No. 391. Read the following Proceedings of the Board of Revenue, dated 4th October 1876, No. 2,508 :—

THE Board proceed to review the several detailed Budgets of proposed expenditure from the Jungle Conservancy Fund during 1876-77.

Taluks.		RS.
Nursapur.	Tope at Rustumbada	50
	„ at Seetharampuram ...	50
Amalapur	„ at Bendamurlanka ...	164
Cocanada Division, Nursery Garden at Cocanada.		200
	Total ...	464

2. GODAVERY.—There are three topes in three different villages besides the nursery garden at Cocanada, and the sums have been provided, as noted in the margin, for unforeseen charges. No provision for similar charges was made in last year's Budget, nor is any explanation of the [illegible] for them in the current year given. The Collector is requested to state the nature of the charges intended to be met from the provisions noted.

3. The Board have disallowed a lump provision of Rupees 2,500 made in the Budget for topes to be planted hereafter, as in his letter, dated 20th June 1876, No. 176, the Collector has reported that the amount cannot be utilized in the year.

4. In G.O., Revenue Department, dated 31st July 1876, No. 1,023, sanction has been accorded for the sale of the nursery garden at Cocanada to the Rajah of Pittapore, but the allotment of Rupees 900 in the Budget for the maintenance of the garden is allowed to remain undisturbed, not only to meet such expenditure as may be incurred up to the date of its actual transfer to the Rajah, but also to meet the cost of the nursery garden newly formed in the Collector's Cutcherry compound.

5. KISTNA.—Under Items Nos. 19 to 28 neither the extent of land to be occupied by each tope or plantation, nor the number of trees to be planted, is entered. The Collector is requested to supply the omissions.

6. The lump provision of Rupees 4,000 for works to be carried out by the Public Works Department has been reduced to Rupees 3,000 as already mentioned in paragraphs 4 and 5 of the Board's Proceedings, dated 6th January 1876, No. 25, and the allotment of Rupees 300 for the salary of a clerk to be entertained on Rupees 25 a month is struck out, the Board having in their Proceedings, dated 7th March 1876, Miscellaneous No. 2,040, declined to entertain the proposal.

7. NELLORE.—Under Superintendence, Permanent Establishment, provision is made for Rupees 72, being the salary of an Assistant Wood Overseer's peon at Rupees 6 a

month, for whose entertainment no application appears to have been made. The Collector should be aware that additions to the permanent establishment should not be made without the previous sanction of Government.

8. The rates of salaries to be drawn by the gardeners attached to the casuarina plantations in charge of the Salt Department in the Kavali, Kundakur, and Ongole Taluqs are not given. The omission should now be supplied.

9. Under Village Topes in the Nellore and Kundakur Taluqs the total expenditure is entered as Rupees 5,860-8-0 and Rupees 1,961 respectively, but the correct totals are Rupees 5,908 and Rupees 2,061, which the Board have adopted.

10. A provision of Rupees 59,190 is made on account of miscellaneous charges against Rupees 20,200 in the Budget of 1875-76. It includes Rupees 50,000 for cutting operations in the Striharicotah jungles under the Amani system, and Rupees 4,000 for establishing depôts at Nellore and some other important places in the district to sell firewood brought from the adjacent jungles.

11. Bellary.—For some of the taluqs, the description and number of trees in topes are not given. The Collector is requested to furnish the information. Similar omissions were noticed in the review of the last year's Budget.

12. North Arcot.—Under Establishment for the conservancy of local jungles in [illegible] of the Deputy Conservator of Forests, provision is made for a [illegible] in lieu of the two duffadars on monthly salaries of Ri[illegible] and 9 sanctioned in G.O., Revenue Department, dated 2nd July 1875, No. 992. In his letter, dated 28th July 1876, No. 314, the Collector states that, at the instance of the Deputy Conservator of Forests, he permitted the amalgamation of the salaries of the two duffadars and the entertainment of a gumastah on Rupees 18 in their stead. The transaction was remarked on by the Board in paragraph 5 of their Proceedings, dated 18th August 1876, No. 2,117.

13. Trichinopoly.—The cost of supervision on the expenditure of Rupees 2,400 to be incurred by the Public Works Department should be Rupees 600, and not Rupees 850 as entered in the abstract budget statement of receipts and charges originally furnished by the Collector.

14. Coimbatore.—In the village of Coonakahully in the Collegal Taluq, a servant on Rupees 4 per month is provided for the maintenance of eleven palmyra trees, but in the Budget of 1875-76 the number of trees to be maintained at that place was entered as 1,000. There is nothing to show how this number has been reduced to [illegible] Collector will explain.

15. Salem.—The provision of Rupees 360 for a clerk in the Collector's Office is reduced to Rupees 240, Government having in their Order, Financial Department, dated 27th December 1875, No. 2,512, sanctioned only Rupees 20 a month.

16. The following abstract shows the available receipts and the proposed expenditure. All the Special Local Fund accounts for March 1876 having been received from the several Collectors, the Board have, as usual, adopted the actual balances of the Jungle Conservancy Fund for all the districts on the 1st April 1876, in lieu of the

estimated balances shown in the Abstract Budget Estimate reviewed in G.O., Revenue Department, dated 25th January 1876, No. 104:—

17. It will be observed that there are differences between the total expenditure shown in the above statement and in the sanctioned Abstract Budget Estimate as shown below:—

Districts.	Original Expenditure.	Revised Expenditure.	Difference.	Remarks.
	RS.	RS.	RS.	
Godavery ...	4,742	2,342	2,400	The difference is owing to the omission of the lump provision of Rupees 2,500 noticed in paragraph 3 *supra* and to the inclusion of Rupees 100 omitted in the Abstract Budget Estimate.
Nellore ...	1,20,270	1,37,916	17,646	The difference is owing to a larger expenditure having been provided in the detailed Budget of expenditure than that entered in the original Abstract Budget.
Bellary ...	6,027	6,096	69	
Kurnool ...	6,050	6,323	273	The difference is owing to the adoption of the expenditure of Rupees 1,500 by the Public Works Department proposed in the Collector's original Abstract Budget in lieu of Rupees 1,282 which was provided in the Board's Abstract Budget Statement for want of funds as already noticed in paragraph 4 of the Board's Proceedings, dated 6th January 1876, No. 25, and to the cost of supervision on the former amount.
Trichinopoly.	10,582	10,332	250	The difference is owing to the cost of Public Works supervision having been incorrectly calculated as already pointed out.
Coimbatore...	14,755	14,834	79	The difference is the sum disallowed in the Board's Abstract Budget Estimate for want of funds.

18. With these remarks, the taluqwar abstract of expenditure will be printed and circulated to all officers concerned.

19. The Accountant-General is requested to place Rupees 6,360 at the disposal of the Public Works Department.

Proceedings of the Madras Government, Revenue Department, 22nd November 1876.

No. 392. ORDER THEREON, 22nd November 1876, No. 1,758.

Miscellaneous.

THE Government observe that the Jungle Conservancy Fund Rules require that the Budget be submitted to Government by the 15th December. The practice, however, has been to forward the detailed Budget some time after the year to which it relates has begun; the brief abstract of the receipts and expenditure being given in the Special Funds Budget.

2. The Government are of opinion that this course is open to obvious objections; and so long as it continues no effective control can be exercised over the expenditure. They accordingly resolve to direct that the detailed Budgets for the future be submitted by the 15th December in each year.

3. As nearly eight months of the year have elapsed, it is useless to criticise the expenditure approved by the Board for the current year. The Budget is accordingly passed intact. No time should be lost in forwarding the Budgets for 1877-78.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 4th October 1876.

THE Board proceed to review the several detailed Budgets of proposed expenditure from the Jungle Conservancy Fund during 1876-77.

2. GODAVERY.—There are three topes in three different villages besides the nursery garden at Cocanada, and the sums have been provided, as noted in the margin, for unforeseen charges. No provision for similar charges was made in last year's Budget, nor is any explanation of the necessity for them in the current year given. The Collector is requested to state the nature of the charges intended to be met from the provisions noted.

3. The Board have disallowed a lump provision of Rupees 2,500 made in the Budget for topes to be planted hereafter, as in his letter, dated 20th June 1876, No. 176, the Collector has reported that the amount cannot be utilized in the year.

4. In G.O., Revenue Department, dated 31st July 1876, No. 1,023, sanction has been accorded for the sale of the nursery garden at Cocanada to the Rajah of Pittapore, but the allotment of Rupees 900 in the Budget for the maintenance of the garden is allowed to remain undisturbed, not only to meet such expenditure as may be incurred up to the date of its actual transfer to the Rajah, but also to meet the cost of the nursery garden newly formed in the Collector's Cutcherry compound.

5. KISTNA.—Under Items Nos. 19 to 28 neither the extent of land to be occupied by each tope or plantation, nor the number of trees to be planted, is entered. The Collector is requested to supply the omissions.

6. The lump provision of Rupees 4,000 for works to be carried out by the Public Works Department has been reduced to Rupees 3,000 as already mentioned in paragraphs 4 and 5 of the Board's Proceedings, dated 6th January 1876, No. 25, and the allotment of Rupees 300 for the salary of a clerk to be entertained on Rupees 25 a month is struck out, the Board having in their Proceedings, dated 7th March 1876, Miscellaneous No. 2,040, declined to entertain the proposal.

7. NELLORE.—Under Superintendence, Permanent Establishment, provision is made for Rupees 72, being the salary of an Assistant Wood Overseer's peon at Rupees 6 a month, for whose entertainment no application appears to have been made. The Collector should be aware that additions to the permanent establishment should not be made without the previous sanction of Government.

8. The rates of salaries to be drawn by the gardeners attached to the casuarina plantations in charge of the Salt Department in the Kavali, Kundakur, and Ongole Taluqs are not given. The omission should now be supplied.

9. Under Village Topes in the Nellore and Kundakur Taluqs the total expenditure is entered as Rupees 5,860-8-0 and Rupees 1,961 respectively, but the correct totals are Rupees 5,908 and Rupees 2,061, which the Board have adopted.

10. A provision of Rupees 59,490 is made on account of miscellaneous charges against Rupees 20,200 in the Budget of 1875-76. It includes Rupees 50,000 for cutting operations in the Striharicotah jungles under the Amani system, and Rupees 4,000 for establishing depôts at Nellore and some other important places in the district to sell firewood brought from the adjacent jungles.

11. BELLARY.—For some of the taluqs, the description and number of trees in topes are not given. The Collector is requested to furnish the information. Similar omissions were noticed in the review of the last year's Budget.

12. NORTH ARCOT.—Under Establishment for the conservancy of local jungles in charge of the Deputy Conservator of Forests, provision is made for a gumastah on Rupees 18 per mensem in lieu of the two duffadars on monthly salaries of Rupees 10 and 9 sanctioned in G.O., Revenue Department, dated 2nd July 1875, No. 992. In his letter, dated 28th July 1876, No. 344, the Collector states that, at the instance of the Deputy Conservator of Forests, he permitted the amalgamation of the salaries of the two duffadars and the entertainment of a gumastah on Rupees 18 in their stead. The transaction was remarked on by the Board in paragraph 5 of their Proceedings, dated 18th August 1876, No. 2,117.

13. TRICHINOPOLY.—The cost of supervision on the expenditure of Rupees 2,400 to be incurred by the Public Works Department should be Rupees 600, and not Rupees 850 as entered in the abstract budget statement of receipts and charges originally furnished by the Collector.

14. COIMBATORE.—In the village of Coomakalrully in the Collegal Taluq, a servant on Rupees 4 per month is provided for the maintenance of eleven palmyra trees, but in the Budget of 1875-76 the number of trees to be maintained at that place was entered as 1,000. There is nothing to show how this number has been reduced to 11. The Collector will explain.

15. SALEM.—The provision of Rupees 360 for a clerk in the Collector's Office is reduced to Rupees 240, Government having in their Order, Financial Department, dated 27th December 1875, No. 2,512, sanctioned only Rupees 20 a month.

16. The following abstract shows the available receipts and the proposed expenditure. 17. It will be observed that there are differences between the total expenditure shown in the above statement and in the sanctioned Abstract Budget Estimate as shown below :—

Districts.	Original Expenditure.	Revised Expenditure.	Difference.	Remarks.
	RS.	RS.	RS.	
Godavery ...	4,742	2,342	2,400	The difference is owing to the omission of the lump provision of Rupees 2,500 noticed in paragraph 3 *supra* and to the inclusion of Rupees 100 omitted in the Abstract Budget Estimate.
Nellore ...	1,20,270	1,37,916	17,646	The difference is owing to a larger expenditure having been provided in the detailed Budget of expenditure than that entered in the original Abstract Budget.
Bellary ...	6,027	6,096	69	
Kurnool ...	6,050	6,323	273	The difference is owing to the adoption of the expenditure of Rupees 1,500 by the Public Works Department proposed in the Collector's original Abstract Budget in lieu of Rupees 1,282 which was provided in the Board's Abstract Budget Statement for want of funds as already noticed in paragraph 4 of the Board's Proceedings, dated 6th January 1876, No. 25, and to the cost of supervision on the former amount.
Trichinopoly.	10,582	10,332	250	The difference is owing to the cost of Public Works supervision having been incorrectly calculated as already pointed out.
Coimbatore...	14,755	14,834	79	The difference is the sum disallowed in the Board's Abstract Budget Estimate for want of funds.

18. With these remarks, the taluqwar abstract of ... and circulated to all officers concerned.

19. The Accountant-General is requested to place Rupees 6,300 at the disposal of the Public Works Department.

Jungle Conservancy Fund.—Reviewing Detailed Budgets of proposed expenditure from — durin[g] 1876-77, and requesting Accountant-General [to place] Rupees 6,300 at disposal of Public Wo[rks] Department.

Ordered 7/11 R 11. Nov

Jungle Conservancy
Budget 76/77.

4th October 1876 No 2,508

The Board submit this Budget with their Proceedgs noted in the margin. It was only received in this Office on the 6th inst. — more than a month apparently having been taken for printing —

The Rules (J. Conserving Fund) require that this Budget ~~should have~~ be submitted to Govt. by the 15th Dec —

It is submitted, that it is useless to attempt to control expenditure retrospectively, when the orders for that expenditure have not been sought until two thirds of the year, to which the expenditure relates, has elapsed —

Rule VII, quoted in the

"The sanction of the Budget by Govt. will be sufficient authority for proceeding with any of the projects therein entered"

margin expressly provides
that sanction of Govt. before
proceeding with the expenditure –

It is submitted that
the brief abstract ~~given~~
of the Receipts & Expd.
of this Fund, given in
the general Budget for
Special Funds – see Prof. – 25 Jany –76 No 104 R.D.
quoted in the margin –
is not the Budget
required by the Rules,
although it has
been permitted to
take its place –

The question relating
to the improvement
of these Budget forms
has been discussed
at length in the
Memo for orders in
circulation with B's No 2329 dated 12 Sept 1876.
Proceedings reviewing
history of this Fund from

its commencement –

It is submitted that
a formal sanction
may now be accorded
to the B's Proceedings,
but that they be required
to submit the detailed
Budget for 77/78 by
the 15th December,
as required by the Rules.
It does not seem necessary
to call for explanation
of delay in submitting
these Budgets, as Govt.
have passed it over
without remark
for several years

Proceedings of the Madras Government
Under date the November 1876

Read:—

Proceedings of the Board of Revenue dated 4 October 1876 No. 2508 reviewing detailed Budgets of proposed expenditure from Jungle Conservancy Fund during 1876-77 &c.

The Govt. observe that the Jungle Conservancy Fund Rules require that the Budget be submitted to Govt. by the 15th December. The practice however has been to forward the detailed Budget some time after the year to which it relates has begun; the brief abstract of the

receipts

receipts and expenditure being given in the Special Funds Budget.

2. The Govt. are of opinion that this course is open to obvious objections, & so long as it continues no effective control can be exercised over the expenditure. They accordingly resolve to direct that the detailed Budgets for the future be submitted by the 15th December in each year.

3. As nearly eight months of the year have elapsed, it is useless to criticise the expenditure approved by the Board for the current year. The Budget is accordingly passed

should be lost in forwarding the Budgets for 1877/78.
