INTRODUCTORY NOTE

The migration statistics in the earlier Censuses were based on birth place returns till 1941. As this information was found inadequate for a complete study of population movements, a separate question on Nationality was introduced in the Census Questionnaire of 1951. A special feature in 1951 was the inclusion of a question on displaced personnel from Pakistan and the year of their arrival in India.

2. In 1961, the question relating to displaced personnel was dropped as it ceased to be of any significance. In the meantime, it was also observed that rural/urban migration was gaining prominence to a considerable degree. In order to make a more detailed study of this phenomenon it was thought desirable to introduce questions to ascertain (i) the magnitude of rural to urban and urban to rural migration by recording the rural/urban characteristic of the birth place of a person in case he was born outside the place of enumeration, and (ii) the duration of a migrant's residence at the place of enumeration.

3. In order to obtain correct information regarding the above two questions the enumerator was required to obtain replies of questions Nos. 4 (a), 4 (b), 4(c) and 5(a) of the Individual Slip at the 1961 Census. The instructions issued in this respect are reproduced below:

"Q. 4 (a) Birth Place—

- (i) If born in the village or town in which enumerated, write PL.
- (ii) If born in another village or town of district in which enumerated, write D.
- (iii) If born in another district in the State of enumeration, write the name of the district.
- (iv) If born in another State in India, write name of district and State if name of district is known; otherwise write name of State.
- (v) If born in a country outside India, e. g., Pakistan or any other country, write name of the country.
- (vi) Persons born at sea or in air or in railway carriages or on road transport, e. g., buses, etc., should be entered as such.

"Q. 4 (b) Whether born in Village or Town—

- (i) If born in a village, write R.
- (ii) If born in a town which is considered a town at the present time even if it was not so considered at the time of birth, write U.
- (iii) If the person enumerated is not in a position to say whether the place of birth is a village or town, write the name of place of birth as returned by him.

"Q. 4 (c) Duration of Residence—

- (i) For a person born in village or town or city in which enumerated, write X.

- (ii) For a person born in another village or town or city of district of enumeration for who was not born in the district of enumeration, write the number of completed years this person has been in the village/town/city of enumeration. (Do not take into account periods of temporary absence on leave or holiday or tour or business.

- (iii) If the duration of residence is less than one year, write 0.

If the duration of residence is one year or over write the actual number of completed years of residence.

"Q. 5. (a) Nationality—

- (i) For Indian nationals, write I.
- (ii) For other nationals, write the nationality in full."

4. Persons born in Sikkim were deemed to be born in India and were accordingly treated Indian nationals.

5. The Tables presented under this series contain data on the following characteristics of migrants—

- (i) Nationality.
- (ii) Birth place.
- (iii) Rural and urban classification of birth place.
- (iv) Migrants to rural and urban areas.
- (v) Duration of residence at the place of enumeration.
- (vi) Migrants to Cities/Town-Groups by age, literacy and non-workers and in the case of workers also by occupational divisions and groups.
- (vii) Extent of immigration from rural and other urban areas into the City/Town-Group who have been residents for less than 3 years and 3 years and more at the place of enumeration.
- (viii) Industrial categories of Workers and Non-workers by place of birth.

Six Tables have been prepared containing the above information. They are—

- Table D-I Non-Indian Nationals
- Table D-II Place of Birth
- Table D-III Migrants classified by Place of Birth and Duration of Residence in Place of Enumeration
- Table D-IV Migrants to Cities/Town-Groups classified by Sex, Broad Age-Groups, Educational Levels and in the case of Workers also by Occupational Divisions and Groups

(ii)

Table D-V Cities/Town-Groups showing population born locally, migrants from rural areas and migrants from other Towns and Cities

Table D-VI Distribution of Industrial Categories of Workers and Non-workers by Place of Birth

6. Of the above mentioned 6 Tables, Table D-I

corresponds to Table D-VI of 1951 with the only difference that the former provides data for Total only while the latter was presented for rural and urban both. Table D-II corresponds to Table D-IV of 1951. The method of presentation of this Table has undergone complete change so as to make the 1961 Table more lucid than the 1951 Table. The remaining Tables of the existing series, i. e., D-III to D-VI, are innovations of the 1961 Census.

TABLE D—I

NON INDIAN NATIONALS

TABLE D-I NON-INDIAN NATIONALS

FLY-LEAF

On the recommendations of the United Nations Population Commission, a Table on Non-Indian Nationals was papered for the first time in 1951. Table D-I of 1961 Census Migration Tables is also on the same subject. It gives the number of persons belonging to different foreign nationalities who were residing in this country at the time of the Census. It, however, excludes Non-Indian Nationals employed in foreign Embassies, Missions, etc. The countries of the world have been shown under the following Continents :—

1. Countries in Asia beyond India (including U. S. S. R.).
 2. Countries in Europe (excluding U.S.S.R.).
 3. Countries in Africa.
 4. Countries in Two Americas.
 5. Countries in Oceania.
2. Under every Continent, figures have been given separately for important countries. Other countries have been clubbed together under 'Elsewhere' in the main Table. However, details of nationals of these countries have been shown in the Appendix.
3. Though Non-Indian Nationals are not many, yet the information presented in the Table gives an idea about the countries whose nationals are found in this State for cultural, technological, business and other reasons. It fulfils the need of migration data for the international Table on migration, which is published in the *United Nations Statistical Year Books*.
4. The following is the list of countries whose nationals have been enumerated in this State during the Census :—

List of Countries

A Nationals of Countries in Asia beyond India (including U. S. S. R.)

1. Afghanistan
2. Burma
3. Ceylon
4. China
5. Nepal
6. Pakistan
7. Singapore, Malaya and British Borneo
8. U. S. S. R.
9. Saudi Arabia
10. Bhutan

11. Indonesia
12. Japan
13. Thailand
14. Tibet

B Nationals of Countries in Europe (excluding U. S. S. R.)

1. United Kingdom (including N. Ireland)
2. Ireland
3. Belgium
4. Denmark
5. Netherlands
6. France
7. Germany (unspecified)
8. Italy
9. Spain
10. Sweden
11. Switzerland

C Nationals of Countries in Africa

1. Kenya
2. Union of South Africa

D Nationals of Countries in Two Americas

1. Canada
2. U. S. A.

E Nationals of Countries in Oceania

1. Australia
2. New Zealand

Apart from the above countries, some Non-Indian Nationals could not be clearly specified by the country of their nationality because of vague entries in the Enumeration Slips, viz., European, American, African, etc. These have been shown as 'Unspecified' under each Continent or Sub-continent. A similar situation arose in the case of nationals of Germany owing to absence of information about East or West Germany. They have been shown under Germany (unspecified). Such shortcomings are due to lack of knowledge on the part of enumerators and might also be due to language difficulty.

5. The nationals of seven countries, viz., Nepal, Pakistan and Tibet exceed 1,000 each and of China, U. S. A., U. K. and Burma 100 each. The maximum number of foreign nationals are from Nepal (43,028), followed by Pakistan (6,362). The Northern border of Uttar Pradesh touches Nepal for several hundred miles. Consequently, the Nepalese are found in large number. The districts where large number of Nepalese live are Naini Tal (12,828), Dehra Dun (7,135) and Garhwal (7,113) situated in the Himalayan Hills.

TABLE D-II PLACE OF BIRTH

Fly-Leaf

This Table gives the distribution of population by place of birth in the State and districts for total, rural and urban. It corresponds to Table D-IV of 1951 Census with an important modification that places of birth and enumeration have been classified as rural and urban separately in the case of those born in India. One more category of birth place, namely, 'unclassifiable' has been added for those born in India. This Table will be of help in studying the movement of migrants from rural to urban areas and *vice versa*.

2. Questions 4 (a) and (b) supply the relevant information for this Table. Questions and instructions for recording the answers have been explained in the Introductory Note to D-Series.

3. This Table gives data for total, rural and urban in respect of all persons (A) Born in India, (B) Born in countries in Asia beyond India (including U. S. S. R.), (C) Countries in Europe (excluding U. S. S. R.), (D) Countries in Africa, (E) Countries in two Americas, (F) Countries in Oceania, (G) Born at Sea and (H) Unclassifiable. Those falling in Group A have further been classified into (i) Within the State of enumeration and (ii) States in India beyond the State of enumeration, including sikkim. 'Within the State of enumeration' is further classified into (a) Born in the place of enumeration, (b) Born elsewhere in the district of enumeration, and (c) Born in other districts of the State.

4. *Migrants to rural areas* : Out of 64,266,506 persons enumerated in rural areas, 45,720,532 persons were born at the place of enumeration and 81,479 are unclassifiable. The number of migrants within the State as well as from outside the State is 18,545,974.

(i) *Migrants within the State* : The following figures indicate migration within the districts as well as within the State to rural areas:

	Persons	Males	Females
I. Born elsewhere in the district of enumeration	13,438,102	1,882,102	11,556,000
II. Born in other districts of the State	4,254,030	778,071	3,475,959
Total	17,692,132	2,660,173	15,031,959

These figures indicate that 85.0 per cent of the migrants are females. Marriage is the main reason for their migration.

(ii) *Migrants from outside the State* : The following figures indicate the number of migrants from outside the State:

	Persons	Males	Females
1. States in India beyond the State of enumeration	616,647	158,037	458,610
2. Born in countries in Asia beyond India (including U. S. S. R.)	155,277	84,254	71,023
3. Countries in Europe (excluding U. S. S. R.)	96	37	59
4. Countries in Africa	111	78	33
5. Countries in two Americas	188	106	82
6. Countries in Oceania	43	27	16
7. Born at Sea	1	1	..
8. Unclassifiable	81,479	37,520	43,959
Total	853,842	280,060	573,782

5. *Migrants to urban areas*: Out of 9,479,895 persons enumerated in urban areas 5,875,703 were enumerated at the place of birth while 6,224 are unclassifiable. The total number of migrants is 3,604,192 (including those born at sea and unclassifiable) constituting 38.0 per cent of the total urban population. Their number by sex is given below:

(i) *Migrants within the State*: The following figures indicate migration within districts and the State:

	Persons	Males	Females
1. Born elsewhere in the district of enumeration	1,147,954	523,358	624,596
2. Born in other districts of the State	1,658,526	871,549	786,977
Total	2,806,480	1,394,907	1,411,573

(ii) *Migrants from outside the State*: The following figures indicate the number of migrants from outside the State:

	Persons	Males	Females
1. States in India beyond the State of enumeration	489,314	259,528	229,786
2. Born in countries in Asia beyond India (including U. S. S. R.)	300,742	159,472	141,270
3. Countries in Europe (excluding U. S. S. R.)	728	254	474
4. Countries in Africa	320	187	133
5. Countries in two Americas	320	157	163
6. Countries in Oceania	62	5	57
7. Born at Sea	2	..	2
8. Unclassifiable	6,224	2,577	3,647
Total	797,712	422,180	375,532

6. States in India beyond the State of Enumeration and the countries outside India for which 'nil' figures are returned have been omitted from the Table.

Only the names of important countries have been given in the Table on the pattern given below:

Countries in Asia beyond India (including U.S.S.R.)

Afghanistan

Burma

Ceylon

China

Nepal

Pakistan

Singapore, Malaya and British Borneo

U. S. S. R.

Elsewhere

Countries in Europe (excluding U.S.S.R.)

U. K. (including N. Ireland)

Ireland

Elsewhere

Countries in Africa

Kenya

Mauritius

Mozambique

Union of South Africa

Elsewhere

Countries in Two Americas

Canada

U. S. A.

Elsewhere

Countries in Oceania

Australia

New Zealand

Elsewhere

The details of those included in 'Elsewhere' are given in a 'Supplement' to this Table, which gives details of returns not separately shown in the Table.

7. Persons born in Sikkim have been treated as those born in India. Since rural/urban breakdown in respect of those born in Sikkim are not available, it has been decided to treat them as 'Unclassifiable.'

TABLE D-III

MIGRANTS CLASSIFIED BY
PLACE OF BIRTH AND
DURATION OF RESIDENCE IN
PLACE OF ENUMERATION

TABLE D-III MIGRANTS CLASSIFIED BY PLACE OF BIRTH AND DURATION OF RESIDENCE IN PLACE OF ENUMERATION

Fly-Leaf

This is a new Table introduced for the first time in 1961 and is based on question 4 (c) regarding the duration of residence at the place of enumeration in case of persons born outside the place of enumeration. Questions and the instructions for recording the answer are given in the Introductory Note to D-Series. Data have been presented down to district level. The classification of Duration of residence at the place of enumeration is given below:

- (i) Less than 1 year
- (ii) 1-5 years
- (iii) 6-10 years
- (iv) 11-15 years
- (v) 16 years and over
- (vi) Period not stated

Places of birth have been grouped as follows:

- (i) Born elsewhere in the district of enumeration

- (ii) Born outside the district of enumeration but within the State
- (iii) Born in other States of India
- (iv) Born in Nepal
- (v) Born in Pakistan
- (vi) Born in other countries outside India
- (vii) Birth place unclassifiable (*including those born at Sea*)

In the case of migrants from other district of the State and other States of India, places of origin have been classified into rural, urban and unclassifiable. The figures for each of the other States in India have been presented separately. As regards migrants from other countries, those from the neighbouring countries of Nepal and Pakistan have been shown separately and others clubbed together.

The Table is intended to supplement Table D-II relating to birth place for a detailed study of in-migration.
