Sir

I beg to inform you that Lot No 1 of the Premises seized herein was put up for sale yesterday, pursuant to advertisements, and was not sold for want of bidders. Lot No 2. was also put up for sale and was sold for Rupees Forty four I am only surprised that it did realize so much as the ground is quite unproductive and during the monsoon entirely under water. The only use they make of the ground is to dig for clay to make Bricks &c.

If you wish it. I will advertise Lot No 1 again for the sale: but I very much fear that it will realize hardly enough to pay the advertisement charges no offer at all was made for it at the time it was put up for sale yesterday and the people about the place say that no body will buy it for 5 Rupees. and that an offer even for this amount Cannot be got for it. There is no road at all to go this ground unless by

by crossing over low marshy and wet ground.

and advertised for sale by Public Auction on the 30th Instant as Lot No 3 a Garden and Ground No 53 Situate on the East side of Madah Church Road at Royapooram measuring 22 Grounds and 750 Square feet or thereabouts.

And I am instructed by my client to give you notice and I do hereby accordingly apprize you that a portion of the land so seized and advertised for sale by you namely 30 feet from North to South on the North side of the said land belongs to my client and was illegally encroached upon by the said Nyapaukum Casavaroy Naick in his life time and forms part of the land which belonged to him.

My Client is prepared to shew you from a Government Lease in favor of his Ancestor and now in his possession that this portion of the land namely 30 feet from North to South is included in such lease so that if necessary the fact may be easily ascertained by a simple admeasurement by the Collectors Officers of my Clients land and that of the said Nyapaukum Casavaroy Naick.

My Dear Sir,

My friend Mr. Boyson informs me that you are, or will be, legally empowered to let the large House in Collins Road Vepery belonging to the Estate of the late Mr. Waddell to make the necessary repairs and to grant valid Receipts in discharge of Rent Vca.

I would be disposed to occupy the House on the terms paid by the last tenant, provided I could do so without being disturbed in its possession, and that the requisite repairs it needs would be made.

It would be necessary, however, before doing so, to see exactly what the House requires. And this I have not been able to do, as on going to it the other Evening, I found all the available doors fastened the other entrances secured by trees and shrubs and the Keys, as the Gardener stated, carried off by order of Mr. Waddell Junior. Both from the states and situation of the House, it seems peculiarly necessary that something effectual should be done to it, before occupation. In a house of not a size, and in its peculiar and isitated situation in the present bad state of the lower doors and windows, and the dilapidated condition of many of the surrounding walls of the compound, leaving it open to the ingress of the immediately surrounding natives - it would scarcely be done secure for a tenant as it now is I should therefore deem it a great favor if you could kindly afford me an opportunity of meeting you on the premises, at any time you can conveniently fix - so that you might see what the house requires, and whether, in the position you occupy, it could be in your power to do what could be requisite to make it safe and hostible for a Tenant.

I shall be glad to hear from you at your own convenience. Meanwhile I can only beg that, in consideration of my privity of Application, you will

kindly give me the preference of any claims for its occupation, and that you will not dispose of it otherwise, without first letting me know -

Regretting that I am obliged thus to trouble you -

I remain,
Dear Sir,
Yours faithfully,

Adapully Stree Vencata Soobraylos Chetty

To, Frederick Orme Esqre
Sheriff of Madras.

Sir,

I beg to acknowledge the receipt of your letter to me of Yesterday's date in the above action annexing for my information Copy of a Notice you received from Mr. P. B. Gordon attorney at Law written on behalf of Chendoolooroo Chinna Chengulvaroya Chetty, Chendoolooroo Baliah Chetty and Chendoolooroo Rungiah Chetty and requesting my instructions thereon. In reply I have to request that you will be pleased to call upon Mr. Gordon for the production of his clients title to the House seized by you under the Writ of Execution issued herein. I may as well mention that I have heard that Bunsee Lallah Soucar also sets up a claim to the said House as having been mortgaged to him by the Defendant above named, and that Mr. Wilkins intends addressing you on the subject I incline to think that both claims are fictitious and merely set up at the instance of the said Defendant to defeat your said seizure.

Poonah Augt 2d 1856.—

Sir,

In reply to your letter of the 16th of last month enclosing me a Summons on account of One thousand & Eighty Eight /1088/ Rupees claimed by some Native Banker Successor to Bunseelal &c.

I beg you will do me the favor to point out to the Agent of that firm the propriety and the justice of first sending me in a Memorandum or account of what that 1088Rs was for,—how contracted & when contracted in fact a fair detail, with an attested copy of any bond that may have been given— The cunning unjust way that the Natives of India prefer a claim could not be allowed—

The Successor of the late Bunseelall & Co. may have a claim on me for myself, or as a Security.— But he has merely Summoned me for a certain amount without a previous call on me. But this is a Native of India all over.

By this Post I also write a similar letter to Co. this to the Successor to Mr. Wilkins.—

Your letter did not reach me till about half a month after date as you will have seen by Post office receipts (consequent on my being from Sholapore on Sick Certificate.)

I shall be obliged by your putting a stop to further proceedings till I meet with fair play— It would be an utter impossibility for a flash of lightning to get to or Madras from this in "37 days" with Roads and a Post as at present.—

I shall feel much obliged to you by your sending a Copy of my letter to the Prothonotary, or request him to favor me with details to this Station.—

The Sheriff of Madras

Sir,

It is represented to me by Gholam Hoosain Ryder that you have under and by virtue of two Writs of Execution issued in the above actions seized as the property of the Defendant above named a House and Ground situate at No 38 in Mahomed Uccafur Ryder Street at Triplicane within the local limits of Madras and advertised the same to be sold Tomorrow.—

I am therefore instructed by my Client to inform you that the said premises are his bonafide property and that he on the 20th October 1852 assigned the same over to the Defendant by way of Mortgage for the sum of Rupees 6160 borrowed of the said Defendant and that my Client under an agreement executed by him to the said Defendant bearing the above mentioned date was at liberty to redeem the said premises and that he in pursuance of such agreement paid the Defendant the sum of Rupees 3100 up to February last by monthly Instalments of 100 Rupees, leaving a balance of Rupees 3060 now due by my Client- and that he subsequently to the mentioned action and in the month of March last executed and delivered to the Plaintiff in the first mentioned action as the Mortgagee of the said premises from the Defendant a Counter Agreement, whereby my Client undertook to pay to him the above mentioned balance of Rupees 3060 by monthly Instalments of 100 Rupees and that he notwithstanding such Agreement and in order to defraud my Client, has caused the present Seizure to be made.—

I am therefore instructed by my Client to request that you will be pleased to desist from proceeding to sell the said premises and to give you notice which I hereby do that in the Event of your declining to do so, legal proceedings will be instituted against you in respect thereof without further intimation.—

I am therefore instructed by my Client to inform you that the said premises are the bonafide property of one Goolam Hoossain Hyder who on the 20th October 1852 - assigned the same over by way of Mortgage to the Defendant for the sum of Rupees 6160 and that such sum was paid as follows that is to say the sum of Rupees 1700 by my Clients and the sum of Rupees 4460. by the Defendant who in consideration of the said sum advanced by my Clients, executed and delivered to them a Gentoo Agreement bearing the above mentioned date, whereby the Defendant engaged to pay my Clients the sum of Rupees 25. monthly from and out of the sum of Rupees 100 which the said Goolam Hoossain Hyder engaged monthly to pay to the Defendant towards the redemption of the said premises and which agreement is ready for your inspection if required.—

It is further represented to me by my Clients that their said claim on the said premises is still unsatisfied to the extent of Rs. 1200 and that the Defendant without their privity or consent and with the view to defraud them of their lien thereon, has fraudulently mortgaged to the said premises to the Plaintiff in the first mentioned action altho' the Defendant by his said agreement covenanted that after satisfaction of his said

said Mortgage claim, he would surrender to my Clients the Title Deeds of the said premises.—

I am therefore instructed by my clients to request that you will be pleased to desist from proceeding to sell the said premises and to give you notice which I hereby do that in the Event of your declining to do so, legal proceedings will be instituted against you in respect thereof without further intimation.—
