Sir Robert Fletcher

a Letter from the Clerk to the Court of Appeals Read setting forth that the Attorneys for the Defendant had delivered in a Petition of Appeal from an Interlocutary Order made in this Cause on Friday the 13th Day of December last, as also that they had on the 22d Instant in Consequence of a Resolution made by the Court of Appeals in this Cause, a Copy of which is enclosed, lodged an Appeal to the Kings most Excellent Majesty in Council which Petition sets the following forth — That the Members of the Court of Appeals think it their Duty to declare that in their Capacity of Members of this Government for Reasons which appear good and sufficient to them they act on behalf of the East India Company their Constituents from the Order by which the Complainants Person was Arrested and put under Confinement and that the Defendant was one of their Agents at the time and as it appears to be the Ground of the present Motion the Members Conceive from the Petition of Appeal delivered in, That they may be

be admitted in the Court of this Suit — The Attorneys for the Complainant object to any Appeal being lodged since the Order of the Court on the 13th Day of December Last as such Appeal appears to be Altogether irregular, neither founded on any Instructions in Order in the Charter, nor in Law, but tending to Defeat the Cause of Justice by procuring an unnecessary Delay — They further object since this attempt of Appealing appears to them in direct Contradiction to the Authority granted to this Court by the Charter for hearing and Determining all Suits Actions and Pleas which are brought before them — They therefore pray that a Day may be fixed for the Defendant to Answer the Complainants Bill — The Attorneys for the Defendant object, because they have already lodged an Appeal in this Cause to the Court of Appeals and from since to His Majesty in Council within the time limited by the Charter, and having done so, they cannot Consent to any further Proceedings being had in this Court, till the Determination of His Majesty in Council on the Matter of the said Appeal is — Which by Petition to this Court — Desired taking the same into Consideration till Saturday next when a full Court is Ordered to be Summoned at 9 o'Clock in the forenoon.

a Letter from the Clerk to the Court of Appeals Read setting forth that the Attorneys for the Defendant had delivered in a Petition of Appeal from an Interlocutary Order made in this Cause on Friday the 13th Day of December last, as also that they had on the 22d Instant in Consequence of a Resolution made by the Court of Appeals in this Cause, a Copy of which is enclosed, lodged an Appeal to the Kings most

Excellent

Excellent Majesty in Council, in which Resolution is to the following
purport – That the Members of the Court of Appeals think it their
Duty to Declare that in their Capacity of Members of this Government
for Reasons which appeared good and sufficient to them they did on
the behalf of the East India Company their Constituents issue the
Order by which the Complainants Person was Arrested and put
under Confinement and that the Defendant was Acting in Execution
of their Order so given and as this appears to be the Ground of the
present Action the Members Conceive from the Petition of
Appeal delivered in, That they may be entertained in the Event
of their Just – The Attorneys for the Complainant object to any
Appeal being lodged from this Order of Court on the 13th day of
December last as such Appeal appears to be altogether irregular
neither founded on any Instructions in Order in the Charter nor in
Law, but tending to defeat the Course of Justice by procuring an
unjustifiable Delay – They further object, since this Attempt of
Appealing, appears to them in direct Contradiction to the Authority
granted to this Court by the Charter for hearing and Determining
all such Actions and Pleas which are brought before them – They
therefore pray that a Peremptory Day may pass for the
Defendant to Answer the Complainants Bill – to which the
Attorneys for the Defendant Object – because they have already lodged
an Appeal in this Cause to the Court of Appeals and from thence
to his Majesty in Council within the time Limited by the
Charter, and having done so, they cannot Consent to any further
Proceeding being had in this Court, till the Determination of his
Majesty in Council on this Matter of the said Appeal is
properly Reported to the Court – Defered taking the same into
Consideration till Saturday next when a full Court is Ordered to be

Dissents

Mr Roebuck desires to enter his Dissent against the Bail now Demanded from Lieut. Col. Edingtoun, Because he Considers the Situation of Lieut Col Edingtoun as a Military Officer Acting under the Express Orders of his Superiors a Disobedience of which must have Subjected him to all the Penalties of Martial Law Thus in my Opinion must greatly alleviate the Supposed Charges brought against him by our Petitioner.

Because Lieut. Col. Edingtoun by his Attorney has Offered to make Oath, and to every other Proof that he has not at Present any intention of Removing from the Presidency or the Jurisdiction of this Court and because he has further Declared in Court that the Bail required does greatly exceed his payable fortune to which he is also ready to make Oath and I am fully Convinced of the truth of this, I do object to the Bail Demanded as excessive and Oppressive since in the present Case if Damages were even found against Lieut. Col. Edingtoun for that Sum they could not legally be Exacted.

Mr Roebuck desires to enter his Dissent against the Bail Demanded from Colonel James Stuart.

Because although against my Consent the £15,000 Bail being Ordered to be found in Presence of £20,000 the two Sums Proposed by the Court having thought £10,000 insufficient I take by no Means to be moderate and that I gave my Approbation to it, but that having no Alternative I voted for the Least Sum being fully persuaded that the Bail Required is beyond all Measure Excessive Excessive and Oppressive. Because I considered the same Altho' being Circumstances in this Case already Mentioned in my Dissent upon Lieut. Col. Edingtoun's Bail and further Because it has been asserted by the Attorneys for Col. Jones Stuart that he acted by express Orders of a Majority of Council now the Government of Fort St George and Recognized as such by various Acts of this Honble Court and because also the positive Orders of the Honble the Court of Directors that all Civil and Military Servants of the Company are expressly required to pay obedience to the Orders of a Majority of Council, for these Reasons and because I consider the Bail required when Compared with the Private fortune of the Person Complained against as highly Excessive and Oppressive, and such as no Bailable Offence can Justify, since it seems almost an impossibility to find People in this Settlement who can justify even for the Specified Sum, and therefore the Subject would stand a Chance of being Deprived of his Liberty from Excessive Bail being Ordered in a Case where the Law has expressly Declared he shall have it.

I must therefore Declare that I think this Bail not only Excessive but Oppressive in the highest Degree — And thereby protest that I hold myself free of all Damages which may be sustained from the Court's Determination in the present Case.

Letter from the Clerk to the Court of Appeals read, Setting forth that the Attorneys for the Defendant had delivered in a Petn of Appeal from an Order made in this Cause on the 14th day of January last as also that they had on the 25th day of January in Consequence of a Resolution made by the Court of Appeals in this Cause a Copy of which is enclosed, lodged an Appeal to the Kings most Excellent Majesty in Council which Resolution is to the following Purport, That the Members of the Court of Appeals think it their Duty to Declare that in their Capacity of Members of this Government for reasons which appeared Good and Sufficient to them they did on behalf of the East India Company their Constituents, issue the Orders by which the Complainants Person was Arrested and put under Confinement, and that the

the Defendant was Acting in Execution of their Orders so given, and as this appears to be the Ground of the present Action the Members conceive from the Petition of appeal delivered in that they may be interested in the Event of this Suit — The Attorney for the Complainant objects to any Appeals being Lodged from the Order of this Court on the 11th: January because it does not appear by the Rule to be a Matter appealable and the Defendant having already complyed with the said Order of Court by having filed Bail agreeable thereto as also by having filed a Demurrer to which the Complainant has Joined which being now at Issue is set down to be Argued — The Attorney for the Complainant therefore humbly Conceive that the said Appeal is very irregular as the Defendant continues to Defend the Suit in this Honble Court to which the Attorney for the Defendant objects because they Conceive the Appeal is regular notwithstanding the Demurrer and Joinder mentioned by the Attorney for the Complainant as the Appeal is not on Account of any Matter that can be effected by the Demurrer and Joinder — and the Matter of giving Bail taken Notice of by the Attorney for the Complainant was done to prevent the Defendant from suffering a Disagreable Imprisonment which would have been a great Hardship on the Defendant and by which he would have suffered considerable Damages both in his Person and Affairs — The Attorneys for the Defendant do also Conceive that the Merits of the Appeal cannot be Determined by this Court the said Attorneys therefore Objects

Letter from the Clerk to the Court of Appeals read setting forth that the Attorneys for the Defendants had delivered in a Petition of Appeal from an Order made in this Cause on the 14th. Day of January last as also that they had on the 25th. January in Consequence of a Resolution made by the Court of Appeals in this Cause a Copy of which is Enclosed lodged an Appeal to the Kings most Excellent Majesty in Council which Resolution is to the following Purport That the Suit instituted in this Court against the Defendant is founded on an Action in which he the said Defendant had the Sanction and Authority of the Members of the Court of Appeals in their Capacity of Members of the Government, they therefore conceive from the Petition of Appeal now Delivered in that they may be interested in the Event of this Suit — The Attorneys for the Complainant object to any Appeal being lodged from the Order of this Court on the 14th. January because it does not appear by the Charter to be a Matter appealable and the Defendants having already complyed with the said Order of Court by having filed Bail agreable thereto as also by having filed a Demurrer to which the Complainant has joined which being now at issue is set down to be Argued — The Attorneys for the Complainant therefore humbly Conceive that the said Appeal is very irregular as the Defendant continues to Defend the Suit in this Honble Court to which the Attorneys for the Defendant object because they Conceive the Appeal is irregular Notwithstanding the Demurrer and Joinder mentioned by the Attorneys for the Complainant

as

as the Appeal is not on Account of any Matter that can be Affected by the Demurrer and Joinder — and the Matter of giving Bail taken Notice of by the Attorneys for the Complainant was done to prevent the Defendant from suffering a Disagreeable Imprisonment which would have been a great Hardship on the Defendant and by which he would have suffered Considerable Damages both in his Person and Affairs — The Attorneys for the Defendant do also conceive that the Merits of the Appeals cannot be Determined by this Court the said Attorneys therefore object to any Motion being made for the same being taken into Consideration

The Attorneys for the Complainant pray leave to move the Court for their Consideration on the Objections made the 7th and the 11th Ultimo to the Appeal lodged by the Defendant to the King in Council and particularly to that part wherein the Attorneys pointed out the irregularity of the said Appeal having been admitted by the Clerk of the Court of Appeals without Bail being at the same time filed by the Attorneys for the Defendant — The said Attorneys also pray leave to file an Affidavit of Mr Henry DuPuy one of Attorneys in this Cause for the Complainant shewing that

that he had enquired twice at the Office of the Clerk of the Court of Appeals whether Bail had been filed by the Defendant with the said Appeals to Wit on the 7th & 11th of January And that he found by the information of the said Clerk and his Writers that no Bail had been filed for which reasons and other Objections before the Court the said Attorneys pray that a Peremptory Day may pass for the Defendant to Answer the Complainant's Bill — Affidavit of Mr Henry DuPuy Sworn to in Court Read and filed — The Attorneys for the Defendant beg leave to Object to the Motion of the Complainant's Attorneys as to any supposed irregularity before the Court of Appeals being taken into Consideration by this Honble Court, because any Objections thereto should be made in that very Court from whence the Irregularity Originally sprung and that it is the Business of the Attorneys for the Complainant to apply to that Court to Judge of the Impropriety of any Matter arising in their Court — that it is the Business of the Attorneys for the Complainant to Demur or Except to the Merits of the Appeal being taken into Consideration by the Court of Appeals untill their Opinion is first had of such Irregularity therefore the Attorneys for the Defendant think it their Indispensible Duty to object to every Motion made in this Court in this Cause while the Appeal which has been received by the Court of Appeals lies Dependent before his Majesty in Council

The Attorneys for the Complainant pray leave to move the

Court for their Consideration on the Objections made the 7th
the 11th Ultimo to the Appeal lodged by the Defendants to the
King in Council and particularly to that part wherein the
Attorneys pointed out the irregularity of the said Appeal
having been Admitted by the Clerk of the Court of Appeals
without Bail being at the same time filed by the Attorneys

enquired twice at the Office of the Clerk of the Court of Appeals
whether Bail had been filed by the Defendants with the
said Appeals to wit on the 7th and 11th of January and that
he found by the Information of the said Clerk and his Writers
that no Bails had been filed for which Reasons and other Objections
before the Court the said Attorneys pray that a peremptory
Day may pass for the Defendants to Answer the Complainants'
Bill — Affidavit of Mr Henry DePuy Sworn to in Court
Read and filed — The Attorneys for the Defendants beg leave to
Object to the Motion of the Complainants' Attorneys as to
any supposed irregularity before the Court of Appeals being
taken into Consideration by this Honble Court, because
as no Objections should be made in that were Court from
whence the irregularity Originally Sprung and that it is the
Business of the Attorneys for the Complainants to apply to that
Court to judge of the Interlocutory of any Matter arising in
this Court — that it is the Business of the Attorneys for the
Complainants to Demurr or Except to the Merits of the

Dissent

Because from the Law Opinions read to the Court upon the Proceedings of the Mayor's Court of Calcutta relative to Mr. and Mrs. Jephson out of Appendix No. 1 to 6th Report of the Secret Committee of the House of Commons — from the Consideration of the Practice of the Law Courts in England and Ireland & of the Judges Court at Calcutta any Attempt to enter upon these Cases which have been appealed can have no other appearance than a desire to exert the Powers of the Court beyond what the Charter has granted and a Contempt of that Authority by which this Court holds its Powers —

George Lord Pigot
vrs.
Sir Robert Fletcher

In Consequence of the Objections made by the Attorneys for the Complainant last Court Day in this Cause against Mr. Alderman Holland sitting upon the Bench on Account of his being one of the Defendants Attorneys. Mr. Alderman Holland begs leave to deliver in the following Minute.

The Attorneys on the part of George Lord Pigot have moved the Court objecting to my sitting on the Bench on the Cause of their Client against Sir Robert Fletcher I consider this motion in the nature of a Challenge for special cause shewn, which is, that I act as Attorney for the Defendant. I beg leave to refer the Court to their Records, where they will find that the Law Attorneys on the part of the Defendant Sir Robert Fletcher have never moved the Court in my name, Consequently I am not an Attorney in this Cause and no Instructions can pass to them from me. I must beg leave to acquaint the Court, that they may have full information on this Head, that in Conjunction with Mr. Charles Oakely I hold a Power of Attorney from Sir Robert Fletcher, that I am the Acting Attorney, and do suppose we have sufficient Powers to transact all matters in the common Course of Business on the behalf of our Constituent, where my Power is not superseded by any Special Power, with respect to the Suit now before the Court the Law Attorneys have no Authority from me to appear in it, nor do I conceive myself in any degree Answerable for any thing that is done, and it is even a Doubt with me, whether any person not specially authorized could interfere in such a suit, which seems to me to be quite out of the Common Course of Business, being as I understand an Action for Damages for a Personal injury. I know of no Authority I have to interfere in it in the least degree, nor have I ever given a Single instruction or concerned myself at all about it. I never have, nor do I now, conceive myself to be any ways particularly interested in the Event of the Suit, which, as there has been till now, no Challenge is, I presume, a sufficient Justification of my Conduct heretofore. The Case is now altered, there is an express challenge against me on the face of the Records, and it becomes necessary that I should speak to it, meaning ultimately to refer the Matter entirely to the Court.

The

The Causes now before the Court are of a very particular Nature and engage very much the Attention of the Publick, I make no doubt therefore the Members of this Court would all Wish to avoid as much as Possible any Suspicions of being biassed or interested from any other Considerations, then every one from his own idea of Justice, according to the best of his Knowledge and understanding. I must on this Occasion lament my want of experience and Knowledge in the Laws of my Country, the study of which is so very laborious and intricate that it is almost confined to those who follow it as a profession. My appointment to this Court was not at my own desire nor did I ever wish it. Every one must be Sensible how very much the minds of Men in general have been thrown off their biass by the late Transactions in this Settlement, and how very difficult it is to ascertain precisely the Boundaries between Right and wrong in Affairs of so delicate a Nature, We have known the Supreme Council of Bengal to confirm, We have known the Presidency of Bombay to disallow of, the Present Government, when Men in the Highest Stations differ so widely in Opinion it must follow that those in subordinate Ranks will also be at variance, every one as he may act from Principle or be Actuated by the various passions incident to human Nature. I am truly Concerned for what has happened. I feel as well as my Brethren of the Bench for the Situation of the Complainant I am inclined to hope that both parties are innocent of any very heinous Offence and that whichever party may be Adjudged to be wrong may have acted Rather from Conviction on mistaken Notions

Notions then from any bad intentions I must however observe that the disputes on which the present Action is evidently grounded might have been Attended with the Worst of consequences to Society. The Court in a Cause of this Nature or indeed in any Cause act it seems in a Double Capacity, as Judges of the Point of Law, and as a Jury on Matter of fact. It is one of the first principles of the English Law, that the parties in a Suit shall be at liberty to Challenge Jurors and that peremptorily to a certain Number. a Noble Priviledge constantly practised in our Mother Country, and which I hope will ever be maintained, as I consider it as one of the grandest Bulworks to the impartial Administration of Justice. This Court have never yet Summoned Juries, for which purpose it seems to be the Opinion that it is not invested with any Powers. It appears however by our Charter, that his Majesty has been Graciously pleased to attend to the impartial Administration of Justice in these parts, having particularly inserted in it, that no Person Interested shall sitt in Judgment on any Cause before this Court It does not however appear who is to be the Judge with respect to a Members being Interested, but there may possibly be cases in which it should not be entirely left to his own Judgment. Hitherto however it has been left to every one to Determine for himself whether he has or has not been interested and it is perhaps much to the Credit of this Court that no Objection has ever been made to it, till now, within some few

few Weeks past, in one of the late Causes of Lord Pigot Complainant, when the Attorneys for the Defendant made a Motion, in the Nature of a Challenge, as it appeared to Me, of three of our Members, for Special Cause shewn, - which seemed to be very strongly discouraged, I must be observed that no Causes have ever come before this Court, where the Personal reputation of Individuals has been materially concerned and that the Causes now before the Court are the first for Damages for personal Injury - They are Causes in which, from the Rank Power and Influence of the Parties concerned many in the Settlement may be supposed to be interested, and in which, I speak it, without meaning any Disrespect or disparagement to the Court, the Members of this Court are as likely to be supposed to be interested as any others. It seems to me that whatever line the Court may take they are equally liable to suspicions of partiality, which in such times, men are ready enough to bestow - on each other - We all serve the Publick without any pecuniary Considerations, we all act to the best of our Judgments, and there is no Doubt but the Publick in General will think favorably of our Proceedings, but in a Cause, where Mens passions have been rouzed to the highest pitch of resentment and in which every one has perhaps a right to think himself equally Capable of Judging with the Members of this Court, some of us may not perhaps be quite so fortunate as not to incur suspicions of being in some Degree agitated as well as others of the Society, I could particularly wish to avoid sitting in Judgment on this Cause, not only because it appears to me, as indeed do all other Causes, to be a very Disagreeable, troublesome, and unthankful task, but because there is now a Particular challenge against me as a person - whom the Complainant thinks may be biased against him - I had no Reason which I could think sufficient for absenting myself. I shall now however very Chearfully Retire, if the Court think proper to Order it, or will permit it - I beg leave to submit it to their Consideration, whether every Member is to Judge for himself with Respect to being interested, or whether any Particular Capacities render him so, and whether the Case now before them is one of those Capacities -

Mr. Alderman Holland thereupon desires leave to Withdraw from the Bench which is granted - the Question is then put whether the Court shall in the present Instance Judge for - Mr. Holland, or whether it shall be left to himself to determine whether he is interested or not, which is Carried - that it be left to Mr. Holland - Mr. Alderman Holland thereupon takes his Seat on the Bench and begs leave to enter the following Minute -

Since the Court have not thought proper to pass any decisive Resolution on the Motion before them in Regard to me, but have been pleased to leave me to act on my own Judgment, I shall take the liberty of availing myself of their Indulgence and Retiring from what I conceive to be a very Disagreeable Service - I am induced to take this

Step

Stop not because I think myself any ways interested in the event of the Suit now under Consideration, which I have already declared I do not but because, from the Character in which I act as Attorney to the Defendant the Complainant thinks I may be biassed against him and there are a sufficient Number of Members left to form a Court without me — I cannot perhaps with propriety take upon myself by my exemple to Discountenance Challenges in this Court, when there is a Doubt about the propriety of allowing them, a Priviledge which appears to me to be a matter of great Consequence and which materially Concerns the Administration of Justice in this Community as the Spirit of the English Law favors Challenges, as the due Dispensation of Justice is founded on the greatest impartiality, I chuse in the present case, on Account of the objection that has been made agt. me, to avoid Sitting in Judgment on the Cause before the Court.

Mr. Alderman Smith moves for the Reconsideration of the former Motion regarding Mr. Hollonds being interested and that Mr. Hollond may withdraw from the Bench — Mr. Alderman Hollond goes off the Bench — Mr. Alderman Turing moves that the Question may be Amended as follows" whether or not from the Nature of the Objection made against Mr. Hollond's sitting on the Bench and his Reply thereto it appears that he is any ways interested in the Event of this Suit, which being put the Court are unanimously of Opinion that he is not interested in the Event of the Suit it is therefore Ordered that the Objection made by the Attornies for the Complainant be over-ruled — Mr. Alderman Hollond thereupon takes his Seat on the Bench

The Court thereupon proceed to take into Consideration the Objections and Motions made by the Attornies for the Complainant, as also the Objections made thereto by the Attornies for the Defendant on the 7th and 11th Day of January last and the 4th 11th and 25th Instant regarding the Appeals made to the Court of Appeals and his Majesty in Council on hearing the Attorneys for the Complainant the Attorneys for the Defendant refusing pleading for the Reasons already assigned by them on the Minutes, on Reading the Affidavit of Mr. Henry DuPrey and the Certificate of the Clerk of Appeals, and the Court having had due Consideration thereon are of Opinion — That the Objections and Motions made in this Cause by the Attorneys for the Complainant on the 7th and 11th day of January last, and the 4th 11th and 25th Instant be overruled with Costs — Messrs. Mr Alderman Smiths Dissent

Because the Appeal lodged from the Order of this Court of the 13th December last Dismissing as frevelous the Defendants Demurrer and putting him on his Answer is not a Judgment Sentence or Decree from which an Appeal may be made, but only an Interlocutary Order of the Court from which it does not Appear to me that an Appeal can be founded in the Rules of Process prescribed to this Court by the Royal Charter, nor by the Book of Instructions, which Accompanyed the Charter, and which this Court have Generally

followed

followed as a Guide in the Conduct of Suits and which in the present Case seems most Necessary to be Attended to Because this Appears to have been the Conduct of this Court on former Occasions which is proved by two Remarkable Instances in the Records of this Court quoted by the Attorneys for the Complainant, viz one of which the Attorney for the Defendant in this Cause upon the Courts staying an Order for the Delivery of Certain Goods, and the payment of some Money at the Hearing of the Cause, asked the Court whether such Order was meant as a final Judgment, or only Interlocutary for if it was a final Judgment he was Directed to Appeal from it, and being told it was only Interlocutary he delayed his Appeal till final Judgment was given in the Cause, and in the other Instance, which is very much in Point here, the Order of Court being for overruling a frivolous Demurrer without any Joinder being delivered in, the Defendant did appeal from it, and it is very remarkable that the then Court of Appeals refused his Appeal as Irregular, but when a final Judgment was given in the Cause, an Appeal in due form was lodged Because, on the present Occasion the Attornies for the Complainant have produced to the Court the Substance of the Opinion of two Advocates of the Supreme Court at Calcutta in a Case stated to them and founded on the present Order in which they give it clearly as their Opinion, and Sir Elijah Impey in his Last Letter to the late Mayor says that their Opinion is of equal Validity with his own that an Appeal According to the meaning and Intention of the Charter cannot be from such Order, and as their opinions do Correspond with my own, and with such other Lights as I have been able to Obtain, I think it very Consistent with the Duty of my Station to pay a Regard to them not only because these Gentlemen are better versed in all the Rules of Laws than we are here, but that one of them whose opinion is very Distinct and decisive was Register of the Mayors Court at Calcutta, for some time before, and at its dissolution the Forms of Process in which Court, was founded on the same Charter with ours.

Because such Appeals if admitted would tend to defeat the Course of Justice by delay, which in any case might, and probably would Create great Expence, Inconvenience, and Vexation to Suitors in Matters of Property, where the Claim is generally and more easily known at the Commencement of the Suit, and must be more so in Cases of Personal Injury and flagrant attacks on the Person and Liberty of the Subject such as the present Suit.

Because, that I find the Laws, and particularly a Statute of the 5th of Queen Anne and the practice of the Courts in England do expressly forbid and Prohibite all unnecessary delay in a Suit whether by the Introduction of Frivolous Demurrers, or other Dilatory Pleas and Punish such as attempt them, and of this is the Law in England where Redress from the Superior Courts is at hand, and would quickly be obtained in any Case where delay was Dangerous, or Particularly Inconvenient to the Suitor, it must in this Country prove so much more Dangerous, as the great Distance of time and place

and

and Difference of Circumstances which unavoidably affects every Client who may be Dragged to England by an Appeal from an Interlocutary Order, and Especially in a Matter which may not have pas I think the present has not the least Colour of Reason or Justice

Because if such appeal is Admitted in one case, it may be drawn into a Precedent for an Appeal from any and every Interlocutary Order, and application will be made for the procuring such Order by every Suitor who means to Defeat the Course of Justice, and one or more appeals may go in every Suit, which appears to me Contrary to Justice, and altogether Subversive of Good Order, and of the good of Society.

Because, there is no Doubt from the Clause in the Book of Instructions which speaks of Demurrers, that this Court may (and I think it is a Pity that they have not long ago made) make a standing Order and Rule against Receiving Demurrers in any Cause, as it would then follow that the Defendant would be immediately put on his Answer, and Justice thereby Accelerated, for it appears to me to be absurd to let that which is intended as a matter of to be converted as by the Present Defendant into an Abuse of the Rules of Justice.

Because the Order of this Court of the 13th December last having passed on the Motion of the Plaintiffs Attorneys and without any Joinder being put in, they deserving the Opinion of the Court whether the Demurrer contained matter to be Joined to, and the Court being of Opinion that it did not, did but conform to the former practice of this Court in Similar Cases, and did not mean to lay the Defendant under any Disadvantage but proceeded on the Idea that the Matter contained in his Demurrer was altogether frivolous and might with equal Benefit to the Defendant have been Argued in Answer to the Motion, and from a Belief as it appeared to me, that if the Form of a Joinder had been Complied with, it would not have prevented an Appeal from the Order for dismissing the Demurrer, which in that Case would have Stood as it now does.

Because no Intimation was given to the Complainant, by the Defendant, nor to the Register of this Court, which I hold to be indispensible Necessary Conformably to the Directions laid down in the Book of Instructions of any Intention to Appeal from the above Order of Court.

Because in the present Appeal no Regard is had to the Rules prescribed in the Charter, and Book of Instructions in the case of Appeals, no Security has been proposed, offered, or given for the Payment of Interest and Costs, as by these is particularly enjoined and without which no Appeal can be made, and in the Present Case, nothing has been adjudged, given, or Decreed in the Matter of Damages Sued for by the Complainant and therefore no Specific Sum to guide the Court below, for which Security can be given, even were the Appeal in other Respects Regular.

Because the Intentions of his Majesty in establishing Courts of Justice in the Different parts of the British Empire are equally Gracious to all his Subjects they being equally intitulled to his Royal Protection; There Intentions would be Defeated if such Appeal as the present is permitted even in Matter of Property and much more so in Matter of Personal Pain, which the Law Uses all Expedition to relieve

ndive and if Reference is had to the Bengal Charter of Justice, the Intention of our Charter will be more fully seen and explained and to Conform my Opinion for tho' an Appeal lays in Express Words (which is not the case in ours) from any Judgment Decree Order or Rule of the Supreme Court of Judicature at Calcutta yet that Charter Directs, that a Petition be first preferred to that Court Stating in such Petition the Cause or Causes of such Appeal, and in case such leave shall be prayed, by the Party, or Partys, who is, or are Directed to pay any Sum of Money, or to perform any Duty, the said Court shall and is empowered to award that such Judgment Decree Rule, or Order, shall be carried into Execution, or that Security shall be given for the Performance of the said Judgment, Decree Rule, or Order as shall be most Expedient to Real and Substantial Justice. The Party Appealing is also Directed by that Charter, and so he is by every to grant Security to the Satisfaction of that Court for all such Costs as the said Court may think likely to be incurred by the said Appeal, and also for the performance of such Judgment as the King in his Council shall think fit to give or make thereupon, or upon such Order or Orders of the Court thereupon made, and all this as I understand is to be performed, before any Appeal can be Attempted to be made in any Stage of the Suit.

Because the Defendant in the present Suit having hitherto refused to perform the Order of this Court of the 13th December last, and having Somewhat to Observe the Directions prescribed by the Charter, relative to Appeals, he has in my Opinion forfeited all Title to an Appeal in the present Instance

Because the Attorneys of the Complainant in this Cause, have Resorted to a matter which Stands on the Records of the Court, and not Contradicted, obviated, or removed by the Defendant, Viz.t, The Complainants Affidavit Setting forth, that the Persons now in the Administration of the Affairs of this Settlement, and Exercising the Functions of a Court of Appeals, are Interested, and Parties in the Matter with which the Defendant is Charged, and which Affidavit has Receiv'd Confirmation, and Proof, from the Declaration of those very Persons themselves, Acting as a Court of Appeals, Therefore the Defendant as I conceive, could not with any Propriety lay an Appeal in this Cause before them, until He had first Removed the force of the Complainants affidavit and that his doing so, appears to me to be Contrary to the Established Rules of Justice, and also to the Directions clearly prescribed by the Charter in such Cases.

Because such Parties being Incapacitated to Act, or in any Manner to Officiate as a Court in this Cause, could not Receive an Appeal, or pass any Order thereon, nor should any Appeal to her Majesty in Council pass thro them, for I conceive that the lodging this Appeal with them, was lodging it Coram non Judice

Because from the Books which I have had an Opportunity of Consulting upon this Occasion, particularly Blackstones Commentaries, and Woods Institutes, I understand it to be laid down as a Rule of Law, and as such, not to be deviated from

from, that no Appeal, or in other Words, Writ of Error, can be brought, but on a final Judgment in such Suits as is the present before this Court.—

Because It is a Maxim in Law, that every Wrong has its Remedy and the present appeal being intended to delay, and Defeat that Remedy, it ought not to be permitted to have that Effect, but to stand Dismissed.—

Because, I Consider Appeals from Interlocutary Judg=ments, tending to Procrastinate, and Defeat the Course of Justice, to be among the unseemly Necessities of the Law which the great and good Sir Matthew Hale, denominates, a Reproach to the Law, a Reproach to Government, an Encouragement to Villainly, and a Dishonor to God."

For these Reasons I beg leave to Dissent to, and I do hereby Dissent from the Resolution of this Court of this Day, which Over rules the Exceptions of the Complainant, to the Defendants Irregular Appeal.

Because

Because the Appeal in this Suit, being from an Order of the Court to give Bail, with which the Defendant has Complied, Seems to me to be totally Repugnant to the Constant Practice of this Court in all Suits, and also Repugnent to the Direc=tions in the Charter and Book of Instructions, and tending to delay the Course of Law, and of Justice, I am of Opinion, that if this Court will allow its process to be Impeded, or Interrupted by the Admission of Appeals in such Cases, the same Dangers and Irregularities will attend them, which may be Expected to Attend the Appeal in the Suit of Lord Pigot vers Sir Robert Fletcher, to the Admission of which, I have this Day already Dissented, and I am in the present Instance more Confirmed in any Opinion, of the Necessity of the Courts proceeding in its own process without its being Interrupted by such appeals, for if they are permitted to take place on every Order of this Court the Course of Justice will be as much Defeated, as of Justice was Denied by the Court, which is an Idea I cannot allow myself to Entertain; and therefore Referring the Court to my Reasons of Dissent, to their Resolution Concerning the Appeal in the Suit above mentioned, I for these Reasons, and for these here given, Dissent to the Resolution of the Court Regarding the Appeal of the Defendant in this Suit.—

Mr Alderman Savage's Dissent

Because I conceive the Objections made by the Complainant to be Strong Good and Just and Grounded upon the express Words of the Royal Charter which Says, previous to an Appeal being made to the Kings most Excellent Majesty in Council "That the Appellant shall give Security not only for the legal Current Rate of Interest in this Country, but also for the Costs of such Appeal in Case the Judgment, Sentence or Decree so Appealed shall be Affirmed in England" And altho' the Matter appealed Arises on Actions laid for Damages and which cannot be thrown out till the final Determination of the said Suits, Yet Should it but equitable and Just that Security should have been given for the Interest on such Special Sum as the Parties Concerned might themselves have agreed on, but so far from Security having been given either for such Special Sum or for the Costs that may attend the said Appeals, I do not find that Security has even been required.

Because the Judges of the Hon.ble the Court of Appeals have Admitted the Appeals to his Gracious Majesty in Council to be filed in the said Court, notwithstanding they have Declared to this Court, that they consider themselves Interested in the Event of the Appealed Suits, so Circumstanced, they could not in my humble Opinion, legally interfere respecting any Act in them, which I conceive they have done, by suffering as an Act of theirs, even the Appeals to be filed in their Court, and which (if the Orders Appealed are Appealable, but which I do not allow) ought (Interested as the Judges of that Court consider themselves) to have been Accepted, filed and Sent to the Kings most Excellent Majesty in Council by the Clerk of their Court, as his own Official Duty and Act.

Because the Royal Charter only points out Judgments Sentences or Decrees of this Court as Appealable and because I do not Consider any Interlocutary Order in the Process of a Suit in this Court whilst Issue Joins in the said Suit, can be Deemed either Judgment Sentence or Decree, and particularly the Order passed in the Suits in Question, which I conceive cannot as Yet be Considered to be Opened, the Defendants not having put in their Answers now Shewn Sufficient Cause why they could or would not.

Because all Interlocutary Orders of this Court on the Opening of a Suit are Appealable first to the Hon.ble the Court of Appeals here and then to the King in Council, it must evidently frustrate the Intentions of His Gracious Majesty in granting us the Charter, which (no Doubt can be made) were to protect His Subjects from Injury and Oppression and impartially to Administer Justice but how can the Injured and Oppressed hope for or have Speedy Relief here, Situated at such a Distance as we are from the Dernier Resort of every Attempt of this Court to Afford Relief, can be Appealed, and when this in the Power of the Appellant to prevent (if he pleases) for a Considerable length of time a final Determination on the Matter

Matter so Appealed; — and if the Interlocutory Order so Appealed, first to the Court of Appeals here and then to the King's most Excellent Majesty in Council, should be Affirmed, the very next Interlocutory Order that this Court shall pass in Consequence of that which was Appealed from being Confirmed, may also go through the like Appeals and take up the same length of time for the final Judgment to pass thereon, and so Ad infinitum, but the Humanity and Justice of his Gracious Majesty will not Suffer me to Suppose that when He was pleased to grant us the Charter, He could Imagine the Protection of Justice His Subjects in India have always thought it Afforded them, should ever be adjudged merely Nominal and Ideal. —

Because the Charter in behalf of the Honble united East India Company, Says "And these our Letters Patent shall be taken, Construed and Adjudged in the most favorable and beneficial Sense for the best Advantage of the said Company, as well in our Courts of Record as elsewhere, notwithstanding any Non-Recital, Misrecital, Defect, Incertainty or Imperfection in these our Letters Patent" if the Charter in Matters wherein it is not Sufficiently explicit, can legally be Construed into the most favorable and beneficial Sense for the Company, and as the Charter does not expressly Say that the Indispensible Interlocutory Orders of this Court on the Commencement of an Action, are Appealable, Should it but Compatible with Reason, humanity and Common Justice to Conclude that his Gracious Majesty when he granted Us his Royal Charter, intended it should be as much for the favor and benefit of his India Subjects Individually, as for the said Company as a Body Corporate

Because I do not, for the Reasons aforementioned, admit that Interlocutory Orders in the Commencement of Actions for Debt are Appealable, much less will I allow that those can be appealed which are made by this Court on the Opening of Actions laid for Atrocious Wrongs and Injuries and particularly as such Actions fall with the Death of either the Complainant or Defendant. —

Mr. Alderman Savages Dissent. —

Because the Judges of the Honble the Court of Appeals have Suffered the Appeallants to his Majesty in Council to file their Appeals in the said Court, which for the Reasons Assigned in my other Dissent, I conceive was Incompetent to the said Act — and which Appeals (if appealable but which I do not Admit) ought to have been forwarded to England by the Clerk of the said Court, as his own Official Act and Duty. —

Because, Admitting that the Appeals made, were legally Appealable, and Admitting also that the Judges of the Court of Appeals were not Interested (but which they have Declared they Consider themselves to be) in the Event of the said Suits, Surely the Securitys pointed out by the Charter should have been given, previous to the said Appeals being filed in their Court to be sent to the King's most Excellent Majesty in Council, - Here the Appeals were Respecting Some small Specifick Sums, - therefore the Judges of the Court of Appeals or the Clerk of the said Court could not have been under the least doubt as to the Necessary and Proper Securities the Appellants should have entered into - but the said Securities Under=stand have neither been given or Required. -

Because, so far am I from allowing the Bail Ordered by this Court to be excessive that I think it very inadequate to the Sums at which the Complainants have laid their Damages, not that I can presume to Say or Judge at present what the Damages (if any at all are given) will be - yet I hold the Bail to be inadequate because, if in the process of these Suits, the Defendants should have Strong Reasons to imagin that very heavy Damages will be given against them, they have it in their Power at any time before final Judgment passes on the said Suits, to fly with their Persons and Property from the Jurisdiction of British Laws. -

Mr. Alderman Turing's Dissent.

The Charter Directs, that when any Person or Persons shall think himself her or themselves aggrived by any Judgment, Sentence or Decree of the Mayor's Court that such Person or Persons shall or may within fourteen Days after such Judg=ment, Sentence or Decree of the said Court shall be entered of Record, appeal to the President and Council, or if there shall not be a sufficient Number of the said Governor or President & Council Disinterested in the Event of such Appeal, to hear and Determine the same, so that no Judgment, Sentence or Decree can be given or made by them, then altho the Debt, Damages or things to be Delivered or Matter in Dispute shall not exceed the Value of one Thousand Pagodas, it shall and may be Lawfull for the Party or Partys Aggrieved by the Judg=ment, Sentence or Decree of the said Mayor's Court, within Twenty one Days after such Judgment, Sentence or Decree shall be entered of Record, to Appeal to us our Heirs and Successors in Council, (as is usual in Cases of Appeal from any of our Colonies in the West Indies) upon giving Security to pay Interest (not exceeding the Current Rate of Interest which shall prevail at the time of procuring such Judgment, Sentence or Decree) for the thing adjudged, or Decreed to be paid, done or delivered, and the Costs of such Appeal in Case the said Judgment, Sentence or Decree shall be Affirmed

and

and in Case the said united Company shall appeal to Us, our Heirs and Successors, the said Governor or President and Council shall give like Security by Bond in the Name and on behalf of the said Company.

There being the Plain and Express Directions contained in the Charter Respecting Appeals, it behooveth the Court to Judge whether those Rules and Instructions have been observed by the Parties in the present Case.

In the Bill of Complaint and Affidavit annexed thereto, the Gentlemen who at present Compose the Court of Appeals, are Charged as being parties in the Cause of Action

It Appears by the Records of this Court that the first intimation of an Appeal having been lodged, was given to the Court, Twenty five days after the Order Dismissing the Defendants Demurrer was entered of Record.

It Appears by the Affidavit of one of the Attornies for the Complainant that not any Security has been taken for the Costs &c. of the Appeal.

It does not appear that the Attorneys for the Defendants have observed the usual practice of the Court, in giving timely Notice to the Attornies of the Complainants that an Appeal had been lodged.

It Appears by the Letter to the Mayors Court, and the Accompanying Resolution of the Court of Appeals, That on 2d. January they Received the Petition of Appeal from the Order of the Mayors Court Dated the 13th. December

That the Members consider themselves interested in the Event of the present Suit – who never the less think proper

to Order the Petition of Appeal to be filed

Upon due Consideration of these Circumstances it appears to me, the injunctions prescribed by the Royal Charter have not been observed, and of Course that the Proceedings of the Defendants are irregular and Null – I am therefore of Opinion, the Suit is still within the Jurisdiction of the Mayors Court which ought to Exercise their legal Authority, to the furtherance of Justice, by Ordering the Defendants to Answer the Complainants Bill.

Mr. Alderman Procter Dissent

Because it does not appear upon a Reference to the Records of this Court that they have ever been Admitted till within these very few Years past, but on the Contrary Instances are Shewn therefrom, that are Attempt to Appeal upon any other Occasion than that of a final Judgment, was not only Discouraged, but highly Resented by this Court as an indignity offered to their Powers and Privilege and because it further appears by the Records of this Court, that the Court of Appeals have by their Clerk refused to receive an Appeal from an Order to a Defendant to Answer

Because all Appeals from the Records in England and from the Courts of Kings Bench in Ireland and Great Sessions in Wales, lie by Writs of Error, which can only be brought upon Definitive Judgment, But all Judgments for the Plaintiff on Pleas in Abatement, of any Suit or Action (under which Description the Demurrers in the Causes now before this Court clearly fall) are not final, but merely interlocutory, since further Proceedings are to be Had when the Defendant has put in a better Answer, And herein the Law expressly Says, that the Defendant shall have Judgment to Answer over in a better Manner, and that such Judgment shall be Peremptory. And because the Appeals that are allowed to be made from the Courts of Justice in the Isles of Guernsey, Jersey, Sarke, and Alderney - from the Stannary Courts in Devonshire and Cornwall, and from those in the Plantations or Colonies in America (according to which last mentioned the Charter expressly Says Appeals shall lie from the Mayors Court here) to the King in Council, seem evidently to be founded on final Determinations only.

Because they seem Contrary to the Spirit and true intent and Meaning of the Charter, which Says "That if any "Person shall think himself aggrieved by any Judgment "Sentence or Decree of this Court, he may Appeal to the "President and Council whose Judgment thereon shall be "final, if the Debt, Damage or thing to be paid or done, or "Matter in Dispute, shall not exceed the Value of One Thou-"sand Pagodas" This Appears evidently to allude to a Decree for a certain fixed Sum or thing since it is to be final or Appealable to the King in Council in England, as it may be less or exceed the said Sum of One Thousand Pagodas - But an Order to a Defendant to plead Specially, to a Bill of Complaint is no Judgment for any Specific Sum or thing, and Consequently the Right to Appeal in such Case is not Determined. The Charter further Says "That Security by Bond "shall be given on an Appeal to the King in Council to pay "Interest on the thing adjudged or Decreed to be paid, done or "Delivered" But as nothing is Decreed to be paid or Delivered in the Causes now before this Court on which Interest can be Charged, the evident Conclusion to be deduced therefrom is, that the Appeals from those Causes are irregular and premature

Because as the Suits now before this Court, which have Occasioned the present Enquiry into the Rights of Defendants Appealing from Orders to Answer, are for Damages, it is impossible to say whether the final Judgments thereon will exceed or be less than the Sum Specified in the Charter for Something of Appeals to the King in Council. If they should be less than that

that Sum, it will I apprehend appear absurd, that any interlocutary Order should have been appealed in Causes wherein the final Issue thereof was not Appealable, And Lastly Because they are calculated to Spin out Causes to so Considerable a length of time as will in effect amount to Almost a total Prevention of Civil Justice in this Settlement.

of Appeal from an Order made in this Cause on the 11th. Instant
as also that they had on the 11th. Instant in Consequence of a
Resolution made by the Court of Appeals in this Cause a
Copy of which is Enclosed lodged an Appeal to the Kings
most Excellent Majesty in Council which Resolution is
to the following Purport. That the Suit instituted in this
Court by the Complainant against the Defendant is founded
on an Action for Fraud and false Imprisonment.
the Members of this Court of Appeals think it their Duty
to Declare that in their Capacity of Members of the Govern=
=ment for Reasons which Appeared Good and Sufficient
to them they did on behalf of the East India Company
their Constituents Issue the Orders by which the said
Complainant's Person was Arrested and put under
Confinement and that the said Defendant was Acting
in Execution of their Orders so given, and as this appears
to be the Ground of the present Action the Members of
the Court of Appeals Conceive from the Petition of Appeal
now delivered in that they may be interested in the Event
of the Suit. The Attorneys for the Complainant objects
to any Appeal being lodged from the Order of Court of
the 11th. Instant as such Appeal appears to be altogether
irregular neither founded on any Order in the Charter
nor Warranted by the Practice laid down in the Books
of Instructions but tending to Defeat the Course of Justice
by procuring an unjustifiable Delay. They further object
Since this Attempt of Appealing appears to come in
Direct

Direct Contradiction to the Authority granted to this
Court by the Charter for hearing and Determining all
Suits Actions and Pleas which are brought before them
they therefore pray that a Decree may now pass as the Incum=
=bent Rule requires this Day for the Defendant to Answer the Com=
=plainants Bill which he has Neglected doing. Mr. John Sykes
one of the Attorneys for the Defendant objects to a Decree passing
because an Appeal has been lodged in this Cause to the Court of
Appeals and from thence to his Majesty in Council within the
time Limited by the Charter and therefore he cannot Consent
to any further proceedings being had in this Court till the
Determination of his Majesty in Council on the Matter of the
said Appeal is properly Reported to this Court. The Court
having taken the same into Consideration are of Opinion that
the Objections made by the Attorneys for the Complainant
to the Irregularity of the Appeals, and their Prayer for a Decree
in Default of an Answer be overruled with Costs.
