Among the Papers of the Deceased, has been found a Copy of a Will of the late Lieutenant Colonel George Hutchison, dated 16th July 1828, whereby it appears that he bequeaths to Mrs Agnes Jane Hutchison, the Interest on £6,000 during her natural life, and after her death to the deceased, during his natural life.— Also Interest on £4,000 to Mrs Isabella Hutchison, the Widow of the said late George Hutchison, for her life and after her death to be enjoyed by the deceased, during his natural life	The Principal Amount of the said Legacies after the death of the said Agnes Jane Hutchison, and the deceased appears to pervert to the Children of the deceased for their benefit.

In the above mentioned Will there appears also a bequest to the Deceased of a Gold Watch Seals, and a Silver Japanese Medal	By the Inventory of the Deceased Exhibit, taken by the Committee, there appears a Gold Watch Seal and Key as above mentioned, and from the said letter from the Officer Commanding Thirty first Native Infantry, dated 18th April 1838, I am led to suppose, that the Gold Watch mentioned in the Inventory is the Gold Watch bequeathed.
Among the Papers of the Deceased, has been found also a Copy of a Will of the late David Hutchison Esqr dated 18th June 1828, whereby it appears that he bequeaths to Mrs Agnes Jane Hutchison, the Interest of £5,000 during her Natural life, and after her death to the deceased, during his natural life	The Interest of the said Legacy after the death of the said Agnes Jane Hutchison and the deceased, appears to pervert to the reputed Children of the said late David Hutchison for their benefit.

The undermentioned have come to my Knowledge.

By the last mentioned Will a further bequest appears of £ 500 to the Deceased for his own exclusive benefit

Remarks and Information.

It appears by an Account Current dated 12th August 1823 signed by George Hutcheson the Executor, that this Legacy had been overdrawn the Account exhibiting a Balance of £ 9-6-5 against the Deceased.
