PREFACE

The title 'Supplement' speaks for itself. The purpose of this volume therefore is to supplement the statistical data contained in the parent volume.

Sagar Gazetteer was published in 1967. In pursuance of a decision of the Government of India in 1976 that all ten year old volumes of District Gazetteers must have their supplements giving up-to-date statistical data, our Department in Madhya Pradesh started preparing supplements of Gwalior, Sagar and Jabalpur during the tenure of former Director, Shri A. M. Sinha. The work had to be discontinued for some time owing to unavoidable reasons.

The compilation and updating work was restarted during the tenure of former Director, Shri S. D. Guru, but continued to remain under pruning, verification and revision even during the period of one of my immediate predecessors Shri P. K. Bhatnagar. One practical difficulty we had had to face was the non-availability of figures in the desired framework as some of them were either already eliminated by the concerned departments or their formats changed. It was at last sent to the Press in February, 1991. And during the intervening period Sagar not only became a Commissioner's headquarters in 1972 but got two more tahsils added to it, namely, Garhakota the sixth in July, 1987 and Bina the seventh in November, 1989.

Besides two of my predecessors mentioned above, the officers who laboured to bring this volume out include Shri M.P. Dubey, former Director, Shri S. M. Rastogi, former Deputy Director, Dr N.P. Pandey, Joint Director, Sarvashri Vijay Jain, Dr K.S. Sharma, A.M. Sharma, Nawal Kishore, S.C. Chaturvedi (all Deputy Directors), and Dr Suresh Tiwari, S.S.C. Kerketta, Dr Prabir Kumar Jha, Smt. Vandana Pandey and H.R. Ahirwar (all Assistant Directors). Dr Prabir Kumar Jha supervised the printing under the guidance of Dr N.P. Pandey. I am thankful to all of them for their valuable assistance.

I am also thankful to the Collector, and other officers of the District administration, Sagar, for making available all statistical data needed for this supplement and to the Deputy Controller, Government Central Press, Bhopal for completing the printing work early.

It is hoped that this volume will be of great use to all those who desire to refer to the District Gazetteer of Sagar.
