[Malda, West Dinajpur, Hooghly, Calcutta (Vol. II), Cooch Behar, Burdwan (Vol. II), Birbhum, Murshidabad and Midnapore (Vol. I) District Census Handbook published ; 7 Volumes in Press]

THE STATISTICS produced by the 1961 Census have been arranged as follows :

- A Series—General Population Tables [published in Part II-A]
- B Series—(a) General Economic Tables [published in Part II-B(i) and Part II-B (ii)]
- (b) Household Economic Tables [published in Part III]
- C Series—Social and Cultural Tables [published in Part II-C(i)]
- D Series—Migration Tables [published in Part II-C(ii) and Part II-C(iii)]
- E Series—Housing and Establishment Tables [published in Part IV(i)]
- SCT/SC/ST Series—Special Tables on Scheduled Castes and Scheduled Tribes [published in Part V-A(i) and Part V-A(ii)]

It is the practice of the Census to prepare Subsidiary Tables which reduce the absolute figures of the Main Tables to proportions for facility of use, comparison and easy comprehensibility. In some of the earlier Censuses, the Subsidiary Tables were included in the General Report. But owing to the volume of statistics involved, they are now published in separate books. The Subsidiary Tables to E Series Tables have already been released in Part IV(ii). The present volume contains the Subsidiary Tables to the A, B, C and D Series Tables. No Subsidiary Tables have been prepared in the SCT/SC/ST Series.

For definitions of terms and concepts used in the Subsidiary Tables reference is invited to the fly-leaves of the respective Main Tables. Throughout this volume the symbol 0 indicates nil and the symbol N indicates less than one half of a unit but not nil.

*Columns relating to houses per 100 square miles in rural areas and houses per square mile in urban area for Censuses 1921—1941 have been omitted because separate area figures for rural and urban areas for Censuses prior to 1951 are not available.

NOTES :

- There is only one set of figures for all the districts and the State. Only Buxa town of 1921 was deleted in 1931, but this has not effected the calculations for the State and Jalpaiguri district.
- The figures in State and Hooghly district from 1921—1941 excludes Chandernagore as the figures of number of houses are not available.
