P.W. = Principal work, A.W. = Additional work

NOTE:

1. Major groups of additional work where persons are more than 0.5 per cent of the persons of the respective major groups of principal work have been shown in this table.
2. The distribution of divisions and major groups has been given in Appendix X.1.

STATEMENT X.67-*contd.*

Distribution of 1,000 workers of each sex in each industrial division and major group containing considerable numbers of workers also in household industry for the State and selected districts, 1961
