The L. & B.P. find it impossible to keep to the old grant of Rs 500 for 1871 as the Rs 1000 grant for the current year will only just restore the road; it is therefore requested that the grant of Rs 1000 may be passed.

The grant has been raised from 5200 to 10,400 Rs as road being cut up by the very numerous carts passing over it every day.

The grant for this road has been reduced to Rs 5,000 which, as the Engineer reports is the correct share chargeable to the Vizagapatam Circle.

Price remarks of profile to Sheet 2 - Grand is amis from Rs 2950 to Rs 5000.

The length of this road was hitherto set down at 41 miles which has been altered to 40 miles the correct distance; the rate of Rs 6120 for the maintenance of which being at different rates.

The length of this road was hitherto set down at 20 miles but this has been altered to 15 miles, the correct distance. The total maintenance remaining the same, the rate per mile is of pattern rates from 150 to 200 Rs.
