President of Gumsjala, before the Revenue Inspector of Ganjam Range on 21st October 1897.

Present Swamy S/o 126 in Gumsjala Village is held by Sikkakarnayya and myself. There is a track for bullock carts in this lands. The Salt Inspector stated that an acre of the lands (including the portions on both sides of the roads) is wanted and that Compensation at Rs 25 an acre should be given. I stated that an acre of the lands to the west of the road may be taken, and that if the land is taken on both sides of the roads, one shall receive less. The Salt Inspector said that he would accordingly take an acres to the west of the roads. I am willing to give more any portion of the lands to the west of the roads and the Government may take it: I am not willing to give lands ~~in~~, to the east of the roads.

I have agreed to take Compensation at 25 Rs an acre. My pattadar Sikkakarnayya is not in village. He is in Koyakonda village of Patikonda Tq. I do not know whether he is willing to give the land or a portion of this lands to the Govt. He should be asked.
