Total amount come to my hands and possession is — Company's Rupees	953	9	3

The undermentioned have come to my Knowledge

Happens to be a note from the late Edward Gordon Esq to the address of the late firm of Messrs Franck Nevile and Co that he held a Policy of Insurance on the life of the deceased which would amply cover their claim against the said deceased .....

Remarks and Information

On enquiring of and by a letter in answer from J Buckle Esq the Executor to the said late Edward Gordon dated 26th May 1838 it appears that the said Edward Gordon did hold at one time an Insurance on the Revd Mr Stewart's life, but was unfortunately in the Oriental Society, and only for a term of Years which term expired in May of the Year 1833 and consequently to that period on 11th October 1833 He as Mr Gordon's Executor addressed Mr Stewart, proving him a Certificate to Execute, in order that a fresh Insurance might be taken, but whether from the state of his Health not admitting of it or from whatever other cause the Certificate was never returned to him, nor does any reason elicited from the records

Remarks and Information.

With reference to the List at foot of Proceedings of Committee held on Fort St. George 7th April 1837. these articles were delivered to Jamesley as per his Receipt granted to the Town Major of Fort St. George dated 22nd April 1837 in order that the same may be transmitted to the next of Kin of the Deceased.

On enquiry it appears by a letter from C.C. Collins Esqr dated 27th September 1837. that this Bible was not sent for sale, being the gift of the deceased's father it was detained to be sent home with a number of letters, loose papers &c to his family, and it was then in his possession for this purpose.

None of these is it is believed enforcible.
