General Remark

The assessment entered in this Register is answering to the service earlier in operation in this District of the Lord Lands. They were introduced under the orders of Govt by Mr Ranbury in 1862. These rates have invariably been applied to Inams which have reverted to Govt on lapse since the reversions. The reduction was made on the net survey assessment subsequent to the reduction of the usual rayyat of 12½%. The particulars are fully explained in the General Report.
