During 1961, the following sets of tables were prepared.

1. General population Tables
2. Economic Tables
  - (a) General Economic Tables
  - (b) Household Economic Tables
3. Social and Cultural Tables
4. Migration Tables

I am greatly indebted to Shri Asok Mitra, I.C.S., Registrar General of India, for his help and guidance. Shri K. D. Balal, I.A.S., Central Tabulation Officer has always guided us at every stage in the preparation of this volume. I am also grateful to Shri B. M. Gupta, M.A., our Tabulation Officer who was primarily responsible for the entire tabulation process and under whose able guidance these tables were processed. All the explanatory notes were ably prepared by Shri K. C. Sehgal and Shri B. M. Gupta to whom also my thanks are due.

My thanks are also due to Sarvshri M. L. Sharma, M. R. Gupta and S. D. Tripathi, the Statistical Assistants and other members of Tabulation office who helped in the preparation of all these tables. In particular Shri M. L. Sharma did commendable work in preparing the tables and seeing them through the Press expeditiously.

Castes and Scheduled Tribes).**

## INTRODUCTORY NOTE

At the 1951 Census, there were no special tables for Scheduled Castes/Scheduled Tribes, except Table D-III giving the total number of persons belonging to Scheduled Castes and Scheduled Tribes and their distribution amongst the eight livelihood classes adopted for that Census for certain rural and urban tracts. More detailed tabulation at this Census will serve as a bench mark for evaluating future schemes. Special Tables have been devised to give the population figures for each Scheduled Caste and their cross-classification by religion, age, marital status and education. There is also a table on household cultivation confined to the total of Scheduled Castes. All these tables form part of this publication, Volume XIX, Part V-A. As no Scheduled Tribes have been recognised in the Union Territory of Delhi, tables for Scheduled Tribes have not been prepared. According to the Tabulation Plan for the 1961 Census, there are 5 tables in SCT Series and one in S.C. Series.

Special tables for Scheduled Castes are as follows:—

SCT-I PART A—Industrial Classification of Persons at work and non-workers by sex for Scheduled Castes.

SCT-II Part A—Age and Marital Status for Scheduled Castes.

SCT-III Part A (i)—Education for Urban areas for Scheduled Castes.

SCT-III Part B (i)—Education for Rural areas for Scheduled Castes.

SCT-IV Part A—Religion for Scheduled Castes.

SCT-V Part A—Sample Households engaged in Cultivation classified by Interest in Land and Size of Land Cultivated in Rural Areas only for Scheduled Castes.

SC-I Persons at work classified by Sex, Hype of Activity and Educational levels for Scheduled Castes.

Table SCT-V Part A has been prepared on a 20 percent sample of households from Household Schedules by Mechanical Tabulation Unit. All other tables have been prepared on full count from individual slips.

According to the Scheduled Castes order of 1956 issued by the President in pursuance of the provisions of Article 341 of the Constitution of India, the following 36 castes are recognised as Scheduled Castes for the Union Territory of Delhi as per list printed below.

For a widowed person whose husband or wife is dead, and who has not been married again write 'W'. For a person who has been divorced in a lawful manner, either by decree of a law court or by a regular social or religious custom but who has not remarried, or a person who has been separated from wife or husband and is living apart with no apparent intention of living together again, write 'S'. For a prostitute return her marital status as declared by her.

**Q. 5. (b) Religion**

For Hindu.

Write H.

Sikh.

Write S.

**Q. 5. (c) Scheduled Castes and Scheduled Tribes.**—The answer to this question will be recorded only if a person belongs to a Scheduled Caste or Scheduled Tribe. If a person belongs to a Scheduled Caste or Scheduled Tribe obtaining in your State, or in your district write the name of the caste or tribe to which he belongs. For all others, write 'X'. Do not write the names of Scheduled Castes in general terms as 'harijan', 'Achhut'. Ascertain the name of the caste when it is returned and write it. Scheduled Castes can belong to the Hindu or Sikh religions. If a person belongs to a Scheduled Caste, there will be either 'H' or 'S' in answer to Question 5. (b). Scheduled Tribes may belong to any religion.

A printed list showing the names of Scheduled Castes/Scheduled Tribes according to the President's Order was given to the enumerator along with the list of synonyms or generic names and sub-tribes to ensure accuracy of these returns.

**Q. 6. Literacy and Education.**—For a person who can neither read nor write or can merely read but cannot write in any language, write 'O'. For a person who can both read and write, write 'L'. The test for reading is ability to read any simple letter either in print or in manuscript. The test for writing is ability to write a simple letter. The test for literacy is satisfied if the person can with understanding both read and write.

## STANDARD OF EDUCATION

If the person can both read and write and has also passed a written examination or examinations as proof of an educational standard attained, write the highest examination passed instead of 'L'.

**Q. 7. (a) Mother Tongue.**—Write the mother tongue in full including dialect as returned by the person enumerated. Mother tongue is language spoken in childhood by the person's mother to the person or mainly spoken in the household. If the mother died in infancy write the language mostly spoken in the person's home in childhood. In the case of infants and deaf mutes give the language usually spoken by the mother.

**Q. 7. (b) Any Other Language (s).**—After recording the mother tongue enquire whether the person knows any other language (s), Indian or Foreign, and write the language (s) returned by him against this question. In case he does not know any other language put 'X'.

**Q. 8 to 11. Working.**—These questions apply only to workers. A person working both as a cultivator and as agricultural labourer should be entered both in Q. 8 and Q. 9, but in Q. 8 and Q. 10 if working both as cultivator and at household industry. If a person is working in any possible combination of 8, 9, 10 and 11 he will be entered in the appropriate places. If he is doing just one kind of work, he will be entered in only one of the four Questions 8 to 11.

Work includes not only actual work but effective supervision and direction of work. As for non-workers, persons like beggars, pensioners, agricultural or non-agricultural royalty, rent or dividend receivers, earning an income without participating in any productive work should not be treated as working unless they also work in cultivation, industry, trade, profession, business or commerce.

A public or social service worker actively engaged in public service or a political worker, who is also actively engaged in furthering the political activity of his party will be regarded as a worker and entered fully in Q. 11.

**Q. 11. Doing work other than 8, 9 or 10.**—If a worker is not working as a cultivator or as an agricultural labourer or at any Household Industry write the actual work he is doing. If a person is working as a cultivator or as an agricultural labourer or at Household Industry and also does some other work (including dairying or livestock raising, orchard or plantation, etc., as distinct from cultivation of crops) write the other work he does in this question. If he is engaged in more than one work and neither of them relates to any of three categories mentioned above write the work on which he devotes more time.

(b) Industry, Business, Trade, Profession or Service.**—For a worker, the nature of whose own work has been recorded in question 11(a) describe in detail the nature of industry, business, trade, profession or service in which he works. Vague answers should be avoided. In the case of industries, the articles which are produced or serviced or repaired, should be given. If such articles are more than one, the chief articles only should be given. In the case of business or trade, the principal article of trade should be described.
