In an application from the Dy Collector Coimbatore to the Accountant General Madras dated 31st May 1882.—

Translation of the Takid no 318 dated 3d December 1867.—

No. 413. C

Translation of Takid issued to M. R. Venkataramana Iyer Tahildar of Erode Taluk.

Read Memorandum dated 21st October last from Subbaroya Iyer late acting Tahildar of the above Taluk, regarding the arrears of revenue due in the Chennimalai Village and the records connected with it.

On the 29th March last, the Batta Peon Vencatasubien, who was appointed for collecting the arrears of Revenue in Chennimalai, presented a petition to the Revenue Inspector Subbaraya, his brother-in-law, who was in the Village at the time, complaining that the Curnam Chinnasubbaraman Iyer misappropriated Rs 24 5-2-10, out of the last collections with a view to

defraud him (Batta Peon), but no enquiry was made by the Revenue Inspector till May following. As the accounts were then so confounding and the depositions of the parties were so contradictory that it was impossible to discover by whom the Government money was really misappropriated. During the last enquiry on the subject, it was found that out of the Collections, a sum of Rs 197-8-0 was missing. This deficiency was made up by the above Batta Ameen, Curnum Chinnasubbarama Iyen, Perua Subbarama Iyen and the Mongar Thungamuthu Pillai. All the above named persons are concerned in the above fraud; but the evidence is insufficient to conduct a criminal prosecution in the matter. The Batta Ameen appears to have lent different

Sums to the Village officers and others. The Sum of Rs 30-0-0 lent to the Curnum Chinna Subbarama Iyen was repaid by him and credited in the accounts as first collections. Notice will be taken departmentally about the Conduct of the Establishment.

Subba Rao, the 3rd class Revenue Inspector is the brother-in-law of the Batta Peon Venkatasubba Iyer. It is proved that as stated above the Batta peon has lent different sums to the Village officers and others. The Revenue Inspector was at Chennimalai on the 29th and 30th March when the above Ameen who is his brother-in-law preferred a complaint to him against the Curnum; but the Revenue Inspector did not make any enquiry

at the time nor up to the 5th May next. Circumstances have in the interim become so weak that there was no room for getting evidence for Cheating. The explanation given by him for this is that he intended to call for a certain account in the possession of one of the curnums of the Village who were in the Settlement office at Bhowany; when he went to Erode twice and informed the Tahsildar that he required the above account, the latter naturally replied that he could get it. The Revenue Inspector made no official report on the Complaint. Although he had been to Chennimalai no mention was made in his diary on the subject, till 3rd May. It is only when he thought that he would be transferred to another Division that he first made a mention

the subject. On the 20th April he wrote a yadast to the effect that he had a case to enquire into and some other business to attend to at Chennimalai, that he might be allowed to remain where he was. The reason assigned by him for his not making any mention in his diary or any report on the subject is that he intended to ascertain the circumstances beforehand; another reason given by him for his not making any enquiry for upwards of one month is that the Village authorities said that they would pay the money and that he thought it best to postpone the enquiry untill the money is paid by them accordingly. This reason alone given by him is sufficient to accuse him. The Revenue Inspector Subba Rao should in the first instance

have reported on the case of fraud brought to his notice. In the second place he has neglected his plain duty of making an enquiry on the subject without delay. His conduct evinced by his explanations, shows that he was lack in his duty, that he did not bring the matter to light and that he wished to assist and screen his brother-in-law the Patta Annemand other Village authorities.

It seems to me that he is tardy in his general work. At the time he was about to be transferred temporarily to another Division, he had with him 6 Cases of 1878 to be reported on, which remained undisposed of. In the middle of October last he was sent for to Erode with other Revenue Inspectors and directed in person to prepare and submit lists of Puttahs which remained untransferred in certain Villages before the end of the month without failure, but he has not paid any attention to this order. No lists were submitted until the 6th November following.-

On a consideration of the foregoing circumstances it is ordered that the said Subbarao be suspended for a period of 3 months and then be reduced to a post of Taluq Gumastah on a monthly pay of Rs 15 —o—o.—

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. — Has good certificates and the applicant's character and past conduct appear to have been such as to entitle him to Pension.

2. Explanation of any suspension or degradation. — Suspended in 1867 owing to general neglect of duty and suspended & reduced in 1879 for failing to report upon a certain Shroff's embezzlement in proper time. Vide Translation of Orders of Court endorsed marked B & C.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. — None.

4. Explanation under Section 59, Rule 1, so far as the Head of the Office can give it. — This rule does not apply to the present Case.

5. Any other remarks. — 5. The service book and the last Pay Certificate of the applicant are sent herewith marked D & E. The service book which received from the Division office on the 9th March 1882 was found to be defective and therefore returned to the Division office for insertion of the needful information but received back in this office on 26th April 1882. Hence the delay in the submission of this application. It will be seen that the reason of termination of the applicant's service on 31st December 1864 is not given in the Service book as it was not really a termination, but was caused by the closing of his service by the Vernacular Record keeper with reference to the period for which Records from which the verification was made, were available with him. The applicant's long service may have half pension as his suspension and reduction sufficiently punished him. He is now broken down in health.

6. Specific opinion of Head of Office whether the service claimed is established and should be admitted or not. (See Rule 6 under Section 84.) — Established.
