CERTIFICATE AND REPORT OF THE AUDIT OFFICER (1).

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in inferior ~~or superior~~ grades has been duly proved for 25 years 2 months and 13 days; and that ~~a (pension or~~ an Invalid gratuity) not exceeding Rs. 42/- equal to 6 months pay, is admissible under Articles 485 and 524 (a) of the Civil Service Regulations, 2d Section. The calculations have been duly verified. ~~The (pension or gratuity) is chargeable to (here specify whether to General Revenues, or to what Fund).~~

In July 1895 the applicant was suspended for 15 days and reduced from 1st Grade Ward attendant on Rs 10 to the 3d grade on a salary of Rs 7 per mensem for causing annoyance to certain patients in his ward. His past conduct does not appear to have been entirely satisfactory. It rests therefore with Government to decide whether any, and if so, what reduction should be made in the amount of gratuity admissible to him under ordinary circumstances.

The delay in the submission of this application is explained by the Senior Medical Officer, General Hospital, in his reply to this office No. ADK/358 dated 21 December 1895

~~In accordance with Rule 3 under Article 991 (b) the attention of Government is respectfully solicited to Article 991 of the Regulations.~~

Certified that I, Surgeon Capt. Molesworth & Ms Act. Add. Med. Officer. Gen. Hosp., have carefully examined Sumbrathotum Saviel son of J. Malliappen, a Ward attendant in the Gen. Hosp. Department.

His age is, by his own statement, 44 years and, by appearance, about 45 years.

I consider him to be completely and permanently incapacitated for further service of any kind in the department to which he belongs, in consequence of Rheumatism & Senile Cataract in both eyes.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

John Pereira is the English name of that portion of Black Town which in Tamil is called Jambratholam. The applicant gave this as his House or Country name; in annual returns the English and in the Service Book the Tamil name has been used.

2 The invaliding Certificate dated 28.10.95 was despatched from this Office for the Countersignature of the Surgeon-General on 31.10.95 and received Countersigned on 7th Novr. '95; it was then Communicated to the Medical Officer who invalided the applicant and sent to the Steward's Office on 12.11.95 where the Pension application was prepared and despatched to the Surgeon-General on 6th December '95. The delay is Chiefly due to the Official formality which the Certificate and Pension papers had to pass through. The real time occupied in the preparation of the Papers was only from 12.11.95 to 5.12.95 being 24 days.

4 The gratuity was Calculated on his Average for the last five years under para 531(2) which has always been the Custom here. It also seems to me much fairer as he had 17 years 6 months & 12 days un-interrupted Service on Rs 10/- and only three months and four days on Rs 7/- Since his Suspension.

SECT. GOVT. MADRAS 24 FEB 95 REV. DEPT.

The humble petition of M. Savaiel, late Ward attendant, General Hospital, Madras, residing at Barrack's Road, New Town, Madras

Humbly Sheweth,

That your petitioner submitted a petition to the Surgeon-General, under date the 15th January '96, of which the following is a copy:-

"With reference to the papers connected with my retirement, I beg to bring to your notice that I am entitled to a pension and not to a gratuity, for which, I believe I have been recommended. My services at the General Hospital commenced in 1864 and terminated on the 28th October 1895 and I have therefore completed a service of 31 years entitling me to a pension under Article 524 (b) of the C.S.R. (Parent) On 1864, the date of my first appointment at the General Hospital, I was entertained as an Extra Ward Attendant on Rs 5-8-0. I held this appointment continuously and without interruption from the date of my entertainment up to the date of my confirmation and transfer to the permanent establishment as Ward Attendant on Rs 6/- per mensem, which change took place in February 1866, and from that date to the time of my retirement I was in further

Not issued

Sd/

continuous employ, thus completing a service of 31 years.

3. The Contingent bills and Statement attached thereto, sent to the Accountant-General from time to time, will bear out my Statement of continuous employ as an Extra Ward Attendant from 1864 to 1866, and I will be able to produce the evidences of the contemporary servants and others in support thereof. I therefore respectfully solicit that my services from 1864 may be verified and reported on.

4. I further beg to bring to the notice of the Surgeon General that even computing my qualifying services from the date I was confirmed and transfered to the permanent Establishment, viz, February 1866. I should have completed 30 years service had I not been invalided just as I was on the Eve of completing it. As it was, I was invalided about 3 months before I completed thirty years service "according to Article 527 C.S.R" "An officer should not, without urgent necessity, be invalided when he has nearly completed thirty years service." — In these circumstances and in the event of my services between 1864 and 1866 being excluded, I beg under the provision of the said Article of the C.S.R may be credited with the full period of 30 years to qualify for a pension.

5. I also respectfully beg that the Surgeon-General may be pleased to call for the records bearing upon the reduction of my pay. With these papers I leave it to the Surgeon General to consider whether these were sufficient reasons for the serious reduction of the pay of an old and trustworthy servant of Government on the Eve of his retirement after a long and honorable career in the humble though onerous capacity of a Ward Attendant so as to affect so seriously either his pension or gratuity.

6. I finally trust this petition may be duly considered and forwarded to the Accountant General for consideration with my pension papers."

2. That with reference thereto, your petitioner has heard nothing up to date, and as it is possible that orders may be passed on his papers for gratuity before his prayer for pension is considered and forwarded to Government by the Surgeon General, he respectfully begs that this petition may in the meantime be received and dealt with as may seem best to to Government.

In duty bound your humble petitioner will ever pray.

Humbly sheweth,

That in continuation of your petitioner's petition to Government of 3rd February '96, and with reference to the copy of the petition to the Surgn. General therein submitted, your petitioner respectfully begs to inform that the Surgn. General has passed orders thereon, under date the 8th February No. 611, of which the following is a copy.

"With reference to your letter dated the 15th instant, you are informed that you worked for broken periods during 1867-68, but not during 1864-65-66 or 1869".

2. That with reference thereto, your petitioner submitted a further petition to the Surgn. General, dated 18th February 1896, of which the following is a copy, and which he respectfully begs to submit for the information of Government.

" That with reference to your memo No. 611 dated 8th February '96, informing your petitioner that he "worked for broken periods during 1867-68, but not during 1864-65-66 or 1869", he respectfully begs that further enquiries be made in the matter of his claim to continuous service from 1864. It is possible, your petitioner begs to submit, that the records

"of the General Hospital are not complete or that some of the contingent bills and pay abstracts for the periods in question are missing. Possibly some of the records might be found in the Military or Commissariat Departments, as before the entire separation of the Civil from the Military Hospital, the Servants of the then combined hospitals were, yours petitioner believes, paid by the Military Department. Your petitioner further begs to submit, that his contemporary Servants will be able to bear testimony, as provided for in the Civil Service Regulations, to his having been employed as an extra Ward Attendant continuously from 1864 to 1866, when he was confirmed in that appointment, and that he was to all intent and purposes treated as a permanent Ward Attendant from the time he was entertained temporarily in 1864.

That in regard to "broken periods," your petitioner begs to state that he is aware of none unless it was owing to absence on leave or on account of sickness, when, according to the old rules, extra Ward Attendants in common with the permanent servants forfeited pay entirely during the period of absence and their names brought on the books again on rejoining.

That your petitioner humbly prays that the services claimed may be fully enquired into and admitted.

That your petitioner also prays that he may be furnished with a copy of the statement shewing his qualifying and non-qualifying services."

3. That your petitioner humbly prays that this petition may be received and considered with his papers for gratuity which he believes are now before Government.

In duty bound will ever pray.

Forwarded in continuation of this office report No. A.D.J. 615 dated the 30 January 1896.

The Petitioner's claim to any service previous to August 1870 is not borne out by office records. The Surgeon General report that the Petitioner worked for broken periods in 1867-68 but was not employed on the Permanent Establishment before 1870. Further his name does not appear in the Annual Returns on record in this office upto that year.

The question of the condonation of the deficiency in the petitioners total service does not arise, as his claim to earlier service has not been established.
