INTRODUCTORY NOTE

The present volume contains the following sets of tables:—

1. Social and Cultural Tables.
2. Migration Tables.

The other sets of tables *viz.*—General Population Tables and Economic Tables have been printed in Census of India 1961 Volume XIX, Delhi Parts II A, II B and III. Housing and Establishments tables have been printed in Housing & Establishment Report Volume XIX, Delhi Part IV (A & B).

Scheduled Castes Tables will be printed in Census of India 1961, Volume XIX, Delhi Part V.

The following extracts from the Manual of Instructions to Enumerators on the basis of which these tables are compiled will be helpful in appreciating the contents of these sets of tables.

Q.1 (b) Relationship to the Head of the household.—In the case of the Head of the household write 'Head'. All relationships in this question should be recorded in respect of that person. In the case of relations write the relationship in full. Do not use words like nephew, niece or uncle, but state whether brother's or sister's son or daughter (for nephew or niece) or father's or mother's brother (uncle). 'Son' will include 'adopted son' or 'step son'; similarly for a daughter. In the case of visitors, boarders or employees write 'visitor', 'boarder', or 'employee' as the case may be.

If on the check or revisional round between the 1st and 3rd March the Head of the household as recorded previously is found to have died, the person in the household who succeeds him by common consent as Head should be recorded as Head and the relationships in all other slips will have to be suitably corrected. The slip of the dead Head of household will, of course, be cancelled.

In the case of places like messes, boarding houses, chummeries, etc., where people live together with no ties of relationship, the manager or superintendent or the person who by common consent is regraded as Head should be recorded as Head of the household. Other members should be recorded as 'unrelated' in this question.

Q. 2. Age Last Birthday.—Write age in years completed last birthday.

For infants below one year of age, write 'O'.

Q. 3. Marital Status.—For a person who has never been married write 'NM'. For a person married, whether for the first or another time, write 'M'.

16 C.P.—1.

Write 'M' also for persons who are recognised by custom or society as married and for persons in stable *de facto* union. For a widowed person whose husband or wife is dead, and who has not been married again write 'W'. For a person who has been divorced in a lawful manner, either by decree of a law court or by a regular social or religious custom but who has not remarried, or a person who has been separated from wife or husband and is living apart with no apparent intention of living together again, write 'S'. For a prostitute return her marital status as declared by her.

Q. 4. (a) Birthplace.

1. If born in village or town in which enumerated write PL.
2. If born in another village or town of district in which enumerated write D.
3. If born in another district in the State of enumeration. Write name of district.
4. If born in another State in India. Write name of district and State if name of district is known; otherwise write name of State.
5. If born in country outside India, e.g., Pakistan or any other country. Write name of country.
6. Persons born at sea or in air or in railway carriage or on road transport, e.g., buses, etc., should be entered as such.

Q. 4. (c) Duration of Residence.

2. For a person born in another village or town or city of district of enumeration or who was not born in the district of enumeration. Write the No. of completed years this person has been in the village/town/city of enumeration. (Do not take into account periods of temporary absence on leave or holiday or tour or business.)

3. If the duration of residence is less than one year. Write O.

If the duration of residence is one year or over. Write the actual number of completed years of residence.

Q. 5. (a) *Nationality*.

The test for reading is ability to read any simple letter either in print or in manuscript. The test for writing is ability to write a simple letter. The test for literacy is satisfied if the person can with understanding both read and write.

SPECIAL TABLES OF TECHNICALLY QUALIFIED PERSONS

A special census of technically qualified persons who had either degrees or diplomas equivalent to degrees was taken along with the 1961 census in the entire Union Territory of Delhi. A special Card was designed for this purpose by the Registrar General. These cards were given by the enumerators to all households wherein a technically qualified member(s) resided, after filling in the location code number during the enumeration period. Enumerators in their revisional round collected these cards and gave them to their supervisors along with other census recorded for onward transmission to Charge Officers and then to the Census Officers who sent them to the Superintendent of Census Operations, Delhi, for onward transmission to the Registrar General, India, New Delhi. Enumerators were asked to persuade the technically qualified persons to fill up the cards in their presence whenever they were found not to have been filled up. But those who could not do so were requested to post these cards which were 'reply pre-paid', after completion, to the Registrar General, India, direct.

The academic qualifications of persons considered technically qualified and to whom the cadres were distributed were as follows:—

1. Science:—Any one holding B.A. or B.Sc., M.A. or M.Sc., or higher degrees (Ph. D., etc.) in science subjects such as Physics, Chemistry, Mathematics, Agriculture, Geology, Statistics, Geo-Physics, Geography, etc.
2. Engineering:—Any one holding recognised degree or diploma in Engineering.
3. Technology:—Any one holding degree or diploma in technical subjects like Commercial Technology, Leather Technology, Textile Technology, Glass and Ceramic Technology, Food Technology, etc.
4. Medicine:—Persons holding degree or diploma in medicine and/or surgery.

Thus the undergraduate scientists (i.e. those who had not got any Bachelor's degree) or mechanics and technicians even though holding certificates did

not come under this special enumeration. These data have been processed in the office of the Registrar General, India and the following tables have been compiled:—

Union and State Table I.—Distribution of Scientific and Technical Personnel by each branch and sub-branch of Science or Technology.

Union Table II.—Age composition of persons in each branch of Science or Technology.

State Table II.—Type of activity and marital status of persons in each branch of science or Technology.

Union Table III.—Permanent addresses by Branch of Education.

State Table III.—Year of obtaining Post-Graduate Degrees in Physical Sciences and Graduates and Doctorates Degrees in Engineering, Technology and selected branches of Medicine.

State Table IV.—Persons holding Degrees in Engineering, Technology and selected branches of Medicine and also holding Degrees in selected branches of Physical Sciences.

State Table V.—Nature and Sector of employment of persons in each branch of Science or Technology.

State Table VI.—Total monthly income of persons employed in each branch of Science or Technology classified by sector of employment.

State Table VII.—Tenure and Sector of employment of persons in each branch of Science or Technology.

State Table VIII.—Age and period of unemployment of unemployed persons qualified in each branch of Science or Technology.

All these tables have been given as an Appendix to Table C-III.

TABLE C-V
MOTHER TONGUE (ALPHABETICAL ORDER)

The notes and appendices I and II given below have been prepared by Shri R.C. Nigam, Linguist of the office of the Registrar General, India.

Note 1.

(i) The following mother tongues arranged in alphabetical order in Col. 1 of the Table given below as per Tabler C-V have been classified in the Linguistic Survey of India. The Lin guistic Survey of India Classification No. is mentioned against each mother tongue in Col. 3.

(ii) If in Col. 3 no Classification No. is given against any mother tongue of Col. 1, then it would mean that the name refers to either old or middle Indo Aryan Language or a language group or branch or family name from the Linguistic Survey of India.

(iii) Wherever a tongue is mentioned in Col. 3 it is to be understood that the mothertongue is either a dialect or another name or form of the tongue mentioned against it in Col. 1 which in its turn has been classified by the Linguistic Survey of India in the appropriate place for that tongue.

(iv) If in Col. 1, there is a tongue which bears no classification number in the Linguistic Survey of India then in Col. 2 the name of the classified language or group will be given of which the mother tongue of Col. 1 is either a dialect or another name or form. In such a case the number of classified language of Col. 2 has been given in Col. 3.

(v) In Col. 2 standardized spellings according to Linguistic Survey of India have been given against each mother tongue of Col. 1.

TABLE D-II
PLACE OF BIRTH

Table D-IV of 1951 corresponds to this table. An important change as compared to previous Censuses is that births in Rural and Urban areas are given separately in case of those born in India. A special question was asked for this purpose. The place of enumeration is also classified into Rural and Urban.

Under groups, B, C, D, E and F the following countries of each continent have been presented in this table. The total of the remaining countries is given against 'elsewhere' in the table, the details of which will be found in the supplement to this table.

(B) Countries in Asia beyond India (including U.S.S.R.).

Afghanistan.
Burma.
Ceylon.
China.
Nepal.
Pakistan.
Singapore, Malaya and British Borneo.
U.S.S.R.
Elsewhere.

(C) Countries in Europe (excluding U.S.S.R.).

U.K. (including N. Ireland.)
Ireland.

Elsewhere.

(D) Countries in Africa.

Kenya.
Mauritius.
Mozambique.
Union of South Africa.
Elsewhere.

(E) Countries in Two Americas.

Canada.
U.S.A.
Elsewhere.

(F) Countries in Oceania.

Australia.
New Zealand.
Elsewhere.

The lines of Rural/Urban/Unclassifiable, wherever the entries are nil, have been omitted from the table. The States/Union Territories under Group II and the continents/countries under groups B, C, D, E and F from which migrants are not reported, have been omitted from the table.

D-II—PLACE OF BIRTH

Notes :—

(i) In the case of D.M.C. (Urban), Zone I—Shabada, Zone II—City Sadar Paharganj, Zone III—Karol Bagh Patel Nagar, Zone IV—Civil Lines Subzi-mandi, Zone V—Transferred Area, Zone VI—South Delhi, Zone VII—West Delhi, New Delhi, and Delhi Cantt. 'Rural' figures are nil and have not been shown in the table. Figures for 'Total' and 'Urban' are identical and in these cases the figures have been presented for 'Total' only. The same figures may be read as for 'Urban'.

(ii) In case of D.M.C. (Rural), the figures for 'Total' and 'Rural' are the same.

During the scrutiny of these returns, certain seemingly incompatible occupational groups *vis-a-vis* the educational qualifications were noticed, which on actual verification have been found to conform to the existing facts of our present day economy, wherein occupation and educational levels do not always go hand in hand. For, persons follow any occupation they get, irrespective of their educational qualifications, as the primary consideration which influences a person in such matters is that of earning bread or making money. All such cases are given below :—

City	Educational Level	Occupational Group.
D.M.C. (URBAN)	Illiterate	00 (M 17) ; 12 (M 23).
	Literate (without educational level)	00 (M 166) ; 01 (M 48, F 2) ; 02 (M 8) ; 21 (M 253, F 11). 01 (M 36, F 1) ; 02 (M 3). 01 (M 208, F 4) ; 02 (M 5) 59 (M 1).
	Primary or Junior Basic	50 (M 1) ; 78 (M 35, F 2) ; 81 (M 7)
	Matriculation or Higher Secondary	02 (M 3) ; 08 (M 14) ; 71 (M 1) ; 73 (M 3).
	University degree or post graduate- degree other than technical degree	08 (M 2, F 1) ; 09 (M 8, F 1) ox (M 4).

NEW DELHI	Literate (without educational level)	00 (M 24), 01 (M 3, F 1) ; 21 (M 41, F 5).
	Primary or Junior Basic	01 (M 2).
	Matriculation or Higher Secondary	01 (M 15)
	Engineering	08 (M 4) ; 71 (M 1).
	Medicine	08 (M 1, F 2).

	Teaching	09 (F 1) ; 30 (M 1) ; 31 (F 1) ; 89 (M 1) 90 (M 2).

Similarly in the following cases the occupational groups and educational levels appearing against age-group 0—14 appeared to be incompatible owing to the misstatement of ages by the enumerated persons.

City	Educational level	Occupational Group
D. M. C. (URBAN)	Illiterate	31 (M 2) ; 90 (M 30).
	Literate (without educational level)	04 (M 4) ; 28 (M 3) ; 31 (M 1) ; 90 (M 1 5).
