Certified that I have carefully examined Hossen Sahaib son of Hossein Sahaib a peon in the Engineering Department. His age is by his own statement 60 years, and by appearance about 60 years. I consider Hossen Sahaib to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of old age & natural infirmity. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

The period has been classed as non qualifying as in the statement of the applicant's contemporary servant Subarayudu it is stated that Hassaine Saib was on temporary Establishment up to 20th May 1857. In the statement of the other contemporary servant Bhosker Row, the applicant's services from 1st May 1857 to May 1877 are certified to, but with the remark that he was for a portion of the above period, employed on the temporary Establishment. In the absence of precise information on the subject, the applicant's services up to 20th May 1857 have been classed as non qualifying.
