The figures against Uttar Pradesh have been derived after ignoring the area and population of the districts of Uttarakhand and Kumaon Divisions. Thus the area and population figures given in this table are less by 17 869·7 sq. miles and 2,677,342 persons respectively than those given in Main Table A-I. This is due to the fact that tahsil-wise break-down of area in respect of Naini Tal district and separate area figures of the districts of Uttar Kashi, Chamoli, Pithoragarh. Tehri Garhwal, Garhwal and Almora are not available.

Foot note—1. Vital Statistics for the newly created districts Uttar Kashi, Chamoli, Pithoragarh and for districts Tehri Garhwal, Garhwal and Almora at their 1961 Jurisdiction was not available. Therefore, in order to present them in this Table the Vital Statistics for former whole districts Tehri Garhwal, Garhwal and Almora have been proportionately divided in the ration of the Geometric Mean population for each of their constituent districts i.e. Uttar Kashi and Tehri Garhwal, Chamoli and Garhwal and Pithoragarh and Almora.

2. Vital Statistics for urban areas for the whole decade 1951–60 was also not available although Vital Statistics for whole district was available. It was available for six years which therefore, had to be raised to determine the figure for the decade. Rural Vital Statistics was thereafter determined by substracting the Vital statistics of urban from Total.

3. The Vital Statistics (Rural and Urban) for previous decades are those given in Table 1.3, 2.3 & 3.3 of Subsidiary Table 1951 Census Uttar Pradesh.
