From

Assistant Commissioner
of Salt Revenue
Nellore.

To

E. E. Spencer Esqre
Deputy Commissioner
of Salt-Revenue,
Northern Division

Sir,

With reference to Commissioner's Proceedings dated 7th ultimo No. 6968, I have the honour to forward a second Medical Certificate No. 198 dated 8th October 1881 produced by Mohadeen Hussain late Salt-Assistant Superintendent of Kamuparti from the Sillah Surgeon Nellore rendering him unfit for further service in the Department. The age given by him in the first Medical Certificate No. 152 dated 15 August 1881, was in conformity with that entered in his Service Register which appears to be incorrect.

I &c

He says that he did not know the exact date of his birth and that entered in the service book was filled up by the Superintendent with more or less approximation.

2. Mohadeen Hoosain is apparently 60 years old, unable to work and is physically and mentally unfit for further active service.

3. As to the break of his service from the 13th to 24 April 1864, the period he overstayed when transferred from Jada to Padarti Factory on promotion I enclose a Hajiyat obtained from him; from which it appears that he delayed joining his appointment in time on account of illness. In the pay bill of the above month a reference is made as to his Arzi and an endorsement by the then Deputy Collector to the effect that he should be paid for the 12 days (from 13 to 12th April) that being the time including 2 Sundays allowed to join Padarti which is about 140 miles from Jada at the rate of 15 miles a day according to the rules of joining time which were then in force. For the 12 days he overstayed his Salary was forfeited. It appears the delay in joining the appointment at Padarti was the cause of his ill health and not of negligence on his part.

4. As the case of the applicant is one deserving of a reference to Government I beg to recommend that the interruption of 12 days service from 13 to 24 April 1864 may be condoned as a special case under Section 98 Chapter IX Page 44 of the Civil Pension Code, fifth Edition.

5. The Service Book and the application together with its enclosures are herewith returned.

6. The Applicant's Last-Pay certificate is also herewith submitted.

Deposition given by Mohamadin Hussein Assistant Superintendent of Panchayati on the 8th October 1881.—

Question. Tell you were transferred on promotion to 15 Rs post as sub Clerk of Padarsi Factory, from the post of Attiernein at Nada on salary Rs 12, according to Sherkpur No 10 dated 22nd March 1864, you delivered over charge of your office at Nada on the 1st April 1864 and took charge of your appointment at Padarsi on the 25th without joining in time, what reasons you had in doing so.—

Answer.— I started from Nada in time but being taken by fever and cold on the way at Raidupetti, I was unable to continue my journey at once and consequently obliged to rest in each stage for rest and therefore failed to join in time.— I reported the matter to the then Sub Deputy Collector M. Ali Fay Narayanadami Mudaliyar by an Arzi sent by post.— The fever

will be known on referring the record.

I never intentionally delayed joining in time. While I have promoted and transferred I would have readily joined my appointment but failed to do so only on account of my illhealth.

I therefore earnestly request your Honor will be so kind as to recommend the sanction by Government of Condoning the break caused by my overstay and thus protect me. I am a poor man I have ever been careful in the discharge of my duties and secured about 29 years service.

Begging the secured.

Yours obediently

The Head Assistant to the collector, has reported that he had, with a view to examine the Salt scrapings of the Fasli 1265 in the Ramapuram Cotaar, conducted storage with the Superintendent, yourself and other servants, that the result was an outturn of 90 garces and 147 toms instead of 66 garces and 285 toms as shown in the Estimated Scraping account, leaving thereby an excess of 23 garces and 269 toms.

On your by first forwarded by the Head Assistant, it is stated that the Salt is broken by the sydh before it is formed into estimates so, that the platform (on which it was heaped) was uneven, and

that

that your estimate therefore proved low. It is also stated that you ordered the Poigatti and the Peons to put mud seals over the said heaps and that you were not able to find seals on them as they were always covered by the time you went to the Platform.

That there should result such a large ~~vestage~~ excess in the Ramapuram Estate is very questionable. It was your responsibility to have reported the excess in question and you have failed to do so. You are therefore suspended for 6 months from the 16th Instant. As we have nominated Mear Ibrahim in your place you should deliver to him the charge of your duties and get a receipt from him.

SIR,

With reference to the application for pension on behalf of Mohideen Kaspain, late Assistant Superintendent of Tampoity Salt Factory, Nellore, received with your letter No. 8714/7, dated 7th November 1881, I have the honor to request that you will be good enough to explain why in the Annual Return for 1855, the applicant's name is not to be found and the appointment is shewn as vacant, and to state whether the appointment of "Adhereen" which the applicant is stated to have held from 20th January 1852 to 31st March 1864 is a pensionable one coming under the class of "Superior Servants" - If so, the nature of the duties performed by the holder thereof

thereof should be fully explained.
I shall feel obliged by your informing me if there is any precedent in which the service pleaded in the appointment of "Abbemeris" has been recognized as superior.

Sir,
On returning the Pension application of Enoden Hussain received with your endorsement No. 9080 dated 19th Instant on the Accountant General's letter No. A. D. F. / 176 dated 17th Idem, I have the honor to state that no reason can be assigned for the omission of his name in the annual Return for 1855, as will be seen from the enclosed letter of the Treasury Deputy Collector

No

No. 1837 dated 26th idem. As the applicant's name is clearly shown in the Pay Abstracts of March and April 1855 of the Dugarazapatam Factory, the omission in the Annual Return is apparently erroneous.

2. The appointment of "Akkernavis" which the applicant held from the 20th January 1852 to 31st March 1864 is a pensionable one coming under the class of Superior Servants. An "Akkernavis" duty was to inform the Collector direct, of what occured daily in the Salt Cotaars. He was something like an Inspector.

3. As regards the precedent on which the service rendered in the said appointment has been recognized as Superior, I beg to add that in the Pension application of Dilamanikhan late Assistant Superintendent of Dakapalli Salt Division submitted in 1874, the period for which he was "Akkernavis" at Several Cotaars, was considered as Superior Service and that he was allowed half pension.
