Area figures for Village and town area are those supplied by the Assistant Director of Survey & Land Records of the District concerned (in consultation with the Tashildar of the Taluks concerned) and Local Bodies respectively. The total of the area figures of the Village and town areas will not tally with the taluk figures furnished by the Director of Land Records because taluk area given by Director of Land Records takes in to account hills, forests, rivers etc., whereas village and town area may not included th the same.

Area figures for Village and town area are those supplied by the Assistant Director of Survey & Land Records of the District concerned (in consultation with the Tashildar of the Taluks concerned) and Local Bodies respectively. The total of the area figures of the Village and town areas will not tally with the taluk figures furnished by the Director of Land Records because taluk area given by Director of Land Records takes in to account hills, forests, rivers etc., whereas village and town area may not included the same.
