From the President, D.B. Chingleput dated 7th Oct 1897, ~~No.~~

Certificate and report from the Accountant-General, dated 8th Nov 1897, No. A.D.J. 369

ORDER THEREON, 20th Novr 1897 No 879.

Character - Indifferent

Suspended from 11th Oct to 5th Dec '80 for making fictitious entry in diary, but not honorably acquitted though the period was ordered to count for pension

Reduced in april 1896 from Rs 35 to Rs 25 as he was found unfit for an appointment on Rs 35.

Max^m pension = Rs 16-4-0 p.m.

18.11.97.

The reduction has only partially affected the maximum pension admissible ~~as it has reduced it from Rs 17~~ for it took place 2½ years back. For order as to whether any further reduction shd be made. He was found unfit for a post on Rs 35 so apparently he ought not to get a pension calculated on that pay. Rs 15 is suggested

CERTIFIED that I have carefully examined

Ponnamalle Arunachalle Modelly

son of Ponnamalle Appavoo Modelly

an Inspecting School Master, Uttaramerur Range, Madras Taluq

in the Educational Department

His age is by his own statement 54 years and by appearance about 60 years.

I consider Ponnamalle Arunachalle Modelly to be completely and permanently incapacitated for further service of any kind or in the Department to which he belongs in consequence of Paralysis of right foot, & Cataract in both eyes.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

STATEMENT OF CASE.

OFFICE OF SURGEON GENERAL
25 JUN 1897

1. Rank. Inspecting School Master
2. Name. P. Arunachella Mudelly
3. Department or Office. Educational Department
4. Marks of identification. A vertical lateral scar on the head; a scar on the forehead & a little left of the middle about 5 inches above the hairline; another scar on front of left thigh
5. Age. 54 years with the skin of body; another scar on front of left thigh
6. Service. 30 years
7. Sick leave granted during the service. five months
8. Disease or cause of Disability. Leucoma & Cataract in both eyes
9. Abstract statement of case showing how the disease or disability was contracted, the results of the treatment adopted. In case the disease or disability is believed to have been caused by irregular or intemperate habits, the reasons for such belief should be stated.

This man was sent home by the Assistant Inspector of Schools, Presidency Division, requesting me to grant him sick leave, he having been already on three months sick leave. I replied that I thought no further sick leave was of any good, but that he should be invalided. He has an obstinate & chronic affection of the skin of his right foot, involving nearly the whole of it. He was under treatment for the past three months at the Chingleput Dispensary but received no benefit. He has lately been put on Chaulmoogra oil, as I have some suspicion of the disease being leprous: there are patches of discoloration on the face, and slightly anaesthetic on the right foot. He has also cataract of both eyes & he cannot see any distance. I consider that he is totally unfit for further service.

Affidavit given by V. Rocha Pillai, pensioned accountant of the Chingleput collector's office before the Treasury Deputy collector and Vice President, District Board.

I was taluk gumastah at Bonnerie from the year 1867 till about 1877 and afterwards was an accountant in the collector's office until 1894 when I retired. I have known T. Arunachala Mudaliyar during all this period. He was a school master in the Taluk school at Bonnerie and subsequently an inspecting school master, Chingleput, Saidapet & Bonnerie. I do not exactly remember the date of commencement and termination of the several appointments held by him. He took leave but I cannot say exactly the period and the nature of that leave. I don't remember whether he was suspended at any time. To the best of my recollection he had no breaks in his service.

SIR,

In returning herewith your letter No. ADK/268, dated 14th October ultimo, and its enclosures, re, the pension application of P. Arunachella Mudaliyar, late inspecting school master, Ettaramcur range, I have the honour to explain as follows:-

7
5
916

Point 1. The records relating to the services of the applicant prior to the 31st March 1881 having been transferred to your office, his service for that period cannot be verified here. Hence affidavits taken from the applicant

and from two of his contemporary employes are herewith furnished as required in your letter No. $\frac{D.A.E.}{316}$, dated 21st October 1897. A note to this effect has been recorded in the Service Register also. In regard to the period during which the applicant was employed as an assistant master of the normal school at Vellore contemporary evidence is not taken as the period in question does not count for pension.

Point 2. The proportionate debits made against items 11 on the first page of the pension application are scored out as desired by you.

Point 3. With a view to see if the applicant could be retired in 1874, you were requested in this office Ref on No. $\frac{1957}{2}$, dated 19th July 1874, to verify his services prior to 1881, but in reply you asked in your letter No. $\frac{D.A.E.}{186}$, dated 30th Idem, whether it was likely that the applicant would be retired within 6 months from that date. As the question of retiring him then was subsequently deferred the matter was dropped. This circumstance probably accounts for the mark in your office audit registers

Point 4. The entry of "13th December 1877" in the service register seems to have been a mistake. It was therefore corrected into "12th December 1877" by the then deputy inspector of schools under his initials
