Walaja Taluq

General Remarks. The assessment entered in this Register is according to the Revised rates in operation in the District on the Government lands. They were introduced under orders of Government by Mr. Bowbury in Fasly 1265. These rates have invariably been applied to Inams which have reverted to Government Inspection since the remission. The reduction was made on the last Survey assessment subsequent to the deduction of the remote Inquiry of 12½ Pc. The particulars are fully explained in the General Report.
