass over without explan.

(1) I wish to see S.A.'s applic.n of 13.11.97.

R.T.
19/9/98

(1) In his letter No. 755, dated 27th November 1897, requesting the Sanitary Commissioner to nominate S. Athmanada Aiyar and S. Subramanya Aiyar for admission into the Sanitary Inspectors'

9 class, the Chairman stated that "S. Ath
Co - manada Aiyar had been a permanent
18 Inspector from 1893 and that S. Subra
mu - manya Aiyar who was also a permanent
89 nuisance Inspector had passed the Com
Sp - pulsory branches of the Upper Secondary
Se Examination, &c," but the date on which
he the latter was appointed as permanent
Se Nuisance Inspector was not given. He
Q was therefore asked in Government Ref
880/297-98 to furnish this information and
the question as to whether there is any
Sa difference between permanent and acting
appointments ~~in this matter~~ was not
considered at the time. As para 2(1) of
G.O No 4 M, dated 4th January 1897, says F
that "no municipal Council should new-
-ly employ any person as a Sanitary
Inspector on Rs 20 or upwards who does
not hold a certificate of having passed
the Intermediate Test in Hygiene," it
will be seen that the prohibition does
not apply to the confirmation of persons
who have been appointed as acting Sani-
-tary Inspectors previous to 4th January
1897 and that such persons are entitled
under G.O No 1475 M, dated 24th June Q
1897, to admission in the Sanitary
Inspectors' class without being
nominated by the Sanitary Commissioner.

Please see the note at the foot of the reference on C.N. 2174 M/98.

Therefore

*G

*M

In reply to the Reference* made to him, the Chairman submits - vide C.N. 3262 M, the original* of Subramanya Aiyar's application dated 13th November 1897, requesting that he may be sent up for training in the Sanitary Inspector's Class. From this it appears that Subramanya Aiyar did not state that he had passed the Upper Secondary Examination.

C.N. 3308 M

The last letter* read above is a petition (apparently pseudonymous) from a resident of Kumbakonam stating that the document which is now said to be the original application, is a manufacture.

LOCAL & MUNICIPAL DEPT.
CIRCULATE No. 2270 M

FROM

T. S. Subramanya Adaiyar Esquire,

CHAIRMAN, MUNICIPPAL COUNCIL
KUMBAKONAM.

To

The Secretary to Government,
Local & Municipal Department.
Fort St. George.

SIR,

I have the honour to state that the Sanitary Commissioner in his letter No. 1423/S dated 27th June last informed me that he has reported for the orders of Government the case of T. Subramanya a trained Inspector of this Municipality sent up for training as Sanitary Inspector in January last. In this Connection I beg to lay before Government for its Consideration along with the letter of the Sanitary Commissioner, the following facts: Subramanya Iyer in his application dated 13.11.97 for being sent up for training does not state that he has passed the Upper Secondary Examination. He possesses a Certificate stating that he completed the Course of Study for the Upper Secondary Examination. It was through an error in this office that it was

written that he passed the Compulsory branches of the Upper Secondary Examination. Subramanya Iyer has passed the Middle School Examination in the Second Class, Examination, Earthwork and Road making and Hygiene in the Elementary Grade and has had practical training in Surveying and Levelling. Some of these Examinations were omitted to be mentioned in this office letter No. 755/27.11.97 to the Sanitary Commissioner. Last year a certain Inspector who passed the Middle School Examination and Hygiene in the Elementary Grade alone was given admission into the Medical College on my recommendation. There was therefore no necessity for Subramanya Iyer who possesses higher qualifications and holds a trained Inspector's pass, and whom was recommended by the Council in their resolution dated 20.11.97 to have made any false instances such as those referred to in the Sanitary Commissioner's letter to secure admission.

In these circumstances I request that Government will be pleased to consider the matter favourably as the error is merely a clerical one and as Subramanya Iyer possesses qualifications far better than those possessed by many of the Candidates hitherto admitted into the Medical College for Sanitary training.

Sir,

I understand that S. Subramanya Iyer, the Nuisance Inspector of the Kumbakonam Municipality has been very strongly recommended by the Chairman and that an application purporting to be the original has been forwarded to Government. The document now represented as the original application is a manufacture. The existence of the date seal which can be used in any fashion is no proof of its authenticity. It has not been registered in the office. I hope Government will not again be misled.

S. Subramanya Iyer is the son of a Convict. He has been fined by the Chairman himself for having received illegal gratification from a petitioner in 1896. He has also now been appointed assistant Sanitary Inspector on Rs 40.

I beg to remain
