SPECIAL TABLES ON SCHEDULED CASTES AND SCHEDULED TRIBES

PREFACE

The scheme of presenting the data collected during the 1961-census is outlined on the opposite page. It will be seen that Part V-A, the present book, concerns itself with Special Tables on Scheduled Castes and Scheduled Tribes. In the 1951-census report there was only one Table on the subject, Table D-III, showing the number of persons belonging to all Scheduled Castes and Scheduled Tribes. This information, the later experience showed, was not adequate. Therefore, in 1961 a number of Tables were prepared, showing various characteristics about these Castes and Tribes. It is hoped that these Tables will be helpful in formulating schemes for the uplift of these Castes and Tribes in a better way, and they will be provided a bench-mark for further studies in this direction.

I am thankful to Shri K.D. Ballal, the Central Tabulation Officer in the office of the Registrar General, India, and his staff who checked these Tables for accuracy and made useful suggestions for improvement.

In my Tabulation Office I would mention in particular Shri Pawan Kumar, the Tabulation Officer, Sarvshri Goverdhan Dass Singla and Kismet Rai Khanna, the Statistical Assistants, and Sarvshri Joginder Nath Suri and Dharam Paul Jain, Tabulation Assistants, for the hard and careful work done by them in preparing the Tables. When the book was in press, Sarvshri Goverdhan Dass Singla, Dharam Paul Jain and Ajab Lal Kakkar were deployed in checking the proofs.

My thanks are due to Shri R.S. Nilker, the Manager of the Government of India Press, Nilokheri, and his colleagues for the neat and expeditious printing of the book, brought out during a period when the pressure on the press was extremely heavy.

INTRODUCTION

One of the directive principles of State policy laid down in the Constitution of India, enjoins on the State to promote with special care the educational and economic interests of the weaker sections of the people, and, in particular, of the Scheduled Castes and Scheduled Tribes, and to protect them from social injustice and all forms of exploitation (Article 46). In pursuance of this policy the President has been empowered to specify the castes, races or tribes which shall be termed as Scheduled Castes and Scheduled Tribes (Articles 341 and 342). The first Order by the President in this respect was issued in 1950 which was modified in 1956. The Scheduled Castes and Scheduled Tribes under the two Orders are listed below.

The number of Scheduled Caste persons as recorded in the 1951-census was 3,062,445 and in the 1961-census it improved to 4,139,106. The number of Scheduled Tribe persons similarly was 2,429 and 14,132, respectively. The increase in the two cases was due partly to natural increase and partly to the new additions in the latter Order.

For the Scheduled Castes and Scheduled Tribes which have been declared as such for specified areas, the population figures relate only to those enumerated in the specified areas.

A condition for a person to belong to a Scheduled Caste is that he must be professing either Hindu or Sikh religion; a Scheduled Tribe's person may, however, belong to any religion.

The book contains in all 8 Tables, showing the number of each Scheduled Caste/Tribe, variously cross-tabulated according to economic activity, age, marital status, education, religion and mother tongue. In some slips instead of naming the caste, words 'Scheduled Caste' were found written. Such cases were very few and have been grouped under 'Unclassified'. The subject matter of each Table is described below.

The remaining Tables have been prepared, on full count, from answers to questions 2, 3, 5(c), 6, 7 (a & b), 8, 9, 10, 11 and 12 in the Individual Slips. Particulars of these questions, and instructions to enumerators for recording answers are given in Annexure II.

ANNEXURE I

INDUSTRIAL CLASSIFICATION

The classification of working individuals into nine Industrial categories, and non-workers has been explained at length in the Introduction to Part II-B(i)—General Economic Tables. For the convenience of the readers, these categories are described briefly here.

I	<i>As Cultivator.</i> —This category includes persons engaged in cultivation of land or supervision or direction of cultivation of land, owned or held in any other capacity. Cultivation includes ploughing, sowing and harvesting but not fruit and vegetable farming, or plantations like tea, coffee and rubber. Non-cultivating owners have not been included in this category.	V	<i>In Manufacturing other than Household Industry.</i> —Persons engaged in processing, manufacturing and repairing, who are not included in category IV above, have been taken in this category.
II	<i>As Agricultural Labourer.</i> —This includes persons who labour on the land belonging to others without exercising any supervision or direction in cultivation, but for wages in cash or kind.	VI	<i>In Construction.</i> —This category includes persons engaged in the construction and maintenance of buildings, roads, railways, telegraph and telephone lines, water ways and water reservoirs
III	<i>In Mining, Quarrying, Livestock, Forestry, Fishing, Hunting and Plantations, Orchards and Allied Activities.</i> —Persons employed in mines, quarries, in rearing and keeping of livestock and poultry, in forestry and fishing, growing fruits and vegetables, have been included in this category.	VII	<i>In Trade and Commerce.</i> —Those persons who are employed in retail and wholesale trades of all kinds and other commercial activities such as banking, auctioneering, insurance and money lending, have been included in this category.
IV	<i>At Household Industry.</i> —A 'Household Industry' was defined as an industry conducted by the head of the household at home or within the village in rural areas and only at home in urban areas. A household industry was not run on the scale of a registered factory. A household industry should relate to production, processing, servicing, repairing or making and selling of goods. It should not include professions such as pleader, doctor, barber, waterman or astrologer.	VIII	<i>In Transport, Storage and Communications.</i> —This category includes persons employed in any form of transport, in storage and warehousing activities and communications.
		IX	<i>In Other Services.</i> —Persons engaged in services like generation and supply of electricity, water supply and sanitary services, public services, educational services, medical services, legal services, business services, recreational and personal services, have been grouped under this category. It includes also general labourers in other miscellaneous jobs.

All other persons, not included in any of the above nine categories, were classed as Non-workers, and placed under category X.

ANNEXURE II

EXTRACT OF THE INSTRUCTIONS TO ENUMERATORS

Q. 2 Age last birthday: Write age in years completed last birthday. For infants below one year of age, write '0'.

Q. 3 Marital Status: For a person who has never been married, write 'NM'. For a person married, whether for the first or another time, write 'M'. Write 'M' also for persons who are recognised by custom or society as married and for persons in stable *de facto* union. For a widowed person whose husband or wife is dead, and who has not been married again, write 'W'. For a person who has been divorced in a lawful manner, either by decree of a law court or by a regular social or religious custom but who has not remarried, or a person who has been separated from wife or husband and is living apart with no apparent intention of living together again, write 'S'. For a prostitute return her marital status as declared by her.

Q. 5 (c) Scheduled Caste & Scheduled Tribe: The answer to this question will be recorded only if a person belongs to a Scheduled Caste or Scheduled Tribe. If the person belongs to a Scheduled Caste or Scheduled Tribe obtaining in your State, or in your District write the name of the caste or tribe to which he belongs. For all others, write 'X'.

Do not write the names of Scheduled Castes in general terms as 'Harijan', 'Achhut'. You should ascertain the name of the caste when it is returned and write it. If a person is negligent and insists on calling himself merely 'Harijan' tell him that this description will not earn the person any benefit under the Constitution permissible to Scheduled Castes and Scheduled Tribes. This may persuade him to give out the correct name.

Scheduled Castes can belong only to the Hindu or Sikh religions. If a person belongs to a Scheduled Caste, there will be either 'H' or 'S' in the answer to question 5(b). Scheduled Tribes may belong to any religion.

A list showing the names of Scheduled Castes/Scheduled Tribes according to the President's order was appended with the "Instructions to Enumerators".

Q. 6 Literacy & Education: For a person who can neither read nor write or can merely read but cannot write in any language, write 'O'. For a person who can both read and write, write 'L'.

The test for reading is ability to read any simple letter either in print or in manuscript, i.e. if the person can read one of the examples in the enumerator's

handbook with facility he may be taken to have passed the test of reading. The test for writing is ability to write a simple letter. The test for literacy is satisfied if the person can with understanding both read and write.

STANDARD OF EDUCATION

If the person can both read and write and has also passed a written examination or examinations as proof of an educational standard attained, write the highest examination passed instead of 'L'.

Q. 7 (a) Mother tongue: Write the mother tongue in full including dialect as returned by the person enumerated. Mother tongue is a language spoken in childhood by the person's mother to the person or mainly spoken in the household. If the mother died in infancy, write the language mostly spoken in the person's home in childhood. In the case of infants and deaf mutes give the language usually spoken by the mother.

Q. 7 (b) Any other Language(s): After recording the mother tongue enquire whether the person knows any other language(s), Indian or foreign, and write the language(s) reported by him against this question. In case he does not know any other language put 'X'.

Qs. 8 to 11 Working: The instructions relating to Qs. 8 to 12 are not reproduced in full. They have been reproduced in detail in Introduction to Part II-B(i)—General Economic Tables. They are, therefore, summarised below for the convenience of the reader.

These questions apply only to workers. A person working as a Cultivator and an Agricultural Labourer, should be entered both in Q.8 and Q.9. If he is working both as Cultivator and at Household industry, he may be entered in Q.8 and Q.10. If he is doing just one kind of work he may be entered in only one of the four Questions 8 to 11.

Persons like beggars, pensioners, agricultural or non-agricultural royalty, rent or dividend receivers, who may be earning an income but who are not participating in any productive work should not be treated as working unless they also work in cultivation, industry, trade, profession, business or commerce.

A public or social service worker actively engaged in public service activity or a political worker who is also actively engaged in furthering the political activity of his party will be regarded as a worker and entered fully in Q. 11.

Q. 8 Working as Cultivator: For a person working as cultivator, write 'C'. For all others, put 'X'.

Q. 9 Working as Agricultural Labourer: Write 'AL' for a person working as agricultural labourer, i.e., a person who works in another person's land for wages in money, kind or share such as share of produce. For others, put 'X'.

Qs. 10 (a) & 10 (b) Household Industry: If a person is working in a Household Industry, write (1) the nature of work done by him in the Household Industry against question 10(a), and (2) the nature of the Household Industry against question 10(b). Otherwise, put 'X' in both questions 10 (a) and 10(b).

A Household Industry should relate to production, processing, servicing, repairing or making and selling of goods. It does not include professions such as pleader or doctor or barber or waterman or astrologer.

Q. 11 Doing Work other than 8, 9 or 10: If a worker is not working as a cultivator or as an agricultural labourer or at any household industry, write the actual work he is doing. If a person is working as a cultivator or as an agricultural labourer or at household industry and also does some other work (including dairying or livestock raising, orchard or plantation, etc., as distinct from cultivation or crops) which does not relate to any of the above categories, write the other work he does in this question. If he is engaged in more than one work and neither of them relates to any of the three categories mentioned above, write here the work on which he devotes more time.

Q. 11(a) Nature of Work: Describe fully the nature of the work done by the person himself. Full and precise information as to the nature of work done by the person should be given either in the vernacular or in English or in vernacular transliteration of English.

Q. 11 (b) Industry, Business, Trade, Profession or Service: In the case of a person who is working and the nature of whose own work has been recorded in Question 11(a), write here the nature of industry, business, trade, profession or service in which the person works.

Vague answers should be avoided. In the case of industries, the articles which are produced or serviced or repaired should be given. If more than one article is produced, the chief article produced or serviced or repaired should be given. In the case of business or trade, the principal article of trade should be described. In the case of service, describe the nature of the service to which the person's work belongs.

In the case of a person for whom an 'X' is put in Question 11 (a), put an 'X' in this question also.

Q. 11 (c) Class of Worker:

Write 'MR' for an Employer;

Write 'EE' for an Employee;

Write 'SW' for a Single Worker; and
Write 'FW' for a Family Worker.

For a person for whom an 'X' is put in Qs. 11(a) and 11(b), put an 'X' in this question also.

Explanation:-

- (i) *An Employer* is a person who has to employ other persons in order to perform the work entered in Q. 11(a).
- (ii) *An Employee* is a person who usually works under some other person for salary or wages in cash or kind.
- (iii) *A Single Worker* for the purpose of Q.11(c) is a person who works by himself but not as Head of household in a household industry. He is not employed by any one else and in his turn does not employ anybody else not even members of his household except casually. This definition of a *Single Worker* will include a person who works in joint partnership with one or several persons hiring no employees and also a member of a producers' co-operative.
- (iv) *A Family Worker* is a member who works, without receiving wages in cash or kind, in an industry, business or trade conducted mainly by members of the family and ordinarily does at least one hour of work every day during the working season.

Members of the household who help solely in household duties should not be treated as family workers.

Q. 11 (d) Name of Establishment: Describe in detail the name of the factory, workshop, business house, company, workshop, etc. If a person has no fixed place of work, write 'No fixed place of work'.

Q. 12 Activity if not working: This question will apply to a person NOT working.

Write 'X' in this question for a person who is working, that is, for whom you have recorded the work in any of the questions 8 to 11 above.

The following activities should be recorded in the case of persons NOT working:

- (i) Write 'ST' for a full time student or child attending school who does no other work, such as make articles at home for sale, nor even help part-time in his own family cultivation, industry, trade or business.
- (ii) Write 'HW' for a person engaged in unpaid home duties (like housewife or other adult female) who does no other work, such as make articles at home for sale or wages, nor help regularly even part-time in family cultivation, industry, trade or business.
- (iii) Write 'D' for any dependent, including an infant or child not attending school, a person

permanently disabled from work because of illness or old age.

(iv) Write 'R' for a retired person who is not employed again, rentier, person living on agricultural or non-agricultural royalty, rent or dividend or any other person of independent means for securing which he does not have to work and who does no other work.

(v) Write 'B' for a beggar, vagrant or independent woman without indication of source of income and others of unspecified source of existence.

(vi) Write 'I' for a convict in jail (an undertrial prisoner will be shown as a worker if he used to work before he was apprehended) or an

inmate of a penal, mental or charitable institution.

(vii) Write 'NE' for a person who has not been employed before but is seeking employment for the first time.

(viii) Write 'UN' for a person employed before but now out of employment and seeking employment.

If a person, who does not work, cannot be readily classified in any of the above categories, put him in category (v) and write 'B' in this question. A retired person who has taken up regular work again should not be entered in this question as he would have been entered for his new work in Questions 8 to 11.

TABLE SCT-I

INDUSTRIAL CLASSIFICATION OF PERSONS AT WORK AND NON-WORKERS BY SEX FOR SCHEDULED CASTES AND SCHEDULED TRIBES

TABLE SCT-1

**INDUSTRIAL CLASSIFICATION OF PERSONS
AT WORK AND NON-WORKERS BY SEX FOR
SCHEDULED CASTES AND SCHEDULED TRIBES**

This Table has been prepared in two parts—Part A for Scheduled Castes and Part B for Scheduled Tribes—classifying them into workers under nine industrial categories, and non-workers. Figures are given for each Caste and Tribe, separately. These industrial categories have been explained at length in the Introduction to Part II-B (i) – General Economic Tables. In the case of Scheduled Castes, figures have been given also for persons engaged in ‘tanning and currying of hides and skins’ and ‘scavenging’. The names of Castes appear in the same order as in the President’s Order, along with their synonyms or generic names. The Castes for which there are no figures, have been excluded from the Table.

Data have been presented for the State, for each Administrative Division and for each District giving further details about rural and urban areas. Part B of the Table gives data only for the State, for Jullundur Division and for Lahaul & Spiti District, and only for rural areas. This is for the reason that Scheduled Tribes in Punjab are found in Lahaul & Spiti District only, and there is no urban area in this District.

This Table will be of special interest to those who are engaged in the study and welfare work for Scheduled Castes and Scheduled Tribes.

TABLE SCT-II

**AGE AND MARITAL STATUS FOR SCHEDULED
CASTES AND SCHEDULED TRIBES**

This Table furnishes data for Scheduled Castes in Part A, and for Scheduled Tribes in Part B. Distribution has been made for each Caste and Tribe into three broad age groups (0-14, 15-44 and 45+) and according to marital status (never married, married, widowed, divorced/separated, and unspecified status).

The Table is presented for the State, for each Administrative Division, and for each District. Part B gives data for the State, Jullundur Division and Lahaul & Spiti District since Scheduled Tribes in Punjab are found in Lahaul and Spiti District.

The Castes for which there are no figures, have been omitted from the Table.

TABLE SCT-II PART B

TABLE SCT—III
EDUCATION FOR SCHEDULED CASTES
AND SCHEDULED TRIBES

TABLE SCT—III
EDUCATION FOR SCHEDULED CASTES AND
SCHEDULED TRIBES

This Table is in four parts:

Part A(i)—Education in *urban areas* for Scheduled Castes;

Part A(ii)—Education in *urban areas* for Scheduled Tribes;

Part B(i)—Education in *rural areas* for Scheduled Castes; and

Part B(ii)—Education in *rural areas* for Scheduled Tribes.

Part A(ii) has not been prepared, because the Scheduled Tribes are found only in Lahaul & Spiti District where there is no *urban area*. Even in Part B (ii) figures are for the State, Jullundur Division, and Lahaul & Spiti District. Data in Parts A (i) and B (i) have been presented for the State, for the three Administrative Divisions, and for each District.

For urban areas, *i.e.* in Part A(i), the literates have been divided according to the following seven educational levels:

1. Literate (without educational level);
2. Primary or Junior Basic;
3. Matriculation or Higher Secondary;
4. Technical Diploma not equal to Degree;
5. Non-Technical Diploma not equal to Degree;
6. University Degree or Post-Graduate Degree other than Technical Degree; and
7. Technical Degree or Diploma equal to Degree or Post-Graduate Degree.

In case of rural areas, *i.e.* in Parts B (i) & (ii), the literates have been shown at three levels:

1. Literate (without educational level);
2. Primary or Junior Basic; and
3. Matriculation and above.

Figures for illiterates are also given in all the three Parts.

The test for *literacy* adopted was the ability to read and write a simple letter. A person who fulfilled this test was taken as 'Literate'. In case he had attained any educational standard, the highest examination passed was recorded. A statement showing the qualifications grouped under each educational level has been given in the flyleaf to Table B-III appearing in Part II-B (i)—General Economic Tables of the Punjab 1961-census Publications, at pages 110-111.

Figures have been given separately for each Caste/Tribe. The Castes which do not have any members in particular District have been omitted from such District.

TABLE SCT—IV
RELIGION FOR SCHEDULED CASTES
AND SCHEDULED TRIBES

TABLE SCT—IV
RELIGION FOR SCHEDULED CASTES AND
SCHEDULED TRIBES

This Table is in two parts: Part A for Scheduled Castes; and Part B for Scheduled Tribes. It presents figures for the State, for the three Administrative Divisions, and for each District. In Part B figures are, however, for the State, Jullundur Division, and only for Lahaul & Spiti District, because Scheduled Tribes in Punjab have been declared in the President's Order of 1950, only in Lahaul & Spiti District.

The members of the Scheduled Castes should profess either Hindu or Sikh religion, but the members of Scheduled Tribes can belong to any religion. Religion-wise figures are given for each Caste/Tribe. In the case of Scheduled Castes, their break up in rural and urban areas has also been given under col. 2 of the Table. Data for the Scheduled Tribes are for rural areas only, since there is no urban area in Lahaul & Spiti District.

The Castes which have no members in a particular District have been omitted for such a District.

TABLE SCT—V

SAMPLE HOUSEHOLDS ENGAGED IN CULTIVATION CLASSIFIED BY INTEREST IN LAND & SIZE OF LAND CULTIVATED IN RURAL AREAS ONLY FOR MEMBERS OF SCHEDULED CASTES AND SCHEDULED TRIBES

(Households of members of Scheduled Castes/Scheduled Tribes in a 20 per cent sample of all Households)

This Table has been prepared in respect of households of members of Scheduled Castes/Scheduled Tribes in a 20 per cent sample of all households, in two parts: Part A for Scheduled Castes; and Part B for Scheduled Tribes. Data are presented for all the Castes/Tribes combined, and for rural areas only, for the State, for the three Administrative Divisions, and for each District. This Table was prepared mechanically in the Mechanical Tabulation Unit of the office of the Registrar General, India.

Households have been classified according to their interest in land, viz., (a) owned or held from Government, (b) held from private persons or institutions for payment in money, kind or share, and (c) held partly from Government and partly from private persons for payment in money, kind or share. A cross-tabulation has been made according to the following area groups of land cultivated:—

Less than 1 acre;
1.0- 2.4 acres;
2.5- 4.9 acres;
5.0- 7.4 acres;
7.5- 9.9 acres;
10.0-12.4 acres;
12.5-14.9 acres;
15.0-29.9 acres;
30.0-49.9 acres;
50 + acres; and
Unspecified.

This Table is similar to Table B-XI, which was prepared for a 20 per cent sample of all the households and which appears at pages 10-25 of Part III—Household Economic Tables.

TABLE SC-I

**PERSONS NOT AT WORK CLASSIFIED BY SEX,
TYPE OF ACTIVITY AND EDUCATIONAL
LEVELS FOR SCHEDULED CASTES**

This Table covers the entire Scheduled Castes population and does not give separate information for each such caste. Figures are given for the State, for the three Administrative Divisions, and for each District, and for total, rural and urban areas.

The Table deals with students, unemployed persons, and other non-working persons among the Scheduled Castes. Unemployed persons have been divided into:

- (i) those seeking employment for the first time; and
- (ii) those employed before, but now out of employment and seeking work.

The various categories of non-workers have been further classified according to literacy:

- (i) Illiterate;
- (ii) Literate (without educational level);
- (iii) Primary or Junior Basic;
- (iv) Matriculation or Higher Secondary; and
- (v) Above Matriculation or Higher Secondary.

The definition of *literacy* and a statement showing the grouping of various qualifications into various educational levels have been given in the flyleaf to Table B-III, appearing in Part II-B (i)—General Economic Tables, at pages 110-111.
