STAR OF INDIA AND INDIAN EMPIRE, 1888.

Investiture of the Orders of the Star of India and of the Indian Empire held at Madras on the 4th December 1888.

G.O., dated 7th June 1888, No. 395, Political.

[TELEGRAM.]

Dated the 6th June 1888, No. 17 S.I.

From—the Secretary to the Government of India, Foreign Department, Simla,
To—the Chief Secretary to the Government of Madras, Ootacamund.

Would His Excellency the Governor like to be delegated to invest Travancore with Star of India, or shall we send for Warrant dispensing with personal Investiture?

[DEMI-OFFICIAL.]

Dated Ootacamund, the 7th June 1888.

From—J. D. REES, Esq.,
To—the Hon. Mr. H. E. STOKES.

His Excellency understands that the Maharajah intends, in any circumstances, to come to Madras before Christmas. If His Excellency the Viceroy thinks that His Highness need not be invested before that date, the Governor is quite willing to do it.

The Governor thinks the Investiture ought to be held in the Banqueting Hall, as suitable ceremony could not take place here.

[TELEGRAM.]

Order—dated 7th June 1888, No. 395, Political.

It is understood Travancore Maharajah intends to come to Madras before Christmas. If Viceroy thinks Investiture can be deferred till October or November, His Excellency the Governor will be willing to perform the ceremony, which could only take place in Madras.

(True Extract.)

H. E. STOKES,
Chief Secretary.

[TELEGRAM.]

Dated the 8th June 1888, No. 18 S.I.

From—the Secretary to the Government of India, Foreign Department, Simla,
To—the Chief Secretary to the Government of Madras, Ootacamund.

Your telegram to-day. Travancore Investiture, October or November would do very well.
Will procure authority.

[DEMI-OFFICIALS.]

Dated Ootacamund, the 14th June 1888, No. 134.

From—the Hon. Mr. H. E. STOKES,
To—J. C. HANNYNGTON, Esq.

His Excellency the Viceroy intends procuring authorization from Her Majesty for His Excellency Lord Connemara to perform the ceremony of investing His Highness the Maharajah of Travancore with the G.C.S.I. lately conferred on him. His Excellency the Governor proposes to perform the ceremony at Madras in the first week in November, and hopes that

His Highness the Maharajah will be able to come to Madras for the purpose at that time. I am directed to ask you to communicate His Excellency's wishes to His Highness the Maharajah, and let me know whether His Highness can meet them.

Dated Bolghatty, Cochin, the 26th June 1888.

From—J. C. HANNYNGTON, Esq.,

To—the Hon. Mr. H. E. STOKES.

I addressed His Highness the Maharajah of Travancore in reference to your demi-official of the 14th instant. He replies as follows:—

"I am exceedingly thankful to His Excellency the Governor for so kindly proposing to have the ceremony of investing me with the Insignia of the Star of India at Madras.

"I should have been delighted to go to Madras at the time mentioned, but I regret very much that just at that time my presence in Trivandrum is required owing to ceremonies in the Pagoda in connection with the festival.

"The Avât is on the 10th November, and I think I shall be able to leave this about the 13th or 14th November.

"If His Excellency could kindly fix a date after the 20th November, it will be a great convenience to me, as I hope to reach Madras by that date. But I leave the matter entirely to His Excellency's convenience.

"I may also mention, for your information, that in the second week of January I shall have ceremonies in Trivandrum."

Dated Ootacamund, the 29th June 1888.

From—J. D. REES, Esq.,

To—the Hon. Mr. H. E. STOKES.

In returning these papers, I am desired to say that His Excellency will be much obliged if you will kindly ask Mr. Hannington what is the very earliest date at which His Highness can arrange to be present at Madras for the Investiture in November. His Excellency had proposed to leave Madras on tour about the 15th of November, but can wait a day or two to suit His Highness' convenience, if necessary.

Dated Ootacamund, the 29th June 1888, No. 159.

From—the Hon. Mr. H. E. STOKES,

To—J. C. HANNYNGTON, Esq.

I have shown your note of the 26th instant to His Excellency, who desires that you will ask His Highness the Maharajah what is the very earliest date at which he can arrange to be present at Madras for the Investiture in November. His Excellency had proposed to leave Madras on tour about the 15th of November, but can wait a day or two to suit the Maharajah's convenience, if necessary.

Dated Ootacamund, the 9th July 1888, No. 169.

From—J. F. PRICE, Esq.,

To—J. D. REES, Esq.

With reference to your note of the 29th ultimo, I enclose a letter and enclosure received from Hannington this morning.

"Dated Bolghatty, Cochin, the 7th July 1888.

From—J. C. HANNYNGTON, Esq.,

To—J. F. PRICE, Esq.

In reply to Mr. Stokes' demi-official of 29th June, on the subject of Investiture of His Highness the Maharajah of Travancore, I enclose copy of a letter received to-day from His Highness."

"Dated Trivandrum, the 4th July 1888.

From—the Maharajah of Travancore,

To—J. C. HANNYNGTON, Esq., Resident in Travancore.

I have just received your letter of the 2nd instant. The earliest date on which I shall be able to leave Trivandrum is about the 12th November, and so I cannot be in Madras before the 20th November, the earliest. I should be extremely sorry if I cause any inconvenience to His

Excellency the Governor in any way, as I understand from your letter that His Excellency intends leaving Madras on tour on the 15th November. I do not know how long His Excellency may be absent from Madras on tour, probably until Christmas time.

I have already informed you that I shall have to be in Trivandrum in the second week of January. Under these circumstances, perhaps His Excellency may find it more convenient to have the ceremony in the *last* week of January, or any time after that."

Dated Ootacamund, the 11th July 1888, No. 210.

From—J. D. REES, Esq.,

To—J. F. PRICE, Esq.

In returning Current No. (demi-official) 201, Political, His Excellency desires me to ask you to kindly write to Mr. Hannington, requesting him to inform His Highness the Maharajah of Travancore, that His Excellency, after perusing His Highness' letter of the 4th of July, to Mr. Hannington, decides upon fixing Wednesday, the 21st of November, for the Investiture of His Highness as a Knight Grand Commander of the Star of India. His Excellency has fixed this date, to meet His Highness' convenience; but I am to say that the ceremony cannot conveniently be deferred to any later date.

Dated the 14th July 1888, No. 174.

From—J. F. PRICE, Esq.,

To—J. C. HANNYNGTON, Esq.

His Excellency the Governor desires me, in reply to your demi-official of the 7th instant, to ask you to kindly inform His Highness the Maharajah of Travancore, that His Excellency the Governor, after perusing His Highness' letter to you of the 4th instant, has decided upon fixing Wednesday, the 21st of November next, for the Investiture of His Highness as a Knight Grand Commander of the Star of India. I am to say that His Excellency has fixed this date to meet the convenience of His Highness, but that the ceremony cannot conveniently be deferred to any later date.

Dated Trivandrum, the 30th July 1888.

From—J. C. HANNYNGTON, Esq.,

To—J. F. PRICE, Esq.

Owing to postal delays and my move from Cochin, I have been unable to reply to your demi-official of the 14th.

His Highness the Maharajah desires me to convey to His Excellency the Governor his best thanks for fixing a day for the Investiture ceremony to suit His Highness' convenience and to inform His Excellency that the 21st November will suit very well.

Dated the 4th August 1888.

From—J. D. REES, Esq.,

To—J. F. PRICE, Esq.

I enclose copy of telegram I sent by His Excellency's orders, which will show His Excellency's wishes in regard to the subject of this bundle. Probably you will hear from the Resident. In any case, the exact date can be settled later.

[TELEGRAM.]

"Dated the 4th August 1888.

From—the Private Secretary to His Excellency the Governor, Ootacamund,

To—the British Resident, Trivandrum.

Governor remembering Maharajah's convenience better suited by later date, and now being able to fix later date than 21st November, will settle about fortnight later. Precise day to be communicated later, probably about 1st December."

[DEMI-OFFICIALS.]

Dated the 7th August 1888.

From—J. D. REES, Esq.,

To—J. F. PRICE, Esq.

Herewith I send a file of your records, with a record of Travancore Function, what I drew up when Under-Secretary, and two files I got from the Foreign Office at Simla, containing First Class sealed pattern Star of India and Indian Empire Functions.

As Henderson says, truly they are very troublesome businesses; but His Excellency wants this Travancore one to be well done.

You know how the affair stands up to date. An authorization was to be got for an *Investiture* was it, or for a *Presentation of Insignia*. If the former, the precedent of late Maharajah does not apply. I am not sure on the point.

If it is doubtful, do you think it would be worth while asking Durand. It is you *quâ* Political Secretary who carry it out, and we officers of His Excellency's staff are mere pawns who stand and bow to order.

If writing to Durand, you might ask for precedents of *Investiture* by Government of Bombay authorized by Viceroy on occasions of the like nature.

His Excellency thought of holding it at night and not by day. Is there anything to show that these be uncanonical hours?

Again, query if *Presentation* or *Investiture* C.I.E. might be *combined* or rather immediately follow or precede the other. There will be Colonel Weldon C.I.E. and Venkatagiri K.C.I.E., and perhaps others as well as Mr. Hutchins C.S.I., and the Maharajah G.C.S.I.

I have heard nothing of an Indian Empire Function, but the authorization would be as well obtained in the one case as the other, and the question possibly might be lightly raised with list of Companions, Knights, &c., invested.

Dated the 30th August 1888, No. 245.

From—J. F. PRICE, Esq.,

To—J. D. REES, Esq.

Yours of the 7th instant, regarding *Investiture* of His Highness the Maharajah of Travancore. I wrote to Lee-Warner to ask if he could give me a programme of anything which took place at Bombay, and I enclose his reply. I have sent for the *Bombay Gazette*, but it has not yet arrived. You have perhaps a copy in your office.

2. With the help of these and of the Government of India papers, it seems possible to draw up a proper programme. You will see from the accompanying telegram from the Government of India that application has been made for an authorization for *Investiture* and not *Presentation of Insignia*.

3. It does not seem necessary to write to Durand, as Lee-Warner has furnished the information required.

4. There is nothing evidently to prevent an *Investiture* at night (see foot-note to "sealed pattern" of Star of India, pages 12 and 13).

5. As regards the K.C.I.E. and C.I.E. part of the business, it appears to me that if there is to be any ceremony of *Investiture*, it must, in the former case, be under formal authorization, which will have to be procured.

6. As regards the C.S.Is. or C.I.Es. there is no such thing as *Investiture*. The book on the Indian Empire (*vide* place marked) speaks only of "decoration," but it would appear that this must be by "Her Majesty's Commands."

7. I remember His Excellency the Duke of Buckingham presenting C.S.Is. and C.I.Es. (*vide Fort St. George Gazette* of 24th December 1878); the recipients were merely called up, the Warrants were read out and the decorations pinned on, and then the style and titles of the new-made C.S.I. or C.I.E. were proclaimed. There was, as far as I recollect, no authorization or dispensation.

8. There is a rather queer question with regard to the *Investiture* which seems to require clearing up. As far as can be found, all Europeans who are invested out here with the *Knight-hood* of any order have first conferred upon them the "Degree and Honor of a Knight Bachelor of the United Kingdom of Great Britain and Ireland," and they are after this invested. Up to 1867 all Natives were apparently treated in the same way; but after that year the form of first *Knighting* was in their case dropped, and no instance, since then, where this ceremony was observed, can be traced, nor can the reason for discontinuing it be found. It may be that it was intended to save the recipients expense. I presume that they would have to pay the usual

fees for ordinary *Knighthood*, but you will know this, as His Excellency the Governor was *Knighted* on the occasion of his *Investiture*. It might be as well to ascertain from Durand whether the omission which I have mentioned was intentional or not.

9. There is no apparatus here for the ceremony such as Maces and Spears. I suppose that we shall have to procure these from the Government of India. We shall have to ascertain what is required in this respect, and how the Mace and Spear bearers should be dressed. You were at the Function at Calcutta, so you know whether the men there were Europeans or Natives.

10. As regards the list of C.I.Es., &c., I send you one. I return the "Simla records."

G.O., dated 31st August 1888, No. 594, Political.

[DEMI-OFFICIAL.]

Dated the 23rd August 1888.

From—J. D. REES, Esq.,

To—J. F. PRICE, Esq.

Overleaf please kindly find copy of telegram sent to-day by His Excellency's orders to Mr. Hannington.

[TELEGRAM.]

"Dated the 23rd August 1888.

From—the Private Secretary to His Excellency the Governor, Ootacamund,

To—the British Resident, Travancore, Trivandrum.

Tuesday, 4th December, fixed by His Excellency for *Investiture*. Governor hopes this will suit His Highness' engagements. Please reply."

[DEMI-OFFICIAL.]

Dated the 26th August 1888.

From—J. D. REES, Esq.,

To—J. F. PRICE, Esq.

Overleaf please find copy of Resident's answer to my telegram fixing 4th December for *Investiture*.

[TELEGRAM.]

"Dated the 24th August 1888.

From—the Resident, Travancore,

To—the Private Secretary to His Excellency the Governor, Ootacamund.

Maharajah says Tuesday, 4th December, quite convenient."

Order—dated 31st August 1888, No. 594, Political.

Recorded.

(True Extract.)

J. F. PRICE,
Ag. Chief Secretary.

[DEMI-OFFICIALS.]

Dated Ootacamund, the 31st August 1888.

From—J. D. REES, Esq.,

To—J. F. PRICE, Esq.

I have your letter of the 30th of August concerning the *Investiture*. I am not sure whether the late Governor was authorized to "invest" or present *Insignia* in the case of the last Maharajah of Travancore. The applicability of the procedure which I reduced to writing would depend upon the answer to this question. I have no *Bombay Gazettes* here, and learn nothing from Mr. Lee-Warner's letter. Clearly there must be special authorization for C.I.E. As regards the *Knighthood*, that point seems to be cleared up in Proceedings 24 to 41 of the

Indian Empire, page 3, where precedents show that the conferring of the honor of Knight Bachelor is now, at any rate, no part of the procedure of the Investiture of a Hindu Prince, at least, so I understand it.

His Excellency desires me to ask you if you will kindly telegraph to Mr. Durand to ask if a Warrant authorizing the Governor to invest has been received, if an Investiture of the K.C.I.E. might be held as a separate ceremony, but on the same occasion, and following that of the G.C.S.I., and whether he will kindly send you a full programme of what the Foreign Office consider the ceremony in either case should be.

I return for reference all the enclosures to your letter.

P.S.—Rajah of Venkatagiri and Colonel Weldon had better be mentioned in the telegram. So far as I understand, the presentation, which has taken place to the Elaya Rajah of Cochin and Mr. Hutchins, would not in any way affect their formal *Investiture*; but Mr. Hutchins will unfortunately not be here, and the Elaya Rajah of Cochin need not be considered, I suppose, unless he expresses any wish.

Dated Ootacamund, the 1st September 1888.

From—J. F. PRICE, Esq.,

To—J. D. REES, Esq.

Yours of yesterday regarding the Investiture.

Could you kindly make it convenient to come over and see me about the matter some time on Monday as all papers are here.

I am telegraphing to Durand as requested.

[TELEGRAMS.]

Dated the 1st September 1888.

From—the Chief Secretary to the Government of Madras, Ootacamund,

To—the Secretary to the Government of India, Foreign Department, Simla.

Has Warrant authorizing Governor to invest Travancore Maharajah been received? Can Venkatagiri Rajah be invested K.C.I.E. on same occasion, but as separate ceremony following that of Star India? Kindly send full programme of what you consider the ceremony in either case should be. Weldon would be decorated as Companion, Indian Empire, same time.

Dated the 3rd September 1888, No. 1690 G.

From—the Secretary to the Government of India, Foreign Department, Simla.

To—the Chief Secretary to the Government of Madras, Ootacamund.

Yours 1st. Warrant for Travancore received. Venkatagiri's Investiture can take place on same occasion if the Insignia are received in time. Programmes and Warrants will be sent as soon as possible. Indian Empire decorations not yet received, though expected shortly.

[DEMI-OFFICIALS.]

Dated the 4th September 1888, No. 264.

From—J. F. PRICE, Esq.,

To—H. M. DURAND, Esq.

I write to acknowledge your telegram in reply to mine of the 1st instant, regarding the Investiture of the Rajah of Venkatagiri with the Insignia of the Second Class of the Order of the Indian Empire.

2. I presume that, if the usual Warrant from Her Majesty dispensing with the ceremony of Investiture is received with the Insignia, intended for the Rajah, you will take steps to have it cancelled, and to procure the necessary authorization for Investiture by His Excellency the Governor.

3. It appears from the notes printed at pages 3, 4 and 5 of the "Indian Empire" file, Simla Record Proceedings 24—41 of 1888, that since 1867, no Natives admitted to the higher classes of the Order of the Star of India were, in accordance with the provisions of rule XV of the Statutes, Knighted prior to Investiture. Was this omission intentional, and is it desired that, on the occasion of the Investiture of the Maharajah of Travancore by His Excellency the Governor, the ceremony of Knighting should be omitted?

4. If any amendment of rule XV has been made by Her Majesty under rule III, will you be so kind as to furnish me with a copy for record.

Dated Ootacamund, the 4th September 1888.

From—J. F. PRICE, Esq.,

To—J. D. REES, Esq.

The enclosed has just been received from Foreign in reply to the telegram which I sent. Please return when no longer required.

[ENCLOSURE.—Telegram from the Government of India, Foreign Department, dated 3rd September 1888—*supra*.]

G.O., dated 4th September 1888, No. 605, Political.

Dated the 4th September 1888.

From—J. D. REES, Esq.,

To—J. F. PRICE, Esq.

I return the telegram with many thanks. Does Foreign Secretary mean that he is going to ask for Warrant to invest Venkatagiri? You have not so far formally asked on His Excellency's behalf for such a Warrant, have you? If not, I am to ask you now to telegraph, asking that His Excellency may be authorized to invest Venkatagiri, and to ask Mr. Durand to take measures to ensure receipt of Insignia and Indian Empire Warrant in time.

Order—dated 4th September 1888, No. 605, Political.

Copy of telegram despatched to Foreign, Simla, on the 4th September:—

"Your telegram 3rd. Please obtain authorization for His Excellency to invest Venkatagiri. Will be much obliged if you will take measures to ensure receipt Insignia and authorization in time."

(True Extract.)

J. F. PRICE,
Ag. Chief Secretary.

[DEMI-OFFICIALS.]

Dated Simla, the 13th September 1888.

From—H. M. DURAND, Esq.,

To—J. F. PRICE, Esq.

I am sending to you the Insignia, Grant and Warrant for Travancore which are here complete. No avoidable delay shall take place in forwarding to you the Insignia, &c., for the Rajah of Venkatagiri and Colonel Weldon when they arrive from England, whence they are believed to be now on their way, as we were advised of their despatch on the 10th August. His Excellency the Grand Master will, at the same time, authorize His Excellency the Governor to invest the Rajah.

With reference to the programme for Travancore now sent, I may mention that full precedents for this class of ceremonial were forwarded to Rees last July, through Colonel Henderson. I allude to this because the papers contained much useful information for such ceremonials not detailed in the programme.

As you may probably not understand how the ceremony for Venkatagiri will fit in with that of Travancore, I send herewith an advance copy of the draft of the programme for the former.

Letter, dated Simla, the 20th September 1888.

From—H. M. DURAND, Esq.,

To—J. F. PRICE, Esq.

I have received your demi-official letter, dated the 4th September 1888, regarding the Investiture of the Rajah of Venkatagiri.

With reference to paragraph 2, you will see from my demi-official letter of the 13th instant, that His Excellency the Grand Master will authorize Lord Connemara, who is a Knight Grand Commander of the Order, to invest the Rajah.

As regards "Knighting," it is not the custom to perform this ceremony in the case of non-Christian Natives of India. No amendments have been made to the Statutes.

Dated the 27th September 1888, No. 304.

From—J. F. PRICE, Esq.,
To—H. M. DURAND, Esq.

I have to thank you for the programmes, which you have so kindly sent us, of the ceremonies to be observed when His Highness the Maharajah of Travancore and the Rajah of Venkatagiri are invested next December, and am to ask whether there is any objection to His Excellency Lord Connemara's wearing his Indian Empire robes during the Star of India Investiture.

Letter, dated 28th September 1888, No. 646, Political.

From—the Chief Secretary to the Government of Madras,
To—the Secretary to the Most Exalted Order of the Star of India.

I am directed to acknowledge receipt of the Insignia of a Knight Grand Commander of the Star of India, forwarded with your letter, No. 35 S. I., dated the 13th instant, for the Investiture of His Highness the Maharajah of Travancore.

[DEMI-OFFICIAL.]

Dated the 28th September 1888, No. 307.

From—J. F. PRICE, Esq.,
To—H. M. DURAND, Esq.

With reference to my official letter of this date, acknowledging the receipt of the Insignia of the G.C.S.I. referred to in your letter, dated 13th instant, 35 S.I., I write to say that, with the Star, Collar, and Badge of the 1st class of the Order, and the riband, a second Badge, described in the enclosure to this letter, has been received, the use of which is not known, though as there is a place for it in the case it must form part of the Insignia. It corresponds closely with the Badge of the 2nd class, except that it is slightly larger instead of being smaller in size than that appointed for Knights Grand Commanders, and the motto is in gold: not diamonds.

Please inform me whether this second Badge is intended for non-Collar days. It is apparently not mentioned in the Statutes, which refer, as far as I can find (section), only to the Badge set in diamonds and is not described in Burke's Peerage. No mantle has been received, and I shall be glad to know whether His Highness the Maharajah is expected to provide himself with one.

An onyx Cameo having Her Majesty's Royal effigy thereon within a gold ornamented oval, enamelled in light blue, inscribed with the motto of the Order, "Heaven's Light Our Guide," in gold, and surmounted by a Star of five points in silver.

From—H. M. DURAND, Esq.,
To—J. F. PRICE, Esq.

Indian Empire.

In reply to your demi-official letter of the 27th September 1888, I should say that it might be more strictly correct if His Excellency the Governor did not wear the Indian Empire robe at the Star of India Investiture.

2. He will be empowered specially as a high personage to conduct the Star of India ceremony. His being a G.C.I.E. has nothing to do with that. On the other hand, His Excellency conducts the Indian Empire ceremony because he is a G.C.I.E., and then of course wears the robe.

3. But if His Excellency finds it more convenient, when he is conducting both ceremonies on the one occasion, not to robe in the middle of the proceedings, there is no objection to his wearing the Indian Empire robe throughout.

Dated Simla, the 10th October 1888.

To—J. F. PRICE, Esq.

Indian Empire.

I have to reply to your demi-official of the 28th of September regarding the Insignia of the First Class of the Order of the Star of India.

2. The second Badge you refer to is undoubtedly part of the Insignia of a Knight Grand Commander, and is, I understand, worn at the end of the sash, the diamond Badge being appended to the Crown on the Collar.

3. His Highness the Maharajah of Travancore is expected to provide himself with a mantle of the Order, and if there is any difficulty in getting the garment in Madras, Ranken and Co. of Calcutta will probably be able to make it.

From—J. C. HANNYNGTON, Esq.,

To—J. F. PRICE, Esq.

His Highness the Maharajah seems to me somewhat unnecessarily uneasy in regard to the details of his Investiture and his trip to Madras.

2. He desires me to request that a copy of the programme of the ceremony may be sent to him as soon as the details are settled.

3. He is also anxious because no Government Order has as yet been issued in regard to assistance being afforded, &c., at the various places where he stops on his journey. This of course could not be done until the detailed programme of his route was supplied through the Dewan, and it only came to hand a couple of days ago.

To—the Hon. Mr. J. F. PRICE.

The Maharajah telegraphed to Ranken (Calcutta), for the mantle about the 20th October, so it will not be his fault if it does not come in time.

Two attendants accompany His Highness, but he and I would be glad to know what part they are to take in the performance.

"Are they to wear any particular dress? Are they expected to form part of the procession or hold the mantle or anything of that kind?"

Such are His Highness' questions. We here are ignorant of the details of the ceremony.

I suppose we will have a rehearsal if it be a complicated ceremonial, as was done at Calcutta.

From—C. KOUGH, Esq.,
To—the Hon. Mr. J. F. PRICE.

Your demi-official, 363, of 13th.

His invitation has been duly forwarded to Nawab of Banganapalle, together with a note from myself on the lines indicated.

We usually write here (when corresponding in the English language) "My dear Sir" and "Yours faithfully."

I hear he is unwell and so not likely to attend.

Dated Trivandrum, the 17th November 1888.

From—J. C. HANNYNGTON, Esq.,
To—J. D. REES, Esq.

His Highness the Maharajah wants to know whether his pages at the Investiture should wear any particular dress.

I told him that I thought a couple of good-looking Travancore lads, dressed neatly in oriental costume, would suit very well. He, however, wishes to be certain on the point, and if his pages ought to wear the same dress as the pages of His Excellency the Governor.

"Could they kindly arrange at Government House to lend me two pages with their proper dress, &c."

In my ignorance this seems to me rather funny. However, will you kindly ascertain what are His Excellency the Governor's wishes, and let me know as soon as possible. I start for Cochin on the 20th, but if you will direct your letter to me as "Resident," Captain Atkinson will open it and do the needful.

G.O., 17th November 1888, No. 850, Financial.

The Accountant-General will place the sum of Rs. 4,000 at the disposal of the Honorable Mr. J. F. Price, Chief Secretary to Government (to be accounted for and adjusted in due course), for expenditure on the public service.

Dated Fort St. George, the 21st November 1888.

From—the Hon. Mr. J. F. PRICE,
To—J. D. REES, Esq.

The Rajah of Cochin, who is a K.C.I.E., has not been asked to the Investiture of the Rajah of Venkatagiri. Should he be—the invitation being of the nature of that sent to the Nawab of Banganapalle and the Zemindar of Punganúr, i.e., one which he need not regard in the light of an order.

He is a long way off and the journey and stay here and his return would cost him a good deal.

The programme sent by the Foreign Department says, as you will see, that only Members of the Order at Madras will be required to attend. I think that we shall have enough.

Please let me have a reply soon.

Dated the 22nd November 1888.

From—the Private Secretary to His Excellency the Governor,
To—the Military Secretary to His Excellency the Governor.

I did not know His Highness was to have pages. However, Price and you will know.

Dated the 22nd November 1888.

From—Major J. J. S. CHISHOLME,
To—the Hon. Mr. J. F. PRICE.

What reply do you think ought to be sent to the Maharajah? I hardly think he ought to have pages, unless its necessary to *help* him.
